RE: **Contracting Issues - Level of Service**

Dear Sheriff Reichert;

DUE DATE:

As you know the City of North Bend has been evaluating the services provided by the King County Sheriff's Office for most of this past year. As always the Sheriff's Office Staff have been invaluable in this process, they have been very responsive to the requests from the Council and Administration and have provided very thorough and professional information.

The Council and Administration worked very hard on this issue to insure the needs and desires of the Community were addressed. As a result of this work we have decided to continue contracting with your department and effective January 1, 2004, we would like to increase our level of service in the following ways:

- Moving from a half-time Chief to a full-time Chief
- Response to all calls within the City
- We have dedicated \$50,000 in overtime for special projects

If needed, please contact our City Administrator, George Martinez, to work out the details of these changes.

Please share our gratitude with Chief Sue Rahr, Major Robin Fenton, Captain Deborah Huntsinger, North Bend Chief Joe Hodgson, Rebecca Cady Connolly, and Jason King, they were all instrumental in this process and deserve to be commended.

Sincerely,

CITY OF NORTH BEND

Joan M. Simpson
Mayor Joan M. Simpson
