**Sponsors**

1           A RESOLUTION relating to Federal Emergency  
2           Management Agency levee certification and authorizing  
3           King County to act on behalf of the King County Flood  
4           Control Zone District in connection with the City of Kent's  
5           applications for Federal Emergency Management Agency  
6           levee certification.

7           WHEREAS, the Flood Control Zone District ("District") Board of Supervisors  
8           passed Motion FCD11-02 on July 11, 2011, authorizing the District to work in  
9           collaboration with Green River valley cities in meeting Federal Emergency Management  
10          Agency ("FEMA") certification standards of levee segments and to assume operation,  
11          maintenance and repair responsibilities necessary for certification of levee segments,  
12          when the levees are designed and constructed consistent with King County Flood Hazard  
13          Management Plan Policy PROJ-6, Flood Protection Facility Design and Maintenance  
14          Objectives; and

15          WHEREAS, Resolution FCD2011-16 approved the Agreement for Levee  
16          Construction, Operation and Maintenance ("Agreement") between the District and the  
17          city of Kent, which sets forth specific technical requirements to be achieved to ensure  
18          that levee improvements are constructed consistent with flood risk policies in the adopted  
19          King County Flood Hazard Management Plan; and

20           WHEREAS, Resolutions FCD2008-17 and FCD2010-41.2 designate King  
21 County, through the Water and Land Resources Division of the King County Department  
22 of Natural Resources and Parks (WLRD), as the District's service provider; and

23           WHEREAS, the director of WLRD has the expertise to evaluate the technical  
24 requirements and performance measures necessary to ensure the District's objectives are  
25 achieved; now, therefore

26           BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE KING  
27 COUNTY FLOOD CONTROL ZONE DISTRICT:

28           SECTION 1. On behalf of the District, the King County executive, or his  
29 designee, is authorized to (a) approve the levee operation plan and manual under the  
30 Agreement and (b) approve and sign any other documents related to the City of Kent's

31 FEMA levee certification applications, as long as such documents are consistent with the  
32 Agreement.
