D. Undertaking to Provide Ongoing Disclosure.

1. Contract/Undertaking. This section D. constitutes the county's written undertaking (the "Undertaking") for the benefit of the owners and beneficial owners of the 2015B Bonds as required by section (b)(5)(i)(C) of rule 15c2-12 (the "rule") of the Securities and Exchange Commission (the "SEC").

2. Financial Statements/Operating Data. The county agrees to provide or cause to be provided to the Municipal Securities Rulemaking Board (the "MSRB") the following annual financial information and operating data for the prior fiscal year (collectively, the "Annual Financial Information") (commencing in 2016 for the fiscal year ended December 31, 2015):

a. annual financial statements prepared in accordance with the Budget Accounting and Reporting System ("BARS") prescribed by the Washington State Auditor pursuant to RCW 43.09.200 (or any successor statutes) and generally of the type attached to the official statement as "Appendix B," which statements will not be audited, except that if and when audited financial statements are otherwise prepared and available to the county they will be provided;

f. a schedule of the aggregate annual debt service on tax-supported indebtedness of the county.

Subsection D.2.b. through g. of this motion shall be required only to the extent that such information is not included in the annual financial statements.

The Annual Financial Information will be provided on or before the end of seven months after the end of the county's fiscal year. The county's fiscal year currently ends on December 31. The county may adjust its fiscal year by providing written notice to the MSRB. In lieu of providing the Annual Financial Information, the county may make specific cross-reference to other documents available to the public on the MSRB's internet web site or filed with the SEC.

If not provided as part of the Annual Financial Information, the county will provide to the MSRB the county's audited annual financial statements prepared in accordance with BARS when and if available.

3. Notification Upon Failure to Provide Financial Data. The county agrees to provide or cause to be provided to the MSRB, in a timely manner, notice of its failure to provide the Annual Financial Information described in subsection D.2. of this motion on or prior to the date set forth in subsection D.2. of this motion.

4. Specified Events. The county agrees to provide or cause to be provided, in a timely manner, not in excess of ten business days after the occurrence of the event, to the MSRB, notice of the occurrence of any of the following specified events with respect to the 2015B Bonds:

- a. principal and interest payment delinquencies;
- b. non-payment related defaults, if material;
- c. unscheduled draws on debt service reserves reflecting financial difficulties;
- d. unscheduled draws on credit enhancements reflecting financial difficulties;
- e. substitution of credit or liquidity providers, or their failure to perform;

- f. adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the 2015B Bonds, or other material events affecting the tax status of the 2015B Bonds;
- g. modifications to rights of 2015B Bondholders, if material;
- h. 2015B Bond calls, if material, and tender offers;

- k. rating changes;
- l. bankruptcy, insolvency, receivership, or similar event of the county;
- m. the consummation of a merger, consolidation or acquisition involving the county or the sale of all or substantially all of the assets of the county, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- n. appointment of a successor or additional trustee or the change of name of a trustee, if material.

Solely for purposes of disclosure, and not intending to modify the Undertaking, the county advises with reference to subsection D.4.c., j. and n. of this motion that no debt service reserves secure payment of the 2015B Bonds, no property secures repayment of the 2015B Bonds, and there is no trustee for the 2015B Bonds.

5. Electronic Format; Identifying Information. Until otherwise designated by the MSRB or the SEC, any information or notices submitted to the MSRB in compliance with the rule are to be submitted through the MSRB's Electronic Municipal Market Access system, currently located at www.emma.msrb.org. All notices, financial information and operating data required by the Undertaking to be provided to the MSRB must be in an electronic format as prescribed by the MSRB. All documents provided to the MSRB pursuant to the Undertaking must be accompanied by identifying information as prescribed by the MSRB.

6. Termination/Modification. The county's obligations to provide Annual Financial Information and notices of specified events will terminate upon the legal defeasance, prior redemption or payment in full of all of the 2015B Bonds. The Undertaking, or any provision hereof, will be null and void if the county (i) obtains an opinion of nationally recognized bond counsel to the effect that those portions of the rule which require the Undertaking, or any such provision, are invalid, have been repealed retroactively or otherwise do not apply to the 2015B Bonds; and (ii) notifies the MSRB of such opinion and the cancellation of the Undertaking.

The county may amend the Undertaking, and any provision of the Undertaking may be waived, with an approving opinion of nationally recognized bond counsel and in accordance with the rule.

In the event of any amendment or waiver of a provision of the Undertaking, the county will describe such amendment or waiver in the next Annual Financial Information submission, and will include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the county. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a specified event under subsection 4, and (ii) the annual financial statements for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

7. Remedies Under the Undertaking. The right of any owner or beneficial owner of 2015B Bonds to enforce the provisions of the Undertaking shall be limited to a right to obtain specific enforcement of the county's obligations hereunder, and any failure by the county to comply with the provisions of the Undertaking shall not be an event of default with respect to the 2015B Bonds. For purposes of the Undertaking, "beneficial owner" means any person who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any 2015B Bonds, including persons holding 2015B Bonds through nominees or

depositories.

E. Further Authority. The Finance Director and other proper county officials, their agents, and representatives are hereby authorized and directed to do everything necessary for the prompt issuance and delivery of the 2015B Bonds, for the preparation, execution and delivery of the final official statement for the 2015B Bonds, and for the proper use and application of the proceeds of such sale.

F. Severability. The covenants contained in this motion shall constitute a contract between the county and the owners of each and every 2015B Bond. If any one or more of the covenants or agreements provided in this motion to be performed on the part of the county shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements of this motion and shall in no way affect the validity of the other provisions of this motion or of the 2015B Bonds.
