CLERK  
KING COUNTY COUNCIL

**2008-355**

June 23, 2008

The Honorable Julia Patterson  
Chair, King County Council  
Room 1200  
COURTHOUSE

Dear Councilmember Patterson:

The enclosed amendment, if approved, will allow the King County Sheriff's Office (KCSO) to increase the contract capacity with Sound Transit by \$105,000 to a maximum of \$195,000. Only the dollar amount of the contract is changed; no other provisions of the contract are affected by this amendment. Total cost of the contract is reimbursed by Sound Transit.

Under this agreement the KCSO will provide focused emphasis enforcement on an overtime basis through December 31, 2008. The emphasis will be conducted at the Sound Transit facility in Kent (Kent Transit Station), including parking lots, train platforms, elevators, and garages. The patrols may also be extended to Sound Transit facilities in Tukwila and Auburn.

The goal of this project is to improve the security of and reduce crime at transit facilities. The emphasis patrols will provide a physical police presence, and will focus on citation, enforcement, and education. Further, data collected from this effort will enable Sound Transit to more effectively design and plan for future policing needs as they expand their services and service hours.

An amendment was signed in December 2007 extending the contract duration through December 2008. This amendment covers the associated expenses, incurred by Sound Transit with no cost to King County.

The Honorable Julia Patterson
