Dear Councilmember Upthegrove:

I am pleased to transmit to you the February 2024 Harborview Bond Program Monthly Status Report for the 2020 voter approved Harborview bond program, pursuant to Ordinance 19583. The information in this report covers the month of December.

Since the approval of the \$1.74 billion bond funding, the Facilities Management Division (FMD) of the Department of Executive Services has focused on establishing the structures and processes required to effectively implement the Bond Program. Foundational to that work has been identifying essential milestones for each phase of the project, informed by feedback from the program work group and key partners.

The enclosed report identifies tasks accomplished to advance the Bond Program work and details progress towards achieving the bond program goals. Notably, in addition to this report, FMD provides monthly project updates to Harborview's Board of Trustees and King County Auditor's Office. Subsequent monthly reports will update the information included in this document.

If your staff have questions, please contact Anthony Wright, King County Facilities Management Division Director, at 206-477-9352.

Sincerely,

for
