

# FREE Dental, Vision & Medical Care

## SEATTLE/KING COUNTY CLINIC October 22 - 25, 2015 at Seattle Center

### About the Clinic

- All welcome! Patients DO NOT need ID or proof of citizenship
- FREE parking (Mercer Street Garage, 650 3rd Avenue North)
- No advanced registration: FIRST-COME, FIRST-SERVED
- Admission tickets distributed at **5:00 AM** at the Seattle Center Exhibition Hall (301 Mercer Street)
- Highest demand for tickets on Saturday & Sunday
- Come prepared for a long day with food, warm clothing and any daily medications
- Interpreters available
- Licensed healthcare professionals, both male and female providers available

### All Services are FREE

**DENTAL:** Cleanings, fillings, extractions and X-rays

**VISION:** Vision screening, complete dilated eye exams, glaucoma screening, diabetic retinopathy, reading glasses and prescription eyeglasses (delivered at a later date)

**MEDICAL:** Physical exams, PAP smears, mammograms, X-rays, EKGs, ultrasounds, select lab tests, rapid HIV and hepatitis testing, foot care, wound care, flu shots, naturopathic and chiropractic care, acupuncture, behavioral health, nutrition and pharmacy counseling, screening for diabetes and hypertension

(OVER)

### How Do I Get into the Clinic?

- The Seattle Center Exhibition Hall, where tickets are distributed, opens at 12:30 AM each day (see [seattlecenter.org/patients](http://seattlecenter.org/patients) for a map and details).
- Limited admission tickets, for that day only, will be distributed starting at **5:00 AM** in line order. One ticket per person.
- The first patients will be admitted to the Clinic in KeyArena by ticket number starting at 6:30 AM.

### How Should I Prepare for the Clinic?

*Please be advised that this will be a long day and you are responsible for your needs.*

- Bring food and beverages and any medications you may need throughout the day.
- Wear comfortable clothing.
- Leave pets at home unless they are service animals.
- Patients under age 18 must be accompanied by a parent or legal guardian during registration and services. Exceptions may be made for youth ages 13 and above who are not in contact with a parent or legal guardian.

### Will Someone Speak My Language?

- Interpretation services will be available to assist patients throughout the Clinic.

### What Happens Once I Enter the Clinic?

- Because of the large number of patients, **you can only seek care in either vision or dental, in addition to medical care, in one day.**
- Patients can wait in line for an admission ticket on another day for additional services.
- We will collect basic personal information including name, age, height, weight and medical history.
- In each service area (dental, vision, or medical) you will wait your turn in line and will be seen on a first-come, first-served basis.
- Once you enter the Clinic, you will be given identification to allow you to leave and re-enter the building for that day only. However, if you are in line for a service, you will lose your place by leaving the building and will need to go to the end of the line for that service when you return.

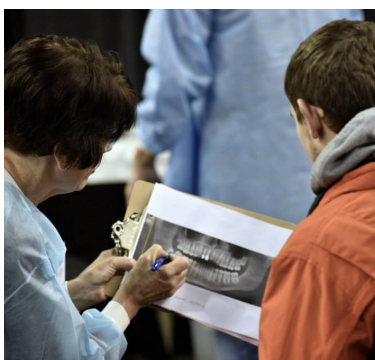

### What Services Will NOT Be Provided?

**DENTAL:** Bridges, dentures, implants, complex extractions that require surgery or anything more than local anesthetic, orthodontics, root canals on molars, sedation, teeth whitening

**VISION:** Contacts, sunglasses

**MEDICAL:** Biopsies, casts, CT scans, stitches/sutures, immunizations other than flu shots, flu shots for children under 18 years of age, admission to a temporary or long-term treatment facility, MRIs, behavioral health medications or prescriptions

**Narcotics will not be used or prescribed. Authorization for medical marijuana will not be provided.**
