F. Small Contractors and Suppliers and Minority and Women Business Enterprises Opportunities.

King County encourages the Contractor to utilize small businesses, including Small Contractors and Suppliers (SCS), as defined below, and minority-owned and women-owned business enterprises certified by the Washington state Office of Minority and Women's Business Enterprises (OMWBE) in County contracts. The County encourages the Contractor to use the following voluntary practices to promote open competitive

opportunities for small businesses, including SCS firms and minority-owned and women-owned business enterprises:

1. Inquire about King County's Contracting Opportunities Program. King County has established a Contracting Opportunities Program to maximize the participation of Small Contractors and Suppliers (SCS) in the award of King County contracts. The Program is open to all SCS firms certified by King County Business Development and Contract Compliance (BDCC). As determined by BDCC and identified in the solicitation documents issued by the County, the Program will apply to specific contracts. However, for those contracts not subject to the Program or for which the Contractor elected not to participate in the Program during the solicitation stage, the Contractor is still encouraged to inquire voluntarily about available firms. Program materials, including application forms and a directory of certified SCS firms, are available at the following Web-site address: <http://www.kingcounty.gov/bdcc>

The term "Small Contractors and Suppliers" (SCS) means that a business and the person or persons who own and control it are in a financial condition which puts the business at a substantial disadvantage in attempting to compete for public contracts. The relevant financial condition for eligibility under the Program is set at fifty percent (50%) of the Federal Small Business Administration (SBA) small business size standards using the North American Industry Classification System and Owners' Personal Net Worth less than \$750,000 dollars.

2. Contact the Washington State Office of Minority and Women's Business Enterprises (OMWBE) to obtain a list of certified minority-owned and women-owned business enterprises by visiting their website at <http://www.omwbe.wa.gov/> or by Toll Free telephone (866) 208-1064.
 3. Use the services of available community organizations, consultant groups, local assistance offices, the County, and other organizations that provide assistance in the recruitment and placement of small businesses, including SCS firms and minority-owned and women-owned business enterprises.
- G. Sanctions for Violations - Any violation of the mandatory requirements of the provisions of this Section shall be a material breach of Contract, for which the Contractor may be subject to damages, withholding payment and any other sanctions provided for by Contract and by applicable law.
- H. Compliance with Section 504 of the Rehabilitation Act of 1973, as amended (Section 504) and the Americans with Disabilities Act of 1990 as amended (ADA). —

Pursuant to Title II of the ADA, and Section 504, King County must not discriminate against people with disabilities in providing services, programs or activities even if those services, programs or activities are carried out by contractors. The Contractor agrees that it shall provide all programs, services, and activities to County employees or members of the public under this Contract in the same manner as King county is obligated to under Title II of the ADA, and Section 504 and shall not deny participation of the benefits of such services, programs, or activities to people with disabilities on the basis of such disability. This allocation is in accordance with King Council Motions 12160, 13003 and 13004, and is an interim directive until such time the Council determines a different method to case weight felony cases. The quarterly case credit amounts in Attachment B are provided for planning purposes. OPD shall make reasonable efforts to distribute cases beyond variance consistent with the case credit allocation in Attachment B of this Exhibit and paragraph b. below. The variance in case distribution does not apply to calendars, specialty court agreements, complex felony cases, or Sexually Violent Predator cases.

- b. The Agency shall accept case assignments within contracted subject areas, including case assignments above the projected variance levels. Agency refusal to accept an individual case assignment within contractual subject areas shall not in and of itself be considered a material breach of this Contract, however the County may determine such refusal requires Agency corrective action. The County shall pay the Agency for work in excess of the variance levels according to Section IV of this Exhibit.
- c. The Agency shall accept all complex litigation cases as determined by OPD, after consultation with the Agency concerning capacity.
- d. If the Agency has begun delivery of legal services and the defendant/respondent absconds for a period of 180 days or more, upon re-apprehension, the allocation of a new case credit shall be allocated by OPD upon reassignment to Agency.
- e. If the Agency is assigned to a case prior to arraignment, has not provided legal services, and the defendant fails to appear for arraignment, the case shall be returned to OPD within 30 days or as agreed with OPD, and the Agency shall be debited.

- g. The Agency may be appointed by the court as standby counsel in pro se cases. If such appointment is made, the Agency shall receive one case credit, less previous credit assigned for case. The Agency is not necessarily expected to utilize its professional support staff for pro se case work. If professional support staff work is requested by the pro se defendant, the Agency may opt to reduce its credit allocation by 0.1 per case credit allocated by not utilizing Agency professional support staff. In the event that the Agency elects to not provide professional support staff services, then it is the responsibility of the pro se defendant to comply with OPD Expert Services protocols regarding requests for any such services as may be necessary. Standby counsel shall provide such assistance and advice as may be ordered by the court and otherwise as consistent by case law and other legal requirements, and applicable standards of attorney representation and attorney conduct, including pro se requests for expert services.

days past sentencing, or a dispositional order is filed, or upon filing of a Notice of Appeal, unless an additional court order appoints counsel.

2. Funds for payment for expert services are not included in this Exhibit. Requests for appointment for expert services shall be made consistent with the existing OPD Expert Services policies and procedures, and dependent upon available appropriation of funds. The Agency must assure that its staff follows the OPD expert procedures, as agreed with OPD.

The Agency shall maintain disaster plan protocols which shall include a provision for daily contact with OPD and the Courts to verify court calendars requiring counsel presence. The parties acknowledge that all such plans presume the continued ability to communicate between the Agency and OPD. OPD shall assist the Agency in coordination with the courts and general implementation of the disaster plan.

The Agency's disaster plan shall include procedures and protocols to respond to and recover from a natural disaster or major disruption to agency operations such as a work stoppage; and continue operations during a prolonged event such as a pandemic. The plans shall be consistent with written County disaster plans for purposes of continuation of court business in the event of a disaster.

3. The Agency shall maintain professional practice standards in providing a level of legal service that does not fall below the minimum professional standards and RPCs of the Washington State Supreme Court, the Washington State Bar, the National Legal Aid & Defender Association, and any applicable case law and court rules that define the duties of counsel to their clients.  5. **The Agency agrees that a member of the Agency staff shall visit any assigned in-custody criminal defendant, in-custody civil commitment, or dependency clients, and obtain basic contact and other fundamental intake information for a bond hearing within one business day from notification to the Agency of the assignment of the case and the in-custody status of the client, and/or within one business day upon notification of transport to a local detention facility. Pursuant to the policies stated in Motion 12160, the allocation for each case area was calculated to provide funding for public defenders at parity with similarly situated attorneys in the Office of the Prosecuting Attorney. Agency may withdraw only pursuant to applicable court rules and RPCs. Agency attorney shall promptly notify the court of any conflict of interest or any other reason requiring withdrawal from a case assigned under this Exhibit. The Agency shall file an OPD Withdrawal Form the same day of discovery of such conflict and is permitted to withdraw under applicable court rules so that substitute counsel can be assigned by OPD.

The Agency shall immediately submit to OPD the OPD Withdrawal Form and a copy of the court order, if any, approving withdrawal and the case will be re-assigned by OPD within one business day. Credits shall be applied according to Attachment A of this Exhibit. OPD shall notify withdrawing agency of next counsel assigned to the case.

16. The Agency shall report all extraordinary occurrences to OPD in accordance with the Extraordinary Occurrences Policy and Procedure, and cooperate with any OPD extraordinary occurrence review. The Agency shall adopt an Agency specific extraordinary occurrence policy. The requirement to report to OPD does not replace reporting requirements by other entities.
17. The Agency shall have a process for the filing and review of complaints that are brought to the Agency's attention by clients, OPD, or other criminal justice system staff. The Agency shall establish an internal complaint procedure that is accessible to all clients, in accordance with RCW 34.05, 49.60, RPCs, and the OPD Client Complaint Services Policy and Procedure. The Agency shall maintain a file system for reliable report backup of each complaint.
18. The Agency agrees to abide by the terms of the OPD Attorney Supervision Policy and Procedures.
19. The Agency shall have an Information System (IS) that can report accurate data to OPD, and shall comply with the OPD IS Policy and Procedure. The Agency shall have functional personal computers using a Windows Operating System version XP or above and shall be connected to the Internet with the following supports:
 - a. The Agency shall have at least one trained primary and one trained backup on-site IS support person who has training on Basic Administration of Windows XP, and other basic software training.
 - b. The Agency shall notify OPD, in writing, of staffing changes (i.e. new hires, transfers, and terminations) for those staff directly responsible for data reporting and IS maintenance.
 - c. If a virus attacks an Agency computer, Agency response must be immediate (i.e. within 15 minutes) to take the computer off line and other appropriate action.

IV. COMPENSATION AND METHOD OF PAYMENT

- A. The Agency shall be paid monthly as provided in Attachment C of this Exhibit except as paragraph IV B. applies. The Payment Schedule shall pertain to all cases assigned to the Agency from July 1, 2011 through June 30, 2012. Payment for the period of this Contract or any portion thereof is conditional upon appropriation by all necessary agencies and funding sources of sufficient funds to support the activities described in the Contract. That portion of funds for Agency payment derived from either WA State or the Mental Illness and Drug Dependency (MIDD) program are conditional upon re-appropriation at any time. If any other fund amounts are changed or prove insufficient to fund specific services described in this Contract, OPD may amend this Contract to reflect such change.
- B. Payment shall be made monthly, subject to performance requirements being met and upon completion of scheduled corrective action requirements noted in the OPD 2009 site visit review and the Agency plan for corrective action. For each corrective action due date missed by the established due date, one percent of the subsequent month's payment will be withheld until action is completed or report is received and accepted by the County.
- C. For all cases, other than those assigned to the Agency by OPD, in all case areas and for all review credits and other credits, the Agency shall make a reasonable effort to ensure that credit requests are submitted to OPD weekly.
- D. The Agency shall respond to the OPD Case Credit Certification Report within ten business days of receipt by the Agency.
- E. Payments may be made for extraordinary expenses that are in addition to those payments shown in Attachment C, Payment Schedule. Extraordinary expenses shall be approved in writing in advance of the expenditure by OPD.
- F. In the event that workload demand exceeds the projected levels, the Agency shall accept case assignments and case credits above the variance levels on a monthly basis. OPD will monitor the distribution on a cumulative monthly basis to ensure that a reasonable distribution of cases, consistent with Attachment B allocation, has been maintained. OPD recognizes that a variance above projected levels may be inconsistent with the case credit workload guidelines and up to the variance percentage for a specific case area will not be a cause cited for Agency corrective action.
- G. For quarterly and annual payment purposes, the variance shall be no more than five percent, for all case areas except felony cases, which shall have a variance of no more than two-and-one-half percent. These variance percentages will be applied to the projected caseload to establish the variance range. Variance does not apply to calendars, specialty court agreements, Sexually Violent Predator cases, or Complex Litigation cases.
- H. Quarterly reconciliation: At the end of each quarter, OPD will evaluate the case credit accumulation for each Agency for each case type. Action taken will be as follows:
1. The actual quarterly caseload for each type of case area, as shown in the quarterly Certified Statistics will be compared to the actual variance range, for each practice area.

2. If the Agency's actual quarterly caseload falls within the high and low values of the variance, an adjustment to the reimbursement will not be made.
 3. If the Agency's actual quarterly caseload falls outside of either the high or low values of the projected variance range, an adjustment to the payment may be made.
 4. If a quarterly reconciliation results in payment due to the Agency from the County, the Agency may, at the Agency's option, defer such payment to a later month in the Contract period.
 5. If the quarterly reconciliation results in payment due to the County from the Agency, the County may, at the County option, defer such payment to a later month in the Contract period.
 6. Reconciliation will be based on case credits per case type or per charge type.
- I. **Contract end reconciliation:** The final payment will be the result of a reconciliation of actual performance to Contract specifications. The reconciliation will be conducted as follows:
1. All extra credit requests from the Agency shall be submitted by the 15th day of the month subsequent to the end date of the Contract. OPD will issue a Case Credit Reconciliation Report to the Agency within 5 business days from receipt of Agency request. Agency response to the OPD Case Credit Reconciliation Report shall be submitted to OPD no later than 30 days of this Report from OPD. Credit requests submitted from the Agency that are received by OPD after this day shall not be considered for reimbursement unless the Agency sends OPD a written request for an extension of the due date by the 15th day of the month, citing specific extraordinary circumstances.
 2. The variance percentages outlined in Section III. Program Requirements will be applied to the projected caseload to establish the variance range.
 3. The actual caseload for each type of case will be compared to the variance range for each type of case, except for complex felony cases, calendars, specialty court agreements, or Sexually Violent Predator cases.
 4. If the Agency's actual caseload falls within the high and low values of the variance, an adjustment to December reimbursement will not be made.
 5. If the Agency's actual caseload falls outside of either the high or low values of the projected variance range, an adjustment to the final payment will be made.
- J. **Becca Cases:** The Agency shall be paid by OPD for CHINS, ARY, and Truancy legal services from funds provided by the State of Washington through King County Superior Court, Juvenile Court Services, and such additional funds as may be made available by King County.
1. **Truancy.** Truancy cases will be counted as one credit for appointments on the filing of a truancy contempt of court where the right to counsel attaches. No additional credits will be given for review hearings.

2. ARY/CHINS. ARY and CHINS cases will be counted as one credit for new assignments on a petition for ARY or CHINS. The initial case credit will include two review hearings. Review hearings after the first two on that petition will earn one third (.33) credit per review.
 3. Review hearings. All hearings subsequent to the hearing in which the ARY or CHINS fact finding is completed and in which disposition of the petition is ordered, if ordered in a separate hearing, will be considered a review. Any contempt hearing ordered on the original petition post disposition will be considered a review credit, if the matter is handled within the proceedings relating to the ARY or CHINS petition. Hearings relating to the contempt in the ARY or CHINS proceeding which occur post disposition of the contempt matter will be considered a review hearing.
 4. Truancy credit load limit. For purposes of this contract, Truancy cases will have a case credit load limit of 375 credits per FTE attorney per year.
 5. ARY / CHINS credit load limit. For purposes of this contract, ARY and CHINS cases will have a case credit load limit of 250 credits per FTE attorney per year.
 6. A variance of five percent applies to Becca cases in total, as counted in aggregate in this Contract. Site specific estimates of cases assigned included in Attachment B are for Agency management purposes only.
- K. Sexual Predator cases: The Agency shall be paid by the State of Washington for cases filed under RCW 71.09 and assigned to the Agency by OPD at a rate determined by DSHS or as ordered by the Court. Agency reimbursement shall be based on submission of expenditure reports and an invoice to DSHS in a format approved by DSHS. OPD shall apply its policies and procedures, as amended and posted on its website, to review and approve or deny requests from Agency counsel for use of Expert Services in 71.09 cases. Such authorization for Expert Services shall be made at the sole discretion of OPD. Upon approval or denial of counsel's request for Expert Services, OPD shall notify counsel. Per OPD policy, defense counsel may appeal an expert service denial to the court. Expert service reimbursement shall be invoiced to and provided directly by DSHS.
- L. Attorney Monthly Case Service Form: All attorney hours shall be entered in Agency case files. The Agency agrees that maintaining accurate and contemporaneous records of attorney time is an essential responsibility of Agency attorneys. The Agency shall be responsible for submitting monthly attorney hourly records for all cases assigned on and after July 1, 2009 for which the Agency requests additional credits. The completed form shall be submitted in an electronic format provided by OPD, as included by Attachment to this Contract. All cases for which the Agency requests additional credits shall be based solely on the cumulative number of attorney hours worked on that case by the primary attorney (unless a second attorney is ordered by the court), as supported by the monthly attorney hourly record.

The Agency shall participate on the OPD and Contractors Data Interface Workgroup, which will identify the business operations necessary at the Agency and OPD to put into effect this reporting requirement for all cases assigned to the Agency. The data transmissions shall be tested prior to this data report submission requirement taking effect and a start date shall be recommended by the workgroup to OPD. Cases

assigned prior to July 1, 2009 for which the Agency requests additional credits shall not be subject to this Attachment requirement, but shall be available for extraordinary case credit according to Attachment A.

M. Prepayments

1. The Agency shall ensure that it has sufficient funds to complete prepaid cases assigned but not completed at the end of the Contract period. The Agency must report its calculated prepayment retention amount and cost estimate, include the method of calculation, and provide a conclusion about whether the funds available would cover all costs associated with completing the cases assigned and prepaid. Not having an adequate reserve shall not be cause for a material breach of contract, but may require Agency corrective action.
2. In the absence of a precise calculation of prepayments by the Agency, the County shall estimate the sufficiency of funds using the following formula: For all felony, misdemeanor, initial dependency assignments, and juvenile offender cases assigned during the three months before the end of the contract that remain open at contract-end, it is assumed that the first month cases are 75 percent completed, the second month cases are 50 percent completed, and final month cases are 25 percent completed. For dependency cases it is assumed first month cases are 15 percent completed, second month cases are ten percent completed, and final month cases are five percent completed. The estimation shall be the result of calculating the number of open cases for each month by the corresponding percentage of uncompleted work, and then determining the sum of the uncompleted case count by the per case revenue amount to determine the sufficiency of funds.

N. Procedures for Retirement Contribution Payment and Reporting

This section summarizes the process for (1) remitting to King County the funds that the contractor has withheld from paychecks for Public Employees Retirement System (PERS) enrolled employees' contributions to PERS, and (2) delivering the monthly reports of hours and compensation earned by PERS-enrolled employees at the contractors. The contact person for any questions about these issues is Kathy Pryor at 206-684-1395 or kathryn.pryor@kingcounty.gov.

1. King County's Reporting/Payment to DRS

On or before the 15th of May, King County will send the first transmittal report to the Washington State Department of Retirement Systems (DRS) for the eligible employees providing public defense services. The report will contain the names, social security numbers, hours and compensation earned in April, 2012, along with a payment for employee and employer contributions.

2. Contractor's Payment of Employee Contributions to King County

The method for paying the employee contributions to King County is an Automated Clearing House (ACH) transaction. These transactions must occur no later than five business days before the 15th of each month.

The contractor will have to contact their own bank to obtain an ACH form. Then they must complete it and return it to their bank to set up the transaction. This

will create the initial set up for the contractor to electronically transmit the funds for the employee portion of the PERS plan for all future monthly payments, by use of the ACH, directly to the appropriate King County bank account.

3. Contractor's PERS Reports

The contractor must also send King County their Employees PERS report spreadsheet no later than five business days before the 15th of each month. This will allow King County to reconcile the reports to the ACH funds transfers and do our accounting processes before transmitting the payment to DRS.

The Employee PERS report sheet should be sent, encrypted, to PDO-PERS@kingcounty.gov. Please contact Kathy Pryor with any questions about this process.

Attached is a sample copy of the ACH form (Attachment H), and a sample copy of the Employee PERS report spreadsheet (Attachment I). Electronic versions have been previously provided to the contractor.

4. Audits and Contractor

Personnel payroll records must be maintained by the contractor for a minimum of sixty years, and made available upon request to King County, the State Auditor's Office or DRS, for audit purposes.

The King County Office of the Public Defender (OPD) has responsibility for ensuring dedicated defense services for the King County Superior Court Drug Diversion Court (DDC). Through a proposal process, the Associated Counsel for the Accused (ACA) defense agency is appointed to provide legal services to DDC defendants and, as such, has agreed to the following scope of work.

I. MISSION & GOALS

The DDC mission is to combine the resources of the criminal justice system, drug and alcohol treatment and other community service providers to compel the substance-abusing offender to address his or her substance abuse problem by providing an opportunity for treatment and holding the offender strictly accountable.

Goals of DDC program:

- A. Reduce substance use and related criminal activity.
- B. Enhance community safety.
- C. Reduce reliance on incarceration for non-violent drug dependant offenders.
- D. Hold drug dependent offenders accountable for their actions and decisions.
- E. Integrate substance abuse treatment with criminal justice case processing.
- F. Provide resources and support to assist the drug dependent offender in the acquisition of skills necessary for the maintenance of sobriety.
- G. Reduce the impact of drug related cases on criminal justice resources.
- H. Reward positive life changes while maintaining accountability for negative conduct.

The goal for ACA is to provide specialized legal defense services to work within the DDC to divert court eligible defendants. ACA shall be committed to advocating a treatment plan and support network that promotes the client's success and graduation in DDC.

II. STAFFING REQUIREMENTS

ACA will staff the DDC with 4.20 FTE attorneys each month of the Contract period, and as according to Attachment B, Calendar Attorney and Staff List, of this Contract.

- A. ACA shall assign a lead attorney who is experienced in working with eligible defendants to the DDC for a period of two years to assure consistency of experienced staff. Attorneys shall prepare cases for each calendar, including interviewing defendants in jail prior to their court appearance.
- B. ACA commits to assigning attorneys for a minimum of six months, structuring rotation in a timely manner that has the least negative impact to the DDC. This will ensure that the DDC has trained attorneys ready to practice in the DDC.

- C. In the event the assigned attorneys are not able to continue the assignment to the DDC (e.g. due to illness, resignation, personal issues), ACA will provide timely notification to the DDC and assign DDC trained attorneys to replace them.
- D. In the event that a dispute arises and the lead or back up attorneys do not fully discharge their duties in a professional manner, the DDC judge and coordinator/manager will speak first to the attorney(s) and their supervisor to resolve any disagreement and if that does not yield resolution, the ACA Managing Director will be notified and asked to intervene. If the matter is not resolved between the DDC judge and ACA, OPD will be notified to assist in dispute resolution.
- E. ACA commits to a minimum 30-day transition period when the lead attorney is leaving DDC practice.
- F. ACA shall provide 0.42 FTE Supervisor and 0.80 FTE Professional Support Staff each month of the Contract period for the DDC attorneys.

III. PROTOCOLS

- A. The role of ACA defense attorneys in DDC is to ensure the defendant's legal rights are protected while encouraging the client's full participation in the program. ACA defense attorneys shall:
 - 1. Participate fully as a DDC team member.
 - 2. Meet with potential DDC clients to evaluate their interest and amenability to the program, adhering to the eligibility criteria.
 - 3. Advise a client of their legal rights, legal options, and potential sentencing outcomes.
 - 4. Actively monitor client progress in the DDC and discusses the long-term benefits of a drug-free lifestyle.
 - 5. Participate in a cooperative manner at drug court hearings and meetings and promotes a unified DDC team approach.
 - 6. Adhere to DDC policies, rules and procedures, including reminding participants of their agreements, the DDC rules and mandates and the need to accept consequences for deviation from DDC mandates.
- A. ACA attorneys shall comply with the King County Drug Diversion Court Policy and Procedures Manual, March 16, 2004 edition or its successor, and will abide by the Rule of Professional Conduct of the Washington State Bar Association. The ACA attorneys (and those assigned to DDC) shall assure expeditious integration of referral and assessment to the DDC.
 - 1. ACA commits to the standards of Professional Responsibility for new assignments when a case with an existing attorney is transferred to DDC.
 - 2. ACA commits to maintaining a referral process to assure expeditious referral from arraignment calendars.

3. Clients who transfer into DDC with a private attorney or an attorney from another defender agency may continue to be represented by their attorney or agency. These clients may be transferred to ACA through proper protocol of withdrawal and substitution of counsel procedures.
 4. ACA commits to seeking funding or services to support DDC client/defendant needs. This includes but is not limited to access to housing, treatment services, and/or transportation assistance.
- B. ACA and its attorneys shall continue the assignment on cases of DDC defendants through the length of jurisdiction (up to two years) and appear for all hearings.
- C. Conflicts in the client/attorney assignment to ACA will be identified and addressed in the following manner: If the attorney identifies the conflict and the defendant wishes to proceed with ACA, the ACA attorney will obtain a waiver from the client. When necessary, the ACA attorney will examine it with the defendant and provide timely notification to the DDC, to OPD, and to the defendant.

IV. METHOD OF COMPENSATION

ACA shall be reimbursed monthly according to Attachment C, Payment Schedule, Calendar Staffing, of Exhibit V of this Contract.

The Associated Counsel for the Accused (ACA) defense agency is appointed to provide legal services to RMHC and Veteran's Court defendants and, as such, has agreed to the following scope of work.

I. GOAL

To provide specialized legal defense services to work within the RMHC and Veteran's Court to divert defendants who are mentally ill or developmentally disabled and defendants who have a co-occurring disorder (mental illness and chemical abuse) out of jail and into treatment.

ACA attorneys and staff assigned to the RMHC and Veteran's Court shall subscribe to a "defendant based" approach and endorse the RMHC and Veteran's Court goals, philosophy, and principles, including working collaboratively with the RMHC and Veteran's Court team, KCDC Probation, and the ongoing development of the court.

To successfully expand the scope of RMHC and Veteran's Court in the directive and with the funds of the Mental Illness and Drug Dependency (MIDD) program. Funding and staffing will be consistent with the graduated implementation of this expansion.

II. STAFFING REQUIREMENTS

A. ACA will staff the RMHC and Veteran's Court with 2.50 FTE attorneys for the period of the Contract, and as according to Attachment B Calendar Attorney and Staff List.

One FTE attorney shall be primarily assigned to the Agency's responsibilities in the MIDD RMHC and Veteran's Court expansion project.
2. ACA commits to assigning the "back up" attorney for a minimum of six months, structuring rotation in a timely manner that has the least negative impact to the RMHC and Veteran's Court. This will ensure that the RMHC and Veteran's Court has trained attorneys ready to practice in the RMHC and Veteran's Court. The backup attorney will be responsible for the Monday and Friday morning jail calendars. Both the back up and the lead attorneys should be able to do contested competency hearings.
3. In the event the assigned attorneys are not able to continue the assignment to the RMHC and Veteran's Court (e.g. due to illness, resignation, personal issues), ACA will provide timely notification to the RMHC and Veteran's Court as well as assigning trained attorneys to the RMHC and Veteran's Court.
4. In the event that a dispute arises and the lead or back up attorneys do not fully discharge their duties in a professional manner, the RMHC and Veteran's Court judge and coordinator/manager will speak first to the attorney(s) to resolve any

disagreement and if that does not work, the ACA director will be notified and asked to intervene.

5. ACA commits to a minimum 30-day transition period when the lead attorney is leaving RMHC and Veteran's Court practice.
 6. ACA shall provide 0.25 FTE Supervisor each month for the period of the Contract for the RMHC and Veteran's Court attorneys.
- B. ACA will also staff the RMHC and Veteran's Court each month with 2.00 FTE social worker.
