interlocal cooperation agreement with the city of Carnation for the disbursement

of conservation futures tax levy funds appropriated under Ordinance 18409,

STATEMENT OF FACTS:

1. King County conservation futures tax levy funds are collected from throughout King County

as a dedicated portion of property taxes, for the acquisition of open space and natural resource

lands.

2. K.C.C. chapter 26.12 established procedures for the annual allocation of conservation futures

tax levy funds, which direct the conservation futures citizens committee to make funding recommendations to the King County executive, to consider for inclusion in the annual budget ordinance.

3. The executive has received and considered the conservation futures citizens committee funding recommendations and has included them in 2017-2018 Biennial Budget Ordinance, Ordinance 18409, Section 132, in which the King County council appropriated conservation futures funds to several city open space projects, including the city of Carnation project described in Attachment B to this ordinance.
