1	achieved from technology projects.							

WHEREAS, K.C.C. 2.16.025 requires that an annual report about benefits achieved from technology

projects and motion be transmitted by April 30, annually, and

WHEREAS, the annual report is a compilation of existing project documents, not a new analysis, and

WHEREAS, the annual report contains a section describing any general lessons learned about benefits

and how that information might be used in projecting benefits for future projects, and

WHEREAS, the report includes benefits from completed projects and expected benefits from projects
