Dear Councilmember Perry:

Enclosed is a proposed ordinance to establish King County Elections divisions in King County Code. The proposed ordinance, if approved, establishes clearly defined divisions and reflects our current organizational structure.

Pursuant to K.C.C. 2.16.020.A, specific organizational units within departments and administrative offices, where created by ordinance, classified "divisions" to which will be delegated the responsibility of efficiently and effectively carrying out assigned departmental or office functions and duties.

We are grateful for the council's continued partnership and support in all that we do, please do not hesitate to let us know if you have any questions.

Sincerely,

Julie Wise, Director
