D. Findings of Saving and Defeasance. This council hereby finds and determines that the issuance and sale of the 2014 Bond at this time will effect a savings to the county and its ratepayers. E. Parity Bond Findings. The county has previously expressly reserved the right to issue the 2014 Bond as a Parity Bond in accordance with the ordinances authorizing its outstanding Parity Bonds for the purpose of acquiring, constructing and installing any portion of the Comprehensive Plan, or the purpose of acquiring, constructing and installing any necessary renewals or replacements of the System, or the purpose of refunding or purchasing and retiring at or prior to their maturity any outstanding obligations of the county payable from Revenue of the System. The county hereby finds that the parity conditions have been or will be met for issuance of the 2014 Bond as a Parity Bond as follows:

1. The 2014 Bond will be issued to refund (or purchase and retire) the 2007 Citi Bonds, and to provide funds to construct and install a portion of the Comprehensive Plan or acquire, construct and install any necessary renewals or replacements of the System.
2. At the time of the issuance of the 2014 Bond there is no deficiency in the Parity Bond Fund or any account therein.
3. The Ordinance requires that all money held in any fund or account of the county created for the purpose of paying the principal of and interest on the 2007 Citi Bonds either be used to pay the principal of and interest on such bonds or be transferred or paid into the Parity Bond Fund.
4. The Ordinance provides for the payment of the principal of and interest on the 2014 Bond out of the Parity Bond Fund.
5. The county has determined that the amount that will be on deposit in the Parity Bond Reserve Account as of the Settlement Date will satisfy the Reserve Requirement, without the need for any additional

deposit thereto.

6. The county will have on file a certificate of the Finance Director demonstrating that during any 12 consecutive calendar months out of the immediately preceding 18 calendar months Net Revenue was at least equal to 1.25 times the amount required to pay, in each year that the 2014 Bond will be outstanding, the Annual Parity Debt Service for such year.

7. The Finance Director is directed to provide to the owner of the Junior Lien Variable Rate Demand Sewer Revenue Bond, Series 2012, a debt service coverage certificate as required by Section 5.4(a) of Ordinance 17495 authorizing the issuance of that bond.

F. Continuing Disclosure Undertaking. The county will enter into an undertaking for continuing disclosure for the 2014 Bonds in substantially the form attached as Attachment B to this motion.

The county officials and their agents, attorneys and representatives are hereby authorized and directed to do everything necessary for the prompt tender and exchange of the 2007 Citi Bonds, the issuance and delivery of the 2014 Bond, for the proper use and application of the proceeds from the sale of the 2014 Bond, and for the defeasance and refunding of the 2007 Citi Bonds.

H. Severability. If any provision in this motion is declared by any court of competent jurisdiction to be contrary to law, then that provision shall be null and void and shall be deemed separable from the remaining provisions of this motion and shall in no way affect the validity of the other provisions of this motion or of the 2014 Bond.
