AN ORDINANCE making an emergency appropriation of \$59,000 from the general fund to the community services operating fund, and \$111,000 from the general fund to the facilities management internal services fund to provide additional funds for operating the King County Men's Homeless Winter Shelter; and amending the 2015-2016 Budget Ordinance, Ordinance 17941, Sections 42, 43, 86 and 121, as amended, and declaring an emergency.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

**SECTION 1. Findings:**

A. Homelessness is recognized as a significant problem in King County and elsewhere in the nation.

Every day large numbers of individuals and families in our community go unsheltered. At this time our community simply does not have the capacity to meet the need.

B. King County finds it unacceptable that people are dying on the streets of our communities because there are insufficient safe locations for habitation by homeless persons.

C. On January 24, 2014, more than three thousand one hundred twenty-three individuals were living outside and another six thousand one hundred seventy-one individuals were in shelters or transitional housing in King County, according to the One Night Count conducted by the Seattle/King County Coalition for the Homeless.

D. Formed in 2005, the Committee to End Homelessness is dedicated to making homelessness rare, brief and one-time in King County. The Committee to End Homelessness - King County 2013 Annual Report states that thirty-six thousand people have moved from homelessness to permanent housing since 2005.

E. The Committee to End Homelessness adopted a final plan and recommendations in 2005 titled King County Ten Year Plan to End Homelessness. The plan found that emergency shelters are not ideal but found that there is a need for emergency shelter until more permanent housing is available across King County.

F. King County has recognized a particular need for emergency shelter during the winter months and has provided winter shelter for more than twenty years.

G. King County currently provides funding for a winter shelter for single adult men operated by the Salvation Army at the King County administration building ("the King County Men's Homeless Winter Shelter"). The shelter is open outside of normal business hours. For winter 2015, the 2015-2016 Budget Ordinance, Ordinance 17941, provides funding sufficient to provide shelter for fifty men between the hours of 8:30 p.m. and 6:00 a.m. each night from January 1, 2015, through April 15, 2015.

H. During their consideration of the King County executive's proposed budget for 2015-2016, county councilmembers expressed a desire to expand both the capacity and the operating hours of the winter shelter. However, because work on the city of Seattle emergency task force on unsheltered homelessness was underway

during the budget deliberations and had not concluded when the budget ordinance was adopted, the county council agreed to fund the winter shelter at the level proposed by the executive.

I. On January 6, 2015, the King County executive announced that the city of Seattle, as part of the recommendations of the emergency task force on unsheltered homelessness, had agreed to provide \$117,000 to expand the King County winter shelter capacity from fifty to one hundred beds.

J. The King County council wishes to accept this funding from the city of Seattle to expand the capacity of the winter shelter and anticipates the development of an agreement between King County and the city of Seattle for the use of this funding.

K. The King County council also wishes to extend the operating hours of the winter shelter to be open between 7:00 p.m. and 6:00 a.m. each day from February 1, 2015, through April 15, 2015.

L. The estimated additional management, utilities and security cost to expand the size and hours of the winter shelter for the period from February 1, 2015, through April 15, 2015, is \$170,000.

M. The council finds as a fact and declares that an emergency exists and that the enactment of this ordinance as an emergency ordinance is necessary for the immediate preservation of public peace, health or safety or for the support of county government and its existing public institutions.

N. The council has authority to enact an emergency appropriation ordinance as set forth in Section 470.20 of the King County Charter.
