**SUMMARY OF RECOMMENDATIONS:**

Department's Recommendation:	Approve 10.78 acres for 20% of market value
Examiner's Recommendation:	Approve 10.78 acres for 20% of market value

## PRELIMINARY REPORT:

On March 18, 2016, the Department of Natural Resources and Parks (DNRP) submitted its report on file no. E15CT031 to the Examiner.

## PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a public hearing on the application on March 30, 2016, in the Horiuchi Conference Room 12th Floor, King County Courthouse, 516 Third Avenue, Seattle, Washington. The Examiner received the affidavit of notice publication on March 28, 2016.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the Hearing Examiner's Office.

**FINDINGS, CONCLUSIONS AND RECOMMENDATION:** Having reviewed the record in this matter, the Examiner now makes and enters the following:

## FINDINGS:

### 1. General Information:

Owners:	Ben Joldersma, Candace and Nicole Bradford 20403 264th Avenue SE Maple Valley, WA 98038
Location:	20403 264th Avenue SE, Maple Valley
STR:	SW 01-22-06
Zoning:	RA-5
Parcel no.:	0122069063
Total acreage:	15.78 acres

- The Applicants timely filed an application to King County for PBRS program current use valuation of the property to begin in 2017. As required by law, notification of the application occurred.
- A summary of relevant PBRS categories follows below. (Plain text represents a category an applicant requested an award for and that DNRP agrees is warranted. Any ~~strike through~~ represents a category an applicant requested an award for but that DNRP disagrees is warranted. Any *italics* represents a category an applicant did not request an award for, but that DNRP nonetheless concludes is warranted. And any \*asterisks\* represent a category where DNRP finds an award is warranted, but only if certain contingencies or conditions are met.)

PBRS categories:	<u>Open Space Resources</u>	
	Buffer to public or current use classified land	3
	<i>*Farm and agricultural conservation land*</i>	
	<i>*Forest stewardship land*</i>	
	Rural open space	5
	<i>Significant wildlife or salmonid habitat</i>	5
	Surface water quality buffer	5
	<i>Watershed protection area</i>	5
	<u>Bonus Categories</u>	
	<del>Additional surface water quality buffer</del>	
		23

The DNRP-recommended score of 23 points results in a current use valuation of 20% of market value for the enrolled portion of the property. Additional credit may be awarded administratively under the farm and agricultural conservation land and forest stewardship land categories.

Award of the farm and agricultural conservation land category is subject to submittal of a King Conservation District-approved farm plan by **October 31, 2016**. Award of credit under this category would increase the point total by 5 points and increase the enrolled acreage by 4.35 acres to a total of 15.13 acres.

Award of the forest stewardship land category is subject to submittal of a forest stewardship plan by **October 31, 2016** and approval by **December 31, 2016**. Award of credit under this category would increase the point total by 5 points. Award of this category allows for the opportunity to conduct forestry activities on the property, subject to any applicable regulatory approvals.

4. As to the land area recommended for PBRS enrollment, the Applicant requested 15.28 acres and DNRP recommends 10.78 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor’s official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
5. Except as modified herein, the facts set forth in the DNRP preliminary report and testimony at the March 30, 2016, public hearing are correct and incorporated herein by reference. Copies of this report and the department report will be provided to the Metropolitan King County Council for final approval.
  - A. Change to Department staff report: Section A.5, page 1, Open space resources should include "watershed protection area" as recommended category suggested by staff, while the asterisk next to the bonus category "additional surface quality buffer" indicating recommendation should be removed.

**CONCLUSION:**

1. Approval, pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC, of 23 points and a current use valuation of 20% of market value for 10.78 acres of the property and conditional approval of 10 additional points (which would bring the total to 33 points with no change to market value, but could result in an increase of the enrolled acreage to 15.13 acres), is consistent with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.
2. The subject property is currently enrolled in the Timber Land program. Any open space taxation participation agreement signed as a result of approval of this application should be worded to supersede any prior agreement for the parcel.

**RECOMMENDATION:**

1. **APPROVE** current use valuation of 20% of market value for the 10.78-acre enrolled portion of the property.
2. **CONDITIONALLY APPROVE** additional credit under the farm and agricultural conservation land and forest stewardship land categories.

Administrative award of the farm and agricultural conservation land category is subject to submittal of a King Conservation District-approved farm plan by **October 31, 2016**. Award of credit under this category would increase the point total by 5 points and increase the enrolled acreage by 4.35 acres to a total of 15.13 acres.

Administrative award of the forest stewardship land category is subject to submittal of a forest stewardship plan by **October 31, 2016** and approval by **December 31, 2016**. Award of credit under this category would increase the point total by 5 points. Award of this category allows for the opportunity to conduct forestry activities on the property, subject to any applicable regulatory approvals.

DATED April 7, 2016.
