# Bonney Lake playing for PCL top honors

By KEVIN HANSON  
Senior Writer

First place in the Pierce County League will be on the line Friday when the Bonney Lake Panthers square off against the Lincoln Abers.

Kickoff is set for 7 p.m. at the historic Lincoln Bowl in Tacoma.

Both football teams enter the contest 5-0 in PCL play and each has compiled a 6-1 overall record.

Each will complete its regular season a week later on Oct. 28. Bonney Lake will conclude with last-place Spanaway Lake while Lincoln goes against a tougher opponent, Stadium High.

Bonney Lake kept its league record perfect last Friday with a 14-7 victor over the Lakes Lancers.

It was the Lancers who struck first, getting a 59-yard touchdown run from Melvin Miller in the first quarter. But, before the first period ended, Bonney Lake had tied the contest courtesy of a Jason Day 13-yard run and Tate Hamlett extra-point kick.

Quarterback Kaiden Hammond scored on a short run in the second quarter and the teams played a scoreless second half.

## White River earns second win

The White River Hornets picked up their second win of the season Friday night and did so in dramatic fashion.

With a 27-14, home-field victory over Foss High, the Hornets improved to 2-4 in South Puget Sound League 2A play and 2-5 overall.

White River jumped on top with a 20-yard touchdown run from Luke Northam, followed by a two-point conversion run by John Bellin. Greg Piontek's 35-yard field goal pushed the White River lead to 11-0 at halftime. Northam and Ethan Clay added touchdown runs, but the visitors

finally answered with a pair of fourth-quarter TDs to make the score respectable. Piontek added his second field goal of the night to finish the scoring.

Hornet highlights included a Foss pass that was tipped by Jared Selander and intercepted by Northam, who added a 31-yard return. On the final Foss possession, Micah Armendariz sacked the Falcon quarterback in the end zone, but the ball was fumbled and recovered by the offense on the 1-yard line. On the following play, Hornet sophomore Jack Ervein came up with White River's second

For background information on the proposed 2016 Amendments to the KCCP, please visit the Council's 2016 Comprehensive Plan Update website at <http://www.kingcounty.gov/council/2016compplan.aspx>

#### Summary

Proposed amendments to the KCCP and RAMP were transmitted by the King County Executive on March 1, 2016 and reviewed by the Council's Transportation, Economy and Environment (TREE) Committee. The TREE Committee completed its review on September 20, 2016 and reported out to the full Council striking amendments to the subject legislation, with a "do pass" recommendation.

Proposed 2016 KCCP policy amendments, contained in Attachment A to PSO 2016-0155.2, as reported out of the TREE Committee, would affect the following chapters in the KCCP: Introduction; Regional Planning Growth Management Planning; Urban Communities; Rural Areas and Natural Resource Lands; Housing and Human Services; Environment; Shorelines; Parks, Open Space and Cultural Resources; Transportation; Services, Facilities and Utilities; Economic Development; Community Service Area Planning; Implementation, Amendments and Evaluation; and the Glossary. Proposed amendments to the land use map and/or zoning atlas are contained in Attachment B to PSO 2016-0155.2. Also proposed are: updates to the Technical Appendices (Attachments D through J to PSO 2016-0155.2); adoption of the Skyway West Hill Action Plan (Attachment I to PSO 2016-0155.2); and an amendment to the Vashon Town Plan (Attachment K to PSO 2016-0155.2). Proposed changes to the development code are also included in PSO 2016-0155.2.

Proposed RAMP amendments, as reported out of the TREE Committee, would affect the update requirements and schedule for the RAMP and would decouple future RAMPs from the KCCP. The 2016 RAMP, contained in Attachment A to PSO 2016-0159.2 as reported out of the TREE Committee, would also amend the following sections in the RAMP: Facility Management Policies; Policy Implementation Strategies; and Space Use and Planning.

#### Final Consideration

In addition to the proposed amendments contained in the subject legislation, and as amended in committee, Councilmembers may offer additional amendments for consideration by the Council. As a result, persons interested in any of the issues raised in the subject legislation should make their views known at the public hearing on November 28, 2016. Amendments that may be considered for adoption by the Council on December 5 or thereafter include, but are not necessarily limited to: any amendment contained in the Executive's proposed versions of the subject legislation (either in the Public Review Draft or as transmitted); any amendment to the subject legislation passed out committee; any amendment offered or discussed during the review of the subject legislation in committee; any matter preserved for consideration by the Council by a member during the committee meetings; any amendment regarding the Growth Management Planning Council's (GMPC) recommendations to move the Urban Growth Area (UGA) boundary in the County's comprehensive plan updating process; and any other proposed amendment that is within the scope of the alternatives and has been available for public comment.

A copy of Proposed Substitute Ordinances 2016-0155.2 and 2016-0159.2 will be mailed upon request to the Clerk of the Council, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, WA 98104, telephone 206-477-1020.
