STATE AGENCIES REVIEWING DEV REGS

Revised December 19, 2006

Cities and counties need to send their development regulations to the agencies' representatives, as listed below, at least 60 days ahead of adoption. Adopted development regulations should be sent to Washington State Department of Community, Trade and Economic Development (CTED) immediately upon publication, as well as to any state agencies that commented on the draft regulation. A jurisdiction does *not* need to send its regulation to the agencies which have been called ahead and that have indicated the local plan will not be reviewed. The jurisdiction should keep a record of this contact with state agencies and the state agencies response.
