The Honorable Claudia Balducci  
Chair, King County Council  
Room 1200  
C O U R T H O U S E

Dear Councilmember Balducci:

Pursuant to King County Code 14.70.270(A) and (B), please find the enclosed required Road Services Division 2020 Transportation Concurrency Update Report.

This report summarizes results of 2020 transportation concurrency testing and shows that no changes have occurred in travel shed pass/fail status since the previous update in 2018. When a concurrency update results in no change to the concurrency test results map, transmittal of the concurrency report alone fulfills the reporting requirement.

The enclosed report explains technical assumptions, changes, and other parameters used to complete the update. The report also includes a description of concurrency test results and failing roads.

This program supports the mobility goal of the King County Strategic Plan, using road level of service standards to evaluate and maintain an optimized and efficient mobility system. It also supports the Strategic Climate Action Plan, by promoting a more efficient and less congested transportation network, reducing carbon pollution and greenhouse gas emissions from fossil fuels.

It is estimated that this report required 80 hours by Roads Division staff to produce, costing approximately \$4,400 in staff hours and \$36,700 in consultant costs. The estimated printing cost for this report is nominal.

The Honorable Claudia Balducci
