The Examiner received the affidavit of notice publication on March 28, 2016.

| Total acreage: | 18.54 acres                                    |                       |

2. The Applicants timely filed an application to King County for PBRS program current use valuation of the property to begin in 2017. As required by law, notification of the application occurred.

3. A summary of relevant PBRS categories follows below. (Plain text represents a category an applicant requested an award for and that DNRP agrees is warranted. Any ~~strike through~~ represents a category an applicant requested an award for but that DNRP

disagrees is warranted. Any *italics* represents a category an applicant did not request an award for, but that DNRP nonetheless concludes is warranted. And any \*asterisks\* represent a category where DNRP finds an award is warranted, but only if certain contingencies or conditions are met.)

|                  |   |       |
|------------------|---|-------|
| PBRS categories: | <u>Open Space Resources</u>                     |       |
|                  | Buffer to public or current use classified land | 3     |
|                  | *Forest stewardship land*                       |       |
|                  | Rural open space                                | 5     |
|                  | Significant wildlife or salmonid habitat        | 5     |
|                  | <del>Special animal site</del>                  |       |
|                  | <del>Surface water quality buffer</del>         |       |
|                  | <u>Bonus Categories</u>                         |       |
|                  | Contiguous parcels under separate ownership     | 6     |
|                  |   | <hr/> |
|                  |   | 19    |

The DNRP-recommended score of 19 points results in a current use valuation of 30% of market value for the enrolled portion of the property. Additional credit may be awarded administratively under the forest stewardship land category subject to submittal of a forest stewardship plan by **November 30, 2016**, and subsequent approval by **December 30, 2016**. Award of credit under this category would increase the point total by 5 points, resulting in a current use valuation of 20% of market value for the enrolled portion of the property. Award of this category affords the opportunity for forestry activities, subject to any applicable regulatory approvals

4. As to the land area recommended for PBRS enrollment, the Applicant requested 16 acres and DNRP recommends 12.64 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor’s official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
5. Except as modified herein, the facts set forth in the DNRP preliminary report and testimony at the March 30, 2016, public hearing are correct and incorporated herein by reference. Copies of this report and the department report will be provided to the Metropolitan King County Council for final approval.
  - a. The “2015 Aerial Photo” listed 2624079205 as one of the parcels; it is 2624089205.

**CONCLUSION:**

1. Approval, pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC, of 19 points and a current use valuation of 30% of market value for 12.64 acres of the property and conditional approval of 5 additional points (which would bring the total to

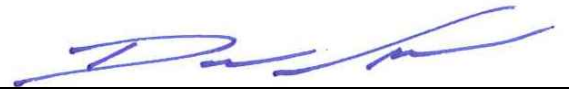

24 points and 20% of market value for 12.64 acres of the property), is consistent with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

2. The subject property is currently enrolled in the Forestland program. Any open space taxation participation agreement signed as a result of approval of this application should be worded to supersede any prior agreements for the parcel.

RECOMMENDATION:

1. APPROVE current use valuation of 30% of market value for the 12.64-acre enrolled portion of the property.
2. CONDITIONALLY APPROVE additional credit under the forest stewardship land category, to be awarded administratively, if the Applicants submit a forest stewardship plan by **November 30, 2016**, and that plan is approved by **December 30, 2016**. This would result in a current use valuation of 20% of market value for the 12.64-acre enrolled portion of the property.

DATED April 8, 2016.
