**PREAMBLE:**

10

The solid waste advisory committee and the metropolitan solid waste

11

management advisory committee have passed unanimous motions

12

recommending that four deliverable due dates be changed to allow them

13

additional time for review and comment. The interjurisdictional technical

14

staff group also agreed that the four deliverable due dates be changed.

15

**BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:**

16

SECTION 1. Ordinance 14971, Section 2; and K.C.C. 10.25.110 are hereby

17

amended to read as follows:

18           A. A metropolitan solid waste management advisory committee is established.  
19           Each component city with a signed interlocal agreement participating in the county solid  
20           waste management system shall identify representatives and alternates to the solid waste  
21           division for appointment to the advisory committee. The committee shall conduct its first  
22           meeting on or after January 2, 2005. The solid waste division shall notify each  
23           component city with a signed interlocal agreement participating in the county solid waste  
24           management system of committee meeting times and locations. At the first meeting, the  
25           committee shall elect a chair. The members of the committee shall serve at the pleasure  
26           of the appointing bodies and shall receive no compensation from King County other than  
27           reimbursement for reasonable expenses actually incurred in the performance of their  
28           duties.

29           B. The metropolitan solid waste management advisory committee shall advise the  
30           executive, the solid waste interlocal forum established in the solid waste service contracts  
31           between the county and cities, and the King County council in all matters relating to solid  
32           waste management and participate in the development of the solid waste management  
33           system and waste export system plan.

34           C. The metropolitan solid waste management advisory committee shall review  
35           and make recommendations on the waste export system plan before transmittal of the  
36           plan from the King County executive to the King County council.

37           D.1. Until the metropolitan solid waste management advisory committee first  
38           convenes, and interjurisdictional technical staff group presently assembled shall serve in  
39           lieu of the metropolitan solid waste management advisory committee. The  
40           interjurisdictional technical staff group shall advise the metropolitan solid waste

41 management advisory committee through ((December 31, 2005)) April 30, 2006, to assist  
42 the committee during its ((first year of)) preliminary work. Each city with a solid waste  
43 interlocal agreement with King County may participate in the interjurisdictional technical  
44 staff group. The group shall provide a report of its findings and recommendations by  
45 December 31, 2004, to all cities participating in the county solid waste management  
46 system, the King County executive, the King County council, the solid waste advisory  
47 committee and the solid waste interlocal forum, or its successor, on the structure, function  
48 and responsibilities of the metropolitan solid waste management advisory committee.

49 The staff group shall provide a report of its findings and recommendations by  
50 ((December 31, 2005)) April 30, 2006, to all cities participating in the county solid waste  
51 management system, the metropolitan solid waste management advisory committee, the  
52 King County executive, King County council, the solid waste advisory committee and the  
53 solid waste interlocal forum, or its successor.

54 2. The interjurisdictional technical staff group report shall address at least the  
55 following issues:

56 a. potential modification or replacement of the solid waste interlocal forum, to  
57 identify membership, decision-making responsibilities and scope of duties;

58 b. identification of dispute resolution options;

59 c. development of a framework for financial policies and host city mitigation,  
60 including compensation agreements;

61 d. evaluation of the impact of the proposed waste export system plan on each  
62 of the provisions of the solid waste interlocal agreement between King County and cities;

63 and

64 e. identification of potential amendments to the solid waste interlocal  
65 agreement.

66 3. The solid waste interlocal forum, or its successor, shall make a  
67 recommendation to the King County executive and King County council on or before  
68 ~~((December 31, 2005))~~ April 30, 2006, on the efficacy of the continuing role of the  
69 interjurisdictional technical staff group.

70 E. The solid waste division shall provide staff support to the metropolitan solid  
71 waste management advisory committee and the interjurisdictional technical staff group.  
72 The King County council shall provide staff support fin the development of solid waste  
73 planning legislation.

74 SECTION 2. Ordinance 14971, Section 6; is hereby amended to read as follows:

75 **Reporting.**

76 A. The solid waste division shall submit a waste export system plan to the  
77 council and solid waste interlocal forum or its successor by ~~((December 31, 2005))~~ April  
78 30, 2006. The division shall also regularly report back to the council and solid waste  
79 interlocal forum, or its successor, throughout the system plan development process.

80 B. Major milestones for reports to be submitted by the solid waste division to the  
81 council and solid waste interlocal forum, or its successor, for review and council approval  
82 by motion shall include, but not be limited to:

- 83 1. Transfer system level of service standards and criteria;
- 84 2. Analysis of system needs and capacity;
- 85 3. Analysis of options for public and private ownership and operation;

86           4. Preliminary transfer and waste export facility recommendations, and  
87 estimated system costs, rate impacts and financial policy assumptions.

88           C. The council shall, if approving submitted solid waste division reports for  
89 major milestones, make the approval by motion. Each motion shall also include a  
90 timeline for submittal of future milestone reports still pending. The first milestone report  
91 pertaining to level of service standards and criteria for future system needs shall be  
92 submitted to the council and solid waste interlocal forum on or before October 15, 2004.

93           D. In accordance with K.C.C. 10.24.020.A, the solid waste division shall begin  
94 updating the adopted 2001 Comprehensive Solid Waste Management Plan by December  
95 1, 2005, with completion of the update process anticipated by December 2007. The  
96 waste export system plan shall be used as the basis for formulating recommendations for
