Ordinance 16871

Proposed No. 2010-0343.1

Sponsors Ferguson and Phillips

1 AN ORDINANCE relating to the SeaShore Transportation
2 Forum authorizing the executive to enter into an agreement
3 for its continuation and committing to King County staff
4 support through 2012.

5 STATEMENT OF FACTS:

6 1. King County and the cities in King County have a long history of
7 multijurisdictional transportation planning and have found that benefits
8 can be achieved by multijurisdictional coordination, including a
9 cooperative approach to planning, financing, and construction of needed
10 transportation improvements.

11 2. The King County Public Transportation Long Range Policy
12 Framework, adopted in 1993, divided Metro transit service into three
13 geographic subareas for the purpose of allocating new transit service
14 subsidy, and the Six-Year Transit Development Plan, adopted in 2002,
15 calls for the three subarea transportation boards, the Eastside
16 Transportation Partnership, the South County Area Transportation Board
17 and the SeaShore Transportation Forum, to review, to refine and to
18 recommend service priorities to the King County executive.

19 3. The SeaShore Transportation Forum has functioned in this role for the
20 past fifteen years, providing input on various transportation projects and
21 policies.

22 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

23 SECTION 1. King County approves the agreement in substantially the form
24 attached to this ordinance, for the SeaShore Transportation Forum. The agreement:

25 A. Commits to continued staff support for its continuation through 2012.

26 B. Confirms its responsibilities for King County, including providing policy
27 direction for the subarea on the following issues:

28 1. Development of the Six-Year Transit Development Plan;

29 2. Implementation of transit service priorities; and

30 3. Additional transportation recommendations called for by the board.

31 C. Acknowledges that Sound Transit considers the SeaShore Transportation
32 Forum and other subarea transportation boards as information sharing forums for Sound
33 Transit and specifically requires consideration of subarea board approval of changes to
34 the Sound Move Plan as one of six criteria in making a determination about changes.

35 D. Acknowledges that other transportation agencies may use their boards as tools
36 for sharing information and gathering input.

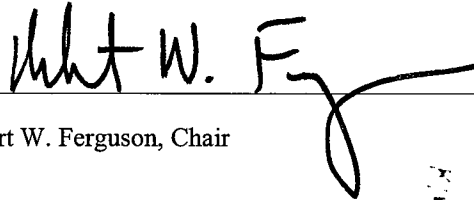

37 E. Allows for the consideration of additional transportation issues as determined
38 by SeaShore Transportation Forum; and

39 F. Authorizes the executive to enter into this agreement to further the purpose of
40 this board.

Each party's funding to perform its obligations under the Agreement, beyond the current appropriation year, is conditional upon appropriation by the party's governing body of sufficient funds to support said obligations. Should such an appropriation not be approved for a future year, a party may exercise its right to withdraw as provided herein.

11.0 Duration

This Agreement shall take effect upon being duly adopted by the governing bodies of all parties and executed by the authorized representatives of all parties. No employees or agents of one party or any of its contractors or subcontractors shall be deemed, or represent themselves to be, employees of any other party.

16.3 Each party shall defend, indemnify and hold harmless the other party and all of its officials, employees, principals and agents from all claims, demands, suits, actions, and liability of any kind whatsoever which arise out of, are connected with, or are incident to any negligent acts of the first party, its contractor, and/or employees, agents, and representatives in performing the first party's obligations under this Agreement. The parties agree that their obligations under this paragraph extend to claims made against one party by the other party's own employees. For this purpose, the parties, by mutual negotiation, hereby waive any immunity that, as respects the other party only, would otherwise be available against such claims under the industrial insurance provisions of RCW Title 51. In the event

either party incurs attorney's fees, costs or other legal expenses to enforce the provisions of this section, against the other party, all such fees, costs and expenses shall be recoverable by the prevailing party.
