

TENTATIVE AGREEMENT
BY AND BETWEEN
KING COUNTY AND
MEMBERS OF THE KING COUNTY COALITION OF UNIONS
ADDRESSING THE 2009 BUDGET CRISIS

WHEREAS the County is experiencing a financial emergency,

WHEREAS, effective January 1, 2009, the County will eliminate hundreds of positions;

WHEREAS a majority of the County's collective bargaining agreements provide for yearly increases based on 90% of the September to September Urban Wage Earners and Clerical Workers Consumer Price index (CPI);

WHEREAS the CPI has historically produced wage increases of between 2% and 3%;

WHEREAS, as the result of the national financial crisis, the County's revenues are significantly restricted while, simultaneously, the CPI will dictate a cost of living adjustment established at 4.88% for 2009;

WHEREAS substantially shutting down all but essential County services for ten days would produce significant savings and preserve employees' COLA, merit and step pay; and

WHEREAS the parties will through this agreement help to preserve essential services and reduce the layoffs necessary during 2009.

NOW THEREFORE, King County and the undersigned unions agree as follows.

1. The County will substantially shut down most of its facilities on the following days during the 2009 calendar year requiring mandated leave by all eligible County employees:

- Friday, January 2, 2009
- Friday, February 13, 2009
- Friday, April 10, 2009
- Friday, May 22, 2009
- Friday, June 19, 2009
- Monday, July 6, 2009
- Friday, September 4, 2009
- Monday, October 12, 2009
- Wednesday, November 25, 2009
- Thursday, December 24, 2009

2. Employees that regularly work 80 hours in a two-week pay period will take the above-referenced days off, unpaid, to the extent that they are regularly scheduled to work on those days. To the extent that one or more of the above-referenced days falls on a regularly scheduled day off, the affected employee will schedule alternate furlough day(s) such that the amount of furlough equates to an 80 hour furlough. Employees that regularly work less than 80 hours in a two week pay period will be furloughed on a pro-rated basis. Regular holiday pay will not be impacted.
3. Employees in a position earning \$16.92 per hour or less during the pay period of a mandated leave day may, for that mandated leave day, use their vacation leave or accept donated vacation leave to cover their pay for that day.
4. With approval from management, employees may voluntarily donate vacation leave to employees in a position earning \$16.92 per hour or less or below during the pay period of a mandated leave day for the sole purpose of helping these employees preserve their pay during the mandated leave. Unused donated leave will remain with the donee and will not revert back to the donor.
5. Employees enrolled in the PERS 1 or PERS 2 program who submit letters of intent to retire to the County during calendar years 2009 or 2010 may, for their mandated leave days, use vacation leave. Should any employee who submits such notice not retire during 2009 or 2010, an additional amount of vacation, equal to the number of vacation days that were used for mandated leave in 2009, will be deducted from their leave banks at the end of the respective calendar year.
6. Employees may not perform County work while on a mandated leave day or work additional hours during the workweek to make up for the mandated leave time. Mandatory unpaid leave during the County's shut-down days is non-compensable time under the Washington Minimum Wage Act (WMWA) and the Fair Labor Standards Act (FLSA) and will not count as hours worked towards the overtime threshold; provided that unique issues will be dealt with pursuant to paragraph 11.
7. FLSA exempt employees may not work time in excess of a standard schedule during the weeks that contain mandated leave days. FLSA exempt employees must record the days and hours they worked and the days and hours they did not work during pay periods including a mandatory leave day.
8. Vacation and sick leave accruals will continue during mandated leave days. Where an employee is denied vacation time as the result of the Department's necessity to schedule mandated leave time, the employee may carry over vacation in excess of the cap.
9. Medical, dental, vision and any other insured benefits will be unaffected by the mandated leave except where an employee is on unpaid status for 30 consecutive days or more.

10. Mandatory unpaid leave will not count as a break in service and shall not affect seniority or step advancement. Probationary periods will not be impacted in that mandatory leave days will not add to the length of probation.
11. The applicable union and departmental management will meet as necessary to discuss any other issues related to the implementation of the mandatory leave days, with the goal that all eligible employees will serve equitable mandated leaves. Discussions may include how to implement the mandated leave for employees on alternative work schedules or part-time employees.
12. With approval from management, employees will be permitted to take additional unpaid leave beyond the established mandatory leave days. FLSA- exempt employees must take voluntary unpaid leave in full workweek increments. Hourly employees may take voluntary unpaid leave in hourly increments. Supervisors and managers are strongly encouraged to approve these requests unless operational needs preclude them from doing so. However, unpaid leave days should not be granted if it will result in the need for another employee to work overtime to perform the duties that would otherwise be completed by the employee taking the unpaid leave day(s) or otherwise result in net loss of County revenue.
13. For signatory unions with contracts expired or expiring in 2009, the County will agree to extend the COLA, merit and step wage provisions through 2010.
14. To the extent this agreement conflicts with any provisions of collective bargaining agreements or any County procedures or guidelines, this agreement controls.
15. By October 30, 2008, the County will produce to the unions a list of furlough-ineligible classifications and work units within the Executive Branch. Furloughs for employees, classifications and work units within the Executive Branch will be for no less time and under circumstances not more favorable than the employees furloughed pursuant to this Agreement. The County may make minor adjustments to the October 30, 2008 list as needed for error, emergent circumstances, or King County Council action.
16. The County agrees to provide notice to all impacted County employees about the 2009 mandatory leave as soon as practicable.
17. The County acknowledges and recognizes that as a result of the shut-downs, less work will be performed and that certain delays and/or reductions in service may result. Work expectations shall be commensurate with the reduced schedule.
18. The parties agree that employees furloughed in 2009 will receive the equivalent of the time on furlough in furlough replacement time. One half of the time will be awarded in 2010 and one half in 2011, unless the County is in an officially declared and Council sanctioned financial emergency. Any unused furlough replacement time will expire at the end of the calendar year in which it was provided.

19. The County commits that, with respect to the undersigned parties, these furloughs will avoid additional 2009 layoffs that would otherwise have been necessary. In 2009, however, the County may need to layoff further employees as a result of changed or unforeseen circumstances or seasonal business needs.

20. The parties acknowledge that all parties have fulfilled their obligations to engage in collective bargaining over the subjects contained in this agreement.

21. The parties acknowledge that this agreement is subject to approval by the King County Council.

22. Any dispute regarding the interpretation and/or application of this Agreement shall be handled pursuant to the terms of the applicable Union's grievance procedure; provided that if more than one Union has the same or similar dispute, the grievances shall be consolidated.
