FISCAL NOTE

Ordinance/Motion No. 2005-XXXX	
Title: Inter-Local Agreement with the City of Bellevue to Provide Marine Patrol Services	
Affected Agency and/or Agencies: King County Sheriff's Office	
Note Prepared by:	Nick Zajchowski
Note Reviewed by:	John Amos

Impact of the above legislation on the fiscal affairs of King County is estimated to be: The ordinance will implement a contract to continue to provide marine patrol services to the City of Bellevue. The King County Sheriff's Office has been providing marine patrol services to the City of Bellevue for many years. Services are provided on Lakes Washington and Sammamish and include responding to 911 calls, vessel registration enforcement, assisting stranded boaters, boating safety education and enforcement of applicable laws.

The contract provides reimbursement according to established formulae based on workload, shoreline feet, and the cost of the unit. The methodology has been reviewed and approved in the marine patrol service agreements with Lake Forest Park, Kirkland, Beaux Arts, Kenmore, Sammamish and Redmond. The contract also provides a mechanism for recovering the costs of marine patrol service requests outside of the boating season.

The amount shown in the fiscal note shows the costs for Bellevue based on the 2005 Executive Proposed budget using the formulae described in the paragraph above. The cost model using the 2005 Adopted budget will not be completed in time for this fiscal note. The revenue shown is from the City of Bellevue to cover all expenditures as allocated to the city in the cost model. Out years are inflated by 4%, the standard inflator used by the Sheriff's Office for contracting costs. All expenditure authority for the contract is already contained in the 2005 Adopted budget – there is no need for additional expenditure authority.
