516 3<sup>rd</sup> Ave., Suite 1200  
Seattle, Wa. 98104

Dear Ms. Bourguignon,

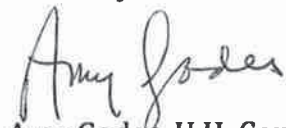

Thank you so much for your offer to Dorothy Schott to make copies of our petitions regarding the #16 bus to Northgate, in order to distribute them to all the members of the King County Council.

We have enclosed six petitions signed at University House in the past two weeks. You may receive some more from two or three other groups (hopefully).

Would your office also kindly inform us as to the dates and places of the public meetings when they are scheduled.

We greatly appreciate your help in this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Amy Godes".

# PETITION

## THE BUS ROUTE WE MUST SAVE!

We, the undersigned citizens of King County, strongly protest the routing changes projected for the Metro Bus #16, including and especially the discontinuation of the #16 North to the Northgate Mall. It will necessitate riders taking two and three buses instead of the #16 direct, creating a true hardship for working people, seniors, disabled people, students, and parents with baby carriages. Besides causing hazardous crossings to reach bus stops, it would extend travel time to many vital destinations, i.e. to Polyclinic, North Seattle Community College., Group Health, UW Northgate Clinic, PacMed, NW Hospital, high schools, Planned Parenthood and Northgate Mall shops and business, etc., adding delays to employees attempting to get to work in a timely fashion.

It is therefore imperative that the #16 bus be continued in its current routings to service these people and institutions; many businesses and stores at Northgate Mall depend on it to conveniently transport their customers.

The re-routing of the #16 bus south will increase travel time delaying passengers going to events at Benaroya Hall, Seattle Art Museum, the Public Library, theatres and other destinations in the busy downtown area. Access from bus stops would become perilous for many riders.

Please join with this effort to maintain the CURRENT ROUTING FOR BUS #16 by signing this petition below.
