

BREAKDOWN: OUR SHARED REGIONAL VISION

We envision a region that leads the world in growing a diversified, innovative and **sustainable economy** that improves social justice, improves the environment and improves the bottom line. The resources provided by that vibrant economy will allow us to create rewarding **jobs**, sustainable growth and development, environmental protection, an outstanding quality of life and exceptional opportunities for all.

OUR SHARED COMMITMENT

- We commit to a future where actions across sectors **prepare all students** for college, career and lifetime **success**.
- We commit to a future where we **build and maintain our infrastructure** in order to move people and goods quickly and safely, enhance the environment and secure a competitive edge.
- We commit to a future where we develop creative **funding** tools and strong **accountability** measures to finance well-conceived and well managed regional priorities.
- We commit to a future where we show **regional pride** and **celebrate our strengths** and achievements.
- We commit to a future where we value **participation**, we consider diverse viewpoints and factual data, then **make decisions** and stick to them.
- We commit to a future where we celebrate and benefit from the diversity and **multiculturalism** that is a distinguishing strength of our region.
- We commit to a future where we are a recognized center for **global leadership** and dynamic international activity.
- We commit to a future where we attract and develop the best and brightest workforce through our **innovation**, **competitiveness** and **creativity**.
