Proposed No.: 2014-0415

1 AMENDMENT TO PROPOSED MOTION 2014-0415, VERSION 1

2 On page 2, beginning on line 24, delete everything through page 3, line 26, and insert:

3 "NOW, THEREFORE, BE IT MOVED by the Council of King County:

4 A. The King County Vision Statement, Mission Statement, Guiding Principles
5 and Goals and King County's Goals and Vision, 2015, Attachments A and B to this
6 motion, are hereby adopted.

7 B. The council requests the executive to establish cross-functional strategic teams
8 consistent with K.C.C. chapter 2.10 for each of the goals identified in Attachment A to
9 this motion in order to identify objectives for each of the identified goals and to carry out
10 the work specified in K.C.C. 2.10.104.

11 C. The council further requests the executive to collaborate with the council to
12 develop work plans for planning/policy gap areas identified in King County's Goals and
13 Vision, 2015, Attachment B to this motion."

14
15 Delete Attachment A, King County Vision, Mission, and Guiding Principles, and
16 insert Attachment A, King County Vision Statement, Mission Statement, Guiding
17 Principles and Goals, Updated February 12, 2015.

02

Pr 201

18 Insert Attachment B, King County's Goals and Vision, 2015, Updated February
19 19, 2015.

20

21 **EFFECT:**

22 **Would replace the transmitted attachment with the goals and vision matrix**
23 **approved by the Council to reflect the County's goals, guiding principles,**
24 **and policy efforts. Would ask the Executive to collaborate with the Council**
25 **to take the next steps to make progress on the County's goals.**

King County Vision Statement, Mission Statement, Guiding Principles and Goals

Vision Statement: King County: a diverse and dynamic community with a healthy economy and environment where all people, businesses, and organizations have the opportunity to thrive

Mission Statement: King County government provides fiscally responsible, quality-driven local and regional services for healthy, safe, and vibrant communities

Guiding Principles:

Equitable and Fair	Address the root causes of inequities to provide for equal access to opportunities for all
Financially Sustainable	Align funding, policy and operational goals of King County government
Regionally Collaborative	Engage with partners, stakeholders, and public and private organizations to achieve goal
Quality Local Government	Provide effective, efficient local governance and services to unincorporated areas

Goals:

Mobility	Deliver a seamless network of transportation options to get people where they need to go, when they need to get there.
Safety and Justice	Provide for a safe and just community through proactive law enforcement and an accessible and fair justice system, while implementing alternatives to divert people from the criminal justice system
Health & Human Services	Improve the health and well-being of all people in our community
Economic Vitality	Increase access to family wage job opportunities throughout the county
Accessible, Affordable Housing	Increase access to quality housing that is affordable to all
Healthy Environment	Preserve open space and rural character while addressing climate change
Efficient, Accountable Government	Ensure that County government operates efficiently and effectively and is accountable to the public

King County's Goals	What King County is doing to achieve our goals		Guiding Principles that direct our efforts			
	Adopted Strategic Plans or Action Plans	Planning / Policy Gap (Work Underway)	Equitable and Fair Address the root causes of inequities to provide for equal access to opportunities for all	Financially Sustainable Align funding, policy and operational goals of King County government	Regionally Collaborative Engage with partners, stakeholders, and public and private organizations to achieve goals	Quality Local Government Provide effective, efficient local governance and services to unincorporated areas
Mobility Deliver a seamless network of transportation options to get people where they need to go, when they need to get there.
