Proposed No.: 2015-0446

1 AMENDMENT TO PROPOSED MOTION 2015-0446, VERSION 2

2 On page 5, line 88, after "groups and the public." insert: "The work plan should include
3 information about the percentage of land within the county that is currently designated to
4 be within each of the following: agricultural production districts; forest production
5 districts; and the farmland preservation program."

6 **EFFECT:** *Would require that as part of identifying land and water resources for
7 conservation that the Executive identify the percentage of land within the county that is
8 already dedicated to agricultural or forest use.*
