

Petition For Affordable Housing

Return to P.O. Box 330 Vashon WA 98070

Who we are	Vashon citizens in support of affordable housing
Sponsored by the Vashon Interfaith Council to Prevent Homelessness	We, citizens of Vashon Island, fully support the zoning overlay for Vashon town currently being considered for the King County Comprehensive Plan. There is an extreme need for affordable housing in our community. We understand the constraints of water availability, wetlands and critical areas, and high building costs. But this may be our last chance to encourage the development of even a small number of affordable housing units for our community.

Petition For Affordable Housing

Return to P.O. Box 330 Vashon WA 98070

Who we are
 Vashon citizens in support of affordable housing

Sponsored by the
 Vashon Interfaith Council
 to Prevent Homelessness

We, citizens of Vashon Island, fully support the zoning overlay for Vashon town currently being considered for the King County Comprehensive Plan. There is an extreme need for affordable housing in our community. We understand the constraints of water availability, wetlands and critical areas, and high building costs. But this may be our last chance to encourage the development of even a small number of affordable housing units for our community.
