SUMMARY OF RECOMMENDATIONS:

Department's Recommendation:	Approve 10.71 acres for 20% of assessed value
Examiner's Recommendation:	Approve 10.71 acres for 20% of assessed value

PRELIMINARY REPORT:

On February 13, 2020, the Department of Natural Resources and Parks (DNRP) submitted its report on file no. E19CT025 to the Examiner.

PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a public hearing on the application on February 27, 2020, in the Fred Conference Room, King County Courthouse, 516 Third Avenue, Seattle, Washington.

FINDINGS AND CONCLUSIONS:

1. General Information:

Owner:	Erik Steffens 10426 SW Cemetery Road Vashon, WA 98070
Location:	10426 SW Cemetery Road, Vashon / No address
STR:	NE 6, SE 31-22, 23-3, 3
Zoning:	RA5-SO
Parcel no/s.:	0622039006, 3123039179
Total acreage:	12.37 acres

2. The Applicant timely filed an application to King County for the Public Benefit Rating System (PBRS) program current use valuation of the property to begin in 2020. As required by law, notification of the application occurred. This application reclassifies the property from the farm and agricultural land program into PBRS. Any PBRS agreement should supersede the farm and agricultural land program enrollment.

3. A summary of relevant PBRS categories follows below. (Plain text represents a category an applicant requested an award for and that DNRP agrees is warranted. Any ~~strike through~~ represents a category an applicant requested an award for but that DNRP disagrees is warranted. Any *italics* represents a category an applicant did not request an award for, but that DNRP nonetheless concludes is warranted. And any *asterisk* represents a category where DNRP finds an award is warranted, but only if certain contingencies or conditions are met.)

PBRS categories:	<u>Open Space Resources</u>	
	Aquifer protection area	5
	Equestrian-pedestrian-bicycle trail linkage	0
	Farm and agricultural conservation land	5
	Rural open space	0
	<i>Significant wildlife or salmonid habitat</i>	5
	<u>Bonus Categories</u>	
	Conservation easement or historic easement	15
	Unlimited public access	0
		<hr/> 30

The DNRP-recommended score of 30 points results in a current use valuation of 20% of assessed value for the enrolled portion of the property.

4. As to the land area recommended for PBRS enrollment, the Applicant requested 11.15 acres and DNRP recommends 10.71 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
5. Except as modified herein, the facts set forth in DNRP's preliminary report and testimony at the February 27, 2020, public hearing are correct and incorporated herein by reference. Copies of this report and DNRP's report will be provided to the Metropolitan King County Council for final approval.
6. Approval of 30 points and a current use valuation of 20% of assessed value for 10.71 acres of the property are consistent with KCC Chapter 20.36 and with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

1. APPROVE current use valuation of 20% of assessed value for 10.71-acre enrolled portion of the property.

DATED March 12, 2020.

David Spohr
Hearing Examiner

NOTICE OF RIGHT TO APPEAL

A person appeals an Examiner recommendation by following the steps described in KCC 20.22.230, including filing with the Clerk of the Council a sufficient appeal statement and a \$250 appeal fee (check payable to the King County FBOD). Appeal statements may refer only to facts contained in the hearing record; new facts may not be presented on appeal. KCC 20.22.230 also requires that the appellant provide copies of the appeal statement to the Examiner and to any named parties listed on the front page of the Examiner's recommendation.

Prior to the close of business (4:30 p.m.) on *April 6, 2020*, an electronic copy of the appeal statement must be sent to Clerk.Council@kingcounty.gov and a paper copy of the appeal statement must be delivered to the Clerk of the Council's Office, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, Washington 98104. Prior mailing is not sufficient if actual receipt by the Clerk does not occur within the applicable time period. If the Office of the Clerk is not officially open on the specified closing date, delivery prior to the close of business on the next business day is sufficient to meet the filing requirement.

Unless both a timely and sufficient appeal statement and filing fee are filed by *April 6, 2020*, the Clerk of the Council shall place on the agenda of the next available Council meeting a proposed ordinance implementing the Examiner's recommended action. At that meeting the Council may adopt the Examiner's recommendation, defer action, refer the matter to a Council committee, or remand to the Examiner for further hearing or further consideration.

If a timely and sufficient appeal statement and filing fee are filed by *April 6, 2020*, the Examiner will notify all parties and interested persons and provide information about "next steps."

MINUTES OF THE FEBRUARY 27, 2020, HEARING ON THE APPLICATION OF ERIK STEFFENS, FILE NO. E19CT025

David Spohr was the Hearing Examiner in this matter. Bill Bernstein and Megan Kim both participated in the hearing on behalf of the department.

The following exhibits were offered and entered into the hearing record:

Exhibit no. 1	DNRP report to the Hearing Examiner
Exhibit no. 2	<i>Reserved for future submission of the affidavit of hearing publication</i>
Exhibit no. 3	Legal notice and introductory ordinance to the King County Council
Exhibit no. 4	Arcview/orthophotograph and aerial map
Exhibit no. 5	Application signed and notarized
Exhibit no. 6	Farm conservation plan
