Description of the Bonds

The Bonds will be dated the date of their initial delivery to the purchaser thereof. The Bonds bear interest payable semiannually on each January 1 and July 1, beginning January 1, 2005, to maturity or earlier redemption of the Bonds.

The County reserves the right to redeem outstanding Bonds maturing on January 1, 2016, in whole or in part at any time on or after January 1, 2015, at the price of par plus accrued interest, if any, to the date of redemption.

The Bonds are issuable only as fully registered bonds and when issued will be registered in the name of Cede & Co. as Bond owner and nominee for The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the Bonds. Purchases of the Bonds will be made in book-entry form, in the denomination of \$5,000 or any integral multiple thereof. Purchasers will not receive certificates representing their interest in the Bonds purchased. The principal of and interest on the Bonds are payable by the fiscal agency for the State of Washington, currently The Bank of New York in New York, New York (the "Bond Registrar"), to DTC, which in turn is obligated to remit such principal and interest to the DTC participants for subsequent disbursement to beneficial owners of the Bonds.

| 2010 | 5,195,000 | 2016 | 7,455,000 |

The County will retire the Bonds by payment at maturity or by redemption of term bonds on January 1 of the years and in the amounts, if any, designated by the bidder to be amortization installments as provided for above.

Security

The Bonds are general obligations of King County, Washington. The County has irrevocably covenanted, for as long as any of the Bonds are outstanding and unpaid, to include in its budget each year and levy an *ad valorem* tax within the constitutional and statutory tax limitations provided by law without a vote of the people on all property within the County subject to taxation in an amount that will be sufficient, together with all other revenues, taxes and money of the County legally available for such purposes, to pay the principal of and interest on the Bonds as the same will become due. The County has irrevocably pledged its full faith, credit and resources for the annual levy and collection of these taxes and for the prompt payment of this principal and interest.

The County always has met principal and interest payments on its outstanding bonds and notes when due.

Bidding Information

Bidders are invited to submit bids for the purchase of the Bonds fixing the interest rates that the Bonds will bear. The interest rates bid shall be in a multiple of 1/8 or 1/20 of one percent. No more than one rate of interest may be fixed for any one maturity of the Bonds. Bids shall be without condition and shall be submitted only on the Official Bid Form that is contained in the Preliminary Official Statement, or on photocopies of such form, or electronically via *PARITY*.

No bid will be considered for the Bonds that is less than an amount equal to 100 percent of the par value of the Bonds nor more than an amount equal to 105 percent of the par value of the Bonds, or for less than the entire offering of the Bonds. The County reserves the right to increase or decrease the total par amount of the Bonds by ten percent of the total par amount of the Bonds. The County also reserves the right to increase or decrease the preliminary principal amount of any maturity of the Bonds by the greater of fifteen percent (15%) of the preliminary principal amount of that maturity or \$400,000.

Bidders are requested to provide a list of any syndicate members with their bids or within 24 hours of submitting their bids. The County strongly encourages the inclusion of women and minority business enterprise firms in bidding syndicates.

Good Faith Deposit

All bids shall be accompanied by a good faith deposit in the amount of \$600,000. The good faith deposit shall be in the form of cash or a certified or bank cashier's check made payable to the order of the King County Treasury Division Manager or a financial surety bond. If a financial surety bond is used, it must be from an insurance company licensed to issue such a bond in the State of Washington and preapproved by the County. Such bond must be submitted to the County's Financial Advisors prior to the opening of the bids. The financial surety bond must identify each bidder whose deposit is guaranteed by such financial surety bond.

If the Bonds are awarded to a bidder using a financial surety bond, then that purchaser is required to submit its deposit to the County in the form of a certified or bank cashier's or treasurer's check or wire transfer as instructed by the County not later than 3:30 p.m., Pacific Time, on the next business day following the award. If such deposit is not received by that time, the financial surety bond may be drawn upon by the County to satisfy the deposit requirement. Each good faith deposit in a form other than a financial surety bond shall be returned promptly if the bid is not accepted. The good faith deposit of the successful bidder of the Bonds will be retained by the County as security for the performance of such bid, and will be applied to the purchase price of the Bonds on the delivery of the Bonds to the successful bidder. Pending delivery of the Bonds, the good faith deposit may be invested for the sole benefit of the County.

If the Bonds are ready for delivery and the successful bidder fails to complete the purchase of the Bonds within 50 days following the acceptance of its bid, the good faith deposit will be forfeited to the County, and, in that event, the County Council may accept the next best bid or call for additional proposals.

Insurance

Bids for the Bonds shall not be conditioned upon obtaining insurance or any other credit enhancement. If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor shall be at the sole option and expense of the bidder and any increased costs of issuance of the Bonds resulting by reason of such insurance, unless otherwise paid, shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the purchaser of its contractual obligations arising from the acceptance of its proposal for the purchase of the Bonds.

Award

The Bonds will be sold to the bidder making a bid that conforms to the terms of the offering and that, on the basis of the lowest true interest cost, is the best bid for the Bonds. For the purpose of comparing bids only, the interest rate bid being controlling, each bid shall state the true interest cost of the bid, determined by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payment from the payment date to the date of the Bonds and to the price bid.

If there are two or more equal bids for the Bonds and those bids are the best bids received, the County Council will determine by lot which bid will be accepted. The County reserves the right to reject any or all bids submitted and to waive any formality in the bidding or bidding process and, if all bids for an offering are rejected, the Bonds may be readvertised for sale in the manner provided by law and as provided above. Any bid for the Bonds presented after the time specified for the receipt of bids will not be received, and any bid not accompanied by the required good faith deposit at the time of opening that bid will not be read or considered.

Issue Price Information

Upon award of the Bonds, the successful bidder shall advise the County and Bond Counsel of the initial reoffering prices to the public of the Bonds (the "Initial Reoffering Prices"). Simultaneously with or before delivery of the Bonds, the successful bidder shall furnish to the County and Bond Counsel a certificate in form and substance acceptable to Bond Counsel:

11986

- (i) confirming the Initial Reoffering Prices,
- (ii) certifying that a *bona fide* offering of the Bonds has been made to the public (excluding bond houses, brokers and other intermediaries),
- (iii) stating the prices at which a substantial amount of the Bonds was sold to the public (excluding bond houses, brokers and other intermediaries),
- (iv) stating the prices at which any portion of the Bonds that remains unsold at the date of closing would have been sold on the date the Bonds were awarded, and
- (v) stating the offering price of each portion of the Bonds sold to institutional or other investors at discount.

Delivery

The County will deliver the Bonds (consisting of one word-processed certificate for each maturity of the Bonds) to DTC in New York, New York, or to the Bond Registrar on behalf of DTC by Fast Automated Securities Transfer, prior to the date of closing. Closing shall occur within 40 days after the sale date. Settlement shall be in federal funds available in Seattle, Washington, on the date of delivery. Delivery is expected to be September 21, 2004.

It is understood that if, prior to the delivery of the Bonds, the interest receivable by the owners of the Bonds becomes includable in gross income for federal income tax purposes, or becomes subject to federal income tax other than as described in this Preliminary Official Statement for the Bonds, the successful bidder for the Bonds, at its option, may be relieved of its obligation to purchase the Bonds, and in that case the good faith deposit accompanying its bid will be returned without interest.

The approving legal opinion of Gottlieb, Fisher & Andrews, PLLC, Seattle, Washington, Bond Counsel, will be provided to the purchaser at the time of the delivery of the Bonds. Bond Counsel's opinion will express no opinion concerning the accuracy, completeness or sufficiency of this Preliminary Official Statement or other offering material relating to the Bonds, nor will there be an opinion of Bond Counsel relating to the undertaking of the County to provide ongoing disclosure pursuant to SEC Rule 15c2-12. A no-litigation certificate of the County will be included in the closing papers of the Bonds.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on the Bonds nor any error with respect thereto will constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. The successful purchaser of the Bonds is responsible for obtaining CUSIP numbers for the Bonds. All expenses in relation to the printing of the CUSIP numbers on the Bonds will be paid by the County, but the charge of the CUSIP Bureau shall be paid by the purchaser.

Ongoing Disclosure Undertaking

To assist bidders in complying with SEC Rule 15c2-12(b)(5), the County will undertake, pursuant to the Sale Motion, to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in this Preliminary Official Statement and will also be set forth in the final Official Statement.

11986

Official Statement

This Preliminary Official Statement is in a form deemed final by the County for the purpose of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final Official Statement, which the County will deliver, at the expense of the County, to the purchaser not later than seven business days after the County's acceptance of the purchaser's bid. The County will deliver no more than 250 copies of the final Official Statement to the purchaser of the Bonds. Additional copies will be provided at the purchaser's expense.

By submitting the successful proposal, the purchaser's designated senior representative agrees to file, or cause to be filed, within one business day following the receipt from the County, the final Official Statement with each nationally recognized municipal securities information repository designated by the Securities and Exchange Commission.

At the time of the delivery of the Bonds, one or more officials of the County will furnish a certificate stating that to the best of his or her knowledge and belief at the time of the acceptance of the bid for and at the time of delivery of the Bonds, this Official Statement and information furnished by the County supplemental thereto did not and do not contain any untrue statements of material fact or omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading in any material respect.

The County will advise the purchasers of the Bonds, by written notice, of any "developments that impact the accuracy and completeness of the key presentations" (within the meaning of Rule 15c2-12) contained in the final Official Statement, which may occur during the period commencing on the date of the acceptance by the County of the successful proposal and ending on the 90th day next following that date of acceptance, unless the final Official Statement has been filed with each municipal securities information repository, in which event such period will end on the 25th day.

DATED at Seattle, Washington, this 23rd day of August, 2004.

/s/
Clerk of the Metropolitan King County Council
