MEMORANDUM

Date: December 22, 2021

To: Christine Jensen, Government Relations Officer, Dept. of Local Services –
Permitting Div.

From: Ty Peterson, Product Line Manager-Commercial, Dept. of Local Services
– Permitting Div.

Re: State Environmental Policy Act (SEPA) Exemption for a non-project action
identified as: Draft Proposed Ordinance for Fireworks Enforcement under the King
County Code.

Christine,

As a SEPA official within the Permitting Division of the Department of Local Services, I was tasked with performing the SEPA review for proposed King County Code amendments related to enforcement of fireworks provisions. Upon review of the draft proposed ordinance, I have determined that the ordinance would result in no substantive policy or regulatory changes and no substantive changes respective to use or modification of the environment. As such, the proposal is exempt from review under the State Environmental Protection Act (SEPA) per WAC 197-11-800(19).
