Proposed No.: 2015-0104

1 **STRIKING AMENDMENT TO PROPOSED MOTION 2015-0104, VERSION 1**

2 On page 1, beginning on line 5, strike everything through page 3, line 26, and insert:

3 "WHEREAS, King County enacted the 1994 King County Comprehensive Plan to
4 meet the requirements of the Washington State Growth Management Act ("GMA"), and

5 WHEREAS, in RCW 36.70A.130, the GMA requires cities and counties to update
6 their comprehensive plans once every eight years. The GMA authorizes, but does not
7 require, cities and counties to amend their comprehensive plans annually. For King
8 County, the next required GMA deadlines are in 2015 and 2023, and

9 WHEREAS, King County Comprehensive Plan policies and K.C.C. chapter 20.18
10 establish a process for amending the plan and a program for public participation. King
11 County authorizes limited Comprehensive Plan changes annually and a more
12 comprehensive review every four years, and

13 WHEREAS, in 2012, King County updated its Comprehensive Plan via
14 Ordinance 17485 and thereby satisfied the GMA requirement to update its
15 Comprehensive Plan by 2015, and

16 WHEREAS, 2016 marks the fifth four-year review of the Comprehensive Plan.
17 Under the county's policies and regulations, the 2016 review constitutes a four-year
18 amendment, and

19 WHEREAS, under GMA requirements, the county's 2016 review is subject to the
20 rules applicable to an annual amendment. The GMA does not require the county to
21 complete another comprehensive update until 2023. Under the county's current policies
22 and code, the county will complete this update in 2020, and

23 WHEREAS, K.C.C. 20.18.060 states that the executive must transmit a motion
24 specifying the scope of work proposed for a four-year amendment to the Comprehensive
25 Plan and the council has until April 30 to approve the motion either as transmitted or
26 amended. In the absence of council approval, the executive shall proceed to implement
27 the work program as proposed, and

28 WHEREAS, as in 2012, the council is approving the scope of work motion after
29 April 30; however, the executive has agreed to treat the scope as timely and proceed with
30 the work program as established in the council-approved version of the motion, and

31 WHEREAS, King County and cities within the county have successfully focused
32 the vast majority of new residential growth into the Urban Growth Area, proceeding from
33 eighty-eight percent in 1994 to more than ninety-eight percent urban in 2013, and

34 WHEREAS, King County has worked hard to protect critical areas and
35 endangered species such as salmon, has promoted affordable housing and has committed
36 resources to enrich its less advantaged communities, and

37 WHEREAS, King County must build on these successes and ensure that they
38 continue into the future;

39 NOW, THEREFORE, BE IT MOVED by the Council of King County:

40 The scope of work for the 2016 King County Comprehensive Plan Update in
41 Attachment A to this motion and the work program for public involvement in Attachment
42 B to this motion are hereby approved as the basis for developing the amendments for the
43 King County Comprehensive Plan to be transmitted to the council by March 1, 2016, and
44 for performing the associated environmental analysis."

45

46 Delete Attachment A, 2016 King County Comprehensive Plan Update Topical Areas,
47 dated March 2, 2015, and insert Attachment A, 2016 King County Comprehensive Plan
48 Update Topical Areas, dated April 29 2015, engross any adopted amendments to the
49 striking amendment, and delete the line numbers.

50

51 Delete Attachment B, 2016 King County Comprehensive Plan Update Public Outreach
52 Plan and SEPA Analysis, dated March 2, 2015, and insert Attachment B, 2016 King
53 County Comprehensive Plan Update Public Outreach Plan and SEPA Analysis, dated
54 April 29, 2015, engross any adopted amendments to the striking amendment, and delete
55 the line numbers.

56

57 **EFFECT: Clarifies the GMA requirements for comprehensive plan updates, and**
58 **addresses the deadline for adoption of the scoping motion.**

59

60 **Attachment A is amended to:**

- 61 • **address inconsistencies with adopted growth management planning**
- 62 **hierarchy,**
- 63 • **clarify and give direction on existing policy issues,**
- 64 • **give direction on new policy issues,**
- 65 • **add new zoning and land use proposals, and**
- 66 • **add development code issues.**

67

68 **Attachment B is amended to include additional stakeholder groups and give further**
69 **direction regarding outreach.**

2016 King County Comprehensive Plan
Topical Areas
In accordance with King County Code 20.18.060(A.1)

Updates related to All Chapters:

All chapters of the King County Comprehensive Plan (KCCP) will be reviewed and updated to advance the County’s adopted Goals and Vision:¹ mobility; health and human services; economic vitality; safety and justice; accessible, affordable housing; healthy environment; and efficient, accountable regional and local government. Further, since the King County Countywide Planning Policies were substantially revised in the past four years, all chapters will be reviewed and updated to ensure consistency.

- Review and update the KCCP for consistency with current State, regional, and countywide growth management policy documents, such as the Growth Management Act, Vision 2040 and the multicounty planning policies (MPPs), Transportation 2040, and the Countywide Planning Policies (CPPs).
- Strengthen the link between the KCCP and the King County Strategic Plan through a set of metrics that will be based on measurable goal statements to be added to each chapter.
- Consider references, where appropriate, to adopted implementation plans and initiatives, such as the King County Health and Human Services Transformation Plan, King County Strategic Climate Action Plan, King County Cities Climate Collaboration (K4C), Youth Action Plan, and Rural Economic Strategies plan.
- Update and strengthen policies that call for better integration of land use and transportation to create sustainable communities by promoting walking and bicycling, greater transit use, access to a healthy food system, access to quality and affordable homes, reduced greenhouse gas emissions and improved environmental, health and economic outcomes.
- Review and update policies to support Low Impact Development (LID) and ensure language related to LID and stormwater management reflects current National Pollution Discharge Elimination System (NPDES) permit requirements.
- Update and strengthen policies to provide increased attention to areas with low income communities and people of color to address inequities and disparities related to health, housing, and prosperity.
- Review and update policies to address inequities and disparities related to environmental justice and climate justice impacts.

¹ Motion 14317

- 38 • Review and update policies to advance the 14 Determinants of Equity in each chapter,
39 and especially regarding the built environment, transportation, parks, housing, food
40 systems, and economic development.
- 41 • Review four-to-one policies, including consideration of: the efficacy of the program to
42 encourage permanent conservation of open space along the Urban Growth Boundary,
43 potential policy changes to allow flexibility for smaller parcels while still achieving
44 similar conservation goals, and identification of possible associated CPP changes.
- 45 • Consider consolidating health and equity policies into a new, stand-alone chapter.
- 46 • Update rural areas definitions (e.g. rural area, rural land, rural zoning, and rural cities)
47 and usage in plan for clarity and consistency.
- 48 • Update policies and related code sections to reflect court rulings, current case law, and
49 federal regulations.
- 50 • Update demographic and economic information.

51

Chapter One – Regional Growth Management Planning

53

Our region’s prosperity and sustainability rely on local governments working in partnership to plan for the future. The 2016 update to the Regional Growth Management Planning chapter will seek to strengthen the county’s commitment to regional partnerships and public engagement in order to support efficient and effective use of public funds and a high quality of life for all residents in King County.

58

- Update and strengthen policies to provide increased attention to areas with low income communities and people of color to address inequities and disparities.
- Review and update policies to strengthen the County’s commitment to regional partnerships – including examples such as the Growing Transit Communities Compact, Regional Code Collaboration, and the King County Cities Climate Collaboration (K4C) – and public engagement.
- Review policies to express support for the multi-use vision for the public asset currently known as the “Eastside Rail Corridor” and associated multi-jurisdictional collaboration.

66

Chapter Two – Urban Communities

68

The 2016 update to the Urban Communities chapter will focus on sustainability and health, racial, economic and social equity of all King County’s unincorporated urban communities by strengthening the nexus of land use and housing with health, public transportation, jobs, education, and social services.

72

- Update and strengthen policies to provide increased attention to areas with low income communities and people of color to address inequities and disparities.
- Advance the Communities of Opportunity initiative. Consider vehicles for communities to engage in innovative healthy place-making work.
- Identify prospects for partnerships with cities, especially within identified Potential Annexation Areas (PAAs).

77

- 78 • Review and update annexation policies to promote timely annexation of the remaining
- 79 urban unincorporated area, including consideration of utilizing zoning and/or
- 80 development regulations of the city identified for the PAA.
- 81 • Update PAA map, as needed.
- 82 • Address lingering service delivery issues in urban unincorporated areas likely to remain
- 83 in King County governance for the foreseeable future.
- 84 • Address the Regional Code Collaboration for opportunities to support Green Building
- 85 provisions.
- 86 • Review and update policies to support healthy, affordable housing, including additional
- 87 strategies to incentivize increased affordable housing and development.
- 88 • Consider adding policies that identify regional and/or unincorporated county targets for
- 89 affordable housing.
- 90 • Review and update policies to support appropriate housing for aging demographics,
- 91 including expanded use of cottage housing.
- 92 • Consider adding policies that address the historic distribution of benefits and burdens of
- 93 infrastructure and services.
- 94 • Extend the growth targets that were adopted in the 2012 CPPs to provide a 20-year
- 95 planning horizon.
- 96 • Update data consistent with the 2014 Buildable Lands Report and address any identified
- 97 shortfall in employment capacity in urban unincorporated King County.
- 98 • Review and update policies to ensure that there is robust provision for
- 99 public/community benefits and consider whether there should be heightened
- 100 public/community benefits requirements in new developments, especially in areas that
- 101 may be susceptible to displacement of lower income people and community-based
- 102 businesses.
- 103 • Update the data in the housing section and consider streamlining and/or moving to an
- 104 appendix.
- 105 • Evaluate Housing and Land Use Section to ensure that potential innovative new housing
- 106 models in urban unincorporated King County, in consideration of land uses in adjacent
- 107 jurisdictions, can be permitted and move forward, including homeless housing models.
- 108 • Address land use/zoning needs in urban unincorporated King County, in consideration of
- 109 land uses in adjacent jurisdictions, for transit-oriented communities that will include
- 110 high quality/healthy affordable housing at high capacity transit stations and access
- 111 areas.
- 112 • Explore addition of multifamily tax exemption and other affordable housing strategies.
- 113 • Consider inclusion of policies to support urban to urban TDRs and incentives for use of
- 114 TDRs in economically disadvantaged communities.

115

116 **Chapter Three – Rural Area and Natural Resource Lands**

117 *Rural and resource lands in King County contribute to the region's economic and environmental*
 118 *prosperity. The 2016 update to the Rural Area and Natural Resource Lands chapter will*
 119 *incorporate new information regarding the Local Food Economy Initiative and the Farm, Fish,*
 120 *Flood watershed planning process, as well as ongoing sustainability.*

- 121 • Update and strengthen policies to provide increased attention to areas with low income
- 122 communities and people of color to address inequities and disparities.
- 123 • Review the King County Local Food Economy Initiative recommendations for policy
- 124 implications and consider incorporating into policies, as appropriate.
- 125 • Review and update the Transfer of Development Rights (TDR) policies, including
- 126 consideration of policies to support urban to urban TDRs, incentives for use of TDRs in
- 127 economically disadvantaged communities, and expanded options for rural to rural TDRs.
- 128 • Strengthen policies related to improving productivity of farmland by addressing
- 129 drainage, flood impacts, irrigation needs and other farmland issues to facilitate farming
- 130 in King County.
- 131 • Update policies related to farm, fish, and flood conflicts, including consideration of the
- 132 findings of the Farm, Fish, Flood watershed planning process, which is scheduled to
- 133 conclude in Spring 2015.
- 134 • Evaluate and add policies to promote Green Building and energy reduction, where
- 135 feasible, in rural unincorporated areas.
- 136 • Update policies on landslide hazard identification, mapping, and mitigation countywide.
- 137 • Review and update policies to support appropriate housing for aging demographics,
- 138 including expanded use of cottage housing.
- 139 • Evaluate policies to the extent they address the needs of residents living in
- 140 unincorporated rural King County.
- 141 • Review and update policies to advance the Rural Economic Strategies plan and promote
- 142 rural economic development.
- 143 • Address issues related to resource-based home businesses.
- 144 • Address impacts related to resource-based businesses.
- 145 • Evaluate possibilities for streamlining home-based businesses.
- 146 • Consider adding policies to match rural densities with water resources, including
- 147 consideration of future water availability due to climate change.
- 148 • Update 2012 Agriculture and Forest Lands map, as needed.
- 149 • Update 2012 Mineral Resources map and property information, and ensure resources
- 150 within unincorporated King County meet Growth Management Act planning
- 151 requirements.

152
153 **Chapter Four – Environment**

154 *The sustainability of King County’s natural environment requires a long-term commitment to*
 155 *environmental monitoring and adaptive management that highlights changing environmental*
 156 *conditions, evaluates the effectiveness of county actions, and influences policy decisions and*
 157 *investments. Since the 2012 update, the Strategic Climate Action Plan was adopted and is*
 158 *currently under review to be updated in 2015 and the K4C was formed to collaborate on*
 159 *reducing greenhouse gas emissions. The 2016 update to the Environment chapter will advance*
 160 *King County’s commitment to environmental protection and further address climate change.*

- 161 • Update and strengthen policies to provide increased attention to areas with low income
- 162 communities and people of color to address inequities and disparities, specifically
- 163 including those related to environmental justice and climate justice impacts.

- 164 • Review and update climate policies to reflect changes in federal and state requirements,
165 climate inventories, the 2012 CPPs, and joint work with other cities and counties to
166 reduce greenhouse gas emissions and prepare for climate change impacts.
- 167 • Review and revise emissions reductions targets for consistency with State requirements
168 and adopted updates to the CPPs, including establishing short term goals to achieve the
169 2050 goal.
- 170 • Review and update policies to strengthen relationship between climate impacts and
171 solutions with health, equity, and social justice.
- 172 • Review and update policies concerning regional plans, such as those related to salmon
173 recovery, to better reflect the county’s expectations for the effective life of the plan, the
174 relative significance of such plans for the region, and/or priority for implementation.
- 175 • Consider adding new policies regarding beaver management in King County to explore
176 the benefit to maximize stream restoration efforts, climate change benefits, and reduce
177 flood risk associated with beaver dams.
- 178 • Review and update policies to encourage and support a more integrated approach to
179 achieving improved outcomes for water quality, health, and habitat.
- 180 • Review and update policies as needed to reflect most recent Puget Sound Action
181 Agenda and its focus on habitat, stormwater, and shellfish beds.
- 182 • Update policies as needed for consistency with new requirements for municipal
183 stormwater discharge permits.

184
185 **Chapter Five – Shoreline Master Program**

186 *This chapter is adopted in accordance with RCW 90.58.020.*

- 187 • Update policies to reflect an emphasis on the importance of outreach/education to
188 shoreline property owners.

189
190 **Chapter Six– Parks, Open Space and Cultural Resources**

191 *The 2016 update to the Parks, Open Space and Cultural Resources chapter will further reflect*
192 *the priority for developing and maintaining regional and local parks, open space, and the*
193 *regional trails based on the voter-approved 2013 Parks, Trails & Open Space Replacement Levy.*

- 194 • Update and strengthen policies to provide increased attention to areas with low income
195 communities and people of color to address inequities and disparities.
- 196 • Review and update policies to facilitate the recreation element of the multi-use vision
197 for the public asset currently known as the “Eastside Rail Corridor.”
- 198 • Review and update policies relating to climate change/sustainability, forest stewardship,
199 and public engagement/partnerships.
- 200 • Create a brief policy subsection for the Regional Trails System (RTS).
- 201 • Update the Regional Trails Needs Report (RTNR) and the RTNR Map.
- 202 • Update the 2012 King County’s Open Space System Map.

203
204 **Chapter Seven – Transportation**

205 *The 2016 update to the Transportation chapter will further refine the policy framework that*
 206 *guides efficient provision of vital transportation infrastructure and services that support thriving*
 207 *communities and the county's participation in critical regional transportation issues. The 2016*
 208 *update will also reflect the county's continuing transition to becoming a road service provider*
 209 *for a primarily rural roads system.*

- 210 • Update and strengthen policies to provide increased attention to areas with low income
 211 communities and people of color to address inequities and disparities.
- 212 • Review and update policies to reflect adopted transportation functional plans such as
 213 agency strategic plans, service guidelines, long-range plans, and master plans.
- 214 • Review and update policies and programs related to transportation level of service and
 215 impact mitigation. Update the Transportation Concurrency Management program and
 216 Mitigation Payment System to reflect insufficient funding to address roadway capacity
 217 improvements for the foreseeable future. The Concurrency program update should
 218 address collaboration with other jurisdictions regarding infrastructure improvement
 219 strategies to help prevent travel shed failure caused by unfunded city and state projects
 220 and traffic generated outside the unincorporated area.
- 221 • Review and update policies to address unmet roadway infrastructure needs in the rural
 222 area.
- 223 • Review and update policies to facilitate the transportation element of the multi-use
 224 vision for the public asset currently known as the "Eastside Rail Corridor."
- 225 • Review and update policies to guide and potentially expand public and private
 226 partnerships to advance regional transportation services.
- 227 • Review and update policies related to local and regional transportation funding, pricing,
 228 and demand management.
- 229 • Review and update policies to promote active transportation, as appropriate.
- 230 • Review and update transportation policies promoting sustainability issues, such as
 231 greenhouse gas emissions reduction goals and performance and operation of the
 232 HOV/HOT lane system to support efficiencies for transit and other vehicles.
- 233 • Review and update policies to strengthen coordinated planning to increase connectivity
 234 between transportation modes.
- 235 • Review and update environmental and stormwater management policies to facilitate
 236 efficient and cost-effective maintenance and preservation of transportation
 237 infrastructure and respond to emergency situations. Consider adding policies to
 238 prioritize replacement of culverts that function as fish barriers on county roadways.
- 239 • Address the importance of high quality/healthy housing, including sufficient housing
 240 that is affordable, near transit stations as part of a strategy to increase the use of public
 241 transportation, reduce vehicle trips and vehicle miles traveled, and improve equity
 242 outcomes.
- 243 • Consider policies to incorporate health and equity assessments as part of transportation
 244 planning and project analysis.
- 245 • Review and update policies to address the importance of regional collaboration to
 246 provide and site infrastructure supportive of freight mobility, including truck stops.

- 247 • Review and update policies to support and advance the King County International
248 Airport Master Plan.

249
250 **Chapter Eight – Services, Facilities and Utilities**

251 *The 2016 update to the Services, Facilities and Utilities chapter will focus on strengthening*
252 *regional cooperation and coordination around critical community infrastructure including water*
253 *supply, wastewater treatment, flood management, and solid waste. Policies will be updated to*
254 *reflect new and innovative approaches to energy efficiency, green building and environmental*
255 *sustainability, and will reinforce the important social and economic role King County’s facilities,*
256 *services, and utilities play in the region.*

- 257 • Review and update policies to reflect environmental justice, equity, and social justice,
258 including consideration of historic trends in the distribution of benefits and burdens.
- 259 • Review and update policies to facilitate the utilities element of the multi-use vision for
260 the public asset currently known as the “Eastside Rail Corridor.”
- 261 • Review policies to reflect that the Wastewater Treatment Division (WTD) uses planning
262 horizons that exceed the 20-year growth target and land use plan when developing
263 capital facility plans.
- 264 • Update policies in the Capital Facility Planning section to reflect that WTD uses an
265 alternative to LEED, Envision Sustainable Infrastructure Rating System, to rate WTD
266 infrastructure.
- 267 • Update policies to reflect Consent Decree requiring completion of Combined Sewer
268 Overflow projects by 2030.
- 269 • Review and update policies as needed to ensure compliance with state and federal laws
270 and treaty obligations related to monitoring, inspection, and correction of failing onsite
271 septic systems.
- 272 • Review policies for consistency with adopted updates to Solid Waste Division
273 facilities/transfer plans. Update policies to reflect goals for zero waste/70% recycling
274 rates.
- 275 • Review and update the Regional Services section to reflect the Health and Human
276 Services Transformation Plan , Communities of Opportunity, and Youth Action Plan.

277
278 **Chapter Nine – Economic Development**

279 *The 2016 update to the Economic Development chapter will recognize that sustainable*
280 *economic development benefiting all people in King County requires visionary policies and*
281 *strong partnerships to grow and attract businesses, educate and train workers, and maintain*
282 *and expand infrastructure while supporting the health of the natural and built environment.*

- 283 • Update and strengthen policies to provide increased attention to areas with low income
284 communities and people of color to address inequities and disparities.
- 285 • Update economic data.
- 286 • Review and update policies to advance the Rural Economic Strategies plan.
- 287 • Explore including policies to address growing income inequality.

- 288 • Consider including policies for place-based workforce training strategies in communities
289 with education and opportunity challenges.
- 290 • Review and update policies to promote economies and industries of opportunity for low
291 and moderate income residents in “places of opportunity,” including in transit-served
292 job centers and in communities with high concentrations of unemployment and
293 poverty.
- 294 • Review the King County Local Food Economy Initiative recommendations for policy
295 implications and incorporate into policies as appropriate.
- 296 • Assess current fragmented economic development activities across the county and
297 update policies to improve regional coordination and achieve agreed-upon results in job
298 and wage growth and in economic diversity.

Chapter Ten – Community Plans

300 *The 2016 updates to Community Plans will enhance the applicability of the community plan*
301 *policies by focusing on specific community issues and eliminating those policies that relate to*
302 *areas that have annexed to cities.*
303

- 304 • Update and strengthen policies to provide increased attention to areas with low income
305 communities and people of color to address inequities and disparities.
- 306 • Update policies to remove site specific references to areas that have been annexed to
307 cities.
- 308 • Review policies for broader applicability and consider incorporating into other chapters
309 of the Comprehensive plan rather than being site specific.

Chapter Eleven – Implementation, Amendments and Evaluation

310
311 *The 2016 update to the Implementation, Amendments and Evaluation chapter will strengthen*
312 *the link between the KCCP and the King County Strategic Plan through a set of metrics that will*
313 *be based on measurable goal statements to be added to each chapter.*
314

- 315 • Update and strengthen policies to provide increased attention to areas with low income
316 communities and people of color to address inequities and disparities.
- 317 • Review and update metrics to monitor the progress of the KCCP toward achieving the
318 Regional Growth Strategy.
- 319 • Consider adding metrics to monitor the performance of the KCCP in meeting the goals
320 of the Growth Management Act.²
- 321 • Work with the State Department of Commerce and, as necessary, the Growth
322 Management Planning Council (GMPC), to consider possible changes to Buildable Lands
323 Reports, including establishing measurable targets for each type of residential housing
324 (e.g. single family, multifamily, and affordable housing).
- 325 • Work with the State Department of Commerce and, as necessary, the GMPC, on
326 possible CPP amendments to ensure accuracy of Buildable Lands Reports by considering
327 all factors that may prevent achieving growth targets.

² RCW 36.70A.020

329 **Glossary**

- 330 • Update rural areas definitions (e.g. rural area, rural land, rural zoning, and rural cities).

331

332 **Area Zoning and Land Use Proposals**

- 333 • **West Hill** (Motion 14221): Incorporate the updated subarea plan (expected to be
334 completed by June 30, 2015), which should include zoning and regulations that: address
335 the historic wide gaps in equity of infrastructure investments and services; facilitate
336 the revitalization of its neighborhoods, local economy, and quality of life of its residents;
337 and have included outreach with the local community in their development.

- 338 • **Fairwood** (Motion 14276): Review land use designations and implementing zoning on
339 parcels 3423059035, 3423059061, 3423059031, and 3423059034 and the surrounding
340 area.

- 341 • **Federal Way** (Motion 14276): Review land use designations and implementing zoning
342 on parcel 282104971 and the surrounding area.

- 343 • **Allison Docket request:** Review land use designation and implementing zoning on
344 parcel 3224079134 and the surrounding area, and consider whether to remove Special
345 District Overlay.

- 346 • **Timmerman Docket request:** Review land use designation and implementing zoning on
347 parcel 2625069041 and the surrounding area, and consider whether to change
348 designation and/or zoning, pending the outcome of a review by the City of Sammamish
349 in their 2015 Comprehensive Plan update.

- 350 • **Snoqualmie Interchange:** Review land use designations and implementing zoning on
351 the north side of I-90 and SR-18 interchange, and consider whether to convert land from
352 rural to urban. The evaluation process should include outreach with the City of
353 Snoqualmie and **appropriate stakeholder groups** in an effort to negotiate a map
354 amendment proposal supported by all parties.

- 355 • **Duthie Hill:** Review land use designations and implementing zoning within the Duthie
356 Hill Notch in unincorporated Sammamish and the surrounding area, and consider
357 whether to convert land from rural to urban.

- 358 • **Woodinville:** Consider zoning and land use map changes, including potential pilot
359 projects and special district overlays, to more accurately align with non-conforming and
360 agriculture supportive land uses in unincorporated Woodinville in and around the
361 Sammamish Valley APD.

- 362 • **Fall City:** Review and update the Fall City Subarea Plan including: review land use
363 designations and implementing zoning on
364 parcels 0943100020, 2475900865, 1524079003, 1524079002, 1524079145,
365 and 1524079108 and the surrounding area, and consider including the parcels in the Fall
366 City Business District and the Special District Overlay; and update policies to facilitate
367 increased assistance from King County, as the local government provider, in the
368 formation and management of a local alternative wastewater system.

- 369 • **Snoqualmie Pass:** Initiate a subarea plan for Snoqualmie Pass rural town and ski area.
370 The subarea plan should developed in collaboration with Kittitas County and should

371 evaluate and address the current and future housing and economic development needs
372 of this growing community.

373 • **Vashon:** Incorporate the updated Town Plan, which should include zoning and
374 regulations that: address community and business needs, improve economic vitality and
375 quality of life of its residents, and have included the outreach with the local community
376 in their development.

377 • **Highline:** Incorporate the updated subarea plan, which should include zoning and
378 regulations that: address the historic wide gaps in equity of infrastructure investments
379 and services; facilitate the revitalization of its neighborhoods, local economy, and
380 quality of life of its residents; and have included outreach with the local community in
381 their development.

382 • **Carnation:** Review land use designations and implementing zoning on parcels
383 1525079049, 1525079005, and 1525079010 and the surrounding area, and consider
384 whether to convert the parcels from rural to urban. The proposal should be evaluated
385 in conjunction with dedication of lands as open space and/or farmland preservation that
386 is four times the acreage of the land added to the Urban Growth Area.

387 • **North Bend:** Review land use designations and implementing zoning on
388 parcels 1523089218, 1523089217, 1523089216, 1523089147, 1523089039,
389 1523089132, 1523089149, 1523089194, 1523089170,
390 1523089019, 1523089124, 1523089133, 1523089018, 1523089137, 2223089055,
391 2223089002, 2223089026, 2223089019, and 2223089049 and the surrounding area,
392 and consider whether to convert the parcels from rural to urban. The proposal should
393 be evaluated in conjunction with dedication of a portion of the land as open space that
394 is four times the acreage of the land added to the Urban Growth Area.

395

396 **Technical Appendices**

397 • Update technical appendices as needed.

398

399 **Development Code**

400 • Consider code flexibility for potential overlay zones for agriculture supportive and
401 dependent uses.

402 • Consider code flexibility for alternative temporary lodging, such as treehouses and
403 structures associated with re-creations of historic communities.

404 • Consider code flexibility for alternative housing models, such as micro housing.

405 • Consider code changes to regarding ingress/egress for new plat proposals, including
406 space needed for traffic queuing.

407 • Update and consolidate code sections related to agriculture lands, including KCC 20.54,
408 while still maintaining and/or memorializing relevant policy statements and findings.

409 • Evaluate and consider code changes to expand use of and/or timelines for extensions of
410 plat approvals.

6 **I. Public Outreach Plan**

7 King County Regional Planning staff, along with staff from the Executive
 8 Departments, will conduct a two-phased approach to public outreach for the 2016
 9 King County Comprehensive Plan. The first phase will take place during the
 10 spring and summer to get input into the issues to be addressed in the update.
 11 King County staff will have information on the update process at the Community
 12 Service Area open houses during the period April through June. The 2nd phase
 13 will take place in the fall and early winter once the Public Review Draft has been
 14 released. Throughout the entire process, the 2016 King County Comprehensive
 15 Plan website will be updated and the email address for comments will be
 16 monitored. The following community and stakeholder groups will be notified of
 17 the update process and will receive an invitation for Regional Planning staff to
 18 meet with communities and organizations to gather feedback.
