SUBJECT

An ordinance authorizing the Executive to enter into an interlocal agreement with the City of Bellevue relating to the annexation of the Eastgate, Tamara Hills, Horizon View, and Hilltop Potential Annexation Areas.

SUMMARY

Proposed Ordinance 2012-0136 authorizes the Executive to execute an interlocal agreement ("ILA") with the City of Bellevue ("City"), providing for the transfer of County properties and related records, and for the transition of services resulting from the City's annexation of the unincorporated urban areas of Eastgate, Tamara Hills, and Horizon View areas. Annexation is scheduled to occur on June 1, 2012.

BACKGROUND

The City initiated the annexation process in 2011 by gathering sufficient petition signatures of residents of three of its Potential Annexation Areas - Eastgate, Tamara Hills and Horizon View.¹ These areas are within the City's Potential Annexation Area. The King County Boundary Review Board approved Bellevue's Notice of Intention to annex these areas.

The areas proposed for annexation are completely surrounded by the City. A map of the potential annexation areas is attached at Attachment 4 to this staff report. According to the Executive, the total population of these areas is 5,554 residents, consisting of over 919 acres. See Attachment 5, Executive transmittal letter. The largest area is Eastgate, with a population of 4,967 and size of 764 acres.

¹ The City is still working on gathering signatures for the Hilltop area. The proposed ILA contemplates that the same terms and conditions would apply to that area once it is annexed.

When annexations occur, many of the transfers of authority and assets happen automatically under state law. However, for properties, in this case roads-related and drainage-related properties, which do not automatically transfer, and to allocate responsibilities (e.g., development permits currently under review, police and district court services) during the transition of areas from county to city control, the use of an interlocal agreement is appropriate. This proposed ILA will address such matters.

The properties that the County will convey under the ILA to the City are small. There is one road-related property that is a 2400 square foot drainage site with an assessed value of \$100. There are also several drainage property interests in the Eastgate area totaling slightly less than two acres.

The properties were dedicated to King County as a result of development process requirements. Developers are required to set aside a certain portion of land to be developed for drainage purposes. In most cases they are also required to construct drainage facilities according to King County standards that are, upon their completion and acceptance, publicly maintained in perpetuity.

In addition to the properties, the County is transferring all easement rights of record to the City.

The City intends to set an annexation effective date of June 1, 2012. In order to ensure an orderly transition the Executive must be authorized to execute the agreement before the annexation occurs on June 1, 2012.

ANALYSIS

Annexation

The County's policy is to encourage annexation of the remaining urban unincorporated area (KCCP U-201). Annexations help achieve the CPP goal of making cities the provider of local urban services and the County the provider of most countywide services (CPP FW-13).

Terms of the ILA

Substantive terms of the ILA, as negotiated and transmitted by the Executive, along with changes agreed to by the City after the ordinance was transmitted, are described below. The post-transmittal modifications are shown in track changes in the ILA attached as Attachment 6 to this staff report.

Section 2: Transfer of Jurisdiction, Authority and Services

Subsection 2.a – Records Transfer

There are several record transfer provisions in the ILA. Section 2.a requires the County to provide records related to the annexation area that are listed in Exhibit B by June 1 or an otherwise mutually agreed upon date, plus additional records upon request. For the due date for these records, Section 2.a allows the County to receive a 45-day extension upon request.

In the ILA, as transmitted, the descriptions of the records required in Exhibit B were in many cases broad or difficult for County departmental staff to interpret the nature of the request. The broad nature of the records request made it more likely that departments would fail to accurately and completely provide all required records. Additionally, because the County has an affirmative duty to work with the City to provide records, which were not clearly defined, failure to produce a record increases the liability to the County in the event an incident were to happen that was attributed to failure of the County to provide the record.

County Council and departmental staff met with the City's departmental staff to refine the records requested in Exhibit B. Documents that the County does not have or that were produced early to the City were eliminated from the list. The City also agreed to limit the scope of the request to those records in Exhibit B held by designated departments, to make it clear that Council records and other departmental records are not the intended subject of the ILA provisions.

As revised, the records transfer provision is reasonably achievable by the County, and potential liability exposure from records production has been narrowed.

Subsections 2.c-2.e – Transition of Services²

Sections 2.c through 2.e have typical provisions for the transfer of jail, police, and district court services. The County is responsible for things that happen prior to the annexation effective date ("Effective Date") and the City is responsible for things that happen after the Effective Date.

The police provision includes a records requirement for the production of policing-related community contact lists. The King County Sheriff's Office ("KCSO") reports that these lists may not exist. However, KCSO does not have to produce lists that it does not have, and it has 90 days to locate and produce them. Therefore, this records requirement appears reasonable.

² Processing of development permits is handled in Exhibit E, addressed later in this staff report.

Subsection 2.f – Status of County Employees

The City agreed to add a provision whereby the City agrees to consider applications by County employees affected by the annexation. State law governs the City's consideration of KCSO employees affected by the annexation.

Subsection 2.g – Road and Fire Levy Taxes

According to Treasury Section staff, in compliance with RCW 35.13.270, whenever properties are annexed to a city or town which is part of the County road district, the County will transfer any collected road general taxes to that city from the effective date of the annexation forward, provided that the city has notified the County Treasurer and Assessor by certified mail at least thirty days before the effective date of the annexation, and has provided a list of the parcel numbers impacted.

This subsection states that the County's collection and disbursement to the City of road and fire levy taxes within the annexation area shall occur before December 31, 2012, and that the City has notified the County Treasurer and Assessor.

New Subsection 2.h – Prior ILA agreement

A prior interlocal agreement regarding road improvements in the area to be annexed is superseded by the terms of this ILA. The prior interlocal agreement had a payment provision for the City to reimburse the County for road improvements the County did on 150th Ave. S.E., if that area in which these improvements was annexed into the City. The current value of that work is approximately \$1.7 million; but without an annexation, the amount owed by the City would depreciate each year until it reached \$0 in 2017.

The costs of the 150th Ave. SE project have already been paid by the Roads construction fund, and repayment of the costs is not included in the Roads budget. Therefore, although the Roads budget situation is dire, its situation is not changed (but nor is it helped) by eliminating this repayment obligation.

In previous years, the adopted budgets included a pool of reserve funding to provide cities with a financial incentive to annex. Therefore, foregoing the right to collect on \$1.7 million that otherwise would depreciate to \$0 in the absence of an annexation appears reasonable, particularly considering the County's policy of encouraging annexations of urban unincorporated areas.

The new subsection 2.h memorializes this agreement within the body of the ILA to make the agreement clear for audit purposes. The language in subsection 2.h received legal review.

New Subsection 2.i – Planned CIPs

Upon annexation, the County will not be performing any future work on the one planned capital improvement project ("CIP") in the annexation area: Project #200211, SE Newport Way replacement of a temporary culvert, with a \$678,000 appropriation for 2012-2013 and a six-year CIP of \$3,893,000. The County would not be obligated to complete this Project after annexation since the land will be in the City's jurisdiction. However, because cities have the ability to ask the County to continue work on a CIP, a new provision is added to clarify that in consideration of this annexation the City acknowledges that the County will not be responsible for any such improvements.

The language in subsection 2.i received legal review.

New Subsection 2.j - Inspections

Other sections of the ILA require County staff to be available to perform field inspections of the County properties being transferred to the City. At the City's request, a new provision is added that would require County staff to be available to perform field inspections of the rights-of-way.

In the transmitted ILA this provision was contained with the Exhibit B records request list, but was moved into the body of the ILA because it is not a records request.

The language in subsection 2.j received legal review.

Section 3: Transfer of Properties

Section 3 concerns the transfer of the single 2400 sq. ft. road-related property, and the transfer of surface water management drainage facilities and drainage property interests.

Upon the Effective Date, the County will deed the properties to the City, subject to all existing encumbrances of record for those properties. The road-related property is described in Exhibit C. The surface water management properties are described in Exhibit D.

A new Exhibit G is added that contains a sample quit-claim deed. This was added to facilitate the administrative processing of the deed, so that the deed can be conveyed without coming back to the Council for approval as to the form of the deed. This has occurred with previous annexation ILAs.

Subsection 3.a.i. – Transfer of road-related property, condition and maintenance

Superseding Use

In a previous interlocal agreement transferring properties, the annexing city in that case agreed that it would use and maintain road-related properties for their road-related purposes in perpetuity. In this ILA, the City is only obligated to operate, maintain and repair the road features located on the property until such time as the related road is vacated or the road features are superseded or replaced.

Allowing an annexing city the ability to convert the property to some other use is a change from previous transfers. However, the Road Services Division confirmed that if the drainage ditch were removed and there were water run-off, there would be no adverse impacts to County roads or property because the annexation area is completely surrounded by the City of Bellevue. Rainwater would still have to go somewhere, so even if the City had another use for the property it would still need to take care of the drainage needs of the area somehow.

The State Accountancy Act (RCW 43.09.210) requires that one public fund not support another without full compensation of costs. State law also says that the County Road Fund cannot be used for any other than a proper county road purpose (RCW 36.82.070). This item received legal review and does not raise Accountancy Act concerns so long as the property is maintained for a reasonable period of time.

Because the ability to alter the use of roads-related properties reflects a departure for the County from standard language, the Amendment 1 to the proposed ordinance recognizes in its findings of fact that in this case the property is small with an assessed value of \$100.

Warranted records

In addition to Section 2 concerning the transfer of records listed in Exhibit B, the County warrants that it will provide all records concerning the road-related properties. The "warranted" standard is a very high standard for the County to meet, which increases the liability exposure for the County in the event an incident were to happen that was attributed to failure of the County to provide records. In addition, "records concerning the road-related properties" was broad in scope. Upon staff discussion with the City, it became apparent that the files sought by the City limited. The warranted records language is revised to narrow the scope of the records desired. This decreases the likelihood of the County failing to provide the requested documents.

The County makes no other warranties with regard to the property.

Inspections

The County agrees to make staff available to jointly inspect the property with city personnel to provide the maintenance status and known defects or problems with the property. It is reasonable for County staff to have knowledge of these issues for property it owns and maintains.

While the City has the right to inspect the property and obtain records about the property, it must take the property "as is", except for the indemnification provisions of the ILA.

Subsection 3.a.ii. – Environmental liability for road-related property

"Hazardous materials" are defined. The City reserves the right to seek contribution from the County for hazardous materials deposited or released on the property during the County's ownership, pursuant to state or federal environmental statutes.

Additional liability limitations the County has negotiated in past interlocal agreements were not achieved in this Agreement.³ However, liabilities are apportioned according to applicable state and federal laws. Therefore, the environmental liability provisions appear reasonable.

Subsection 3.a.iv. – Indemnification for road-related property

The County agrees to indemnify and hold harmless the City for damages arising from occurrences that occurred during the time the County owned the property. If a claim is brought against the City for such an occurrence, the County must defend the City. If a judgment is rendered against the City, the County must pay for it. A reciprocal provision exists for damages arising from events related to the property that occur after the annexation date. In that case the City indemnifies the County, defends the County, and pays for judgments against the County.

Additionally, in the event of concurrent negligence, each party may only seek indemnification to the extent of the other's negligence.

Subsection 3.b.i. – Transfer of drainage facilities and drainage property interests

Upon the Effective Date, the County will deed the surface water management properties identified in Exhibit D to the City, subject to all existing encumbrances of record for

³ For example in the Kirkland annexation interlocal agreement, Kirkland agreed to a term prohibiting the City from asserting a claim against the County for clean-up contribution to the extent that the City created the need for or exacerbated the cost of remediation as a result of the City performing activities on the road-related properties. Additionally, the County was not responsible for any costs of remediation that exceeded the minimum necessary to satisfy the relevant state or federal agency.

those properties. There is a provision that the County is willing to maintain the drainage facilities after annexation by a separate contract.

The parties will make staff available to identify and review any additional County-owned property interests within the annexation areas that should be conveyed to the City, with the City's prior approval. This provision gives the City the ability to refuse to take any additional drainage-related properties that may be discovered subsequent to the execution of this Agreement. However, Water and Land Resources Division staff have stated that the likelihood of identifying additional unknown properties to transfer in this small, urban, developed annexation area is very unlikely. Therefore, accepting this term appears reasonable. This item has had legal review.

Subsection 3.b.ii.-iv. – Drainage facilities condition and maintenance, environmental liability, indemnification

Superseding Use

The City is only required to operate, maintain and repair the drainage facilities "until such a time as the need for said Drainage Features are no longer present." This is slightly different from the City's duty to maintain the road-related property until the related road is vacated or the road features are superseded or replaced.

So long as there is a need for the drainage features, those features will be maintained. Therefore, this provision does not pose a risk to the County if the features are replaced. Even if there should prove to be a need for the drainage after replacement, Water and Land Resources Division staff have stated that because the properties are islands surrounded by the City of Bellevue, there would be no drainage impacts to the County.

Other

Warrants, inspections, environmental liability, and indemnification provisions are the same as with the road-related property.

Section 6: Indemnification

The County agrees to indemnify and hold harmless the City for damages arising out of a claim that the County was negligent in performing its obligations under this ILA. If a claim is brought against the City because of that, the County must defend the City. If a judgment is rendered against the City, the County must pay for it. A reciprocal provision exists for damages arising out of a claim that the City was negligent in performing its obligations under this ILA.

Additionally, in the event of concurrent negligence, each party may only seek indemnification to the extent of the other's negligence.

Section 7: Additional Annexation Area

If the Hilltop Potential Annexation Area is annexed by no later than December 31, 2013, then the terms of this Agreement shall apply to it without the need for further action by the City Council or City Council. Applying this Agreement to Hilltop has had legal review.

Section 8: General Provisions

This Agreement uses the same boilerplate general provisions as the JFK ILA. The JFK ILA made a change to the general provisions requiring Council approval of any material modification to the ILA before the Executive is authorized to amend this Agreement. That change is also included in this Agreement.

A dispute resolution provision was inadvertently omitted. It is added to the revised ILA which is attached to Amendment 1.

Exhibit E: Development Services Agreement Provisions

Processing of Department of Development and Environmental Services ("DDES") permits is addressed by Exhibit E.

According to DDES staff, the City has opted for the typical method of transitioning permits. Under the terms of Exhibit E, DDES will finish all complete building permit applications submitted to the County prior to the Effective Date that have not expired. If a permit has expired as of the Effective Date, the applicant must reapply with Bellevue. Building permits are ministerial in nature, so the County has the legal authority to complete them.

For land use permits, the County will review the permit application, but by law the County cannot issue land use decisions in another jurisdiction, so the County will only make approval or denial recommendations to the City.

SEPA and code enforcement provisions are also standard. In short, as noted in Section 6 of Exhibit E, County review specified in Exhibit E is intended to be of an administrative and ministerial nature only. Any and all legislative or quasi-judicial decisions or decisions of a discretionary nature shall be made by the City's designated decision maker and processed according to the City's applicable review and appeal procedures.

Legal Review

The transmitted ILA as well as the revisions accepted by Bellevue have received legal review.

Fiscal impacts of the Annexation

The fiscal note, attached as Attachment 7 to this staff report, states that approval of this proposed ordinance does not incur any fiscal impacts. There are, however, fiscal impacts due to annexation.

Expenditure reductions come from decreased services and decreased staffing in the annexation area, such as decreased permit processing by DDES, decreased facility inspection and complaint response by WLRD, and decreased CIP work by the Roads Services Division. The Roads construction fund has an expenditure reduction that represents the elimination of the one planned CIP in the area (Newport Way culvert and sidewalk). The General Fund experiences no expenditure reductions. Although KCSO provides services in the potential annexation areas, with the small population the Sheriff does not expect any reductions in staffing or other expenditures to occur.

Revenue losses come from decreased sales tax, property taxes, DDES permit fees, SWM fees, and REET. The biggest hit is an annual loss to the Roads Fund of \$1,600,000. The General Fund is projected to experience a decrease in revenue for the remainder of 2012 of \$260,000, and a revenue reduction of \$440,000 in 2013 due to decreasing sales and other taxes.

The annexation results in greater revenue reductions than expenditure reductions. There is a net loss of \$739,000 for the remainder of 2012 and \$1,695,000 for 2013 across various funds.

None of the projected impacts were included in the adopted 2012 budget. Therefore, some funds such as Surface Water Management ("SWM") Local Drainage may have adjustments made in the next supplemental omnibus appropriations ordinance.

Amendment

There is a proposed amendment that would do the following:

- Update the ordinance to reflect the addition of Horizon View, which completed its Boundary Review Board process on May 8, 2012
- Declare an emergency in order to have this Agreement take effect prior to the annexation Effective Date of June 1, 2012
- Explains circumstances surrounding a negotiated term regarding future use of the transferred road-related property
- Replace the ILA attached to the transmitted proposed ordinance with a revised version that includes the changes accepted by the City after the proposed ordinance had been transmitted.

There is a corresponding Title Amendment reflecting the change to an emergency ordinance.

Because of the desire to have this Agreement in place prior to the Effective Date of the annexation, this item should be expedited.

INTERLOCAL AGREEMENT BETWEEN THE CITY OF BELLEVUE AND KING COUNTY RELATING TO THE SOUTH BELLEVUE ANNEXATION

THIS AGREEMENT ("Agreement") is made and entered by and between the City of Bellevue, a State of Washington municipal corporation ("City"), and King County, a political subdivision of the State of Washington ("County"). Together, the City and the County are referred to herein as "the Parties."

WHEREAS, the City identified areas of unincorporated King County referred to as the Eastgate, Tamara Hills, Horizon View, and Hilltop Potential Annexation Areas ("PAA") in its comprehensive plan consistent with the requirements of the state Growth Management Act ("GMA") and the Countywide Planning Policies adopted consistent with GMA; and

WHEREAS, the City will annex those areas within the PAA described in **Exhibit A-1** attached hereto and incorporated herein by this reference (collectively referred to as the "Annexation Area") which will become effective on June 1, 2012; and may annex an additional area of the PAA in the near future, which additional area is described in **Exhibit A-2** attached hereto and incorporated herein by this reference (referred to as the "Additional Annexation Area"); and

WHEREAS, property owners in the Annexation Area presented sufficient petitions under Chapter 35A.14.120 to annex to the City, and

WHEREAS, annexation of the Annexation Area to the City will become effective on June 1, 2012 ("Effective Date") through Ordinance Nos. _____; and

WHEREAS, the Parties previously entered into an interlocal agreement relating to road improvements within the Annexation Area; and

WHEREAS, the road improvements covered by that interlocal were completed in 2005; and

WHEREAS, the Parties wish to amend and supersede the terms of the earlier interlocal agreement through execution of this Agreement; and

WHEREAS, the City and the County desire to facilitate an orderly transition of services associated with the Annexation Area; and

WHEREAS, the City and the County desire to mutually determine the appropriate timing for the transfer of public records; and

WHEREAS, subject to vested rights under state law, all local governmental land use authority and jurisdiction with respect to the Annexation Area transfers from the County to the City upon the Effective Date; and

WHEREAS, the County and City agree that having County staff continue to process various vested building and land use permit applications from the Annexation Areas on behalf of the City for a transitional period following annexation will assist in an orderly transfer of authority and jurisdiction; and

WHEREAS, as of the Effective Date, pursuant to state law, the City will own, and have all responsibility for all former County roads, bridges and rights-of-way located within the City limits together with all appurtenances located within such rights-of-way, including but not limited to, drainage facilities, storm water facilities, environmental mitigation sites and monitoring projects, street lights, traffic signals, fiber-optic cable, fiber-optic conduit, and traffic signs; and

WHEREAS, the City and the County want to ensure a smooth transfer of ownership and maintenance of those existing County related property interests in the Annexation Areas that will transfer to the City as set forth in this Agreement; and

WHEREAS, the governing bodies of each of the parties hereto have determined to enter into this Agreement as authorized and provided for by the Interlocal Cooperation Act, codified at Chapter 39.34 RCW, and other Washington law, as amended;

NOW THEREFORE, in consideration of the mutual terms, provisions and obligations contained herein, it is agreed by and between the City and the County as follows:

1. TERM/EFFECTIVE DATE.

- a. This Agreement shall be deemed to take effect following the approval of the Agreement by the official action of the legislative bodies of each of the Parties and the signing of the Agreement by the duly authorized representative of each of the Parties, and shall continue in force for a period of five (5) years from the date signed by both parties. As used herein, "Effective Date" shall refer to the date of annexation to the City.

2. TRANSFER OF JURISDICTION, AUTHORITY AND SERVICES.

a. RECORDS TRANSFER

- i. The County shall work with the City to provide the records held by the assigned department and listed in Exhibit B attached hereto and incorporated herein by this reference by the dates listed in Exhibit B or such other date as mutually agreed by the parties. The term "records" shall refer to records listed in **Exhibit B**.
- ii. If additional time is needed to produce any of the records listed in Exhibit B, the County shall inform the City of the amount of additional time required to produce each specified record. All such records then shall be provided within 45 days after the mutually agreed date.

- iii. For additional records not included in **Exhibit B**, the City shall send a written request to the County Executive's office, which office shall direct the request to the appropriate County division. Alternately, the City may request in writing that the County Executive's office schedule records transfer meetings at which City and County representatives shall meet to review and agree upon additional records, if any, to be copied and/or transferred. The County shall use its best efforts to provide any agreed upon additional records by a mutually agreed date.
 - iv. The County may elect to provide original records or copies of records. The County may provide an electronic copy in lieu of a paper copy if the City agrees. The County shall not be required to provide records that are not reasonably available or to create records or compilations that have not already been created.
 - v. The County shall provide the City free of charge one set of records meeting the requirements of this section.
 - vi. Nothing in this Agreement relieves the County of its obligations to comply with the Public Records Act, chapter 42.56 RCW, now or as hereafter amended.
- b. **DEVELOPMENT SERVICES**. Transfer of development services shall be as set forth in the attached **Exhibit E** which is hereby incorporated into this Agreement, relating to the processing of building permits and land use applications in the Annexation Area.
 - c. **JAIL SERVICES**. The City of Bellevue is responsible for the incarceration of adult offenders charged with misdemeanor or gross misdemeanor crimes occurring in the Annexation Area on or after the Effective Date. King County is responsible for the incarceration of adult offenders charged with misdemeanor or gross misdemeanor crimes occurring in the Annexation Area before the Effective Date. Nothing in this Agreement is intended to supersede or modify existing agreements between the City and King County related to jail services.
 - d. **POLICE SERVICES**. On and after the Effective Date, police service responsibility within the Annexation Area will be transferred to the City. The County will be responsible for all criminal cases and investigations reported before the Effective Date, including but not limited to all costs associated with these cases and investigations. The City will be responsible for all criminal cases and investigations reported on and after the Effective Date, including but not limited to all costs associated with these cases and investigations. The City's Chief of Police and the King County Sheriff will work together to ensure a smooth transition plan and a continuing partnership. In addition to the provisions of that transition plan, the parties further agree as follows:

- i. Sharing of community information: The County agrees to provide to the City policing-related community contact lists that the County has regarding the Annexation Area. These lists may include, but are not limited to: members of block watch programs, community groups, and/or homeowner's associations. The lists shall be provided to the City within 90 days of the Effective Date.
 - ii. Annexation of Emergency Response (911) Services: The City and County agree to coordinate the transfer of emergency response (911) services in the Annexation Area.
- e. DISTRICT COURT SERVICES TRANSITION. The County will be responsible for the prosecution, adjudication, and payment or receipt of any fees, fines or assessments associated with infractions or misdemeanor criminal offenses when the date of the infraction or offense is prior to the Effective Date. The City will be responsible for the prosecution, adjudication, and payment or receipt of any fees, fines or assessments associated with infractions or misdemeanor criminal offenses when the date of the offense is on or after the Effective Date. Nothing in this Agreement is intended to supersede or modify the provisions of existing agreements between the City and the County related to district court services.
- f. STATUS OF COUNTY EMPLOYEES. Subject to City civil service rules and state law, the City agrees to consider the hiring of County employees whose employment status is affected by the change in governance of the Annexation Area where such County employees make application with the City pursuant to the City's hiring process and meet the minimum qualifications for employment with the City. The City's consideration of hiring affected Sheriff Department employees shall be governed by the provisions set forth in RCW 35.13.360 through 35.13.400 and other applicable law.
- g. ROAD AND FIRE LEVY TAXES. The County's collection and disbursement to the City of the road and fire levy taxes within the Annexation Area(s) shall occur before December 31, 2012. The City provided notification to the King County Assessor and the King County Treasurer's Office under Chapter 35A.14.801(6) before March 1, 2012, regarding the payment of these road district and fire levy taxes.
- h. PRIOR AGREEMENT. The Interlocal Agreement for 150th Avenue S.E., executed by and between King County and the City of Bellevue on October 6, 1996, a copy of which is attached hereto as **Exhibit F**, is amended and superseded by this Agreement upon its execution. In exchange for the City's commitments in the Agreement, the requirements in the Prior Agreement, including the requirement that the City reimburse the County for the undepreciated value of the County's investment in the 150th SE Project upon the City's annexation of the territory surrounding the 150th SE Project, set forth on page 3 in Section III of the Prior Agreement, are superseded by the terms of this Agreement.

- i. PLANNED CAPITAL IMPROVEMENT PROJECTS. The Parties acknowledge that in consideration of this annexation, the County shall not construct any previously planned capital improvement projects within the Annexation Area.
- j. INSPECTIONS. County staff shall be available at the City's request to perform joint field inspections of the right of way and County owned properties.

3. TRANSFER OF PROPERTIES.

a.i. Transfer of Road-Related Property.

The County shall, upon the Effective Date, convey by deed the Road-Related Property described in **Exhibit C** attached hereto and incorporated herein by reference, to the City, and the City shall accept the same, subject to all rights, conditions, covenants, obligations, limitations and reservations of record for said properties. Deeds shall be substantially in the form reflected in **Exhibit G**.

The City agrees to abide by and enforce all rights, conditions, covenants, obligations, limitations and reservations of record for said properties. The City covenants that the Road-Related Property described in **Exhibit C** shall continue to be used and maintained for their current or other appropriate road-related purposes until such time as the useful life of the improvements is exhausted, or the purpose for which the Road-Related Property is used is superseded by other improvements. The manner and extent of repair and maintenance shall be in the sole discretion of the City and the County shall have no further obligation for repair and maintenance as of the Effective Date.

If such a property is sold or traded while still in use for road related purposes, then the City shall pay to the County an amount equal to the total appraised value (land plus improvements) that the King County Department of Assessments applied to the property as of the Effective Date.

ii. Condition of and Responsibility for Operations, Maintenance, Repairs, and Improvements of Road-Related Property.

1. The City will have the opportunity to inspect the Road-Related Property before accepting ownership. However, regardless of such inspection, the City has the duty to accept all facilities as specified in this Agreement.

The City agrees to accept the Road-Related Property in AS IS condition, except as otherwise set forth in this Section 3(a), and to assume full and complete responsibility for all operations, maintenance, repairs, and improvements of the Road-Related Property. The City shall also agree to operate, maintain and repair the road features located on the Road-Related Property until such time as the related road is vacated or the road features are superseded or replaced. The manner and extent of repair and

maintenance shall be in the sole discretion of the City and the County shall have no further obligation for repair and maintenance as of the Effective Date.

2. The County personnel most knowledgeable about the Road-Related Property shall be available to jointly inspect the property with City personnel and to provide the City the status of maintenance of such facilities, and to point out known conditions, including any defects or problems, if any, with the Road-Related Property.
3. The County warrants that it will provide all of its records concerning the Road-Related Property, defined for the purposes of this subsection, as purchasing and acquisition records held by the King County Real Estate Services Section pertaining to the parcels, including plat information, to the City no later than the Effective Date.

King County does not make and specifically disclaims any other warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, with respect to the Road-Related Property, and no official, employee, representative, or agent of King County is authorized otherwise.

iii. Environmental Liability related to the Road-Related Property.

1. "Hazardous Materials" as used herein shall mean any hazardous, dangerous or toxic wastes, materials, or substances as defined in state or federal statutes or regulations as currently adopted or hereafter amended.
2. Nothing in this Agreement shall be deemed to waive any statutory or other claim for contribution that the City might have against the County under federal or state environmental statutes that arises from hazardous materials deposited or released on the Road-Related Property.
3. If the City discovers the presence of hazardous materials at levels that could give rise to a claim for contribution against the County it shall notify the County in writing within ninety (90) days of discovery. Failure to provide such notice shall not be deemed a waiver or other limitation of any statutory County liability related to hazardous materials unless the federal or state environmental statute so provides.
4. Washington State and applicable federal law shall govern the respective liabilities of the Parties to this Agreement for any loss arising out of or related to the environmental condition of the Road-Related Property.

iv. Indemnification related to Roads-Related Property.

1. King County shall indemnify and hold harmless the City and its elected officials, officers, agents or employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, arising from those occurrences related to the Road-Related Property that occurred prior to the Effective Date, except to the extent that indemnifying or holding the City harmless would be limited by Section 3(a)(iii) of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against the City or the City and King County, King County shall defend the same at its sole cost and expense and, if final judgment be rendered against the City and its elected officials, officers, agents and employees or jointly against the City and King County and their respective elected officials, officers, agents and employees, King County shall satisfy the same. The City acknowledges and agree that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(a)(iv)(1) shall be valid and enforceable only to the extent of the negligence of the County, its agents, employees and/or officers.
2. The City shall indemnify and hold harmless King County and its elected officials, officers, agents and employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, arising from those occurrences related to Road-Related Property that occur on or after the Effective Date, except to the extent that indemnifying or holding the County harmless would be limited by Section 3(a)(iii) of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against King County or King County and the City, the City shall defend the same at its sole cost and expense and, if final judgment be rendered against King County and its officers, agents and employees or jointly against King County and the City and their respective officers, agents and employees, the City shall satisfy the same. The County acknowledges and agrees that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(a)(iv)(2) shall be valid and enforceable only to the extent of the negligence of the City, its agents, employees and/or officers.
3. For a period of three (3) years following transfer, each party to this Agreement shall notify the other of any and all claims, actions, losses or damages that arise or are brought against that Party relating to or pertaining to the Road-Related Property within 15 days after determining that this Section may apply to such claims, actions, losses or damages.

4. Each Party to this Agreement agrees that its obligations under this Section 3(a)(iv) extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each Party to this Agreement, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.
- v. Right of Way Use Agreements. Upon the Effective Date, the City shall become the successor to the County with respect to right of way use agreements and permits referenced in Section C.6. of Exhibit B and the City shall administer and manage those permits and agreements. To the extent a right of way use permit or agreement requires payment of a periodic fee by the right of way user, the applicable fee shall be pro-rated between the City and the County based on the Effective Date.
- b. Transfer of Surface Water Management Properties
 - i. Transfer of Drainage Facilities and Drainage Property Interests
 1. Upon the Effective Date for the area in which the “Drainage Facilities” identified in **Exhibit D**, attached hereto and incorporated herein by reference, are located, those Drainage Facilities which are held by the County as specifically identified in **Exhibit D-1** shall automatically be transferred from the County to the City, and the City shall assume ownership and full and complete responsibility for the Drainage Facilities. The Drainage Facilities identified in **Exhibit D-2** shall not be transferred but shall remain in private ownership.
 2. The County shall upon the Effective Date for the area in which the “Drainage Property Interests” identified in **Exhibit D**, attached hereto and incorporated herein by reference, are located, convey the Drainage Property Interests by quit claim deed to the City; and the City shall accept the Drainage Property Interests, subject to all rights, conditions, covenants, obligations, limitations and reservations of record for such property interests. Deeds shall be substantially in the form reflected in **Exhibit G**.
 3. The County is willing to perform surface water-related management services and maintenance on behalf of the City in the Annexation Area after the Effective Date via separate written contract between the Parties, which contract is not part of this Agreement.
 4. The Parties will make staff available to identify and review any additional County-owned local drainage facilities, easements, and other property

interests within the Annexation Areas that should appropriately be conveyed to the City because they are of a nature similar to the facilities and property interests conveyed to the City by Sections 3(b)(i)(1) and (2) above. Such facilities and other property interests include those for which the County's facility acceptance process has not yet been completed, including both projects being constructed by the County as well as projects subject to County approval that are constructed by third parties. Any such additional County-owned drainage properties or other property interests shall be transferred to the City pursuant to this Agreement and upon County approval and City acceptance, including if necessary the adoption of ordinances by the respective legislative bodies authorizing the transfer of King County owned drainage properties and property interests. The transfer of responsibility for drainage facilities shall be documented in writing, including specific facilities transferred and the date of transfer and such documentation signed by the appropriate City representative and the Director of the King County Water and Land Resources Division. The provisions of this subsection 3(b)(i)(4) shall survive the expiration or earlier termination of this Agreement.

ii. Condition of and Responsibility for Operations, Maintenance, Repairs, and Improvements of Drainage Facilities and Drainage Property Interests.

1. The City will have the opportunity to inspect the Drainage Facilities and Drainage Property Interests before accepting ownership. However, regardless of such inspection, the City has the duty to accept all facilities as specified in this Agreement.

The City agrees to accept the Drainage Facilities and Drainage Property Interests in AS IS condition, except as otherwise set forth in this Section 3(b) and to assume full and complete responsibility for all operations, maintenance, repairs, and improvements of the Drainage Facilities and Drainage Property Interests. The City shall also agree to operate, maintain and repair the Drainage Facilities until such a time as the need for said Drainage Features are no longer present. The manner and extent of repair and maintenance shall be in the sole discretion of the City and the County shall have no further obligation for repair and maintenance as of the Effective Date.

2. The County personnel most knowledgeable about the Drainage Facilities and Drainage Property Interests will be available at the City's request to jointly inspect the property with City personnel and to provide the City the status of maintenance of such facilities, and to point out known conditions, including any defects or problems, if any, with the Drainage Facilities and Drainage Property Interests.

3. The County warrants that it will provide all of its records concerning the Drainage Facilities and Drainage Property Interests, defined for the purposes of this subsection, as purchasing and acquisition records held by the King County Real Estate Services Section pertaining to the parcels, including plat information, to the City no later than the Effective Date.

King County does not make and specifically disclaims any other warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, with respect to the Drainage Facilities and Drainage Property Interests; and no official, employee, representative or agent of King County is authorized otherwise.

iii. Environmental Liability related to the Drainage Facilities and Drainage Property Interests.

1. "Hazardous Materials" as used herein shall mean any hazardous, dangerous or toxic wastes, materials, or substances as defined in state or federal statutes or regulations as currently adopted or hereafter amended.
2. Nothing in this Agreement shall be deemed to waive any statutory or other claim for contribution that the City might have against the County under federal or state environmental statutes that arises from hazardous materials deposited or released on the Drainage Facilities or Drainage Property Interests.
3. If the City discovers the presence of hazardous materials at levels that could give rise to a claim for contribution against the County it shall notify the County in writing within ninety (90) days of discovery. Failure to provide such notice shall not be deemed a waiver or other limitation of any statutory County liability related to hazardous materials unless the federal or state environmental statute so provides.
4. Washington State and applicable federal law shall govern the respective liabilities of the Parties to this Agreement for any loss arising out of or related to the environmental condition of the Drainage Facilities or Drainage Property Interests.

iv. Indemnification related to Drainage Facilities and Drainage Property Interests.

1. King County shall indemnify and hold harmless the City and its elected officials, officers, agents or employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, arising from those occurrences related to the Drainage Facilities and Drainage Property Interests that occurred prior to the Effective Date, except to the extent that indemnifying or holding the City harmless would be limited by Section 3(b)(iii) of this

Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against the City or the City and King County, King County shall defend the same at its sole cost and expense and, if final judgment be rendered against the City and its elected officials, officers, agents and employees or jointly against the City and King County and their respective elected officials, officers, agents and employees, King County shall satisfy the same. The City acknowledges and agree that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(b)(iv)(1) shall be valid and enforceable only to the extent of the negligence of the County, its agents, employees and/or officers.

2. The City shall indemnify and hold harmless King County and its elected officials, officers, agents and employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, arising from those occurrences related to the Drainage Facilities and Drainage Property Interests that occur on or after the Effective Date, except to the extent that indemnifying or holding the County harmless would be limited by Section 3(b)(iii) of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against King County or King County and the City, the City shall defend the same at its sole cost and expense and, if final judgment be rendered against King County and its officers, agents and employees or jointly against King County and the City and their respective officers, agents and employees, the City shall satisfy the same. The County acknowledges and agrees that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(b)(iv)(2) shall be valid and enforceable only to the extent of the negligence of the City, its agents, employees and/or officers.
3. For a period of three (3) years following transfer, each party to this Agreement shall notify the other of any and all claims, actions, losses or damages that arise or are brought against that Party relating to or pertaining to the Drainage Facilities or Drainage Property Interests within a reasonable time after determining that this Section may apply to such claims, actions, losses or damages.
4. Each Party to this Agreement agrees that its obligations under this Section 3(b)(iv) extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each Party to this Agreement, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against

such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.

4. ADMINISTRATION AND CONTACT PERSONS. The Parties stipulate that the following persons shall be the administrators of this Agreement and shall be the contact person for their respective jurisdiction.

City of Bellevue:

Steve Sarkozy
City Manager
450 – 110th Ave NE
Bellevue, WA 98009

King County:

Dwight Dively, Director
Performance, Strategy and Budget
401 Fifth Avenue, Suite 810

5. COMPLIANCE WITH LAWS. Each Party accepts responsibility for compliance with federal, state, and local laws and regulations. Specifically, in meeting the commitments encompassed in this Agreement, all parties will comply with, among other laws and regulations, the requirements of the Open Meetings Act, Public Records Act, Growth Management Act, State Environmental Policy Act, and annexation statutes. The Parties retain the ultimate authority for land use and development decisions within their respective jurisdictions as provided herein and by applicable law regarding vested rights. By executing this Agreement, the Parties do not purport to abrogate the decision-making responsibility vested in them by law.
6. INDEMNIFICATION. The following indemnification provisions shall apply to the entirety of this Agreement except for Section 3 (Transfer of Property) and **Exhibit E** (Development Permit Processing), which contain separate indemnification provisions.
- a. The County shall indemnify and hold harmless the City and its officers, agents and employees, or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the County, its officers, agents, and employees, or any of them, in performing its obligations under this Agreement. In the event that any suit based upon such a claim, action, loss, or damage is brought against the City, the County shall defend the same at its sole cost and expense, provided that the City retains the right to participate in said suit if any principle of governmental or public law is involved, and if final judgment be rendered against the City and its officers, agents, and employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees, or any of them, the County shall satisfy the same. The City acknowledges and agrees that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 6(a) shall be valid and enforceable only to the extent of the negligence of the County, its agents, employees and/or officers.

- b. The City shall indemnify and hold harmless the County and its officers, agents and employees or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the City, its officers, agents, and employees, or any of them, in performing its obligations under this Agreement. In the event that any suit based upon such a claim, action, loss, or damage is brought against the county, the City shall defend the same at its sole cost and expense, provided that the County retains the right to participate in said suit if any principle of governmental or public law is involved; and if final judgment be rendered against the County and its officers, agents, employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees or any of them, the City shall satisfy the same. The County acknowledges and agrees that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 6(b) shall be valid and enforceable only to the extent of the negligence of the City, its agents, employees and/or officers.
 - c. Each Party to this Agreement agrees that its obligations under this Section 6 extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each Party to this Agreement, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.
 - d. The provisions of this Section 6 shall survive the expiration or termination of this Agreement with respect to any event occurring prior to such expiration or termination.
7. APPLICATION TO ADDITIONAL ANNEXATION AREA
- a. Agreement to Extend. The terms of this Agreement shall apply to the Additional Annexation Area (described in **Exhibit A-2** attached hereto) as of the Effective Date of annexation of such area to the City of Bellevue without the need for further action by the City Council or King County Council, so long as such annexation Effective Date occurs no later than December 31, 2013 and consistent with the provisions of this Section.
 - b. Notice to County. The City shall provide written notice to the County of its intent to annex some or all of the Additional Annexation Area as provided by statute. Such notice shall contain at a minimum the description of the area being annexed and the anticipated Effective Date of the annexation. For purposes of this agreement, the City shall also provide written notice to the County of the proposed effective date within 60 days of the City's receipt of petition certification.

- c. **Meaning of Terms.** As used in this Agreement with respect to the Additional Annexation Area: 1) "Effective Date" as used throughout shall refer to the effective date(s) of annexation of the Additional Annexation Area(s); and 2) "Annexation Area" shall refer to the Additional Annexation Area being annexed, as described in the notice provided in Section 7(b).

8. GENERAL PROVISIONS.

- a. Entire Agreement. This Agreement together with all Exhibits hereto contains all of the agreements of the Parties with respect to the matter covered in this Agreement and no prior agreements shall be effective for any purpose.
- b. Filing. A copy of this Agreement shall be filed with the City Clerk, and recorded with the King County Recorder's Office or listed by subject on the County's web site or other electronically retrievable public source.
- c. Amendments. Except as authorized in Section 7, no provision of this Agreement may be amended or modified except by written agreement signed by the Parties. Any amendment that modifies a material term of this Agreement must be approved by the King County Council prior to the County executing the amendment.
- d. Severability. If one or more of the clauses of this Agreement is found to be unenforceable, illegal, or contrary to public policy, the Agreement will remain in full force and effect except for the clauses that are unenforceable, illegal, or contrary to public policy. The parties will replace the severed provision with one that is closest in meaning to the intent of the original provision that is not unenforceable, illegal or contrary to public policy.
- e. Assignment. Neither the City nor the County shall have the right to transfer or assign, in whole or in part, any or all of its obligations and rights hereunder without the prior written consent of the other Party.
- f. Successors in Interest. Subject to the foregoing subsection, the rights and obligations of the Parties shall inure to the benefit of and be binding upon their respective successors in interest, heirs, and assigns.
- g. Dispute Resolution. The Parties should attempt if appropriate to use an informal dispute resolution process such as mediation, through an agreed-upon mediator and process, if agreement cannot be reached regarding interpretation or implementation of any provision of this Agreement. All costs for mediation services would be divided equally between the Parties. Each jurisdiction would be responsible for the costs of their own legal representation.
- h. Attorneys' fees. In the event either of the Parties defaults on the performance of any terms of this Agreement or either Party places the enforcement of this

Agreement in the hands of an attorney, or files a lawsuit, each Party shall pay all its own attorneys' fees, costs and expenses.

- i. No waiver. Failure of either the County or the City to declare any breach or default immediately upon the occurrence thereof, or delay in taking any action in connection with, shall not waive such breach or default.
- j. Applicable Law. Washington law shall govern the interpretation of this Agreement. King County shall be the venue of any mediation, arbitration, or lawsuit arising out of this Agreement.
- k. Authority. Each individual executing this Agreement on behalf of the City and the County represents and warrants that such individuals are duly authorized to execute and deliver the Agreement on behalf of the City or the County.
- l. Notices. Any notices required to be given by the Parties shall be delivered at the addresses set forth above in Section 4. Any notices may be delivered personally to the addressee of the notice or may be deposited in the United States mail, postage prepaid, to the addresses set forth above in Section 4. Any notice so posted in the United States mail shall be deemed received three (3) days after the date of mailing.
- m. Performance. Time is of the essence of this Agreement and each and all of its provisions in which performance is a factor.
- n. Equal Opportunity to Draft. The Parties have participated and had an equal opportunity to participate in the drafting of this Agreement. No ambiguity shall be construed against any party upon a claim that that party drafted the ambiguous language.
- o. Third Party Beneficiaries. This Agreement is made and entered into for the sole protection and benefit of the parties hereto. No other person or entity shall have any right of action or interest in this Agreement based on any provision set forth herein.

IN WITNESS THEREOF, the Parties have executed this Agreement effective as of the date it has been signed by both of the Parties.

Exhibit E

Development Services Agreement Provisions

This Exhibit E is adopted as part of the Agreement made and entered into this day by and between the City of BELLEVUE, a State of Washington municipal corporation ("City") and King County, a political subdivision of the State of Washington ("County") for the purposes of land use, building, and related permit processing. Together, the City and the County are referred to as "the Parties."

WHEREAS, the City will annex an area of unincorporated King County described in Exhibit A-1 and may annex an additional area of unincorporated King County (collectively referred to as the "Annexation Area"); and

WHEREAS, all local governmental authority and jurisdiction with respect to the Annexation Area transfers from the County to the City upon the date of annexation; and

WHEREAS, the County and City agree that having County staff process certain Annexation Area building permits and land use applications on behalf of the City for a transitional period will assist in an orderly transfer of authority and jurisdiction; and

WHEREAS, it is the parties' intent that permits will be processed in accordance with this Exhibit E and applicable laws, including laws regarding vested rights; and

WHEREAS, this Agreement is authorized by the Interlocal Cooperation Act, RCW Chapter 39.34;

NOW, THEREFORE, in consideration of the terms and provisions, it is agreed by and between the City and the County as follows:

1. Term/Effective Date.

This Exhibit E shall be deemed to take effect following the approval of the Agreement by the official action of the legislative bodies of each of the Parties and the signing of the Agreement by the duly authorized representative of each of the Parties, and shall continue in force for a period of five (5) years from the date signed by both parties. As used herein, "Effective Date" shall refer to the date of annexation to the City.

2. Pre-annexation Building Permit Applications Filed with King County.

2.1 Except as otherwise provided for herein, the County shall continue to review on behalf of the City all vested building-related permit applications filed with the County before the Effective Date of annexation that involve property within the Annexation Area in accordance with this Exhibit E.

2.2 For the purposes of this Exhibit E, building-related permits include but are not limited to building permits, mechanical permits, fire systems/fire sprinkler permits, clearing and grading permits, sign permits and right-of-way permits. Review by the County shall occur in accordance with the regulations to which the applications are vested. Any decision regarding whether or when an application has vested or has subsequently expired shall be made by the City after consulting King County.

2.3 Except as provided in Section 2.9, if a vested permit has been reviewed and issued by the County prior to the Effective Date, the County shall complete all post-issuance plan reviews and inspections. The County shall confirm payment of required impact fees and notify the City that all impact fees have been paid.

2.4 If a vested permit has been partially reviewed as of the Effective Date, but the permit has not been issued, the County shall complete the plan review, issuance and post-issuance administration and inspection.

2.5 The County's review of building-related permits shall include rendering decisions to approve, condition or deny such applications, conducting inspections, issuing correction notices, certificates of occupancy, permit extensions and completion of extensions, and evaluating compliance with approval conditions that extend beyond issuance of a certificate of occupancy. The County agrees to consult with the City prior to rendering any administratively appealable building-related permit decision. Administrative appeals of building related permit decisions, if administrative review is allowed, shall be processed in the same manner as appeals of land use permits as addressed in Section 2.2 and 4.2; provided that the City and County may agree to have the County conduct such appeals on behalf of the City in particular instances where such processing by the County would further the orderly transition envisioned by this Agreement.

2.6 The County shall receive and process any permit applications made following the Effective Date that implement conditions of a Commercial Site Development permit issued by the County prior to the Effective Date. County permits that implement conditions of a Commercial Site Development permit include those related to site, drainage, and infrastructure issues, but not building permits. After the Effective Date, the City of Bellevue shall receive and process any new building permit applications and new ancillary permit applications, such as fire and mechanical permits of an approved project.

2.7 The County shall review and make a recommendation to the City on requests to renew or extend County permits within the Annexation Area that are approaching their expiration date without having completed the permitted activity. The City shall render any final decisions on such requests. It is the intention of the parties to cancel permits from the County permit system that have expired by operation of applicable King County ordinance, then require a new application submittal to the City.

2.8 For those building related permits issued by King County prior to the Effective Date, the County shall review and render decisions on requests for changes or revisions to approved construction documents up to the time that either a certificate of occupancy is issued or final construction approval has been issued for the project. If after the Effective Date, a request for a change or revision to an approved construction document is deemed by the County to be substantial (e.g. the original house plan is substituted by a substantially different house plan), then a new application to the City shall be required. The County shall consult with the City to help determine what is deemed a "substantial" change or revision. Following issuance of the certificate of occupancy or final construction approval, requests for revisions to the approved set of plans shall be referred to the City to process as new permit applications.

2.9 If a permit has been issued by the County and the applicant has not submitted a request for inspection to the County by the Effective Date, the County shall inform the City and the City shall have the opportunity, but not the obligation, to assume responsibility for the inspections and administration of that permit. Any unexpended permit fees associated with the permit shall be refunded to the applicant by the County. The City will assess and collect fees for City services according to the City fee schedule and continue processing the permit according to City procedures. The permit will be administered subject to all terms and conditions established by the County, unless revisions are subsequently requested by the applicant and approved by the City.

2.10 The County shall review and make recommendations to the City's Transportation Director and the Utilities Director or their designees on applications to vary adopted road or drainage standards that are made in conjunction with a building related application being reviewed by the County pursuant to this Exhibit E. All final decisions on such variance applications shall be rendered by the City.

2.11 Prior to the Effective Date, the County shall review all building-related permit files and determine whether any applications or issued permits have expired under the terms of applicable County codes and regulations. If the County determines that a permit or application is so expired, the County shall notify the applicant or permit holder in writing of such expiration and shall provide the City a copy of such notice.

3. Pre-annexation Land Use Permit Applications Filed with King County.

3.1 Except as otherwise provided for herein, the County shall continue to review on behalf of the City all vested land use permit applications filed with the County before the Effective Date of annexation that involve property within the Annexation Area. Review by the County shall occur in accordance with the County regulations to which the applications are vested. Any decisions regarding whether or when an application has vested or has subsequently expired shall be made by the City after consulting King County.

3.2 For those vested land use applications that do not require a public hearing prior to decision, the County will continue to review such applications as follows:

- A. If a final decision has not been made by the Effective Date, the County shall complete the review and make a report and recommendation to the City's Development Services Director or his designee in accordance with the County regulations to which the applications are vested. Any final decisions to approve, deny, or approve with conditions such applications shall be made by the City's Development Services Director or designee in accordance with the County regulations to which the applications are vested and will be processed pursuant to the City's Process II land use review and appeal procedures (Chapter 20.35 BCC).
- B. If a final decision has been made and a timely appeal of the administrative decision has been filed prior to the Effective Date, the permit record shall be transmitted to the City Hearing Examiner. Any final decision on appeal of such application shall be made by the City's Hearing Examiner in accordance with the County regulations to which the applications are vested and will be processed pursuant to the City's Process II appeal procedures (Chapter 20.35 BCC).

3.3 Notwithstanding any other provision of this Agreement, applications for any rezone and any associated permit applications shall be referred to the City for all further processing.

3.4 For those vested land use applications that require a public hearing prior to decision, e.g., preliminary subdivisions or conditional uses, the County shall continue to review the application as follows:

- A. If the public hearing on the application was held prior to the Effective Date, the County shall complete the review up to and including the point of final recommendation. Any final decision shall be made by the City Hearing Examiner in accordance with the County regulations to which the application is vested, and shall be processed pursuant to the City's applicable Process I land use review and appeal procedures (Chapter 20.35 BCC).
- B. If the public hearing on the application was not held prior to the Effective Date, the County shall complete the review and make a report and recommendation to the City's Development Services Director or his designee in accordance with the County regulations to which the applications are vested. The final recommendation shall be made by the City Development Services Director in accordance with the County regulations to which the application is vested and a public hearing shall be scheduled before the City's Hearing Examiner and the City's Hearing Examiner will make the final decision pursuant to the City's applicable Process I land use review and appeal procedures (Chapter 20.35 BCC).

3.5 For those vested final subdivision, short plat and binding site plan applications that have received preliminary approval prior to annexation, the County shall continue to complete post-preliminary review up to and including the point of making a final recommendation on the specific application(s). The final decision on the application shall be made by the City in accordance with the County regulations to which the application is vested. All subsequent post-preliminary approval applications shall be submitted to and decided by the City. For purposes of this section, post-preliminary review includes engineering plan approval, final plat, short plat or binding site plan approval, and construction inspection approval.

3.6 The County shall review and make recommendations to the City's Development Services Director on applications to vary adopted road or drainage standards that are made in conjunction with a land use application being reviewed by the County pursuant to this Agreement. All final decisions on such variance applications shall be rendered by the City.

3.7 The County shall review and render decisions on requests for changes to approved land use permit engineering plans up to the time that final construction approval has been issued for the project. Following issuance of final construction approval, requests for changes to the approved set of plans shall be referred to the City. As-built drawings of the final approved construction shall be forwarded to the City.

3.8 Prior to the Effective Date, the County shall review all land use application files and determine whether any applications or approvals have expired under the term of applicable County codes and regulations. If the County determines that a permit or application is so expired, the County shall notify the applicant or permit holder in writing of such expiration and shall provide the City a copy of such notice.

4. List of Projects, Exclusionary Option, Notice of Meetings, and Permit Data.

4.1 The County shall provide to the City on the Effective Date a list of all vested building, land use and associated ancillary permit applications pending within the Annexation Area. The list shall be reviewed and updated prior to transmittal to the City to exclude all permits that have expired by operation of applicable King County ordinance. These permits shall be canceled from the County permit system and notification of the cancellation shall be provided to the applicant. It is the intention of the parties that a new application to the City shall be required. The updated and reviewed list shall include the status of the projects as it is shown in the County permit system. This information shall be updated and provided quarterly until all permits on the list have been finalized, expired or otherwise completed. The City may at any time exclude from review pursuant to this Exhibit E any application(s) on any such list upon providing to the County ten days advance written notice of its intent to exclude the application(s). Upon exclusion of any application from review under this Section, the County shall turn the application over to the City for all further processing, and shall be available for consultation with the City regarding the application.

4.2 The County shall notify the City of all technical screening meetings, pre-construction conferences and engineering pre-submittal meetings for projects being reviewed by the County under this Exhibit E. Such notice shall be provided promptly upon scheduling of the meeting. The City may participate in these meetings to learn more about the project and to offer comments.

4.3 The County shall provide the City with a copy of files and records of all land use and building permit applications processed under this Exhibit E upon completion of permit review, termination of permit review under Section 11, or expiration of the Agreement, whichever comes first.

4.4 The County shall provide to the City digital files of historic and open permit data for the Annexation Area that is in the County's permit database. The County's obligation shall be to provide the data in the format used by the County. It shall be the City's obligation to convert the data in such a way as to meet the City's needs. The County shall provide a subsequent and final download, showing all data through the Effective Date.

4.5 No later than 30 days following the Effective Date, the County shall provide to the City a list of all traffic impact fees and fees in lieu of park dedication collected by the County for development activity where all site improvements and building construction have not been completed prior to the Effective Date of annexation.

4.6 The County shall provide written notice to any potential applicant that had contacted the County for a pre-application or other preliminary meeting prior to submitting an application and for which no application was filed prior to the Effective Date informing such potential applicant that land use and development authority resides with the City, under applicable City codes and regulations as a result of annexation. The County shall provide the City copies of all such notices.

5. SEPA Compliance.

5.1. For those vested building and land use applications described in paragraphs 1.5, 2.2 and 2.4, the County will continue to process the SEPA components of the applications and shall make a report and recommendation to the City's Environmental Coordinator based upon the County policies and regulations to which the applications are vested. Any final SEPA threshold determination shall be made by the City's Environmental Coordinator pursuant to the City's Process II land use review and appeal procedures (Chapter 20.35 BCC).

5.2 For those vested building permit applications described in Section 1 requiring a SEPA threshold determination and for which a SEPA threshold determination has not been issued prior to the Effective Date, the County will not take final action upon the application until the City's Environmental Coordinator has acted.

5.3 The County agrees to provide technical and administrative SEPA assistance to the City's Environmental Coordinator. Such assistance may include, but is not limited to:

- Review of an applicant's environmental checklist and collection of relevant comments and facts;
- Preparation of a proposed SEPA threshold determination with supporting documentation for approval, which will include citations to a) King County Code provisions that compliance with will negate a probable significant adverse impact, and b) King County Code substantive authority for recommended mitigation measures;
- Publication and notice by the County on behalf of the City's Environmental Coordinator;
- Preparation and submittal of a written review and comment on any appeal received on a SEPA threshold determination recommended by County staff to the City's Environmental Coordinator;
- Attendance at appeal hearings to testify with respect to analysis of environmental impacts, mitigation measures and the environmental review process;
- Preparation of any required draft, final, addendum or supplemental EIS for approval of the City's Environmental Coordinator; and
- Coordination of adopted or required SEPA measures of mitigation with project review staff.

6. Administrative and Ministerial Processing.

County review specified in this Exhibit E is intended to be of an administrative and ministerial nature only. Any and all legislative or quasi-judicial decisions or decisions of a discretionary nature shall be made by the City's designated decision maker and processed pursuant to the City's applicable review and appeal procedures.

7. Code Enforcement.

7.1 The County shall provide the City on the Effective Date, a list and brief explanation of all Annexation Area code enforcement cases (including those pertaining to surface water codes) under review by the County at the time of annexation. Except where the code enforcement case is associated with permits that will continue to be processed by the County under Sections 1 and 2 above, the City shall be responsible for undertaking any code enforcement actions following the Effective Date of annexation. The County shall provide the City with copies of any Annexation Area enforcement files requested by the City.

7.2 Code enforcement abatement actions necessary to eliminate public health or safety hazards shall be the sole responsibility of the City.

7.3 The County is authorized on behalf of the City to enforce conditions of approval for those permits that the County processes pursuant to this Exhibit E. Pursuant to this provision, the County's authorization shall mean issuing corrective notices and/or withholding permit approval or recommendation of approval. If code compliance remains unresolved after the first notice, the County shall notify the City and, at the City's discretion, the City may initiate code enforcement cases, assess civil penalties, initiate financial guarantee recall, or otherwise take legal action to remedy the violation or non-compliance.

8. Financial Guarantees.

8.1 Any financial guarantee that is intended to secure compliance with project conditions that are being or will be reviewed by the City shall be turned over to or posted with the City, which shall have sole authority and discretion over its release and/or enforcement. Any financial guarantee that has been posted or is otherwise required in order to guarantee compliance with conditions that are being reviewed by the County pursuant to this Agreement shall be retained by or posted with the County. On behalf of the City, the County is authorized to accept such financial guarantees and to release them where it determines that conditions for release have been satisfied. In making such decisions whether to release a financial guarantee instrument, the County shall seek direction from the City. The City shall be solely responsible for making any demands or initiating any legal action to enforce financial guarantees for Annexation Area projects; provided however, that the County shall cooperate in any manner necessary to implement or otherwise draw upon a financial guarantee.

8.2 Except for those projects on which the County has prior to the Effective Date of annexation of the Annexation Area assessed required financial performance guarantees, the City shall have sole discretion and responsibility on the assessment of financial performance guarantees required of an applicant to secure compliance with permit or development-related requirements. The City shall have sole discretion and responsibility on the release and enforcement of all required financial performance guarantees required of the applicant to secure compliance with permit or development-related requirements. The County will not release any construction performance guarantees until the permittee has secured the required maintenance/defect bond or equivalent for the benefit of the City. The County will not release any maintenance/defect bonds until the City has reviewed the development-related improvements with the County inspector and agrees that the bond should be released. Notwithstanding the foregoing, upon special written request by the City, the County may agree to assist the City in determining whether to enforce or release particular financial guarantees. Such assistance from the County shall not include the initiation or undertaking of legal actions except where the City has no standing to initiate or undertake legal action.

9. Processing Priority.

Within budgetary constraints, the County agrees to process pre-annexation building and land use applications in accordance with the County's administrative procedures, at the same level of service as provided to County applications.

10. Fees and Reimbursement.

10.1 The City shall adopt legislation authorizing the County to charge applicants fees in amounts currently specified or hereafter adopted in King County Code Title 27 for applications processed by the County in accordance with the terms of this Agreement.

10.2 In order to cover the costs of providing services pursuant to the terms of this Exhibit E, the County is authorized to collect and retain such application and other fees authorized by the County fee ordinances adopted by the City pursuant to Section 10.1 above, or as may be modified at some future date by the County and the City.

10.3 In order to cover the costs of providing review, technical and administrative assistance, and other services not otherwise reimbursed pursuant to this Exhibit E, including but not limited to providing testimony at public hearings, the City shall pay the County at such hourly rate as specified in the version of King County Code Title 27 in effect at the time the services are performed. The County shall not seek reimbursement under this Section for review services performed on an individual permit application where the County has already been compensated for such services by the receipt of permit application review fees. The County shall provide the City with quarterly invoices for assistance and services provided, and the City shall tender payment to the County within thirty days after the invoice is received. The City shall retain the right to pre-authorize the County services contemplated by this Section 10.3, including the estimated cost of such services. Such pre-authorization by the City must be in writing. If the City does not provide pre-authorization, then the County shall neither provide nor invoice such services.

10.4 For permit applications initiated with the County and later forwarded to the City for completion, the County shall refund to the applicant any unexpended portion of any fees collected by the County. The City shall assess and collect fees for City services according to the current City fee schedule and continue administrating the permit according to City procedures.

10.5 No later than May 30, 2012, the County shall pay to the City any unexpended traffic impact fees collected by the County for development activity where all site improvements and building construction have not been completed prior to the Effective Date of annexation. Traffic impact fees collected by the County for permits that have not been issued shall be refunded to the applicant by the County. The City will assess and collect traffic impact fees for permits that the City has assumed responsibility for prior to permit issuance.

11. Termination.

Either party may terminate this Exhibit E for good cause shown upon providing at least thirty (30) days written notice to the other party. Upon expiration of this Agreement or termination of this Exhibit E, the County shall cease further processing and related review of applications it is processing under this Exhibit E. The County shall thereupon transfer to the City those application files and records, posted financial guarantee instruments, and unexpended portions of filing fees for pending land use and building-related applications within the Annexation Area. Upon transfer, the City shall be responsible for notifying affected applicants that it has assumed all further processing responsibility.

12. Extension.

The City and County may agree to extend the duration of this Exhibit E through December 31, 2019 or to a date prior thereto. In order for any such extensions to occur, the City shall make a written request to the County not less than sixty (60) days prior to the otherwise applicable expiration date. Any agreement by the County to the proposed extension(s) shall be made in writing. If the parties have not agreed to the extension in writing by the otherwise applicable expiration date, this Exhibit E shall expire.

13. Application Process.

The City will prepare a document describing the handling of applications based upon this Exhibit E. Both the City and the County will have that document available for applicants.

14. Indemnification, Hold Harmless and Defense.

14.1 The County shall indemnify and hold harmless the City and its officers, agents and employees, or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the County, its officers, agents, and employees, or any of them, in performing its obligations under this Exhibit E. In the event that any suit based upon such a claim, action, loss, or damage is brought against the City, the County shall defend the same at its sole cost and expense, provided that the City retains the right to participate in said suit if any principal or governmental or public law is involved, and if final judgment be rendered against the City and its officers, agents, and employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees, or any of them, the County shall satisfy the same.

14.2 The City shall indemnify and hold harmless the County and its officers, agents and employees or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the City, its officers, agents, and employees, or any of them, in performing its obligations under this Exhibit E. In the event that any suit based upon such a claim, action, loss, or damage is brought against the County, the City shall defend the same at its sole cost and expense, provided that the County retains the right to

participate in said suit if any principal of governmental or public law is involved; and if final judgment be rendered against the County and its officers, agents, employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees or any of them, the City shall satisfy the same.

14.3 The City and the County acknowledge and agree that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this section shall be valid and enforceable only to the extent of the negligence of each party, its agents, employees and/or officers.

14.4 In executing this Agreement, the County does not assume liability or responsibility for or in any way release the City from any liability or responsibility that arises in whole or in part from the existence or effect of City ordinances, rules, regulations, policies or procedures as applied to the permits and applications addressed in this Exhibit E. If any cause, claim, suit, action or proceeding (administrative or judicial), is initiated challenging the validity or applicability of any City ordinance, rule or regulation arising from the parties' performance of this Exhibit E, the City shall defend the same at its sole expense and if judgment is entered or damages awarded against the City, the County, or both, the City shall satisfy the same, including all chargeable costs and attorneys' fees.

14.5 In executing this Agreement, the City does not assume liability or responsibility for or in any way release the County from any liability or responsibility that arises in whole or in part from the existence or effect of County ordinances, rules, regulations, policies or procedures as applied to the permits and applications addressed in this Exhibit E. If any cause, claim, suit, action or proceeding (administrative or judicial), is initiated challenging the validity or applicability of any County ordinance, rule or regulation arising from the parties' performance of this Exhibit E, the County shall defend the same at its sole expense and if judgment is entered or damages awarded against the County, the City, or both, the County shall satisfy the same, including all chargeable costs and attorneys' fees.

15. Personnel.

Control of County personnel assigned by the County to process applications under this Exhibit E shall remain with the County. Standards of performance, discipline and all other aspects of performance shall be governed by the County.

16. Administration.

This Exhibit E shall be administered by the County Director of the Department of Development and Environmental Services or his/her designee, and by the City's Development Services Director or his/her designee.

17. Legal Representation.

The services to be provided by the County pursuant to this Exhibit E do not include legal services, which shall be provided by the City at its own expense.

Exhibit F. Interlocal Agreement for 150th Avenue S.E.

9924

**INTERLOCAL AGREEMENT FOR
150TH AVENUE S. E.**

THIS AGREEMENT made and entered into by and between the County of King, a governmental subdivision of the State of Washington, hereinafter called the "County" and the City of Bellevue, a municipal corporation of the State of Washington, hereinafter called the "City", for the purpose of completing the design and construction of improvements to 150th Avenue SE from SE 37th Street (and the eastbound off-ramp from I-90) to SE Newport Way, hereinafter called the "Project".

WHEREAS, the County and the City agree that 150th Avenue SE provides an important link in the regional transportation system; and

WHEREAS, the need for the Project is consistent with *Vision 2020* policies and is identified in the *County Transportation Plan, Transportation Needs Report, Newcastle Community Plan, Newcastle Facilities Update, East Bellevue Transportation Plan, and the Newcastle Transportation Facilities Plan*; and

WHEREAS, the 150th Avenue SE corridor between SE 37th Street and SE Newport Way serves residents of both the City and the County; and

WHEREAS, the City and the County entered into an interagency agreement in September, 1992 for the completion of the *SE Newport Way/150th Avenue SE Feasibility Study*; and

WHEREAS, the Project is identified in the Final Report of the above study, which was completed in October, 1994; and

WHEREAS, funding is appropriated in the City's Capital Investment Program for the Project; and

WHEREAS, the City has been awarded a federal Surface Transportation Program grant for the Project; and

WHEREAS, the Project is programmed in the County's 1996-2001 Capital Improvement Program pursuant to Bellevue's request to implement this joint project; and

WHEREAS, the Project lies partly within unincorporated King County within Bellevue's sphere of influence and partly within the municipal boundary of the City; and

WHEREAS, the County's portion of the 150th corridor is within a potential annexation area for the City;

NOW, THEREFORE, it is hereby covenanted and agreed by and between the parties hereto as follows:

9924

I. SCOPE OF WORK

The scope of work for the Project is to design and construct the improvements to 150th Ave SE described in Attachment A, including the widening of 150th Ave SE from the eastbound I-90 off-ramp and frontage road (SE 37th St) to SE 38th St, a new sidewalk on 150th from SE 38th to Newport Way, and intersection improvements at SE 37th, SE 38th, and Newport Way. The Project will be designed and constructed consistent with City road design standards to the extent possible, taking into consideration the costs and relative benefits associated with the proposed improvements.

II. RESPONSIBILITIES - Project Management and Coordination

A. Lead Agency. The City shall be the lead agency for the Project.

B. Lead Agency Responsibility. The lead agency shall be responsible for managing the financial, engineering, right-of-way, and construction aspects of the Project.

C. Rights of Way Acquisition. The City shall be responsible for acquisition of all necessary property for the Project whether the property is in the City or the County. The County agrees to cooperate, as necessary, in the City's efforts to acquire property that lies within the unincorporated County area; the County agrees to use its land use authority to require dedication of the property required for the Project by any affected property owners with pending land use actions. The County authorizes the City to exercise eminent domain, as necessary, to acquire property for the Project that lies within unincorporated King County. The price of acquisition must be agreeable to both agencies. The City will ensure that any property it acquires for the Project that lies within unincorporated King County is in compliance with all federal, state and local environmental laws and regulations. Costs of litigation and judgment shall be considered Project costs eligible for the cost sharing agreement described in Section III.A.

D. Review and Comment. The lead agency shall give the other party twenty-one (21) days to review and comment when Project plans, specifications, and estimates are fifty percent complete and ninety percent complete and at other times as may be reasonably requested.

E. Permits. The lead agency shall be responsible for obtaining required permits. Any permits required from the other party shall be expedited pursuant to procedures the Road Services Division has established with the Department of Development and Environmental Services.

F. Environmental Reviews. The lead agency shall be responsible for all environmental reviews and approvals.

G. Public Outreach. The lead agency shall be responsible for all public outreach activities according to its normal practices.

H. Project Completion. Subsequent to Project completion, but prior to acceptance from the contractor, both agencies shall perform a mutual walk-through inspection of the

9924

completed facility to assure themselves that it has been constructed in compliance with the intent of the plans and specifications. A letter from the King County Road Engineer, acknowledging completion of the Project to his/her satisfaction (or punch list, if necessary) shall be sent to the lead agency within thirty days of the walk-through or satisfactory completion of items on the punch list. Following acceptance of the Project from the contractor, the agency within whose jurisdiction any portion of the Project is located shall be the owner of such portion, and such portion shall be part of the road system of that agency.

I. **Scope Changes.** The City Transportation Director shall immediately advise the King County Road Engineer, in writing, of any significant scope changes which result in added costs in excess of the cost shown in Section IV.A. and shall propose a cost update review pursuant to Section III.D.

J. **Maintenance.** Following acceptance of the Project from the contractor, maintenance of the Project (e.g. pavement repair, signal and sign maintenance, and landscape maintenance, where applicable), or any portion thereof, shall be the responsibility of the agency within whose jurisdiction such portion is located unless a written agreement stipulating otherwise is signed by the appropriate City and County officials.

K. **Project Team.** The provisions of this Agreement will be managed by a Project Team composed of the King County Road Engineer or designee and the Bellevue City Transportation Director or designee with additional staff to be determined by each party.

L. **Administrative Procedures.** The Project Team will meet as necessary to ensure the provisions of the Agreement are fulfilled and will develop written procedures and records as required to accomplish the work of this Agreement.

M. **Conflict Resolution.** The Project Team will use consensus to reach agreements. In the event consensus cannot be reached on an issue, the parties will first seek the assistance of a neutral mediator, selected jointly. If the issue still cannot be resolved, the issue will be forwarded to the legislative authorities of the City and County for resolution.

III. FINANCIAL ARRANGEMENTS

A. **Project Cost Allocation.** Each jurisdiction shall be responsible for the costs of the portion of the Project located within its jurisdiction. The Project cost by jurisdiction and Project element is listed in Attachment A. Project costs shall be reported in a format that identifies these costs by jurisdiction and Project element, provided that engineering design and environmental study costs may be apportioned pursuant to the percentage of the costs within each jurisdiction. An amended cost distribution shall be developed subsequent to any agreed to cost changes.

B. **Appropriations.** Both agencies shall take action to submit appropriation requests to their respective legislative bodies to assure sufficient funds are available in their respective capital budgets to carry out the work as set forth in the schedule described in Section V.

9924

C. **Funding Sources.** Each agency is entitled to use whatever mix of capital funds it deems appropriate for its share of the Project. This agreement does not preclude either agency from using grant moneys solely for its share of the Project. However, joint grant applications may be submitted which offset the total cost of the Project, and in those situations, the grant shall offset the Project costs in proportion to the cost of the Project within each jurisdiction pursuant to Section III.A. In the event cost changes occur after the award of the grant an adjustment to reflect the revised costs within each jurisdiction shall be undertaken.

D. **Cost Estimate Updates.** The lead agency shall provide updated Project cost estimates and related changes in cash flow requirements at least twice per year and at such other times as the lead agency may determine. Special design features or extra mitigation beyond the scope of the Project as herein defined shall be the responsibility of the requesting agency. The lead agency shall have final approval of requests for design changes. The costs of mitigation which is required due to more specific environmental studies or more detailed engineering analysis will be apportioned between the two agencies as described in Section III.A.

E. **Project Cost Billing.** The City will bill the County for its fair share of actual expenses incurred, on no more than a monthly basis. These bills will reflect actual costs, including the current administrative overhead rate consistent with grant guidelines. All payments shall be due within 30 days of the billing date, with one percent per month interest being charged to the County as a delinquent charge, starting 30 days after the billing date.

F. **City's Liability Upon Annexation.** The City agrees to reimburse the County for the undepreciated value of the County's investment in the Project as described in Section III.A, or as it may be subsequently revised (net of applicable grants) at whatever point in the future the City annexes territory surrounding the Project. This includes territory to the west and east of 150th and at the shared intersection of 150th and SE 38th Street. This reimbursement will be made as follows:

G. **Annuity Established.** Within thirty (30) days of completion of construction of the Project, King County will establish and transmit to the City an annuity to depreciate the value of the County's investment over ten years, with a nominal interest rate of 4%. "Annuity Year" shall mean a 12 month period. Annuity Year 1 shall commence on the first day of the first month following completion of construction of the Project, as acknowledged to the City Transportation Director by the County Road Engineer. Each succeeding Annuity Year shall commence on the anniversary of the commencement of Annuity Year 1. The initial value to be depreciated will be the total Project costs paid by the county for the Project less any federal or state grant funding received to offset a portion of the County costs for the Project. Attachment B is an illustrative estimated annuity schedule for the Project.

H. **Annuity Payment Options.** Upon annexation of the surrounding territory, the City will have the option of making annual payments, pursuant to the annuity schedule, of the undepreciated value of the County's portion of the Project as described in Section III.G., or to make a lump sum payment. The City's obligation for making annual payments or a lump sum shall begin in the month of the Annuity Year in which the annexation takes effect. If the city elects to make annual payments, the City shall pay all moneys due for the remaining months of that Annuity Year, and for all remaining Annuity Years when due (see Section III.I.). If the City elects the lump sum option, the City lump sum will be adjusted, as necessary, for a partial Annuity Year based on the effective date of the annexation. If the annexation takes effect before

9924

the Project construction is complete, the City's obligation begins in the first month of Annuity Year 1.

I. **Annuity Payment Schedule.** Within thirty (30) days of the effective date of a future annexation by the City of the territory surrounding the Project, the City will notify the County which payment option it chooses. Within thirty (30) days of receipt of this notice, the County will transmit to the City an invoice and payment schedule. The City will make payment within thirty (30) days of receipt of the invoice.

J. **Partial Annexation.** If a future annexation by the City includes a portion — but not all — of the territory surrounding the Project, the City will be obligated only for a pro rata allocation of the Project annuity. This pro rata allocation will be based on the portion of the total lineal feet of the Project that is included in the annexation area.

IV. COSTS

A. **Project Cost.** The estimated total cost of the Project, in 1995 dollars, is \$3,879,000. It is acknowledged that costs in 1995 dollars will inflate to a higher amount at date of expenditure for the same scope of work. Over the life span of the Project, costs are assumed to inflate at 4% per year.

B. **Project Cost Baseline.** Accordingly, the budget commitment in 1995 dollars will be considered to be adhered to if the expenditures in future years, when deflated to 1995 dollars, equal in sum the dollar amount in Section IV.A.

C. **Project Cost Exceeding Cost Baseline.** Should Project costs, after adjustment as provided in Section IV.B., appear to be exceeding the amount in Section IV.A., the City Transportation Director shall disclose such fact to the County Road Engineer as soon as practicable and seek concurrence pursuant to Section II.M. prior to continuing with the Project. Following receipt of such concurrence, each agency shall submit an appropriation request or amendment of the six year capital program to their respective legislative body to adjust the budget appropriations, six year capital program schedule or cost for the Project to the revised amount.

V. SCHEDULE

Both agencies acknowledge the need to implement the Project quickly. Each agency also acknowledges that right-of-way and/or environmental aspects of the Project may delay completion thereof. Accordingly, no specific schedule can be set. However, it is the parties' mutual intent to complete the engineering work by early 1997, complete right-of-way acquisition by the end of 1997, and commence construction in 1998.

9924

VI. DURATION/TERMINATION OF AGREEMENT

A. **Effective Date.** This agreement will become effective upon the signing of this agreement by both parties, and will remain in effect until ten years from the date of acceptance of the Project or until the unamortized balance is paid to the county due to annexation of the entire area encompassing the Project.

B. **Termination Procedure.** In the event of termination prior to completion of the objectives of this agreement, all direct and indirect costs incurred up to the date of termination shall be payable pursuant to the terms in Section III. Termination costs claimed shall not exceed the actual costs incurred as a result of termination of the Project.

VII. NON-DISCRIMINATION

A. **Contractor non-discrimination compliance.** For purposes of any contract entered into under this agreement, the City shall require that the Contractor comply with the requirements of King County Code (KCC), Chapter 12.16 (Attachment C) as though the contract was with the County.

B. **Fair Employment.** The City shall include in any such contract all of the fair employment language contained in Attachment D.

C. **Americans with Disabilities Act.** To confirm that the Contractor is in compliance with Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA), the City shall ensure that the selected Contractor complete the ADA/504 Self Evaluation Questionnaire (Attachment E) and that the Assurance of Compliance shall be incorporated into the contract.

D. **Minority/Women's Business Participation.** For purposes of any contract entered into under this agreement, the City and the Contractor shall comply with KCC Chapter 4.18 (Attachment F). Additionally, and in conjunction with compliance with KCC 4.18, the City and the Contractor shall comply with the County's substitution policy (Attachment G). Further, the City shall include the following language in any contract entered into under this agreement:

"King County in general, and the County's M/WB program in particular, are damaged when a contract or portion of a contract to be performed by a M/WB is not actually performed by a M/WB in compliance with KCC 4.18. Because the actual amount of such damage is not reasonably calculable, the parties agree and stipulate that liquidated damages of 100% of the value of the utilization lost due to the violation, not to exceed 10% of the total dollar value of the contract, shall be the amount required to compensate the City and the County for resulting delays in carrying out the purpose of the program, the costs of meeting utilization goals through additional contracts, the administrative costs of investigation and enforcement and other damages and costs caused by the violation."

9924

VIII. SEVERABILITY

If any provision of this Agreement shall be held invalid, the remainder of the Agreement shall not be affected thereby if such remainder would then continue to serve the purposes and objectives of the parties.

IX. INDEMNIFICATION AND HOLD HARMLESS

Each party hereto agrees to indemnify and hold harmless the other party, and its officers, agents and employees, for all claims (including demands, suits, penalties, losses, damages, attorney's fees or costs of any kind whatsoever) to the extent such a claim arises or is caused by the indemnifying party's own negligence or that of its officers, agents or employees in performance of this agreement.

The foregoing indemnity is specifically and expressly intended to constitute a waiver of each party's immunity under Washington's Industrial Insurance Act, RCW Title 51, as respects the other party only, and only to the extent necessary to provide the indemnified party with a full and complete indemnity of claims made by the indemnitor's employees. The parties acknowledge that these provisions were specifically negotiated and agreed upon by them.

X. OTHER PROVISIONS

A. **Liability.** No liability shall attach to the City or the County by reason of entering into this agreement except as expressly provided herein.

B. **Scope of agreement.** This agreement contains the entire written agreement of the parties and supersedes all prior discussions. This agreement may be amended only in writing, signed by both parties.

C. **Employment Status.** Each party shall be deemed an independent contractor for all purposes and the employees of either party or any of its contractors, subcontractors and the employees shall not in any manner be deemed to be employees or agents of the other party.

D. **Waiver of Default.** Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver of breach of any provision of the agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the agreement unless stated to be such through written approval by the non-breaching party which shall be attached to the original agreement.

9924

IN CONSIDERATION of the mutual benefit accruing herein, the parties hereto agree that the work as set forth herein will be performed by the City under the terms of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement this _____ day of _____, 1996.

1 AN ORDINANCE authorizing the King County executive
2 to enter into an interlocal agreement with the city of
3 Bellevue relating to the South Bellevue Potential
4 Annexation consisting of the Eastgate, Tamara Hills,
5 Hilltop and Horizon View Potential Annexation Areas and
6 transferring certain surface water and roads related property
7 interests to the city.

8 BE IT ORDAINED BY THE COUNTY COUNCIL OF KING COUNTY:

9 SECTION 1. Findings:

10 A. King County's annexation policy encourages the expedited annexation of all
11 remaining urban unincorporated areas in order to achieve several goals, including
12 realizing the regional land use vision set forth in the countywide planning policies and the
13 state Growth Management Act, and achieving efficiencies as a result of no longer
14 serving urban areas wholly surrounded by an urban city, enabling the county to focus on
15 its regional and rural service model.

16 B. The city of Bellevue initiated the annexation process in 2011 by gathering
17 petitions signed by residents of the potential annexation areas stating they desire
18 annexation. Bellevue has gathered a sufficient number of signatures to satisfy the
19 statutory requirement for annexation of the Eastgate and Tamara Hills Potential

20 Annexation Areas, followed with a filing at the King County boundary review board,
21 which approved Bellevue's Notice of Intention to Annex in February 2012. In addition,
22 Bellevue has gathered a sufficient number of signatures with regard to the Horizon View
23 Potential Annexation Area and has filed for approval with the King County boundary
24 review board, which is expected to make its decision sometime in early April. Bellevue
25 is still collecting signatures with regard to the Hilltop Potential Annexation Area.

26 C. To facilitate the transition of local government services delivery in the South
27 Bellevue Annexation Area and complete the transfer of properties located within the
28 Potential Annexation Areas upon annexation to the city, the city and county wish to enter
29 into an interlocal agreement, substantially in the form of Attachment A to this ordinance,
30 which addresses transfer of public records and transfer of ownership of certain properties,
31 among other matters, and the processing of permits, among other land use matters.

32 SECTION 2. The King County executive is hereby authorized to execute an
33 interlocal agreement, substantially in the form of Attachment A to this ordinance, with

34 the city of Bellevue to provide for an orderly transition of services, the processing of
35 permits and the transfer of the properties as referenced therein.

INTERLOCAL AGREEMENT BETWEEN THE CITY OF BELLEVUE AND KING COUNTY RELATING TO THE SOUTH BELLEVUE ANNEXATION OF EASTGATE AND TAMARA HILLS

THIS AGREEMENT ("Agreement") is made and entered by and between the City of Bellevue, a State of Washington municipal corporation ("City"), and King County, a political subdivision of the State of Washington ("County"). Together, the City and the County are referred to herein as "the Parties."

WHEREAS, the City identified areas of unincorporated King County referred to as the Eastgate, Tamara Hills, Horizon View, and Hilltop Potential Annexation Areas ("PAA") in its comprehensive plan consistent with the requirements of the state Growth Management Act ("GMA") and the Countywide Planning Policies adopted consistent with GMA; and

WHEREAS, the City will annex those areas within the PAA described in **Exhibit A-1** attached hereto and incorporated herein by this reference (collectively referred to as the "Annexation Area") which will become effective on June 1, 2012; and may annex additional areas of the PAA in the near future, which additional areas are described on **Exhibit A-2** attached hereto and incorporated herein by this reference (referred to as the "Additional Annexation Areas"); and

WHEREAS, property owners in the Annexation Area presented sufficient petitions under Chapter 35A.14.120 to annex to the City, and

WHEREAS, annexation of the Annexation Area to the City will become effective on June 1, 2012 ("Effective Date") through Ordinance Nos. _____; and

WHEREAS, the Parties previously entered into an interlocal agreement relating to road improvements within the Annexation Area; and

WHEREAS, the road improvements covered by that interlocal were completed in 2005; and

WHEREAS, the Parties wish to amend and supersede the terms of the earlier interlocal agreement through execution of this Agreement; and

WHEREAS, the City and the County desire to facilitate an orderly transition of services associated with the Annexation Area; and

WHEREAS, the City and the County desire to mutually determine the appropriate timing for the transfer of public records; and

WHEREAS, subject to vested rights under state law, all local governmental land use authority and jurisdiction with respect to the Annexation Area transfers from the County to the City upon the Effective Date; and

WHEREAS, the County and City agree that having County staff continue to process various vested building and land use permit applications from the Annexation Areas on behalf of the City for a transitional period following annexation will assist in an orderly transfer of authority and jurisdiction; and

WHEREAS, as of the Effective Date, pursuant to state law, the City will own, and have all responsibility for all former County roads, bridges and rights-of-way located within the City limits together with all appurtenances located within such rights-of-way, including but not limited to, drainage facilities, storm water facilities, environmental mitigation sites and monitoring projects, street lights, traffic signals, fiber-optic cable, fiber-optic conduit, and traffic signs; and

WHEREAS, the City and the County want to ensure a smooth transfer of ownership and maintenance of those existing County related property interests in the Annexation Areas that will transfer to the City as set forth in this Agreement; and

WHEREAS, the governing bodies of each of the parties hereto have determined to enter into this Agreement as authorized and provided for by the Interlocal Cooperation Act, codified at Chapter 39.34 RCW, and other Washington law, as amended;

NOW THEREFORE, in consideration of the mutual terms, provisions and obligations contained herein, it is agreed by and between the City and the County as follows:

1. TERM/EFFECTIVE DATE.

- a. This Agreement shall be deemed to take effect following the approval of the Agreement by the official action of the legislative bodies of each of the Parties and the signing of the Agreement by the duly authorized representative of each of the Parties, and shall continue in force for a period of five (5) years from the date signed by both parties.

2. TRANSFER OF JURISDICTION, AUTHORITY AND SERVICES.

a. RECORDS TRANSFER

- i. The County shall work with the City to provide the records listed in Exhibit B attached hereto and incorporated herein by this reference by the Effective Date or such other date as mutually agreed by the parties. The term "records" shall refer to the range of items listed in **Exhibit B**.
- ii. If additional time is needed to produce any of these records, the County shall inform the City of the amount of additional time required to produce each specified record. In no case shall records be provided more than 45 days after the originally agreed date.

- iii. For additional records not included on **Exhibit B**, the City shall send a written request for such additional records to the County Executive's office, which office shall direct the request to the appropriate County division. Alternately, the City may request in writing that the County Executive's office schedule records transfer meetings at which City and County representatives shall meet to review and identify additional records, if any, to be copied and/or transferred.
 - iv. The County may elect to provide original records or copies of records. The County shall not be required to provide records that are not reasonably available or to create records or compilations that have not already been created.
 - v. The County shall provide the City free of charge one set of records meeting the requirements of this section.
 - vi. This section shall not apply to any other specific records transfer provisions in this agreement. Nothing in this Agreement relieves the County of its obligations to comply with the Public Records Act, chapter 42.56 RCW, now or as hereafter amended.
 - vii. This section shall not apply to any other more specific records transfer provisions in this agreement.
- b. DEVELOPMENT SERVICES. As of the Effective Date, transfer of development services shall be as set forth in the attached **Exhibit E** which is hereby incorporated into this Agreement, relating to the processing of building permits and land use applications in the Annexation Area.
 - c. JAIL SERVICES. The City of Bellevue is responsible for the incarceration of adult offenders charged with misdemeanor or gross misdemeanor crimes occurring in the Annexation Area on or after the Effective Date. King County is responsible for the incarceration of adult offenders charged with misdemeanor or gross misdemeanor crimes occurring in the Annexation Area before the Effective Date. Nothing in this Agreement is intended to supersede or modify existing agreements between the City and King County related to jail services.
 - d. POLICE SERVICES. On and after the Effective Date, police service responsibility within the Annexation Area will be transferred to the City. The County will be responsible for all criminal cases and investigations reported before the Effective Date, including but not limited to all costs associated with these cases and investigations. The City will be responsible for all criminal cases and investigations reported on and after the Effective Date, including but not limited to all costs associated with these cases and investigations. The City's Chief of Police and the King County Sheriff will work together to ensure a smooth transition plan and a continuing partnership. In addition to the provisions of that transition plan, the parties further agree as follows:

which the Road Related Properties is used is superseded by other improvements. The manner and extent of repair and maintenance shall be in the sole discretion of the City and the County shall have no further obligation for repair and maintenance as of the Effective Date unless other equivalent lands within the City are received in exchange therefore.

If such a property is sold or traded while still in use for road related purposes, then the City shall pay to the County an amount equal to the total appraised value (land plus improvements) that the King County Department of Assessments applied to the property as of the Effective Date.

i. Condition of and Responsibility for Operations, Maintenance, Repairs, and Improvements of Road-Related Properties.

1. The City will have the opportunity to inspect the Road-Related Properties before accepting ownership. However, regardless of such inspection, the City has the duty to accept all facilities as specified in this Agreement. The County will make its records concerning the Road-Related Properties available to and warrants that it shall provide all such records to the City as of the Effective Date, and the County personnel most knowledgeable about the Road-Related Properties will be available to jointly inspect the property with City personnel and to provide the City the status of maintenance of such facilities, and to point out known conditions, including any defects or problems, if any, with the Road-Related Properties.

The City agrees to accept the Road-Related Properties in AS IS condition, except as otherwise set forth in this Section 3(a), and to assume full and complete responsibility for all operations, maintenance, repairs, and improvements of the Related Properties. The City shall also agree to operate, maintain and repair the road features located on the Road-Related Properties until such time as the related road is vacated or the road features are superseded or replaced. The manner and extent of repair and maintenance shall be in the sole discretion of the City and the County shall have no further obligation for repair and maintenance as of the Effective Date.

2. Except for warranting that the County has provided all documents in its possession associated with the Road-Related Properties, claims associated therewith and activities undertaken thereon, King County does not make and specifically disclaims any warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, with respect to the Road-Related Properties, and no official, employee, representative, or agent of King County is authorized otherwise.

ii. Environmental Liability related to the Road-Related Properties.

1. "Hazardous Materials" as used herein shall mean any hazardous, dangerous or toxic wastes, materials, or substances as defined in state or federal statutes or regulations as currently adopted or hereafter amended.
2. Nothing in this Agreement shall be deemed to waive any statutory or other claim for contribution that the City might have against the County under federal or state environmental statutes that arises from hazardous materials deposited or released on the Road-Related Properties.
3. If the City discovers the presence of hazardous materials at levels that could give rise to a claim for contribution against the County it shall notify the County in writing within ninety (90) days of discovery. Failure to provide such notice shall not be deemed a waiver or other limitation of any statutory County liability related to hazardous materials unless the federal or state environmental statute so provides.
4. Washington State and applicable federal law shall govern the respective liabilities of the Parties to this Agreement for any loss arising out of or related to the environmental condition of the Road-Related Properties.

iii. Right of Way Use Agreements. Upon the Effective Date, the City shall become the successor to the County with respect to right of way use agreements and permits as transferred under **Exhibit B** and the City shall administer and manage those permits and agreements. To the extent a right of way use permit or agreement requires payment of a periodic fee by the right of way user, the applicable fee shall be pro-rated between the City and the County based on the Effective Date.

iv. Indemnification related to Roads-Related Properties.

1. King County shall indemnify and hold harmless the City and its elected officials, officers, agents or employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, arising from those occurrences related to the Road-Related Properties that occurred prior to the Effective Date, except to the extent that indemnifying or holding the City harmless would be limited by Section 3(a)(ii) of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against the City or the City and King County, King County shall defend the same at its sole cost and expense and, if final judgment be rendered against the City and its elected officials, officers, agents and employees or jointly against the City and King County and their respective elected officials,

officers, agents and employees, King County shall satisfy the same. The City acknowledges and agree that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(a)(iv)(1) shall be valid and enforceable only to the extent of the negligence of the County, its agents, employees and/or officers.

2. The City shall indemnify and hold harmless King County and its elected officials, officers, agents and employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, arising from those occurrences related to Road-Related Properties that occur on or after the Effective Date, except to the extent that indemnifying or holding the County harmless would be limited by Section 3(a)(ii) of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against King County or King County and the City, the City shall defend the same at its sole cost and expense and, if final judgment be rendered against King County and its officers, agents and employees or jointly against King County and the City and their respective officers, agents and employees, the City shall satisfy the same. The County acknowledges and agrees that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(a)(iv)(2) shall be valid and enforceable only to the extent of the negligence of the City, its agents, employees and/or officers.
3. For a period of three (3) years following transfer, each party to this Agreement shall notify the other of any and all claims, actions, losses or damages that arise or are brought against that Party relating to or pertaining to the Road-Related Properties within a reasonable time after determining that this Section may apply to such claims, actions, losses or damages.
4. Each Party to this Agreement agrees that its obligations under this Section 3(a)(iv) extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each Party to this Agreement, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.

b. Transfer of Surface Water Management Properties

i. Transfer of Drainage Facilities and Drainage Facility Property Interests

1. Upon the Effective Date for the area in which the “Drainage Facilities” identified in **Exhibit D**, attached hereto and incorporated herein by reference, are located, those Drainage Facilities which are held by the County as specifically identified in **Exhibit D-1** shall automatically be transferred from the County to the City, and the City shall assume ownership and full and complete responsibility for the Drainage Facilities. The Drainage Facilities identified in **Exhibit D-2** shall not be transferred but shall remain in private ownership.
2. The County shall upon the Effective Date for the area in which the “Drainage Facility Property Interests” identified in **Exhibit D**, attached hereto and incorporated herein by reference, are located, convey the Drainage Facility Property Interests by quit claim deed to the City; and the City shall accept the Drainage Facility Property Interests, subject to all rights, conditions, covenants, obligations, limitations and reservations of record for such property interests.
3. The County is willing to perform surface water-related management services and maintenance on behalf of the City in the Annexation Area after the Effective Date via separate written contract between the Parties, which contract is not part of this Agreement.
4. The Parties will make staff available to identify and review any additional County-owned local drainage facilities, easements, and other property interests within the Annexation Areas that should appropriately be conveyed to the City because they are of a nature similar to the facilities and property interests conveyed to the City by Sections 3(b)(i)(1) and (2) above. Such facilities and other property interests include those for which the County's facility acceptance process has not yet been completed, including both projects being constructed by the County as well as projects subject to County approval that are constructed by third parties. Any such additional County-owned drainage properties or other property interests shall be transferred to the City pursuant to this Agreement and upon County approval and City acceptance, including if necessary the adoption of ordinances by the respective legislative bodies authorizing the transfer of King County owned drainage properties and property interests. The transfer of responsibility for drainage facilities shall be documented in writing, including specific facilities transferred and the date of transfer and such documentation signed by the appropriate City representative and the Director of the King County Water and Land Resources Division.

ii. Condition of and Responsibility for Operations, Maintenance, Repairs, and Improvements of Drainage Facilities and Drainage Facility Property Interests.

1. The City will have the opportunity to inspect the Drainage Facilities and Drainage Facility Property Interests before accepting ownership. However, regardless of such inspection, the City has the duty to accept all facilities as specified in this Agreement. The County will make its records concerning the Drainage Facilities and Drainage Facility Property Interests available to and warrants that it shall provide all such records to the City as of the Effective Date, and the County personnel most knowledgeable about the Drainage Facilities and Drainage Facility Property Interests will be available to jointly inspect the property with City personnel and to provide the City the status of maintenance of such facilities, and to point out known conditions, including any defects or problems, if any, with the Drainage Facilities and Drainage Facility Property Interests.

The City agrees to accept the Drainage Facilities and Drainage Facility Property Interests in AS IS condition, except as otherwise set forth in this Section 3(b) and to assume full and complete responsibility for all operations, maintenance, repairs, and improvements of the Drainage Facilities and Drainage Facility Property Interests. The City shall also agree to operate, maintain and repair the Drainage Facilities until such a time as the need for said Drainage Features are no longer present. The manner and extent of repair and maintenance shall be in the sole discretion of the City and the County shall have no further obligation for repair and maintenance as of the Effective Date.

2. Except for warranting that the County has provided all documents in its possession associated with the Drainage Facilities and Drainage Facility Property Interests, claims associated therewith and activities undertaken thereon, King County does not make and specifically disclaims any warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, with respect to the Drainage Facilities and Drainage Facility Property Interests; and no official, employee, representative or agent of King County is authorized otherwise.

iii. Environmental Liability related to the Drainage Facilities and Drainage Facility Property Interests.

1. "Hazardous Materials" as used herein shall mean any hazardous, dangerous or toxic wastes, materials, or substances as defined in state or federal statutes or regulations as currently adopted or hereafter amended.

2. Nothing in this Agreement shall be deemed to waive any statutory or other claim for contribution that the City might have against the County under federal or state environmental statutes that arises from hazardous materials deposited or released on the Drainage Facilities or Drainage Facility Property Interests.
 3. If the City discovers the presence of hazardous materials at levels that could give rise to a claim for contribution against the County it shall notify the County in writing within ninety (90) days of discovery. Failure to provide such notice shall not be deemed a waiver or other limitation of any statutory County liability related to hazardous materials unless the federal or state environmental statute so provides.
 4. Washington State and applicable federal law shall govern the respective liabilities of the Parties to this Agreement for any loss arising out of or related to the environmental condition of the Drainage Facilities or Drainage Facility Property Interests.
- iv. Indemnification related to Drainage Facilities and Drainage Facility Property Interests.
1. King County shall indemnify and hold harmless the City and its elected officials, officers, agents or employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, arising from those occurrences related to the Drainage Facilities and Drainage Facility Property Interests that occurred prior to the Effective Date, except to the extent that indemnifying or holding the City harmless would be limited by Section 3(b)(iii) of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against the City or the City and King County, King County shall defend the same at its sole cost and expense and, if final judgment be rendered against the City and its elected officials, officers, agents and employees or jointly against the City and King County and their respective elected officials, officers, agents and employees, King County shall satisfy the same. The City acknowledges and agree that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(b)(iv)(1) shall be valid and enforceable only to the extent of the negligence of the County, its agents, employees and/or officers.
 2. The City shall indemnify and hold harmless King County and its elected officials, officers, agents and employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, arising from those occurrences related

to the Drainage Facilities and Drainage Facility Property Interests that occur on or after the Effective Date, except to the extent that indemnifying or holding the County harmless would be limited by Section 3(b)(iii) of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against King County or King County and the City, the City shall defend the same at its sole cost and expense and, if final judgment be rendered against King County and its officers, agents and employees or jointly against King County and the City and their respective officers, agents and employees, the City shall satisfy the same. The County acknowledges and agrees that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(b)(iv)(2) shall be valid and enforceable only to the extent of the negligence of the City, its agents, employees and/or officers.

3. For a period of three (3) years following transfer, each party to this Agreement shall notify the other of any and all claims, actions, losses or damages that arise or are brought against that Party relating to or pertaining to the Drainage Facilities or Drainage Facility Property Interests within a reasonable time after determining that this Section may apply to such claims, actions, losses or damages.
 4. Each Party to this Agreement agrees that its obligations under this Section 3(b)(iv) extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each Party to this Agreement, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.
- c. The provisions of this Section 3 shall survive the expiration or earlier termination of this Agreement.
4. ADMINISTRATION AND CONTACT PERSONS. The Parties stipulate that the following persons shall be the administrators of this Agreement and shall be the contact person for their respective jurisdiction.

City of Bellevue:

Steve Sarkozy
City Manager
450 – 110th Ave NE
Bellevue, WA 98009

King County:

Dwight Dively, Director
Performance, Strategy and Budget

5. COMPLIANCE WITH LAWS. Each Party accepts responsibility for compliance with federal, state, and local laws and regulations. Specifically, in meeting the commitments encompassed in this Agreement, all parties will comply with, among other laws and regulations, the requirements of the Open Meetings Act, Public Records Act, Growth Management Act, State Environmental Policy Act, and annexation statutes. The Parties retain the ultimate authority for land use and development decisions within their respective jurisdictions as provided herein and by applicable law regarding vested rights. By executing this Agreement, the Parties do not purport to abrogate the decision-making responsibility vested in them by law.

6. INDEMNIFICATION. The following indemnification provisions shall apply to the entirety of this Agreement except for Section 3 (Transfer of Property) and **Exhibit E** (Development Permit Processing), which contains separate indemnification provisions.
 - a. The County shall indemnify and hold harmless the City and its officers, agents and employees, or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the County, its officers, agents, and employees, or any of them, in performing its obligations under this Agreement. In the event that any suit based upon such a claim, action, loss, or damage is brought against the City, the County shall defend the same at its sole cost and expense, provided that the City retains the right to participate in said suit if any principle of governmental or public law is involved, and if final judgment be rendered against the City and its officers, agents, and employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees, or any of them, the County shall satisfy the same. The City acknowledges and agrees that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 6(a) shall be valid and enforceable only to the extent of the negligence of the County, its agents, employees and/or officers.

 - b. The City shall indemnify and hold harmless the County and its officers, agents and employees or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the City, its officers, agents, and employees, or any of them, in performing its obligations under this Agreement. In the event that any suit based upon such a claim, action, loss, or damage is brought against the county, the City shall defend the same at its sole cost and expense, provided that the County retains the right to participate in said suit if any principle of governmental or public law is involved; and if final judgment be rendered against the County and its officers, agents, employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees or any of them, the City shall satisfy the same. The County acknowledges and agrees that if such claims, actions, suits, liability, loss, costs,

expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 6(b) shall be valid and enforceable only to the extent of the negligence of the City, its agents, employees and/or officers.

- c. Each Party to this Agreement agrees that its obligations under this Section 6 extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each Party to this Agreement, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.
- d. The provisions of this Section 6 shall survive the expiration or termination of this Agreement with respect to any event occurring prior to such expiration or termination.

7. APPLICATION TO ADDITIONAL ANNEXATION AREAS

- a. **Agreement to Extend.** The terms of this Agreement shall apply to the Additional Annexation Areas (described in **Exhibit A-2** attached hereto) as of the Effective Date of annexation of such area to the City of Bellevue without the need for further action by the City Council or King County Council, so long as such annexation Effective Date occurs no later than December 31, 2013 and consistent with the provisions of this Section 7.
- b. **Notice to County.** The City shall provide written notice to the County of its intent to annex some or all of the Additional Annexation Areas as provided by statute. Such notice shall contain at a minimum the description of the area being annexed and the anticipated Effective Date of the annexation.
- c. **Meaning of Terms.** As used in this Agreement with respect to the Additional Annexation Areas: 1) "Effective Date" as used throughout shall refer to the effective date(s) of annexation of the Additional Annexation Area(s); and 2) "Annexation Area" shall refer to the Additional Annexation Area being annexed, as described in the notice provided in Section 7(b).

8. GENERAL PROVISIONS.

- a. **Entire Agreement.** This Agreement together with all Exhibits hereto contains all of the agreements of the Parties with respect to the matter covered in this Agreement and no prior agreements shall be effective for any purpose.
- b. **Filing.** A copy of this Agreement shall be filed with the City Clerk, and recorded with the King County Recorder's Office or listed by subject on the County's web site or other electronically retrievable public source.

- c. Amendments. Except as authorized in Section 7, no provision of this Agreement may be amended or modified except by written agreement signed by the Parties. Any amendment that modifies a material term of this Agreement must be approved by the King County Council prior to the County executing the amendment.
- d. Severability. If one or more of the clauses of this Agreement is found to be unenforceable, illegal, or contrary to public policy, the Agreement will remain in full force and effect except for the clauses that are unenforceable, illegal, or contrary to public policy. The parties will replace the severed provision with one that is closest in meaning to the intent of the original provision that is not unenforceable, illegal or contrary to public policy.
- e. Assignment. Neither the City nor the County shall have the right to transfer or assign, in whole or in part, any or all of its obligations and rights hereunder without the prior written consent of the other Party.
- f. Successors in Interest. Subject to the foregoing subsection, the rights and obligations of the Parties shall inure to the benefit of and be binding upon their respective successors in interest, heirs, and assigns.
- g. Attorneys' fees. In the event either of the Parties defaults on the performance of any terms of this Agreement or either Party places the enforcement of this Agreement in the hands of an attorney, or files a lawsuit, each Party shall pay all its own attorneys' fees, costs and expenses.
- h. No waiver. Failure of either the County or the City to declare any breach or default immediately upon the occurrence thereof, or delay in taking any action in connection with, shall not waive such breach or default.
- i. Applicable Law. Washington law shall govern the interpretation of this Agreement. King County shall be the venue of any mediation, arbitration, or lawsuit arising out of this Agreement.
- j. Authority. Each individual executing this Agreement on behalf of the City and the County represents and warrants that such individuals are duly authorized to execute and deliver the Agreement on behalf of the City or the County.
- k. Notices. Any notices required to be given by the Parties shall be delivered at the addresses set forth above in Section 4. Any notices may be delivered personally to the addressee of the notice or may be deposited in the United States mail, postage prepaid, to the addresses set forth above in Section 4. Any notice so posted in the United States mail shall be deemed received three (3) days after the date of mailing.

- l. Performance. Time is of the essence of this Agreement and each and all of its provisions in which performance is a factor.

- m. Equal Opportunity to Draft. The Parties have participated and had an equal opportunity to participate in the drafting of this Agreement. No ambiguity shall be construed against any party upon a claim that that party drafted the ambiguous language.

- n. Third Party Beneficiaries. This Agreement is made and entered into for the sole protection and benefit of the parties hereto. No other person or entity shall have any right of action or interest in this Agreement based on any provision set forth herein.

IN WITNESS THEREOF, the Parties have executed this Agreement effective as of the date it has been signed by both of the Parties.

Development Services Agreement Provisions

INTERLOCAL AGREEMENT BETWEEN

KING COUNTY AND THE CITY OF BELLEVUE

***RELATING TO PROCESSING OF BUILDING PERMITS AND
LAND USE APPLICATIONS***

THIS AGREEMENT is made and entered into this day by and between the City of BELLEVUE, a municipal corporation in the State of Washington (hereinafter referred to as the "City") and King County, a home rule charter County in the State of Washington (hereinafter referred to as the "County").

WHEREAS, the City will annex an area of unincorporated King County described in Attachment 1 and may annex additional areas of unincorporated King County (collectively referred to as the "Annexation Area"); and

WHEREAS, all local governmental authority and jurisdiction with respect to the Annexation Area transfers from the County to the City upon the date of annexation; and

WHEREAS, the County and City agree that having County staff process certain Annexation Area building permits and land use applications on behalf of the City for a transitional period will assist in an orderly transfer of authority and jurisdiction; and

WHEREAS, it is the parties' intent by virtue of this Agreement that permits will be processed in accordance with this Agreement and applicable laws, including laws regarding vested rights; and

WHEREAS, this Agreement is authorized by the Interlocal Cooperation Act, RCW Chapter 39.34;

NOW, THEREFORE, in consideration of the terms and provisions, it is agreed by and between the City and the County as follows:

1. Term/Effective Date.

This Agreement shall be deemed to take effect following the approval of the Agreement by the official action of the legislative bodies of each of the Parties and the

signing of the Agreement by the duly authorized representative of each of the Parties, and shall continue in force for a period of five (5) years from the date signed by both parties. As used herein, "Effective Date" shall refer to the date of annexation to the City.

2. Pre-annexation Building Permit Applications Filed with King County.

2.1 Except as otherwise provided for herein, the County shall continue to review on behalf of the City all vested building-related permit applications filed with the County before the effective date of annexation that involve property within the Annexation Area in accordance with this Exhibit.

2.2 For the purposes of this Agreement, building-related permits include but are not limited to building permits, mechanical permits, fire systems/fire sprinkler permits, clearing and grading permits, sign permits and right-of-way permits. Review by the County shall occur in accordance with the regulations to which the applications are vested. Any decision regarding whether or when an application has vested or has subsequently expired shall be made by the City after consulting King County.

2.3 Except as provided in Section 1.9, if a vested permit has been reviewed and issued by the County prior to the Effective Date, the County shall complete all post-issuance plan reviews and inspections. The County shall confirm payment of required impact fees and notify the City that all impact fees have been paid.

2.4 If a vested permit has been partially reviewed as of the Effective Date, but the permit has not been issued, the County shall complete the plan review, issuance and post-issuance administration and inspection.

2.5 The County's review of building-related permits shall include rendering decisions to approve, condition or deny such applications, conducting inspections, issuing correction notices, certificates of occupancy, permit extensions and completion of extensions, and evaluating compliance with approval conditions that extend beyond issuance of a certificate of occupancy. The County agrees to consult with the City prior to rendering any administratively appealable building-related permit decision. Administrative appeals of building related permit decisions, if administrative review is allowed, shall be processed in the same manner as appeals of land use permits as addressed in Section 2.2 and 4.2; provided that the City and County may agree to have the County conduct such appeals on behalf of the City in particular instances where such processing by the County would further the orderly transition envisioned by this Agreement.

2.6 The County shall receive and process any permit applications made following the Effective Date that implement conditions of a Commercial Site Development permit issued by the County prior to the Effective Date. County permits that implement conditions of a Commercial Site Development permit include those related to site, drainage, and infrastructure issues, but not building permits. After the Effective Date, the City of Bellevue shall receive and process any new building permit applications and new ancillary permit applications, such as fire and mechanical permits of an approved project.

2.7 The County shall review and make a recommendation to the City on requests to renew or extend County permits within the Annexation Area that are approaching their expiration date without having completed the permitted activity. The City shall render any final decisions on such requests. It is the intention of the parties to cancel permits from the County permit system that have expired by operation of applicable King County ordinance, then a new application to the City shall be required.

2.8 For those building related permits issued by King County prior to the Effective Date, the County shall review and render decisions on requests for changes or revisions to approved construction documents up to the time that either a certificate of occupancy is issued or final construction approval has been issued for the project. If after the Effective Date, a request for a change or revision to an approved construction document is deemed by the County to be substantial (e.g. the original house plan is substituted by a substantially different house plan), then a new application to the City shall be required. The County shall consult with the City to help determine what is deemed a "substantial" change or revision. Following issuance of the certificate of occupancy or final construction approval, requests for revisions to the approved set of plans shall be referred to the City to process as new permit applications.

2.9 If a permit has been issued by the County and the applicant has not submitted a request for inspection to the County by the Effective Date, the County shall inform the City and the City shall have the opportunity, but not the obligation, to assume responsibility for the inspections and administration of that permit. Any unexpended permit fees associated with the permit shall be refunded to the applicant by the County. The City will assess and collect fees for City services according to the City fee schedule and continue processing the permit according to City procedures. The permit will be administered subject to all terms and conditions established by the County, unless revisions are subsequently requested by the applicant and approved by the City.

2.10 The County shall review and make recommendations to the City's Transportation Director and the Utilities Director or their designees on applications to vary adopted road or drainage standards that are made in conjunction with a building related application being reviewed by the County pursuant to this Agreement. All final decisions on such variance applications shall be rendered by the City.

2.11 Prior to the Effective Date, the County shall review all building-related permit files and determine whether any applications or issued permits have expired under the terms of applicable County codes and regulations. If the County determines that a permit or application is so expired, the County shall notify the applicant or permit holder in writing of such expiration and shall provide the City a copy of such notice.

3. Pre-annexation Land Use Permit Applications Filed with King County.

3.1 Except as otherwise provided for herein, the County shall continue to review on behalf of the City all vested land use permit applications filed with the County before the effective date of annexation that involve property within the Annexation Area. Review by the County shall occur in accordance with the County regulations to which the applications are vested. Any decisions regarding whether or when an application has vested or has subsequently expired shall be made by the City after consulting King County.

3.2 For those vested land use applications that do not require a public hearing prior to decision, the County will continue to review such applications as follows:

- A. If a final decision has not been made by the Effective Date, the County shall complete the review and make a report and recommendation to the City's Development Services Director or his designee in accordance with the County regulations to which the applications are vested. Any final decisions to approve, deny, or approve with conditions such applications shall be made by the City's Development Services Director or designee in accordance with the County regulations to which the applications are vested and will be processed pursuant to the City's Process II land use review and appeal procedures (Chapter 20.35 BCC).
- B. If a final decision has been made and a timely appeal of the administrative decision has been filed prior to the Effective Date, the permit record shall be transmitted to the City Hearing Examiner. Any final decision on appeal of such application shall be made by the City's Hearing Examiner in accordance with the County regulations to which the applications are vested and will be processed pursuant to the City's Process II appeal procedures (Chapter 20.35 BCC).

3.3 Notwithstanding any other provision of this Agreement, applications for any rezone and any associated permit applications shall be referred to the City for all further processing.

3.4 For those vested land use applications that require a public hearing prior to decision, e.g., preliminary subdivisions or conditional uses, the County shall continue to review the application as follows:

- A. If the public hearing on the application was held prior to the Effective Date, the County shall complete the review up to and including the point of final recommendation. Any final decision shall be made by the City Hearing Examiner in accordance with the County regulations to which the application is vested, and shall be processed pursuant to the City's applicable Process I land use review and appeal procedures (Chapter 20.35 BCC).
- B. If the public hearing on the application was not held prior to the Effective Date, the County shall complete the review and make a report and recommendation to the City's Development Services Director or his designee in accordance with the County regulations to which the applications are vested. The final recommendation shall be made by the City Development Services Director in accordance with the County regulations to which the application is vested and a public hearing shall be scheduled before the City's Hearing Examiner and the City's Hearing Examiner will make the final decision pursuant to the City's applicable Process I land use review and appeal procedures (Chapter 20.35 BCC).

3.5 For those vested final subdivision, short plat and binding site plan applications that have received preliminary approval prior to annexation, the County shall continue to complete post-preliminary review up to and including the point of making a final recommendation on the specific application(s). The final decision on the application shall be made by the City in accordance with the County regulations to which the application is vested. All subsequent post-preliminary approval applications shall be submitted to and decided by the City. For purposes of this section, post-preliminary review includes engineering plan approval, final plat, short plat or binding site plan approval, and construction inspection approval.

3.6 The County shall review and make recommendations to the City's Development Services Director on applications to vary adopted road or drainage standards that are made in conjunction with a land use application being reviewed by the County pursuant to this Agreement. All final decisions on such variance applications shall be rendered by the City.

3.7 The County shall review and render decisions on requests for changes to approved land use permit engineering plans up to the time that final construction approval has been issued for the project. Following issuance of final construction approval, requests for changes to the approved set of plans shall be referred to the City. As-built drawings of the final approved construction shall be forwarded to the City.

3.8 Prior to the Effective Date, the County shall review all land use application files and determine whether any applications or approvals have expired under the term of applicable County codes and regulations. If the County determines that a permit or application is so expired, the County shall notify the applicant or permit holder in writing of such expiration and shall provide the City a copy of such notice.

4. List of Projects, Exclusionary Option, Notice of Meetings, and Permit Data.

4.1 The County shall provide to the City on the Effective Date a list of all vested building, land use and associated ancillary permit applications pending within the Annexation Area. The list shall be reviewed and updated prior to transmittal to the City to exclude all permits that have expired by operation of applicable King County ordinance. These permits shall be canceled from the County permit system and notification of the cancellation shall be provided to the applicant. It is the intention of the parties that a new application to the City shall be required. The updated and reviewed list shall include the status of the projects as it is shown in the County permit system. This information shall be updated and provided quarterly until all permits on the list have been finalized, expired or otherwise completed. The City may at any time exclude from this Agreement any application(s) on any such list upon providing to the County ten days advance written notice of its intent to exclude the application(s). Upon exclusion of any application from review under this Agreement, the County shall turn the application over to the City for all further processing, and shall be available for consultation with the City regarding the application.

4.2 The County shall notify the City of all technical screening meetings, pre-construction conferences and engineering pre-submittal meetings for projects being reviewed by the County under this Agreement. Such notice shall be provided promptly upon scheduling of the meeting. The City may participate in these meetings to learn more about the project and to offer comments.

4.3 The County shall provide the City with a copy of files and records of all land use and building permit applications processed under this Agreement upon completion of permit review, termination of the Agreement under Section 11, or expiration of the Agreement, whichever comes first.

4.4 The County shall provide to the City digital files of historic and open permit data for the Annexation Area that is in the County's permit database. The County's obligation shall be to provide the data in the format used by the County. It shall be the City's obligation to convert the data in such a way as to meet the City's needs. The County shall provide a subsequent and final download, showing all data through the Effective Date.

4.5 No later than 30 days following the Effective Date, the County shall provide to the City a list of all traffic impact fees and fees in lieu of park dedication collected by the County for development activity where all site improvements and building construction have not been completed prior to the effective date of annexation.

4.6 The County shall provide written notice to any potential applicant that had contacted the County for a pre-application or other preliminary meeting prior to submitting an application and for which no application was filed prior to the Effective Date informing such potential applicant that land use and development authority resides with the City, under applicable City codes and regulations as a result of annexation. The County shall provide the City copies of all such notices.

5. SEPA Compliance.

5.1. For those vested building and land use applications described in paragraphs 1.5, 2.2 and 2.4, the County will continue to process the SEPA components of the applications and shall make a report and recommendation to the City's Environmental Coordinator based upon the County policies and regulations to which the applications are vested. Any final SEPA threshold determination shall be made by the City's Environmental Coordinator pursuant to the City's Process II land use review and appeal procedures (Chapter 20.35 BCC).

5.2 For those vested building permit applications described in Section 1 requiring a SEPA threshold determination and for which a SEPA threshold determination has not been issued prior to the Effective Date, the County will not take final action upon the application until the City's Environmental Coordinator has acted.

5.3 The County agrees to provide technical and administrative SEPA assistance to the City's Environmental Coordinator . Such assistance may include, but is not limited to:

- Review of an applicant's environmental checklist and collection of relevant comments and facts;
- Preparation of a proposed SEPA threshold determination with supporting documentation for approval, which will include citations to a) King County Code provisions that compliance with will negate a probable significant adverse impact, and b) King County Code substantive authority for recommended mitigation measures;
- Publication and notice by the County on behalf of the City's Environmental Coordinator;
- Preparation and submittal of a written review and comment on any appeal received on a SEPA threshold determination recommended by County staff to the City's Environmental Coordinator l;
- Attendance at appeal hearings to testify with respect to analysis of

environmental impacts, mitigation measures and the environmental review process;

- Preparation of any required draft, final, addendum or supplemental EIS for approval of the City's Environmental Coordinator; and
- Coordination of adopted or required SEPA measures of mitigation with project review staff.

6. Administrative and Ministerial Processing.

County review specified in this Agreement is intended to be of an administrative and ministerial nature only. Any and all legislative or quasi-judicial decisions or decisions of a discretionary nature shall be made by the City's designated decision maker and processed pursuant to the City's applicable review and appeal procedures.

7. Code Enforcement.

7.1 The County shall provide the City on the Effective Date, a list and brief explanation of all Annexation Area code enforcement cases (including those pertaining to surface water codes) under review by the County at the time of annexation. Except where the code enforcement case is associated with permits that will continue to be processed by the County under Sections 1 and 2 above, the City shall be responsible for undertaking any code enforcement actions following the Effective Date of annexation. The County shall provide the City with copies of any Annexation Area enforcement files requested by the City.

7.2 Code enforcement abatement actions necessary to eliminate public health or safety hazards shall be the sole responsibility of the City.

7.3 The County is authorized on behalf of the City to enforce conditions of approval for those permits that the County processes pursuant to this Agreement. Pursuant to this provision, the County's authorization shall mean issuing corrective notices and/or withholding permit approval or recommendation of approval. If code compliance remains unresolved after the first notice, the County shall notify the City and, at the City's discretion, the City may initiate code enforcement cases, assess civil penalties, initiate financial guarantee recall, or otherwise take legal action to remedy the violation or non-compliance.

8. Financial Guarantees.

8.1 Any financial guarantee that is intended to secure compliance with project conditions that are being or will be reviewed by the City shall be turned over to or posted

with the City, which shall have sole authority and discretion over its release and/or enforcement. Any financial guarantee that has been posted or is otherwise required in order to guarantee compliance with conditions that are being reviewed by the County pursuant to this Agreement shall be retained by or posted with the County. On behalf of the City, the County is authorized to accept such financial guarantees and to release them where it determines that conditions for release have been satisfied. In making such decisions whether to release a financial guarantee instrument, the County shall seek direction from the City. The City shall be solely responsible for making any demands or initiating any legal action to enforce financial guarantees for Annexation Area projects; provided however, that the County shall cooperate in any manner necessary to implement or otherwise draw upon a financial guarantee.

8.2 Except for those projects on which the County has prior to the effective date of annexation of the Annexation Area assessed required financial performance guarantees, the City shall have sole discretion and responsibility on the assessment of financial performance guarantees required of an applicant to secure compliance with permit or development-related requirements. The City shall have sole discretion and responsibility on the release and enforcement of all required financial performance guarantees required of the applicant to secure compliance with permit or development-related requirements. The County will not release any construction performance guarantees until the permittee has secured the required maintenance/defect bond or equivalent for the benefit of the City. The County will not release any maintenance/defect bonds until the City has reviewed the development-related improvements with the County inspector and agrees that the bond should be released. Notwithstanding the foregoing, upon special written request by the City, the County may agree to assist the City in determining whether to enforce or release particular financial guarantees. Such assistance from the County shall not include the initiation or undertaking of legal actions except where the City has no standing to initiate or undertake legal action.

9. Processing Priority.

Within budgetary constraints, the County agrees to process pre-annexation building and land use applications in accordance with the County's administrative procedures, at the same level of service as provided to County applications.

10. Fees and Reimbursement.

10.1 The City shall adopt legislation authorizing the County to charge applicants fees in amounts currently specified or hereafter adopted in King County Code Title 27 for applications processed by the County in accordance with the terms of this Agreement.

10.2 In order to cover the costs of providing services pursuant to the terms of this Agreement, the County is authorized to collect and retain such application and other fees authorized by the County fee ordinances adopted by the City pursuant to Section 9.1 above, or as may be modified at some future date by the County and the City.

10.3 In order to cover the costs of providing review, technical and administrative assistance, and other services not otherwise reimbursed pursuant to this Agreement, including but not limited to providing testimony at public hearings, the City shall pay the County at such hourly rate as specified in the version of King County Code Title 27 in effect at the time the services are performed. The County shall not seek reimbursement under this Section for review services performed on an individual permit application where the County has already been compensated for such services by the receipt of permit application review fees. The County shall provide the City with quarterly invoices for assistance and services provided, and the City shall tender payment to the County within thirty days after the invoice is received. The City shall retain the right to pre-authorize the County services contemplated by this Section 9.3, including the estimated cost of such services. Such pre-authorization by the City must be in writing. If the City does not provide pre-authorization, then the County shall neither provide nor invoice such services.

10.4 For permit applications initiated with the County and later forwarded to the City for completion, the County shall refund to the applicant any unexpended portion of any fees collected by the County. The City shall assess and collect fees for City services according to the current City fee schedule and continue administrating the permit according to City procedures.

10.5 No later than May 30, 2012, the County shall pay to the City any unexpended traffic impact fees collected by the County for development activity where all site improvements and building construction have not been completed prior to the effective date of annexation. Traffic impact fees collected by the County for permits that have not been issued shall be refunded to the applicant by the County. The City will assess and collect traffic impact fees for permits that the City has assumed responsibility for prior to permit issuance.

11. Duration.

This Agreement shall become effective upon the later of a) approval by the City and the County; or b) the Effective Date and shall continue for a period of 5 years, unless otherwise terminated in accordance with Section 11 or extended in accordance with Section 12 of this Agreement.

12. Termination.

Either party may terminate this Agreement for good cause shown upon providing at least thirty (30) days written notice to the other party. Upon expiration or termination of this Agreement, the County shall cease further processing and related review of applications it is processing under this Agreement. The County shall thereupon transfer to the City those application files and records, posted financial guarantee instruments, and unexpended portions of filing fees for pending land use and building-related applications within the Annexation Area. Upon transfer, the City shall be responsible for notifying affected applicants that it has assumed all further processing responsibility.

13. Extension.

The City and County may agree to extend the duration of this Agreement through December 31, 2019 or to a date prior thereto. In order for any such extensions to occur, the City shall make a written request to the County not less than sixty (60) days prior to the otherwise applicable expiration date. Any agreement by the County to the proposed extension(s) shall be made in writing. If the parties have not agreed to the extension in writing by the otherwise applicable expiration date, the Agreement shall expire.

14. Extension To Additional Annexation Areas.

- a. Agreement to Extend. The terms of this Agreement shall extend to the Additional Annexation Areas as of the effective date of annexation of such area to the City of Bellevue without the need for further action by the City Council or King County Council, so long as such annexation effective date occurs no later than December 31, 2013 and consistent with the provisions of this Section 7.
- b. Notice to County. The City shall provide written notice to the County of its intent to annex some or all of the Additional Annexation Areas. Such notice shall contain at a minimum the description of the area being annexed and the anticipated effective date of the annexation.
- c. Meaning of Terms. As used in this Agreement with respect to the Additional Annexation Areas: 1) "Effective Date" as used throughout shall refer to the effective date(s) of annexation of the Additional Annexation Area(s); and 2) "Annexation Area" shall refer to the Additional Annexation Area being annexed, as described in the notice provided in Section 14(b).

15. Application Process.

The City will prepare a document describing the handling of applications based upon this Agreement. Both the City and the County will have that document available for applicants.

16. Indemnification, Hold Harmless and Defense.

16.1 The County shall indemnify and hold harmless the City and its officers, agents and employees, or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the County, its officers, agents, and employees, or any of them, in performing its obligations under this Agreement. In the event that any suit based upon such a claim, action, loss, or damage is brought against the City, the County shall defend the same at its sole cost and expense, provided that the City retains the right to participate in said suit if any principal or governmental or public law is involved, and if final judgment be rendered against the City and its officers, agents, and employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees, or any of them, the County shall satisfy the same.

16.2 The City shall indemnify and hold harmless the County and its officers, agents and employees or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the City, its officers, agents, and employees, or any of them, in performing its obligations under this Agreement. In the event that any suit based upon such a claim, action, loss, or damage is brought against the County, the City shall defend the same at its sole cost and expense, provided that the County retains the right to participate in said suit if any principal of governmental or public law is involved; and if final judgment be rendered against the County and its officers, agents, employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees or any of them, the City shall satisfy the same.

16.3 The City and the County acknowledge and agree that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this section shall be valid and enforceable only to the extent of the negligence of each party, its agents, employees and/or officers.

16.4 In executing this Agreement, the County does not assume liability or responsibility for or in any way release the City from any liability or responsibility that arises in whole or in part from the existence or effect of City ordinances, rules, regulations, policies or procedures as applied to the permits and applications addressed in this Agreement. If any cause, claim, suit, action or proceeding (administrative or judicial), is initiated challenging the validity or applicability of any City ordinance, rule or regulation arising from the parties' performance of this Agreement, the City shall

defend the same at its sole expense and if judgment is entered or damages awarded against the City, the County, or both, the City shall satisfy the same, including all chargeable costs and attorneys' fees.

16.5 In executing this Agreement, the City does not assume liability or responsibility for or in any way release the County from any liability or responsibility that arises in whole or in part from the existence or effect of County ordinances, rules, regulations, policies or procedures as applied to the permits and applications addressed in this Agreement. If any cause, claim, suit, action or proceeding (administrative or judicial), is initiated challenging the validity or applicability of any County ordinance, rule or regulation arising from the parties' performance of this Agreement, the County shall defend the same at its sole expense and if judgment is entered or damages awarded against the County, the City, or both, the County shall satisfy the same, including all chargeable costs and attorneys' fees

17. Personnel.

Control of County personnel assigned by the County to process applications under this Agreement shall remain with the County. Standards of performance, discipline and all other aspects of performance shall be governed by the County.

18. Administration.

This Agreement shall be administered by the County Director of the Department of Development and Environmental Services or his/her designee, and by the City's Development Services Director or his/her designee.

19. Amendments.

This Agreement is the complete expression of the terms hereto and any oral representation or understanding not incorporated herein is excluded. Any modifications to this Agreement shall be in writing and signed by both parties.

20. Legal Representation.

The services to be provided by the County pursuant to this Agreement do not include legal services, which shall be provided by the City at its own expense.

21. No Third Party Beneficiaries.

This Agreement is made and entered into for the sole protection and benefit of the parties hereto. No other person or entity shall have any right of action or interest in this

Bellevue-King County
2012 South Bellevue Annexations
Development Services Interlocal Agreement Relating
to Processing of Building Permits and Land Use Applications

April 4, 2012

The Honorable Larry Gossett
Chair, King County Council
Room 1200
C O U R T H O U S E

Dear Councilmember Gossett:

This letter transmits an ordinance authorizing the execution of an interlocal agreement (ILA) with the City of Bellevue to facilitate the City's annexation of the Eastgate, Tamara Hills, Hilltop, and Horizon View Potential Annexation Areas (PAAs) known as the "South Bellevue Annexation." For reference, a map of the PAAs has been included as an enclosure with this letter.

All four unincorporated communities are south of Interstate 90 and are surrounded by the City of Bellevue. Together they have a population of 5,554 and encompass 919 acres. Eastgate is the largest of the four areas with a population of 4,967 and an area of 764 acres.

The ILA attached to the ordinance provides the framework for the transfer of property and facility records within the annexation area from King County to the City of Bellevue. The ILA also provides the framework for a smooth transition of local services including the transfer of general records, district court cases, permitting and code enforcement, and police services, to name a few.

This legislation is consistent with the King County Comprehensive Plan and furthers the goals of the King County Strategic Plan. Comprehensive Plan Policy U-201 calls for encouraging the annexation of the remaining urban unincorporated area. The King County Strategic Plan Financial Stewardship Goal, Objective 1, Strategy "c" calls for the transitioning of governance and fiscal responsibility for local services of urban unincorporated areas to cities.

Specific to this annexation, in consideration for Bellevue proceeding with annexation of these areas in 2012 and removing this PAA from the County's service obligation, the ILA amends a previous agreement with the City of Bellevue for a roadway project on 150th Avenue SE that crossed the unincorporated and incorporated boundary of 150th Avenue SE. The effect

The Honorable Larry Gossett

Page 2

of the amendment is to modify the requirement for reimbursement of the County cost of the unincorporated portion of the project based on a 10 year amortization schedule. The project, which was completed in 2007, has been paid for in full. Pursuant to the 150th Avenue SE agreement, if Bellevue annexed in 2017 or later, the City would not be subject to any reimbursement of the amortized cost of the unincorporated portion of the project. The County roads budget does not assume the contract payment. Additionally, the Newport Way culvert project, included in the 2012-2017 CIP, will be eliminated and funding allocated for the project in 2012 will be re-programmed.

Approval of the ordinance does not incur any fiscal impacts. However, the resulting annexation will have fiscal impacts to the County, as documented in the attached fiscal note. Disappropriations for various direct services in the South Bellevue PAAs will be included in future supplemental budget(s) once the annexation becomes effective.

Thank you for your consideration of this ordinance. Given the tentative June 1, 2012 effective date of this annexation, I respectfully request prompt Council action on the South Bellevue ILA. If you have any questions, please contact Dwight Dively, Director, Office of Performance, Strategy and Budget, at 206-263-9687.

I appreciate your favorable consideration of this agreement and I thank you for your continuing support of these large urban unincorporated area annexations.

Sincerely,

Dow Constantine
King County Executive

INTERLOCAL AGREEMENT BETWEEN THE CITY OF BELLEVUE AND KING COUNTY RELATING TO THE SOUTH BELLEVUE ANNEXATION OF EASTGATE AND TAMARA HILLS

THIS AGREEMENT ("Agreement") is made and entered by and between the City of Bellevue, a State of Washington municipal corporation ("City"), and King County, a political subdivision of the State of Washington ("County"). Together, the City and the County are referred to herein as "the Parties."

WHEREAS, the City identified areas of unincorporated King County referred to as the Eastgate, Tamara Hills, Horizon View, and Hilltop Potential Annexation Areas ("PAA") in its comprehensive plan consistent with the requirements of the state Growth Management Act ("GMA") and the Countywide Planning Policies adopted consistent with GMA; and

WHEREAS, the City will annex those areas within the PAA described in **Exhibit A-1** attached hereto and incorporated herein by this reference (collectively referred to as the "Annexation Area") which will become effective on June 1, 2012; and may annex an additional areas of the PAA in the near future, which additional ~~areas~~ area is described in Exhibit A-2 attached hereto and incorporated herein by this reference (referred to as the "Additional Annexation ~~Areas~~Area"); and

WHEREAS, property owners in the Annexation Area presented sufficient petitions under Chapter 35A.14.120 to annex to the City, and

WHEREAS, annexation of the Annexation Area to the City will become effective on June 1, 2012 ("Effective Date") through Ordinance Nos. ____; and

WHEREAS, the Parties previously entered into an interlocal agreement relating to road improvements within the Annexation Area; and

WHEREAS, the road improvements covered by that interlocal were completed in 2005; and

WHEREAS, the Parties wish to amend and supersede the terms of the earlier interlocal agreement through execution of this Agreement; and

WHEREAS, the City and the County desire to facilitate an orderly transition of services associated with the Annexation Area; and

WHEREAS, the City and the County desire to mutually determine the appropriate timing for the transfer of public records; and

WHEREAS, subject to vested rights under state law, all local governmental land use authority and jurisdiction with respect to the Annexation Area transfers from the County to the City upon the Effective Date; and

WHEREAS, the County and City agree that having County staff continue to process various vested building and land use permit applications from the Annexation Areas on behalf of the City for a transitional period following annexation will assist in an orderly transfer of authority and jurisdiction; and

WHEREAS, as of the Effective Date, pursuant to state law, the City will own, and have all responsibility for all former County roads, bridges and rights-of-way located within the City limits together with all appurtenances located within such rights-of-way, including but not limited to, drainage facilities, storm water facilities, environmental mitigation sites and monitoring projects, street lights, traffic signals, fiber-optic cable, fiber-optic conduit, and traffic signs; and

WHEREAS, the City and the County want to ensure a smooth transfer of ownership and maintenance of those existing County related property interests in the Annexation Areas that will transfer to the City as set forth in this Agreement; and

WHEREAS, the governing bodies of each of the parties hereto have determined to enter into this Agreement as authorized and provided for by the Interlocal Cooperation Act, codified at Chapter 39.34 RCW, and other Washington law, as amended;

NOW THEREFORE, in consideration of the mutual terms, provisions and obligations contained herein, it is agreed by and between the City and the County as follows:

1. TERM/EFFECTIVE DATE.

- a. This Agreement shall be deemed to take effect following the approval of the Agreement by the official action of the legislative bodies of each of the Parties and the signing of the Agreement by the duly authorized representative of each of the Parties, and shall continue in force for a period of five (5) years from the date signed by both parties. As used herein, "Effective Date" shall refer to the date of annexation to the City.

2. TRANSFER OF JURISDICTION, AUTHORITY AND SERVICES.

a. RECORDS TRANSFER

- i. The County shall work with the City to provide the records held by the assigned department and listed in Exhibit B attached hereto and incorporated herein by this reference by the Effective Date ~~dates listed in Exhibit B~~ or such other date as mutually agreed by the parties. The term "records" shall refer to ~~the range of items~~ records listed in Exhibit B.
- ii. If additional time is needed to produce any of ~~these~~ the records listed in Exhibit B, the County shall inform the City of the amount of additional time required to produce each specified record. ~~In no case shall~~ All such records then shall be provided ~~more than~~ within 45 days after the ~~originally~~ mutually agreed date.

- iii. For additional records not included ~~on~~ in Exhibit B, the City shall send a written request ~~for such additional records~~ to the County Executive's office, which office shall direct the request to the appropriate County division. Alternately, the City may request in writing that the County Executive's office schedule records transfer meetings at which City and County representatives shall meet to review and ~~identify~~ agree upon additional records, if any, to be copied and/or transferred. The County shall use its best efforts to provide any agreed upon additional records by a mutually agreed date.
- iv. The County may elect to provide original records or copies of records. The County may provide an electronic copy in lieu of a paper copy if the City agrees. The County shall not be required to provide records that are not reasonably available or to create records or compilations that have not already been created.
- v. The County shall provide the City free of charge one set of records meeting the requirements of this section.
- vi. ~~This section shall not apply to any other specific records transfer provisions in this agreement.~~ Nothing in this Agreement relieves the County of its obligations to comply with the Public Records Act, chapter 42.56 RCW, now or as hereafter amended.
- vii. ~~This section shall not apply to any other more specific records transfer provisions in this agreement.~~
- b. DEVELOPMENT SERVICES. ~~As of the Effective Date, transfer~~ Transfer of development services shall be as set forth in the attached **Exhibit E** which is hereby incorporated into this Agreement, -relating to the processing of building permits and land use applications in the Annexation Area.
- c. JAIL SERVICES. The City of Bellevue is responsible for the incarceration of adult offenders charged with misdemeanor or gross misdemeanor crimes occurring in the Annexation Area on or after the Effective Date. King County is responsible for the incarceration of adult offenders charged with misdemeanor or gross misdemeanor crimes occurring in the Annexation Area before the Effective Date. Nothing in this Agreement is intended to supersede or modify existing agreements between the City and King County related to jail services.
- d. POLICE SERVICES. On and after the Effective Date, police service responsibility within the Annexation Area will be transferred to the City. The County will be responsible for all criminal cases and investigations reported before the Effective Date, including but not limited to all costs associated with these cases and investigations. The City will be responsible for all criminal cases and investigations reported on and after the Effective Date, including but not

limited to all costs associated with these cases and investigations. The City's Chief of Police and the King County Sheriff will work together to ensure a smooth transition plan and a continuing partnership. In addition to the provisions of that transition plan, the parties further agree as follows:

- i. Sharing of community information: The County agrees to provide to the City policing-related community contact lists that the County ~~may have~~ has regarding the Annexation Area. These lists may include, but are not limited to: members of block watch programs, community groups, and/or homeowner's associations. The lists shall be provided to the City within 90 days of the Effective Date.
 - ii. Annexation of Emergency Response (911) Services: The City and County agree to coordinate the transfer of emergency response (911) services in the Annexation Area.
- e. DISTRICT COURT SERVICES TRANSITION. The County will be responsible for the prosecution, adjudication, and payment or receipt of any fees, fines or assessments associated with infractions or misdemeanor criminal offenses when the date of the infraction or offense is prior to the Effective Date. The City will be responsible for the prosecution, adjudication, and payment or receipt of any fees, fines or assessments associated with infractions or misdemeanor criminal offenses when the date of the offense is on or after the Effective Date. Nothing in this Agreement is intended to supersede or modify the provisions of existing agreements between the City and the County related to district court services.
- f. STATUS OF COUNTY EMPLOYEES. Subject to City civil service rules and state law, the City agrees to consider the hiring of County employees whose employment status is affected by the change in governance of the Annexation Area where such County employees make application with the City pursuant to the City's hiring process and meet the minimum qualifications for employment with the City. The City's consideration of hiring affected Sheriff Department employees shall be governed by the provisions set forth in RCW 35.13.360 through 35.13.400 and other applicable law.
- g. ROAD AND FIRE LEVY TAXES. The County's collection and disbursement to the City of the road and fire levy taxes within the Annexation Area(s) shall occur before December 31, 2012. The City provided notification to the King County Assessor and the King County Treasurer's Office under Chapter 35A.14.801(6) before March 1, 2012, regarding the payment of these road district and fire levy taxes.
- h. PRIOR AGREEMENT. The Interlocal Agreement for 150th Avenue S.E., executed by and between King County and the City of Bellevue on October 6, 1996, a copy of which is attached hereto as **Exhibit F**, is amended and superseded by this Agreement upon its execution. In exchange for the City's commitments in

the Agreement, the requirements in the Prior Agreement, including the requirement that the City reimburse the County for the undepreciated value of the County's investment in the 150th SE Project upon the City's annexation of the territory surrounding the 150th SE Project, set forth on page 3 in Section III of the Prior Agreement, are superseded by the terms of this Agreement.

- i. PLANNED CAPITAL IMPROVEMENT PROJECTS. The Parties acknowledge that in consideration of this annexation, the County shall not construct any previously planned capital improvement projects within the Annexation Area.
- j. INSPECTIONS. County staff shall be available at the City's request to perform joint field inspections of the right of way and County owned properties.

3. TRANSFER OF PROPERTIES.

a.i. Transfer of Road-Related Properties-Property.

a: The County shall, upon the Effective Date, convey by deed the Road-Related ~~Properties~~Property described in Exhibit C attached hereto and incorporated herein by reference, to the City, and the City shall accept the same, subject to all rights, conditions, covenants, obligations, limitations and reservations of record for said properties. Deeds shall be substantially in the form reflected in Exhibit G.

The City agrees to abide by and enforce all rights, conditions, covenants, obligations, limitations and reservations of record for said properties. The City covenants that the Road-Related ~~Properties~~Property described in Exhibit C shall continue to be used and maintained for their current or other appropriate road-related purposes until such time as the useful life of the improvements is exhausted, or the purpose for which the Road-Related ~~Properties~~Property is used is superseded by other improvements. The manner and extent of repair and maintenance shall be in the sole discretion of the City and the County shall have no further obligation for repair and maintenance as of the Effective Date ~~unless other equivalent lands within the City are received in exchange therefore.~~

If such a property is sold or traded while still in use for road related purposes, then the City shall pay to the County an amount equal to the total appraised value (land plus improvements) that the King County Department of Assessments applied to the property as of the Effective Date.

iii. Condition of and Responsibility for Operations, Maintenance, Repairs, and Improvements of Road-Related PropertiesProperty.

- 1. The City will have the opportunity to inspect the Road-Related ~~Properties~~Property before accepting ownership. However, regardless of such inspection, the City has the duty to accept all facilities as specified in

this Agreement. The County will make its records concerning the Road-Related Properties available to and warrants that it shall provide all such records to the City as of the Effective Date, and the County personnel most knowledgeable about the Road-Related Properties will be available to jointly inspect the property with City personnel and to provide the City the status of maintenance of such facilities, and to point out known conditions, including any defects or problems, if any, with the Road-Related Properties.

The City agrees to accept the Road-Related PropertiesProperty in AS IS condition, except as otherwise set forth in this Section 3(a), and to assume full and complete responsibility for all operations, maintenance, repairs, and improvements of the Road-Related PropertiesProperty. The City shall also agree to operate, maintain and repair the road features located on the Road-Related PropertiesProperty until such time as the related road is vacated or the road features are superseded or replaced. The manner and extent of repair and maintenance shall be in the sole discretion of the City and the County shall have no further obligation for repair and maintenance as of the Effective Date.

- ~~2. 2. — Except for warranting that the~~ The County has provided all documents in its possession associated with personnel most knowledgeable about the Road-Related Properties, claims associated therewithProperty shall be available to jointly inspect the property with City personnel and activities undertaken thereon, to provide the City the status of maintenance of such facilities, and to point out known conditions, including any defects or problems, if any, with the Road-Related Property.
3. The County warrants that it will provide all of its records concerning the Road-Related Property, defined for the purposes of this subsection, as purchasing and acquisition records held by the King County Real Estate Services Section pertaining to the parcels, including plat information, to the City no later than the Effective Date.

King County does not make and specifically disclaims any other warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, with respect to the Road-Related PropertiesProperty, and no official, employee, representative, or agent of King County is authorized otherwise.

- ~~ii. Environmental Liability related to the Road-Related PropertiesProperty.~~

1. "Hazardous Materials" as used herein shall mean any hazardous, dangerous or toxic wastes, materials, or substances as defined in state or federal statutes or regulations as currently adopted or hereafter amended.
 2. Nothing in this Agreement shall be deemed to waive any statutory or other claim for contribution that the City might have against the County under federal or state environmental statutes that arises from hazardous materials deposited or released on the Road-Related ~~Properties~~Property.
 3. If the City discovers the presence of hazardous materials at levels that could give rise to a claim for contribution against the County it shall notify the County in writing within ninety (90) days of discovery. Failure to provide such notice shall not be deemed a waiver or other limitation of any statutory County liability related to hazardous materials unless the federal or state environmental statute so provides.
 4. Washington State and applicable federal law shall govern the respective liabilities of the Parties to this Agreement for any loss arising out of or related to the environmental condition of the Road-Related ~~Properties~~Property.
- ~~iii. Right of Way Use Agreements. Upon the Effective Date, the City shall become the successor to the County with respect to right of way use agreements and permits as transferred under Exhibit B and the City shall administer and manage those permits and agreements. To the extent a right of way use permit or agreement requires payment of a periodic fee by the right of way user, the applicable fee shall be pro-rated between the City and the County based on the Effective Date.~~
- iv. Indemnification related to Roads-Related ~~Properties~~Property.
 1. King County shall indemnify and hold harmless the City and its elected officials, officers, agents or employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, arising from those occurrences related to the Road-Related ~~Properties~~Property that occurred prior to the Effective Date, except to the extent that indemnifying or holding the City harmless would be limited by Section 3(a)(~~iiiii~~) of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against the City or the City and King County, King County shall defend the same at its sole cost and expense and, if final judgment be rendered against the City and its elected officials, officers, agents and employees or jointly against the City and King County and their respective elected officials, officers, agents and employees, King County shall satisfy the same. The City acknowledges and agree that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the

concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(a)(iv)(1) shall be valid and enforceable only to the extent of the negligence of the County, its agents, employees and/or officers.

2. The City shall indemnify and hold harmless King County and its elected officials, officers, agents and employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, arising from those occurrences related to Road-Related ~~Properties~~Property that occur on or after the Effective Date, except to the extent that indemnifying or holding the County harmless would be limited by Section 3(a)(~~iiii~~) of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against King County or King County and the City, the City shall defend the same at its sole cost and expense and, if final judgment be rendered against King County and its officers, agents and employees or jointly against King County and the City and their respective officers, agents and employees, the City shall satisfy the same. The County acknowledges and agrees that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(a)(iv)(2) shall be valid and enforceable only to the extent of the negligence of the City, its agents, employees and/or officers.
3. For a period of three (3) years following transfer, each party to this Agreement shall notify the other of any and all claims, actions, losses or damages that arise or are brought against that Party relating to or pertaining to the Road-Related ~~Properties~~Property within a reasonable ~~time~~15 days after determining that this Section may apply to such claims, actions, losses or damages.
4. Each Party to this Agreement agrees that its obligations under this Section 3(a)(iv) extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each Party to this Agreement, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.

v. Right of Way Use Agreements. Upon the Effective Date, the City shall become the successor to the County with respect to right of way use agreements and permits referenced in Section C.6. of Exhibit B as referenced in Exhibit B records and the City shall administer and manage those permits and agreements. To the extent a right of way use permit or agreement requires payment of a periodic fee by the right of way

user, the applicable fee shall be pro-rated between the City and the County based on the Effective Date.

b. Transfer of Surface Water Management Properties

i. Transfer of Drainage Facilities and Drainage Facility-Property Interests

1. Upon the Effective Date for the area in which the "Drainage Facilities" identified in **Exhibit D**, attached hereto and incorporated herein by reference, are located, those Drainage Facilities which are held by the County as specifically identified in **Exhibit D-1** shall automatically be transferred from the County to the City, and the City shall assume ownership and full and complete responsibility for the Drainage Facilities. The Drainage Facilities identified in **Exhibit D-2** shall not be transferred but shall remain in private ownership.
2. The County shall upon the Effective Date for the area in which the "Drainage Facility-Property Interests" identified in **Exhibit D**, attached hereto and incorporated herein by reference, are located, convey the Drainage Facility-Property Interests by quit claim deed to the City; and the City shall accept the Drainage Facility-Property Interests, subject to all rights, conditions, covenants, obligations, limitations and reservations of record for such property interests.- Deeds shall be substantially in the form reflected in Exhibit G.
3. The County is willing to perform surface water-related management services and maintenance on behalf of the City in the Annexation Area after the Effective Date via separate written contract between the Parties, which contract is not part of this Agreement.
4. The Parties will make staff available to identify and review any additional County-owned local drainage facilities, easements, and other property interests within the Annexation Areas that should appropriately be conveyed to the City because they are of a nature similar to the facilities and property interests conveyed to the City by Sections 3(b)(i)(1) and (2) above. Such facilities and other property interests include those for which the County's facility acceptance process has not yet been completed, including both projects being constructed by the County as well as projects subject to County approval that are constructed by third parties. Any such additional County-owned drainage properties or other property interests shall be transferred to the City pursuant to this Agreement and

upon County approval and City acceptance, including if necessary the adoption of ordinances by the respective legislative bodies authorizing the transfer of King County owned drainage properties and property interests. The transfer of responsibility for drainage facilities shall be documented in writing, including specific facilities transferred and the date of transfer and such documentation signed by the appropriate City representative and the Director of the King County Water and Land Resources Division. The provisions of this subsection 3(b)(i)(4) shall survive the expiration or earlier termination of this Agreement.

ii. Condition of and Responsibility for Operations, Maintenance, Repairs, and Improvements of Drainage Facilities and Drainage Facility Property Interests.

1. The City will have the opportunity to inspect the Drainage Facilities and Drainage Facility Property Interests before accepting ownership. However, regardless of such inspection, the City has the duty to accept all facilities as specified in this Agreement. ~~The County will make its records concerning the Drainage Facilities and Drainage Facility Property Interests available to and warrants that it shall provide all such records to the City as of the Effective Date, and the County personnel most knowledgeable about the Drainage Facilities and Drainage Facility Property Interests will be available to jointly inspect the property with City personnel and to provide the City the status of maintenance of such facilities, and to point out known conditions, including any defects or problems, if any, with the Drainage Facilities and Drainage Facility Property Interests.~~

The City agrees to accept the Drainage Facilities and Drainage Facility Property Interests in AS IS condition, except as otherwise set forth in this Section 3(b) and to assume full and complete responsibility for all operations, maintenance, repairs, and improvements of the Drainage Facilities and Drainage Facility Property Interests. The City shall also agree to operate, maintain and repair the Drainage Facilities until such a time as the need for said Drainage Features are no longer present. The manner and extent of repair and maintenance shall be in the sole discretion of the City and the County shall have no further obligation for repair and maintenance as of the Effective Date.

2. ~~Except for warranting that the~~ The County has provided all documents in its possession associated with personnel most knowledgeable about the Drainage Facilities and Drainage Facility Property Interests, claims associated therewith will be available at the City's request to jointly inspect the property with City personnel and activities undertaken thereon, to provide the City the status of maintenance of such facilities, and

to point out known conditions, including any defects or problems, if any, with the Drainage Facilities and Drainage Property Interests.

3. The County warrants that it will provide all of its records concerning the Drainage Facilities and Drainage Property Interests, defined for the purposes of this subsection, as purchasing and acquisition records held by the King County Real Estate Services Section pertaining to the parcels, including plat information, to the City no later than the Effective Date.

King County does not make and specifically disclaims any other warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, with respect to the Drainage Facilities and Drainage Facility-Property Interests; and no official, employee, representative or agent of King County is authorized otherwise.

iii. Environmental Liability related to the Drainage Facilities and Drainage Facility-Property Interests.

1. "Hazardous Materials" as used herein shall mean any hazardous, dangerous or toxic wastes, materials, or substances as defined in state or federal statutes or regulations as currently adopted or hereafter amended.
2. Nothing in this Agreement shall be deemed to waive any statutory or other claim for contribution that the City might have against the County under federal or state environmental statutes that arises from hazardous materials deposited or released on the Drainage Facilities or Drainage Facility Property Interests.
3. If the City discovers the presence of hazardous materials at levels that could give rise to a claim for contribution against the County it shall notify the County in writing within ninety (90) days of discovery. Failure to provide such notice shall not be deemed a waiver or other limitation of any statutory County liability related to hazardous materials unless the federal or state environmental statute so provides.
4. Washington State and applicable federal law shall govern the respective liabilities of the Parties to this Agreement for any loss arising out of or related to the environmental condition of the Drainage Facilities or Drainage Facility-Property Interests.

iv. Indemnification related to Drainage Facilities and Drainage Facility-Property Interests.

1. King County shall indemnify and hold harmless the City and its elected officials, officers, agents or employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and

damages of any nature whatsoever, arising from those occurrences related to the Drainage Facilities and Drainage Facility-Property Interests that occurred prior to the Effective Date, except to the extent that indemnifying or holding the City harmless would be limited by Section 3(b)(iii) of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against the City or the City and King County, King County shall defend the same at its sole cost and expense and, if final judgment be rendered against the City and its elected officials, officers, agents and employees or jointly against the City and King County and their respective elected officials, officers, agents and employees, King County shall satisfy the same. The City acknowledges and agree that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(b)(iv)(1) shall be valid and enforceable only to the extent of the negligence of the County, its agents, employees and/or officers.

2. The City shall indemnify and hold harmless King County and its elected officials, officers, agents and employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, arising from those occurrences related to the Drainage Facilities and Drainage Facility-Property Interests that occur on or after the Effective Date, except to the extent that indemnifying or holding the County harmless would be limited by Section 3(b)(iii) of this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against King County or King County and the City, the City shall defend the same at its sole cost and expense and, if final judgment be rendered against King County and its officers, agents and employees or jointly against King County and the City and their respective officers, agents and employees, the City shall satisfy the same. The County acknowledges and agrees that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 3(b)(iv)(2) shall be valid and enforceable only to the extent of the negligence of the City, its agents, employees and/or officers.
3. For a period of three (3) years following transfer, each party to this Agreement shall notify the other of any and all claims, actions, losses or damages that arise or are brought against that Party relating to or pertaining to the Drainage Facilities or Drainage Facility-Property Interests within a reasonable time after determining that this Section may apply to such claims, actions, losses or damages.

4. Each Party to this Agreement agrees that its obligations under this Section 3(b)(iv) extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each Party to this Agreement, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.

~~e. The provisions of this Section 3 shall survive the expiration or earlier termination of this Agreement.~~

4. **ADMINISTRATION AND CONTACT PERSONS.** The Parties stipulate that the following persons shall be the administrators of this Agreement and shall be the contact person for their respective jurisdiction.

City of Bellevue:

Steve Sarkozy
City Manager
450 – 110th Ave NE
Bellevue, WA 98009

King County:

Dwight Dively, Director
Performance, Strategy and Budget
401 Fifth Avenue, Suite 810
Seattle, WA 98104

5. **COMPLIANCE WITH LAWS.** Each Party accepts responsibility for compliance with federal, state, and local laws and regulations. Specifically, in meeting the commitments encompassed in this Agreement, all parties will comply with, among other laws and regulations, the requirements of the Open Meetings Act, Public Records Act, Growth Management Act, State Environmental Policy Act, and annexation statutes. The Parties retain the ultimate authority for land use and development decisions within their respective jurisdictions as provided herein and by applicable law regarding vested rights. By executing this Agreement, the Parties do not purport to abrogate the decision-making responsibility vested in them by law.
6. **INDEMNIFICATION.** The following indemnification provisions shall apply to the entirety of this Agreement except for Section 3 (Transfer of Property) and **Exhibit E** (Development Permit Processing), which ~~contains~~contain separate indemnification provisions.
 - a. The County shall indemnify and hold harmless the City and its officers, agents and employees, or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the County, its officers, agents, and employees, or any of them, in performing its obligations under this Agreement. In the event that any suit based upon such a claim, action, loss, or damage is brought against the City, the County shall defend the same at its sole cost and expense, provided that the City retains the right to participate in said suit if any principle of governmental or public law is involved, and if final judgment be

rendered against the City and its officers, agents, and employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees, or any of them, the County shall satisfy the same. The City acknowledges and agrees that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 6(a) shall be valid and enforceable only to the extent of the negligence of the County, its agents, employees and/or officers.

- b. The City shall indemnify and hold harmless the County and its officers, agents and employees or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the City, its officers, agents, and employees, or any of them, in performing its obligations under this Agreement. In the event that any suit based upon such a claim, action, loss, or damage is brought against the county, the City shall defend the same at its sole cost and expense, provided that the County retains the right to participate in said suit if any principle of governmental or public law is involved; and if final judgment be rendered against the County and its officers, agents, employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees or any of them, the City shall satisfy the same. The County acknowledges and agrees that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this Section 6(b) shall be valid and enforceable only to the extent of the negligence of the City, its agents, employees and/or officers.
- c. Each Party to this Agreement agrees that its obligations under this Section 6 extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each Party to this Agreement, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.
- d. The provisions of this Section 6 shall survive the expiration or termination of this Agreement with respect to any event occurring prior to such expiration or termination.

7. APPLICATION TO ADDITIONAL ANNEXATION AREAS

- a. Agreement to Extend. The terms of this Agreement shall apply to the Additional Annexation Areas (described in Exhibit A-2 attached hereto) as of the Effective Date of annexation of such area to the City of Bellevue without the need for further action by the City Council or King County Council, so long as such

annexation Effective Date occurs no later than December 31, 2013 and consistent with the provisions of this Section 7.

- b. **Notice to County.** The City shall provide written notice to the County of its intent to annex some or all of the Additional Annexation Areas ~~Area~~ as provided by statute. Such notice shall contain at a minimum the description of the area being annexed and the anticipated Effective Date of the annexation. For purposes of this agreement, the City shall also provide written notice to the County of the proposed effective date within 60 days of the City's receipt of petition certification.
- c. **Meaning of Terms.** As used in this Agreement with respect to the Additional Annexation Areas ~~Area~~: 1) "Effective Date" as used throughout shall refer to the effective date(s) of annexation of the Additional Annexation Area(s); and 2) "Annexation Area" shall refer to the Additional Annexation Area being annexed, as described in the notice provided in Section 7(b).

8. GENERAL PROVISIONS.

- a. Entire Agreement. This Agreement together with all Exhibits hereto contains all of the agreements of the Parties with respect to the matter covered in this Agreement and no prior agreements shall be effective for any purpose.
- b. Filing. A copy of this Agreement shall be filed with the City Clerk, and recorded with the King County Recorder's Office or listed by subject on the County's web site or other electronically retrievable public source.
- c. Amendments. Except as authorized in Section 7, no provision of this Agreement may be amended or modified except by written agreement signed by the Parties. Any amendment that modifies a material term of this Agreement must be approved by the King County Council prior to the County executing the amendment.
- d. Severability. If one or more of the clauses of this Agreement is found to be unenforceable, illegal, or contrary to public policy, the Agreement will remain in full force and effect except for the clauses that are unenforceable, illegal, or contrary to public policy. The parties will replace the severed provision with one that is closest in meaning to the intent of the original provision that is not unenforceable, illegal or contrary to public policy.
- e. Assignment. Neither the City nor the County shall have the right to transfer or assign, in whole or in part, any or all of its obligations and rights hereunder without the prior written consent of the other Party.

- f. Successors in Interest. Subject to the foregoing subsection, the rights and obligations of the Parties shall inure to the benefit of and be binding upon their respective successors in interest, heirs, and assigns.
- g. Dispute Resolution. The Parties should attempt if appropriate to use an informal dispute resolution process such as mediation, through an agreed-upon mediator and process, if agreement cannot be reached regarding interpretation or implementation of any provision of this Agreement. All costs for mediation services would be divided equally between the Parties. Each jurisdiction would be responsible for the costs of their own legal representation.
- g-h. Attorneys' fees. In the event either of the Parties defaults on the performance of any terms of this Agreement or either Party places the enforcement of this Agreement in the hands of an attorney, or files a lawsuit, each Party shall pay all its own attorneys' fees, costs and expenses.
- h-i. No waiver. Failure of either the County or the City to declare any breach or default immediately upon the occurrence thereof, or delay in taking any action in connection with, shall not waive such breach or default.
- i-j. Applicable Law. Washington law shall govern the interpretation of this Agreement. King County shall be the venue of any mediation, arbitration, or lawsuit arising out of this Agreement.
- j-k. Authority. Each individual executing this Agreement on behalf of the City and the County represents and warrants that such individuals are duly authorized to execute and deliver the Agreement on behalf of the City or the County.
- k-l. Notices. Any notices required to be given by the Parties shall be delivered at the addresses set forth above in Section 4. Any notices may be delivered personally to the addressee of the notice or may be deposited in the United States mail, postage prepaid, to the addresses set forth above in Section 4. Any notice so posted in the United States mail shall be deemed received three (3) days after the date of mailing.
- l-m. Performance. Time is of the essence of this Agreement and each and all of its provisions in which performance is a factor.
- m-n. Equal Opportunity to Draft. The Parties have participated and had an equal opportunity to participate in the drafting of this Agreement. No ambiguity shall be construed against any party upon a claim that that party drafted the ambiguous language.
- n-o. Third Party Beneficiaries. This Agreement is made and entered into for the sole protection and benefit of the parties hereto. No other person or entity

Development Services Agreement Provisions

***INTERLOCAL AGREEMENT BETWEEN
KING COUNTY AND THE CITY OF BELLEVUE
RELATING TO PROCESSING OF BUILDING PERMITS AND
LAND USE APPLICATIONS***

THIS AGREEMENT is

This Exhibit E is adopted as part of the Agreement made and entered into this day by and between the City of BELLEVUE, a State of Washington municipal corporation in the State of Washington (hereinafter referred to as the (“City”) and King County, a home-rule charter County in political subdivision of the State of Washington (hereinafter “County”) for the purposes of land use, building, and related permit processing. Together, the City and the County are referred to as “the “County”). Parties.”

WHEREAS, the City will annex an area of unincorporated King County described in ~~Attachment Exhibit A-1~~ and may annex an additional areas area of unincorporated King County (collectively referred to as the “Annexation Area”); and

WHEREAS, all local governmental authority and jurisdiction with respect to the Annexation Area transfers from the County to the City upon the date of annexation; and

WHEREAS, the County and City agree that having County staff process certain Annexation Area building permits and land use applications on behalf of the City for a transitional period will assist in an orderly transfer of authority and jurisdiction; and

WHEREAS, it is the parties’ intent ~~by virtue of this Agreement~~ that permits will be processed in accordance with this ~~Agreement~~ Exhibit E and applicable laws, including laws regarding vested rights; and

WHEREAS, this Agreement is authorized by the Interlocal Cooperation Act, RCW Chapter 39.34;

NOW, THEREFORE, in consideration of the terms and provisions, it is agreed by and between the City and the County as follows:

1. Term/Effective Date.

Bellevue-King County
2012 South Bellevue Annexations
~~Development Services Interlocal Agreement Relating
to Processing of Building Permits and Land Use Applications~~

This ~~Agreement~~ Exhibit E shall be deemed to take effect following the approval of the Agreement by the official action of the legislative bodies of each of the Parties and the signing of the Agreement by the duly authorized representative of each of the Parties, and shall continue in force for a period of five (5) years from the date signed by both parties. As used herein, "Effective Date" shall refer to the date of annexation to the City.

2. Pre-annexation Building Permit Applications Filed with King County.

2.1 Except as otherwise provided for herein, the County shall continue to review on behalf of the City all vested building-related permit applications filed with the County before the ~~effective date~~ Effective Date of annexation that involve property within the Annexation Area in accordance with this Exhibit E.

2.2 For the purposes of this ~~Agreement~~ Exhibit E, building-related permits include but are not limited to building permits, mechanical permits, fire systems/fire sprinkler permits, clearing and grading permits, sign permits and right-of-way permits. Review by the County shall occur in accordance with the regulations to which the applications are vested. Any decision regarding whether or when an application has vested or has subsequently expired shall be made by the City after consulting King County.

2.3 Except as provided in Section ~~4.2~~ 9, if a vested permit has been reviewed and issued by the County prior to the Effective Date, the County shall complete all post-issuance plan reviews and inspections. The County shall confirm payment of required impact fees and notify the City that all impact fees have been paid.

2.4 If a vested permit has been partially reviewed as of the Effective Date, but the permit has not been issued, the County shall complete the plan review, issuance and post-issuance administration and inspection.

2.5 The County's review of building-related permits shall include rendering decisions to approve, condition or deny such applications, conducting inspections, issuing correction notices, certificates of occupancy, permit extensions and completion of extensions, and evaluating compliance with approval conditions that extend beyond issuance of a certificate of occupancy. The County agrees to consult with the City prior to rendering any administratively appealable building-related permit decision. Administrative appeals of building related permit decisions, if administrative review is allowed, shall be processed in the same manner as appeals of land use permits as addressed in Section 2.2 and 4.2; provided that the City and County may agree to have the County conduct such appeals on behalf of the City in particular instances where such

Bellevue-King County
2012 South Bellevue Annexations
~~Development Services Interlocal Agreement Relating
to Processing of Building Permits and Land Use Applications~~

processing by the County would further the orderly transition envisioned by this Agreement.

2.6 The County shall receive and process any permit applications made following the Effective Date that implement conditions of a Commercial Site Development permit issued by the County prior to the Effective Date. County permits that implement conditions of a Commercial Site Development permit include those related to site, drainage, and infrastructure issues, but not building permits. After the Effective Date, the City of Bellevue shall receive and process any new building permit applications and new ancillary permit applications, such as fire and mechanical permits of an approved project.

2.7 The County shall review and make a recommendation to the City on requests to renew or extend County permits within the Annexation Area that are approaching their expiration date without having completed the permitted activity. The City shall render any final decisions on such requests. It is the intention of the parties to cancel permits from the County permit system that have expired by operation of applicable King County ordinance, then require a new application submittal to the City ~~shall be required~~.

2.8 For those building related permits issued by King County prior to the Effective Date, the County shall review and render decisions on requests for changes or revisions to approved construction documents up to the time that either a certificate of occupancy is issued or final construction approval has been issued for the project. If after the Effective Date, a request for a change or revision to an approved construction document is deemed by the County to be substantial (e.g. the original house plan is substituted by a substantially different house plan), then a new application to the City shall be required. The County shall consult with the City to help determine what is deemed a "substantial" change or revision. Following issuance of the certificate of occupancy or final construction approval, requests for revisions to the approved set of plans shall be referred to the City to process as new permit applications.

2.9 If a permit has been issued by the County and the applicant has not submitted a request for inspection to the County by the Effective Date, the County shall inform the City and the City shall have the opportunity, but not the obligation, to assume responsibility for the inspections and administration of that permit. Any unexpended permit fees associated with the permit shall be refunded to the applicant by the County. The City will assess and collect fees for City services according to the City fee schedule and continue processing the permit according to City procedures. The permit will be administered subject to all terms and conditions established by the County, unless revisions are subsequently requested by the applicant and approved by the City.

2.10 The County shall review and make recommendations to the City's Transportation Director and the Utilities Director or their designees on applications to vary adopted road or drainage standards that are made in conjunction with a building

related application being reviewed by the County pursuant to this ~~Agreement~~ Exhibit E.
All final decisions on such variance applications shall be rendered by the City.

2.11 Prior to the Effective Date, the County shall review all building-related permit files and determine whether any applications or issued permits have expired under the terms of applicable County codes and regulations. If the County determines that a permit or application is so expired, the County shall notify the applicant or permit holder in writing of such expiration and shall provide the City a copy of such notice.

3. Pre-annexation Land Use Permit Applications Filed with King County.

3.1 Except as otherwise provided for herein, the County shall continue to review on behalf of the City all vested land use permit applications filed with the County before the ~~effective date~~ Effective Date of annexation that involve property within the Annexation Area. Review by the County shall occur in accordance with the County regulations to which the applications are vested. Any decisions regarding whether or when an application has vested or has subsequently expired shall be made by the City after consulting King County.

3.2 For those vested land use applications that do not require a public hearing prior to decision, the County will continue to review such applications as follows:

- A. If a final decision has not been made by the Effective Date, the County shall complete the review and make a report and recommendation to the City's Development Services Director or his designee in accordance with the County regulations to which the applications are vested. Any final decisions to approve, deny, or approve with conditions such applications shall be made by the City's Development Services Director or designee in accordance with the County regulations to which the applications are vested and will be processed pursuant to the City's Process II land use review and appeal procedures (Chapter 20.35 BCC).
- B. If a final decision has been made and a timely appeal of the administrative decision has been filed prior to the Effective Date, the permit record shall be transmitted to the City Hearing Examiner. Any final decision on appeal of such application shall be made by the City's Hearing Examiner in accordance with the County regulations to which the applications are vested and will be processed pursuant to the City's Process II appeal procedures (Chapter 20.35 BCC).

3.3 Notwithstanding any other provision of this Agreement, applications for any rezone and any associated permit applications shall be referred to the City for all further processing.

Bellevue-King County
2012 South Bellevue Annexations
Development Services Interlocal Agreement Relating
to Processing of Building Permits and Land Use Applications

3.4 For those vested land use applications that require a public hearing prior to decision, e.g., preliminary subdivisions or conditional uses, the County shall continue to review the application as follows:

- A. If the public hearing on the application was held prior to the Effective Date, the County shall complete the review up to and including the point of final recommendation. Any final decision shall be made by the City Hearing Examiner in accordance with the County regulations to which the application is vested, and shall be processed pursuant to the City's applicable Process I land use review and appeal procedures (Chapter 20.35 BCC).
- B. If the public hearing on the application was not held prior to the Effective Date, the County shall complete the review and make a report and recommendation to the City's Development Services Director or his designee in accordance with the County regulations to which the applications are vested. The final recommendation shall be made by the City Development Services Director in accordance with the County regulations to which the application is vested and a public hearing shall be scheduled before the City's Hearing Examiner and the City's Hearing Examiner will make the final decision pursuant to the City's applicable Process I land use review and appeal procedures (Chapter 20.35 BCC).

3.5 For those vested final subdivision, short plat and binding site plan applications that have received preliminary approval prior to annexation, the County shall continue to complete post-preliminary review up to and including the point of making a final recommendation on the specific application(s). The final decision on the application shall be made by the City in accordance with the County regulations to which the application is vested. All subsequent post-preliminary approval applications shall be submitted to and decided by the City. For purposes of this section, post-preliminary review includes engineering plan approval, final plat, short plat or binding site plan approval, and construction inspection approval.

3.6 The County shall review and make recommendations to the City's Development Services Director on applications to vary adopted road or drainage standards that are made in conjunction with a land use application being reviewed by the County pursuant to this Agreement. All final decisions on such variance applications shall be rendered by the City.

3.7 The County shall review and render decisions on requests for changes to approved land use permit engineering plans up to the time that final construction approval has been issued for the project. Following issuance of final construction

approval, requests for changes to the approved set of plans shall be referred to the City. As-built drawings of the final approved construction shall be forwarded to the City.

3.8 Prior to the Effective Date, the County shall review all land use application files and determine whether any applications or approvals have expired under the term of applicable County codes and regulations. If the County determines that a permit or application is so expired, the County shall notify the applicant or permit holder in writing of such expiration and shall provide the City a copy of such notice.

4. List of Projects, Exclusionary Option, Notice of Meetings, and Permit Data.

4.1 The County shall provide to the City on the Effective Date a list of all vested building, land use and associated ancillary permit applications pending within the Annexation Area. The list shall be reviewed and updated prior to transmittal to the City to exclude all permits that have expired by operation of applicable King County ordinance. These permits shall be canceled from the County permit system and notification of the cancellation shall be provided to the applicant. It is the intention of the parties that a new application to the City shall be required. The updated and reviewed list shall include the status of the projects as it is shown in the County permit system. This information shall be updated and provided quarterly until all permits on the list have been finalized, expired or otherwise completed. The City may at any time exclude from review pursuant to this Agreement Exhibit E any application(s) on any such list upon providing to the County ten days advance written notice of its intent to exclude the application(s). Upon exclusion of any application from review under this Agreement Section, the County shall turn the application over to the City for all further processing, and shall be available for consultation with the City regarding the application.

4.2 The County shall notify the City of all technical screening meetings, pre-construction conferences and engineering pre-submittal meetings for projects being reviewed by the County under this Agreement Exhibit E. Such notice shall be provided promptly upon scheduling of the meeting. The City may participate in these meetings to learn more about the project and to offer comments.

4.3 The County shall provide the City with a copy of files and records of all land use and building permit applications processed under this Agreement Exhibit E upon completion of permit review, termination of ~~the Agreement~~ permit review under Section 11, or expiration of the Agreement, whichever comes first.

4.4 The County shall provide to the City digital files of historic and open permit data for the Annexation Area that is in the County's permit database. The County's obligation shall be to provide the data in the format used by the County. It shall be the City's obligation to convert the data in such a way as to meet the City's needs. The

to Processing of Building Permits and Land Use Applications~~

County shall provide a subsequent and final download, showing all data through the Effective Date.

4.5 No later than 30 days following the Effective Date, the County shall provide to the City a list of all traffic impact fees and fees in lieu of park dedication collected by the County for development activity where all site improvements and building construction have not been completed prior to the ~~effective date~~Effective Date of annexation.

4.6 The County shall provide written notice to any potential applicant that had contacted the County for a pre-application or other preliminary meeting prior to submitting an application and for which no application was filed prior to the Effective Date informing such potential applicant that land use and development authority resides with the City, under applicable City codes and regulations as a result of annexation. The County shall provide the City copies of all such notices.

5. SEPA Compliance.

5.1. For those vested building and land use applications described in paragraphs 1.5, 2.2 and 2.4, the County will continue to process the SEPA components of the applications and shall make a report and recommendation to the City's Environmental Coordinator based upon the County policies and regulations to which the applications are vested. Any final SEPA threshold determination shall be made by the City's Environmental Coordinator pursuant to the City's Process II land use review and appeal procedures (Chapter 20.35 BCC).

5.2 For those vested building permit applications described in Section 1 requiring a SEPA threshold determination and for which a SEPA threshold determination has not been issued prior to the Effective Date, the County will not take final action upon the application until the City's Environmental Coordinator has acted.

5.3 The County agrees to provide technical and administrative SEPA assistance to the City's Environmental Coordinator-- Such assistance may include, but is not limited to:

- Review of an applicant's environmental checklist and collection of relevant comments and facts;
- Preparation of a proposed SEPA threshold determination with supporting documentation for approval, which will include citations to a) King County Code provisions that compliance with will negate a probable significant adverse impact, and b) King County Code substantive authority for recommended mitigation measures;
- Publication and notice by the County on behalf of the City's

Environmental Coordinator;

- Preparation and submittal of a written review and comment on any appeal received on a SEPA threshold determination recommended by County staff to the City's Environmental Coordinator;
- Attendance at appeal hearings to testify with respect to analysis of environmental impacts, mitigation measures and the environmental review process;
- Preparation of any required draft, final, addendum or supplemental EIS for approval of the City's Environmental Coordinator; and
- Coordination of adopted or required SEPA measures of mitigation with project review staff.

6. Administrative and Ministerial Processing.

County review specified in this ~~Agreement~~Exhibit E is intended to be of an administrative and ministerial nature only. Any and all legislative or quasi-judicial decisions or decisions of a discretionary nature shall be made by the City's designated decision maker and processed pursuant to the City's applicable review and appeal procedures.

7. Code Enforcement.

7.1 The County shall provide the City on the Effective Date, a list and brief explanation of all Annexation Area code enforcement cases (including those pertaining to surface water codes) under review by the County at the time of annexation. Except where the code enforcement case is associated with permits that will continue to be processed by the County under Sections 1 and 2 above, the City shall be responsible for undertaking any code enforcement actions following the Effective Date of annexation. The County shall provide the City with copies of any Annexation Area enforcement files requested by the City.

7.2 Code enforcement abatement actions necessary to eliminate public health or safety hazards shall be the sole responsibility of the City.

7.3 The County is authorized on behalf of the City to enforce conditions of approval for those permits that the County processes pursuant to this ~~Agreement~~Exhibit E. Pursuant to this provision, the County's authorization shall mean issuing corrective notices and/or withholding permit approval or recommendation of approval. If code compliance remains unresolved after the first notice, the County shall notify the City and, at the City's discretion, the City may initiate code enforcement cases, assess civil

penalties, initiate financial guarantee recall, or otherwise take legal action to remedy the violation or non-compliance.

8. Financial Guarantees.

8.1 Any financial guarantee that is intended to secure compliance with project conditions that are being or will be reviewed by the City shall be turned over to or posted with the City, which shall have sole authority and discretion over its release and/or enforcement. Any financial guarantee that has been posted or is otherwise required in order to guarantee compliance with conditions that are being reviewed by the County pursuant to this Agreement shall be retained by or posted with the County. On behalf of the City, the County is authorized to accept such financial guarantees and to release them where it determines that conditions for release have been satisfied. In making such decisions whether to release a financial guarantee instrument, the County shall seek direction from the City. The City shall be solely responsible for making any demands or initiating any legal action to enforce financial guarantees for Annexation Area projects; provided however, that the County shall cooperate in any manner necessary to implement or otherwise draw upon a financial guarantee.

8.2 Except for those projects on which the County has prior to the ~~effective date~~Effective Date of annexation of the Annexation Area assessed required financial performance guarantees, the City shall have sole discretion and responsibility on the assessment of financial performance guarantees required of an applicant to secure compliance with permit or development-related requirements. The City shall have sole discretion and responsibility on the release and enforcement of all required financial performance guarantees required of the applicant to secure compliance with permit or development-related requirements. The County will not release any construction performance guarantees until the permittee has secured the required maintenance/defect bond or equivalent for the benefit of the City. The County will not release any maintenance/defect bonds until the City has reviewed the development-related improvements with the County inspector and agrees that the bond should be released. Notwithstanding the foregoing, upon special written request by the City, the County may agree to assist the City in determining whether to enforce or release particular financial guarantees. Such assistance from the County shall not include the initiation or undertaking of legal actions except where the City has no standing to initiate or undertake legal action.

9. Processing Priority.

Within budgetary constraints, the County agrees to process pre-annexation building and land use applications in accordance with the County's administrative procedures, at the same level of service as provided to County applications.

10. Fees and Reimbursement.

10.1 The City shall adopt legislation authorizing the County to charge applicants fees in amounts currently specified or hereafter adopted in King County Code Title 27 for applications processed by the County in accordance with the terms of this Agreement.

10.2 In order to cover the costs of providing services pursuant to the terms of this Agreement ~~Exhibit E~~, the County is authorized to collect and retain such application and other fees authorized by the County fee ordinances adopted by the City pursuant to Section ~~9~~10.1 above, or as may be modified at some future date by the County and the City.

10.3 In order to cover the costs of providing review, technical and administrative assistance, and other services not otherwise reimbursed pursuant to this Agreement ~~Exhibit E~~, including but not limited to providing testimony at public hearings, the City shall pay the County at such hourly rate as specified in the version of King County Code Title 27 in effect at the time the services are performed. The County shall not seek reimbursement under this Section for review services performed on an individual permit application where the County has already been compensated for such services by the receipt of permit application review fees. The County shall provide the City with quarterly invoices for assistance and services provided, and the City shall tender payment to the County within thirty days after the invoice is received. The City shall retain the right to pre-authorize the County services contemplated by this Section ~~9~~10.3, including the estimated cost of such services. Such pre-authorization by the City must be in writing. If the City does not provide pre-authorization, then the County shall neither provide nor invoice such services.

10.4 For permit applications initiated with the County and later forwarded to the City for completion, the County shall refund to the applicant any unexpended portion of any fees collected by the County. The City shall assess and collect fees for City services according to the current City fee schedule and continue administrating the permit according to City procedures.

10.5 No later than May 30, 2012, the County shall pay to the City any unexpended traffic impact fees collected by the County for development activity where all site improvements and building construction have not been completed prior to the ~~effective date~~ Effective Date of annexation. Traffic impact fees collected by the County for permits that have not been issued shall be refunded to the applicant by the County. The City will assess and collect traffic impact fees for permits that the City has assumed responsibility for prior to permit issuance.

11. Duration-Termination.

~~—This Agreement shall become effective upon the later of a) approval by the City and the County; or b) the Effective Date and shall continue for a period of 5 years, unless otherwise terminated in accordance with Section 11 or extended in accordance with Section 12 of this Agreement.~~

12. Termination.

Either party may terminate this ~~Agreement~~Exhibit E for good cause shown upon providing at least thirty (30) days written notice to the other party. Upon expiration of ~~this Agreement~~ or termination of this ~~Agreement~~Exhibit E, the County shall cease further processing and related review of applications it is processing under this ~~Agreement~~Exhibit E. The County shall thereupon transfer to the City those application files and records, posted financial guarantee instruments, and unexpended portions of filing fees for pending land use and building-related applications within the Annexation Area. Upon transfer, the City shall be responsible for notifying affected applicants that it has assumed all further processing responsibility.

13.12. Extension.

The City and County may agree to extend the duration of this ~~Agreement~~Exhibit E through December 31, 2019 or to a date prior thereto. In order for any such extensions to occur, the City shall make a written request to the County not less than sixty (60) days prior to the otherwise applicable expiration date. Any agreement by the County to the proposed extension(s) shall be made in writing. If the parties have not agreed to the extension in writing by the otherwise applicable expiration date, ~~the Agreement~~this Exhibit E shall expire.

14. Extension To Additional Annexation Areas.

- a. ~~Agreement to Extend.~~ The terms of this Agreement shall extend to the Additional Annexation Areas as of the effective date of annexation of such area to the City of Bellevue without the need for further action by the City Council or King County Council, so long as such annexation effective date occurs no later than December 31, 2013 and consistent with the provisions of this Section 7.
- b. ~~Notice to County.~~ The City shall provide written notice to the County of its intent to annex some or all of the Additional Annexation Areas. Such notice shall contain at a minimum the description of the area being annexed and the anticipated effective date of the annexation.

- ~~e. Meaning of Terms. As used in this Agreement with respect to the Additional Annexation Areas: 1) "Effective Date" as used throughout shall refer to the effective date(s) of annexation of the Additional Annexation Area(s); and 2) "Annexation Area" shall refer to the Additional Annexation Area being annexed, as described in the notice provided in Section 14(b).~~

1513. Application Process.

The City will prepare a document describing the handling of applications based upon this Agreement Exhibit E. Both the City and the County will have that document available for applicants.

1614. Indemnification, Hold Harmless and Defense.

1614.1 The County shall indemnify and hold harmless the City and its officers, agents and employees, or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the County, its officers, agents, and employees, or any of them, in performing its obligations under this Agreement Exhibit E. In the event that any suit based upon such a claim, action, loss, or damage is brought against the City, the County shall defend the same at its sole cost and expense, provided that the City retains the right to participate in said suit if any principal or governmental or public law is involved, and if final judgment be rendered against the City and its officers, agents, and employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees, or any of them, the County shall satisfy the same.

1614.2 The City shall indemnify and hold harmless the County and its officers, agents and employees or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason or arising out of any negligent action or omission of the City, its officers, agents, and employees, or any of them, in performing its obligations under this Agreement Exhibit E. In the event that any suit based upon such a claim, action, loss, or damage is brought against the County, the City shall defend the same at its sole cost and expense, provided that the County retains the right to participate in said suit if any principal of governmental or public law is involved; and if final judgment be rendered against the County and its officers, agents, employees, or any of them, or jointly against the City and County and their respective officers, agents, and employees or any of them, the City shall satisfy the same.

1614.3 The City and the County acknowledge and agree that if such claims, actions, suits, liability, loss, costs, expenses and damages are caused by or result from the concurrent negligence of the City, its agents, employees, and/or officers and the County, its agents, employees, and/or officers, this section shall be valid and enforceable only to the extent of the negligence of each party, its agents, employees and/or officers.

1614.4 In executing this Agreement, the County does not assume liability or responsibility for or in any way release the City from any liability or responsibility that arises in whole or in part from the existence or effect of City ordinances, rules, regulations, policies or procedures as applied to the permits and applications addressed in this Agreement Exhibit E. If any cause, claim, suit, action or proceeding (administrative or judicial), is initiated challenging the validity or applicability of any City ordinance, rule or regulation arising from the parties' performance of this Agreement Exhibit E, the City shall defend the same at its sole expense and if judgment is entered or damages awarded against the City, the County, or both, the City shall satisfy the same, including all chargeable costs and attorneys' fees.

1614.5 In executing this Agreement, the City does not assume liability or responsibility for or in any way release the County from any liability or responsibility that arises in whole or in part from the existence or effect of County ordinances, rules, regulations, policies or procedures as applied to the permits and applications addressed in this Agreement Exhibit E. If any cause, claim, suit, action or proceeding (administrative or judicial), is initiated challenging the validity or applicability of any County ordinance, rule or regulation arising from the parties' performance of this Agreement Exhibit E, the County shall defend the same at its sole expense and if judgment is entered or damages awarded against the County, the City, or both, the County shall satisfy the same, including all chargeable costs and attorneys' fees

1715. Personnel.

Control of County personnel assigned by the County to process applications under this Agreement Exhibit E shall remain with the County. Standards of performance, discipline and all other aspects of performance shall be governed by the County.

1816. Administration.

This Agreement Exhibit E shall be administered by the County Director of the Department of Development and Environmental Services or his/her designee, and by the City's Development Services Director or his/her designee.

19. Amendments.

~~This Agreement is the complete expression of the terms hereto and any oral representation or understanding not incorporated herein is excluded. Any modifications to this Agreement shall be in writing and signed by both parties.~~

Exhibit F. Interlocal Agreement for 150th Avenue S.E.

9924

INTERLOCAL AGREEMENT FOR
150TH AVENUE S. E.

THIS AGREEMENT made and entered into by and between the County of King, a governmental subdivision of the State of Washington, hereinafter called the "County" and the City of Bellevue, a municipal corporation of the State of Washington, hereinafter called the "City", for the purpose of completing the design and construction of improvements to 150th Avenue SE from SE 37th Street (and the eastbound off-ramp from I-90) to SE Newport Way, hereinafter called the "Project".

WHEREAS, the County and the City agree that 150th Avenue SE provides an important link in the regional transportation system; and

WHEREAS, the need for the Project is consistent with Vision 2020 policies and is identified in the County Transportation Plan, Transportation Needs Report, Newcastle Community Plan, Newcastle Facilities Update, East Bellevue Transportation Plan, and the Newcastle Transportation Facilities Plan; and

WHEREAS, the 150th Avenue SE corridor between SE 37th Street and SE Newport Way serves residents of both the City and the County; and

WHEREAS, the City and the County entered into an interagency agreement in September, 1992 for the completion of the SE Newport Way/150th Avenue SE Feasibility Study; and

WHEREAS, the Project is identified in the Final Report of the above study, which was completed in October, 1994; and

WHEREAS, funding is appropriated in the City's Capital Investment Program for the Project; and

WHEREAS, the City has been awarded a federal Surface Transportation Program grant for the Project; and

WHEREAS, the Project is programmed in the County's 1996-2001 Capital Improvement Program pursuant to Bellevue's request to implement this joint project; and

WHEREAS, the Project lies partly within unincorporated King County within Bellevue's sphere of influence and partly within the municipal boundary of the City; and

WHEREAS, the County's portion of the 150th corridor is within a potential annexation area for the City;

NOW, THEREFORE, it is hereby covenanted and agreed by and between the parties hereto as follows:

9924

1. SCOPE OF WORK.

The scope of work for the Project is to design and construct the improvements to 150th Ave SE described in Attachment A, including the widening of 150th Ave SE from the embankment 1.90 off-ramp and frontage road (SE 37th St.) to SE 36th St., a new sidewalk on 150th Ave SE from Newport Way, and intersection improvements at SE 37th, SE 36th, and Newport Way. The Project will be designed and constructed consistent with City road design standards to the extent possible, taking into consideration the costs and relative benefits associated with the proposed improvements.

II. RESPONSIBILITIES - Project Management and Coordination

- A. **Lead Agency.** The City shall be the lead agency for the Project.
- A. **Lead Agency Responsibility.** The lead agency shall be responsible for managing the financial, engineering, right-of-way, and construction aspects of the Project.
- B. **Lead Agency Responsibility.** The City shall be responsible for acquisition of all property for the Project whether the property is in the City or the County. The County agrees to cooperate, as necessary, in the City's efforts to acquire property that lies within the unincorporated County area; the County agrees to use its best use authority to resolve land use of the property required for the Project by any affected property owners, as necessary, to acquire necessary property for the Project that lies within unincorporated King County. The price of acquisition of the property shall be the fair market value of the property at the time of acquisition. The County authorizes the City to exercise eminent domain, as necessary, to acquire property for the Project that lies within unincorporated King County. The price of acquisition shall be the fair market value of the property at the time of acquisition. Costs of litigation and judgment shall be considered to be the responsibility of the contractor. Costs of litigation and judgment are fifty percent eligible for the cost sharing agreement described in Section III.A.
- C. **Review and Comment.** The lead agency shall give the other party twenty-one (21) days to review and comment when Project plans, specifications, and estimates are fifty percent complete and ninety percent complete and at other times as may be reasonably requested.
- D. **Permits.** The lead agency shall be responsible for obtaining required permits. Any permits required from the other party shall be expedited pursuant to procedures the Road Services Division has established with the Department of Development and Environmental Services.
- E. **Environmental Reviews.** The lead agency shall be responsible for all public outreach services according to its normal practices.
- F. **Public Outreach.** The lead agency shall be responsible for all public outreach activities according to its normal practices.
- G. **Project Completion.** Subsequent to Project completion, but prior to acceptance from the contractor, both agencies shall perform a mutual walk-through inspection of the

9924

completed facility to assure themselves that it has been constructed in compliance with the intent of the plans and specifications. A letter from the King County Road Engineer, acknowledging completion of the Project to his/her satisfaction (or punch list, if necessary) shall be sent to the lead agency within thirty days of the walk-through or satisfactory completion of items on the punch list. Following acceptance of the Project from the contractor, the agency within whose jurisdiction any portion of the Project is located shall be the owner of such portion, and such portion shall be part of the road system of that agency.

I. Scope Changes. The City Transportation Director shall immediately advise the King County Road Engineer, in writing, of any significant scope changes which result in added costs in excess of the cost shown in Section IV.A. and shall propose a cost update review pursuant to Section III.D.

J. Maintenance. Following acceptance of the Project from the contractor, maintenance of the Project (e.g. pavement repair, signal and sign maintenance, and landscape maintenance, where applicable), or any portion thereof, shall be the responsibility of the agency within whose jurisdiction such portion is located unless a written agreement stipulating otherwise is signed by the appropriate City and County officials.

K. Project Team. The provisions of this Agreement will be managed by a Project Team composed of the King County Road Engineer or designee and the Bellevue City Transportation Director or designee with additional staff to be determined by each party.

L. Administrative Procedures. The Project Team will meet as necessary to ensure the provisions of the Agreement are fulfilled and will develop written procedures and records as required to accomplish the work of this Agreement.

M. Conflict Resolution. The Project Team will use consensus to reach agreements. In the event consensus cannot be reached on an issue, the parties will first seek the assistance of a neutral mediator, selected jointly. If the issue still cannot be resolved, the issue will be forwarded to the legislative authorities of the City and County for resolution.

III. FINANCIAL ARRANGEMENTS

A. Project Cost Allocation. Each jurisdiction shall be responsible for the costs of the portion of the Project located within its jurisdiction. The Project cost by jurisdiction and Project element is listed in Attachment A. Project costs shall be reported in a format that identifies these costs by jurisdiction and Project element, provided that engineering design and environmental study costs may be apportioned pursuant to the percentage of the costs within each jurisdiction. An amended cost distribution shall be developed subsequent to any agreed to cost changes.

B. Appropriations. Both agencies shall take action to submit appropriation requests to their respective legislative bodies to assure sufficient funds are available in their respective capital budgets to carry out the work as set forth in the schedule described in Section V.

9924

C. **Funding Sources.** Each agency is entitled to use whatever mix of capital funds it deems appropriate for its share of the Project. This agreement does not preclude either agency from using grant moneys solely for its share of the Project. However, joint grant applications may be submitted which offset the total cost of the Project, and in those situations, the grant shall offset the Project costs in proportion to the cost of the Project within each jurisdiction pursuant to Section III.A. In the event cost changes occur after the award of the grant an adjustment to reflect the revised costs within each jurisdiction shall be undertaken.

D. **Cost Estimate Updates.** The lead agency shall provide updated Project cost estimates and related changes in cash flow requirements at least twice per year and at such other times as the lead agency may determine. Special design features or extra mitigation beyond the scope of the Project as herein defined shall be the responsibility of the requesting agency. The lead agency shall have final approval of requests for design changes. The costs of mitigation which is required due to more specific environmental studies or more detailed engineering analysis will be apportioned between the two agencies as described in Section III.A.

E. **Project Cost Billing.** The City will bill the County for its fair share of actual expenses incurred, on no more than a monthly basis. These bills will reflect actual costs, including the current administrative overhead rate consistent with grant guidelines. All payments shall be due within 30 days of the billing date, with one percent per month interest being charged to the County as a delinquent charge, starting 30 days after the billing date.

F. **City's Liability Upon Annexation.** The City agrees to reimburse the County for the undepreciated value of the County's investment in the Project as described in Section III.A. or as it may be subsequently revised (net of applicable grants) at whatever point in the future the City annexes territory surrounding the Project. This includes territory to the west and east of 150th and at the shared intersection of 150th and SE 38th Street. This reimbursement will be made as follows:

G. **Annuity Established.** Within thirty (30) days of completion of construction of the Project, King County will establish and transmit to the City an annuity to depreciate the value of the County's investment over ten years, with a nominal interest rate of 4%. "Annuity Year" shall mean a 12 month period. Annuity Year 1 shall commence on the first day of the first month following completion of construction of the Project, as acknowledged to the City Transportation Director by the County Road Engineer. Each succeeding Annuity Year shall commence on the anniversary of the commencement of Annuity Year 1. The initial value to be depreciated will be the total Project costs paid by the county for the Project less any federal or state grant funding received to offset a portion of the County costs for the Project. Attachment B is an illustrative estimated annuity schedule for the Project.

H. **Annuity Payment Options.** Upon annexation of the surrounding territory, the City will have the option of making annual payments, pursuant to the annuity schedule, of the undepreciated value of the County's portion of the Project as described in Section III.G., or to make a lump sum payment. The City's obligation for making annual payments or a lump sum shall begin in the month of the Annuity Year in which the annexation takes effect. If the city elects to make annual payments, the City shall pay all moneys due for the remaining months of that Annuity Year, and for all remaining Annuity Years when due (see Section III.I.). If the City elects the lump sum option, the City lump sum will be adjusted, as necessary, for a partial Annuity Year based on the effective date of the annexation. If the annexation takes effect before

8924

the Project construction is complete, the City's obligation begins in the first month of Annuity Year 1.

I. **Annuity Payment Schedule.** Within thirty (30) days of the effective date of a future annexation by the City of the territory surrounding the Project, the City will notify the County which payment option it chooses. Within thirty (30) days of receipt of this notice, the County will transmit to the City an invoice and payment schedule. The City will make payment within thirty (30) days of receipt of the invoice.

J. **Partial Annexation.** If a future annexation by the City includes a portion -- but not all -- of the territory surrounding the Project, the City will be obligated only for a pro rata allocation of the Project annuity. This pro rata allocation will be based on the portion of the total lineal feet of the Project that is included in the annexation area.

IV. COSTS

A. **Project Cost.** The estimated total cost of the Project, in 1995 dollars, is \$3,879,000. It is acknowledged that costs in 1995 dollars will inflate to a higher amount at date of expenditure for the same scope of work. Over the life span of the Project, costs are assumed to inflate at 4% per year.

B. **Project Cost Baseline.** Accordingly, the budget commitment in 1995 dollars will be considered to be adhered to if the expenditures in future years, when deflated to 1995 dollars, equal in sum the dollar amount in Section IV.A.

C. **Project Cost Exceeding Cost Baseline.** Should Project costs, after adjustment as provided in Section IV.B., appear to be exceeding the amount in Section IV.A., the City Transportation Director shall disclose such fact to the County Road Engineer as soon as practicable and seek concurrence pursuant to Section II.M. prior to continuing with the Project. Following receipt of such concurrence, each agency shall submit an appropriation request or amendment of the six year capital program to their respective legislative body to adjust the budget appropriations, six year capital program schedule or cost for the Project to the revised amount.

V. SCHEDULE

Both agencies acknowledge the need to implement the Project quickly. Each agency also acknowledges that right-of-way and/or environmental aspects of the Project may delay completion thereof. Accordingly, no specific schedule can be set. However, it is the parties' mutual intent to complete the engineering work by early 1997, complete right-of-way acquisition by the end of 1997, and commence construction in 1998.

9924

VI. DURATION/TERMINATION OF AGREEMENT

A. **Effective Date.** This agreement will become effective upon the signing of this agreement by both parties, and will remain in effect until ten years from the date of acceptance of the Project or until the unamortized balance is paid to the county due to annexation of the entire area encompassing the Project.

B. **Termination Procedure.** In the event of termination prior to completion of the objectives of this agreement, all direct and indirect costs incurred up to the date of termination shall be payable pursuant to the terms in Section III. Termination costs claimed shall not exceed the actual costs incurred as a result of termination of the Project.

VII. NON-DISCRIMINATION

A. **Contractor non-discrimination compliance.** For purposes of any contract entered into under this agreement, the City shall require that the Contractor comply with the requirements of King County Code (KCC), Chapter 12.16 (Attachment C) as though the contract was with the County.

B. **Fair Employment.** The City shall include in any such contract all of the fair employment language contained in Attachment D.

C. **Americans with Disabilities Act.** To confirm that the Contractor is in compliance with Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA), the City shall ensure that the selected Contractor completes the ADA/504 Self Evaluation Questionnaire (Attachment E) and that the Assurance of Compliance shall be incorporated into the contract.

D. **Minority/Women's Business Participation.** For purposes of any contract entered into under this agreement, the City and the Contractor shall comply with KCC Chapter 4.18 (Attachment F). Additionally, and in conjunction with compliance with KCC 4.18, the City and the Contractor shall comply with the County's substitution policy (Attachment G). Further, the City shall include the following language in any contract entered into under this agreement:

"King County in general, and the County's M/WB program in particular, are damaged when a contract or portion of a contract to be performed by a M/WB is not actually performed by a M/WB in compliance with KCC 4.18. Because the actual amount of such damage is not reasonably calculable, the parties agree and stipulate that liquidated damages of 100% of the value of the utilization lost due to the violation, not to exceed 10% of the total dollar value of the contract, shall be the amount required to compensate the City and the County for resulting delays in carrying out the purpose of the program, the costs of meeting utilization goals through additional contracts, the administrative costs of investigation and enforcement and other damages and costs caused by the violation."

VIII. SEVERABILITY

If any provision of this Agreement shall be held invalid, the remainder of the Agreement shall not be affected thereby if such remainder would then continue to serve the purposes and objectives of the parties.

IX. INDEMNIFICATION AND HOLD HARMLESS

Each party hereto agrees to indemnify and hold harmless the other party, and its officers, agents and employees, for all claims (including demands, suits, penalties, losses, damages, attorney's fees or costs of any kind whatsoever) to the extent such a claim arises or is caused by the indemnifying party's own negligence or that of its officers, agents or employees in performance of this agreement.

The foregoing indemnity is specifically and expressly intended to constitute a waiver of each party's immunity under Washington's Industrial Insurance Act, RCW Title 51, as respects the other party only, and only to the extent necessary to provide the indemnified party with a full and complete indemnity of claims made by the indemnitor's employees. The parties acknowledge that these provisions were specifically negotiated and agreed upon by them.

X. OTHER PROVISIONS

A. Liability. No liability shall attach to the City or the County by reason of entering into this agreement except as expressly provided herein.

B. Scope of agreement. This agreement contains the entire written agreement of the parties and supersedes all prior discussions. This agreement may be amended only in writing, signed by both parties.

C. Employment Status. Each party shall be deemed an independent contractor for all purposes and the employees of either party or any of its contractors, subcontractors and the employees shall not in any manner be deemed to be employees or agents of the other party.

D. Waiver of Default. Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver of breach of any provision of the agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the agreement unless stated to be such through written approval by the non-breaching party which shall be attached to the original agreement.

FISCAL NOTE

| | |
|----------------------------------|---|
| Ordinance/Motion No. 00- | |
| Title: | An ordinance authorizing the executive to enter into an interlocal agreement with the City of Bellevue relating to the annexation of the Eastgate/Tamara Hills/Hilltop/Horizon View (South Bellevue) Potential Annexation Area (PAA). |
| Affected Agency and/or Agencies: | None |
| Note Prepared By: | Dave Reich 263-9721 |
| Note Reviewed By: | |

Impact of the above legislation on the fiscal affairs of King County is estimated to be:

Revenue to:

| Fund/Agency | Fund Code | Revenue Source | Current Year | 1st Year | 2nd Year | 3rd Year |
|--------------|-----------|----------------|--------------|------------|------------|------------|
| None | | | \$0 | \$0 | \$0 | \$0 |
| TOTAL | | | \$0 | \$0 | \$0 | \$0 |

Expenditures from:

| Fund/Agency | Fund Code | Department | Current Year | 1st Year | 2nd Year | 3rd Year |
|--------------|-----------|------------|--------------|------------|------------|------------|
| | | | \$0 | \$0 | \$0 | \$0 |
| TOTAL | | | \$0 | \$0 | \$0 | \$0 |

Expenditures by Categories

| | Current Year | 1st Year | 2nd Year | 3rd Year |
|-------|--------------|----------|----------|----------|
| TOTAL | \$0 | \$0 | \$0 | \$0 |

Assumptions:

Approval of the ordinance does not incur any fiscal impacts. However, the annexation does have fiscal impacts to the County. Disappropriations for various direct services in the South Bellevue PAA will be included in a 2012 supplemental and the 2013 proposed budget as required. The anticipated revenue and associated expenditure reductions are noted below for both 2012 and 2013. Annexation is assumed to occur June 1, 2012.

| | Fund | Dept | Expenditures | Revenues | Expenditures | Revenues |
|--|------|------|----------------------------------|----------------------------------|--------------------|----------------------|
| | | | 2012 Reduction (Jun-Dec 2012) | 2012 Reduction (Jun-Dec 2012) | 2013 Reduction | 2013 Reduction |
| General Fund Revenues | 0010 | N/A | N/A | (\$260,000) | N/A | (\$440,000) |
| Sheriff ¹ | 0010 | 0200 | \$0 | \$0 | \$0 | \$0 |
| OPD ¹ | 0010 | 0950 | \$0 | \$0 | \$0 | \$0 |
| Dept. of Development and Environmental Services (DDES) | 1340 | 0325 | (\$70,000) | (\$125,000) | (\$214,000) | (\$214,000) |
| Parks+REET | 1451 | 0640 | \$0 | (\$95,000) | \$0 | (\$160,000) |
| Surface Water Management (SWM) Local Drainage | 1211 | 0845 | (\$47,000) | (\$153,000) | (\$276,000) | (\$276,000) |
| Roads Services Division | 1030 | 0730 | (\$195,000) | (\$935,000) | (\$345,000) | (\$1,600,000) |
| Roads Construction Fund | | | (\$517,000) | | (\$160,000) | |
| Total Countywide Expenditure/Revenue Reductions | | | (\$829,000) | (\$1,568,000) | (\$995,000) | (\$2,690,000) |

¹With a population of less than 6,000 and a relatively low crime rate, there are no anticipated expenditure reductions for criminal justice agencies resulting from this annexation

²Expenditure reductions due to this annexation for DDES were already incorporated in the 2013 budget assuming a 1/1/13 annexation date
