EXHIBIT I - SECTION 3 CERTIFICATION REQUIREMENTS**KING COUNTY SHERIFF'S OFFICE
PUBLIC HOUSING SAFETY INITIATIVE**

Purpose of Section 3 Requirements: The work to be performed under this Contract is on a project subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

The parties to this Contract agree to comply with HUD's regulations in 24 CFR Part 135, which implements Section 3. As evidenced by their execution of this Contract, the parties to this Contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

Agency Requirements: The Agency agrees to send to each labor organization or representative of workers with which the Agency has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the Agency's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

The Agency agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The Agency will not subcontract with any subcontractor where the Agency has notice or knowledge that the subcontractor has been found in violation of regulations in 24 CFR Part 135.

The Agency will certify that any vacant employment positions, including training positions, that are filled (1) after the Agency is selected but before the Contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the Agency's obligations under 24 CFR Part 135.

The Agency agrees that 30% of any new employees hired in the course of administering this contract must meet Section 3 qualifications. Compliance with this obligation will be considered as part of the contract renewal.

The Agency shall submit a Section 3 Certification form [see Exhibits I-1 and I-2 (Section 3 Certification Forms), quarterly Section 3 Employment Tracking form (see Exhibit I-3), and Exhibit C (Reporting Requirements)].

Non-Compliance: Non-compliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this Contract for default, and debarment or suspension from future HUD-assisted contracts.
