RE: Certificate of Petition in Support of No Shooting Area – Mt. Si Road Area

Dear Ms Noris,

In response to your memorandum dated December 7, 2004, Records, Elections and Licensing Services Division has examined the signatures contained on the petition filed in support of the proposed no shooting area.

A review of the legal description attached to the petition indicates that the proposed no shooting area is contained within Alpine Precinct.

Of the signatures contained on the petition, at least 10 were determined to be registered voters of Alpine Precinct. According to K.C.C. 12.68.010, the number meets the requirements to certify, therefore it is determined the petition for creating a no shooting area within Alpine Precinct is sufficient.

Sincerely,

Bill Huennkens
Superintendent of Elections
