Subject: RE: Exec concurrence with delay in Comp Plan scoping motion

Hi Mary,

To reiterate Michelle Allison's comments in committee last week, the Executive granted a two week extension to the April 30 deadline set forth in KCC 20.18.060(B), and agreed to proceed with a scope of work adopted by the Council by May 14, 2015.

Please let me know if you have any questions or need anything more from me. We are looking forward to working with the Council on the 2016 Update.
