AN ORDINANCE authorizing the executive to enter into the Agreement for Implementation of the Building for Culture Program by and between King County and 4Culture.

PREAMBLE:

Under Motion 14406, the county council previously reviewed and approved a partnership between King County and 4Culture to establish a new arts, cultural, heritage and preservation capital funding program that now referred to as the building for culture program.

It is deemed necessary and advisable that the county now authorize the execution of the Agreement for Implementation of the Building for Culture Program by and between King County and 4Culture.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Findings:

A. The building for culture program will contribute to the health, vibrancy, culture, and welfare of the communities of the county.

B. The building for culture program will contribute to the economy through the construction and rehabilitation of cultural facilities throughout the region.

C. The execution of the Agreement for Implementation of the Building for Culture Program by and between King County and 4Culture is in the best interests of the county and its citizens.

SECTION 2. The county council has previously reviewed and approved the building for culture program.

The building for culture program may be modified where deemed advisable or necessary in the judgment of the county council, and implementation or completion of any component thereof will not be required if the county council determines that it has become inadvisable or impractical.

SECTION 3. The executive is hereby authorized to enter into the Agreement for Implementation of the Building for Culture Program by and between King County and 4Culture, substantially in the form of Attachment A to this ordinance.
