AN ORDINANCE relating to the authorization of a second amendment to an existing lease at 3203 S. 360th, Auburn, Washington, to support the Puget Sound Emergency Radio Network.

STATEMENT OF FACTS:

1. King County has established a capital improvement project ("the PSERN project") to build the Puget Sound Emergency Radio Network ("PSERN").
2. In 2015 King County voters approved Proposition 1 and King County adopted Ordinances 17993, 18074 and 18075, to fund the planning, deployment and testing of PSERN.
3. King County entered into a contract with Motorola Solutions, Inc. that requires Motorola to

identify the sites needed for PSERN's communications equipment together with a list of equipment needed at each site. Motorola identified South King Fire and Rescue's Federal Way property as one of the needed sites.

4. The PSERN project, with the oversight of King County's Facilities Management Division, successfully negotiated a second amendment to the lease with South King Fire and Rescue that would enable the PSERN project to continue using the site located at 3203 S. 360th, Auburn, Washington, in council district seven.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The executive is authorized to execute a second amendment to the lease for the property located at 3203 S. 360th, Auburn, Washington with South King Fire and Rescue, substantially in the form of Attachment A to this ordinance, and to take all actions necessary to implement the terms of the second amendment to the lease.
