A MOTION establishing the 2015 state legislative agenda for the King County Flood Control Zone District.

WHEREAS, the King County Flood Control Zone District ("District") intends to bring its positions on matters critical to flood protection efforts to the attention of the 2015 Washington state Legislature; and

WHEREAS, the District should work cooperatively with other local governments and other organizations such as King County, the Washington Association of Counties, the Washington Association of County Officials, the Sound Cities Association and the Association of Washington Cities to achieve its 2015 legislative goals; and

WHEREAS, the Legislature has recognized that flood control zone districts have an essential role that is addressing far-reaching and significant threats to public health, public safety and economic activity posed by floods, including ownership of assets; and

WHEREAS, the District funds flood preparedness and flood control projects and King County, as a service provider to the District, delivers these services under interlocal agreement and partnership with the District; and

WHEREAS, the District needs to assure a revenue stream sufficient to develop flood reduction safety programs and projects in rural, urban, agricultural and industrial areas of King County, which is fostered, in part, through exemption from tax prorationing; and

WHEREAS, sources of revenue for flood reduction safety programs and project development and construction are made possible through numerous sources of external revenue from various state and federal grants and flood reduction and mitigation assistance programs; and

WHEREAS, the board of supervisors of the District desires to adopt a 2015 state

legislative agenda; now, therefore

BE IT MOVED BY THE BOARD OF SUPERVISORS OF THE KING COUNTY

FLOOD CONTROL ZONE DISTRICT:

SECTION 1. The board of supervisors of the King County Flood Control Zone District adopts the attached 2015 Legislative Agenda, Attachment A to this motion, as the

District's highest priority in the 2015 legislative session of the Washington state Legislature.
