Ordinance 19944

Proposed No. 2025-0134.1

Sponsors von Reichbauer

1 AN ORDINANCE approving City of Auburn 2024

2 Comprehensive Sewer Plan dated November 2024.

3 STATEMENT OF FACTS:

4 1. King County has adopted K.C.C. chapter 13.24, which requires
5 approval of comprehensive plans for water and sewer utilities that provide
6 service in unincorporated King County as a prerequisite for operating in
7 unincorporated King County, receiving approval for annexation proposals,
8 granting right of way franchises, and approving right of way construction
9 permits. K.C.C. chapter 13.24 prescribes the requirements for approval of
10 such plans, including consistency with state and local planning
11 requirements.

12 2. The city of Auburn's last Comprehensive Sewer Plan approved in 2016
13 through King County Ordinance 18304.

14 3. The city of Auburn's wastewater system has a service area within
15 unincorporated King County and has adopted a comprehensive wastewater
16 plan ("the plan").

17 4. King County has adopted a Comprehensive Plan that includes policies
18 F-402 through F-453, the applicable portions of which address wastewater
19 policies for facilities and services. These wastewater policies call for

Ordinance 19944

20 consistency with other adopted plans, pursuit of reclaimed water, water
 21 conservation and protection of water resources.

22 5. K.C.C. chapter 13.24 requires the utilities technical review committee
 23 to review and make a recommendation to the King County executive and
 24 council on the plan, the requirements under K.C.C. chapter 13.24, and
 25 consistency with the King County Comprehensive Plan. The utilities
 26 technical review committee has reviewed the planning data and system
 27 operations and has found:

28 a. The plan uses population and employment forecasts developed by the
 29 Puget Sound Regional Council;

30 b. The city of Auburn's wastewater system has a service area within
 31 unincorporated King County;

32 c. The capital facility plan is adequate to meet anticipated facility and
 33 service needs;

34 d. The plan is consistent with applicable Washington state water quality
 35 laws; and

36 e. The plan is consistent with other pertinent county adopted plans and
 37 policies.

38 6. Washington state Department of Ecology approved the plan on January
 39 16, 2025.

40 7. Under the State Environmental Policy Act, the city completed an
 41 environmental check list and the city issued a Determination of

Ordinance 19944

42 Nonsignificance for the plan approval on August 8, 2024. There were no
43 appeals.

44 8. The system's operations and facilities meet multiple existing statutory,
45 administrative and planning standards. As the system's operations,
46 facilities and planning meet the requirements of the King County Code
47 and are consistent with the King County Comprehensive Plan, the utilities
48 technical review committee has recommended approval of the plan.

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
