AGREEMENT BETWEEN
KING COUNTY AND
WASHINGTON STATE COUNCIL OF COUNTY AND CITY EMPLOYEES
LOCAL NO. 21-HEALTH DEPARTMENT, AFL-CIO

PREAMBLE

These articles constitute an Agreement, the terms of which have been negotiated in good faith by representatives of King County (hereinafter referred to as the County or the Health Department) and Washington State Council of County and City Employees, Local 21-Health Department, AFL-CIO (hereinafter referred to as the Union).

The intent and purpose of this Agreement is to promote the continued improvement of the relationship between the County and the employees represented by the Union by providing a uniform basis for implementing the right of public employees to join organizations of their own choosing and to be represented by such organizations in matters concerning their relations with the County, and to set forth the wages, hours, and other conditions of bargaining unit employees, provided the County has such authority to act on such matters. This Agreement shall be subject to approval by ordinance by the County Council of King County, Washington.

ARTICLE 1: NONDISCRIMINATION

Section 1. The County and the Union agree all terms and conditions of employment included in this Agreement shall be administered and applied in a manner that is nondiscriminatory under federal or state law, or County Ordinance which prohibit discrimination on the basis of one or all of the following: race, color, age, sex, marital status, sexual orientation, political ideology, creed, religion, ancestry, or national origin, or disability. Disputes arising under this article shall not be subject to arbitration procedures provided in Article 5 of this Agreement.

Section 2. Whenever words denoting the feminine or masculine gender are used in this Agreement, they are intended to apply to either gender.

ARTICLE 2: RECOGNITION AND BARGAINING UNIT

Section 1. The County hereby recognizes the Union as the exclusive collective bargaining

1 representative of Health Department employees whose job classifications are listed in the attached
2 Addendum.

3 **ARTICLE 3: MANAGEMENT RIGHTS**

4 **Section 1.** The right to hire, appoint, promote, discipline for just cause, improve efficiency,
5 and determine work schedules and the location of Department facilities are examples of management
6 prerogatives. It is understood that the Health Department retains its right to manage and operate its
7 divisions except as may be limited by an express provision of this Agreement. This Agreement shall
8 not limit the right of the County to contract for services of any and all types, except that the County
9 agrees not to contract out for services that would result in the elimination of bargaining unit positions.

10 **Section 2.** Delivery of health services in the most efficient, effective, and courteous manner is
11 of paramount importance to the County and, as such, maximized productivity is recognized to be an
12 obligation of the parties to this Agreement. In order to achieve this goal, the parties hereby recognize
13 the County's and the Department's right to determine the methods, processes, and means of providing
14 health services, the right to increase or diminish operations, in whole or in part, the right to increase,
15 diminish or change equipment, including the introduction of any and all new, improved, or automated
16 methods or equipment, and the assignment of employees to specific jobs within the bargaining unit.

17 **Section 3.** The Union recognizes the County's and the Department's right to establish and/or
18 revise the Department's performance evaluation system. Such system may be used to determine
19 acceptable performance levels, prepare work schedules, and to measure the performance of each
20 employee or group of employees.

21 **Section 4. Payroll Reopener Language** – The parties agree the County has the right to
22 implement a common biweekly payroll system that will standardize pay practices and Fair Labor
23 Standards Act work weeks. The parties agree that applicable provisions of the collective bargaining
24 agreement may be re-opened at any time during the life of this agreement by the County for the
25 purpose of negotiating these standardized pay practices, to the extent required by law.

26 **ARTICLE 4: UNION MEMBERSHIP AND DUES**

27 **Section 1.** It shall be a condition of employment that all employees covered by this
28 Agreement who are members of the Union shall remain members in good standing, or pay an agency

1 fee to the Union for their representation to the extent permitted by law. All employees hired in
2 positions covered by this Agreement on or after its effective date shall, on the thirtieth (30th) day
3 following such employment, become and remain members in good standing in the Union, or pay an
4 agency fee to the Union for their representation to the extent permitted by law. Employees who
5 qualify for exemption from this requirement based upon a good faith religious belief, or bona fide
6 religious tenets or teachings of a church or religious body of which the employee is a member, shall
7 contribute an amount equivalent to regular Union dues or agency fee to a nonreligious charity
8 mutually agreed upon by the employee and the Union.

9 **Section 2.** The County agrees to deduct from the paycheck of each employee, who has so
10 authorized it, regular monthly dues (or agency fees) uniformly required of members of the Union.
11 The amounts deducted shall be transmitted monthly to the Union on behalf of the employees
12 involved. Authorization by the employee shall be on a form approved by the parties hereto and may
13 be revoked by the employee upon request. The performance of this function is recognized as a
14 service to the Union by the County.

15 **Section 3.** The Union agrees to indemnify and save harmless the County from any and all
16 liability resulting from the dues check-off system, the Union security obligation, and the religious
17 exemption requirements, except as delineated in Section 4 below.

18 **Section 4.** Failure by an employee to abide by the afore referenced provisions shall constitute
19 cause for discharge of such employee; provided, however, it shall be the responsibility of the Union
20 to notify the Health Department Director, with a copy to the Department of Executive Services,
21 Human Resources Division Director, in writing when it is seeking discharge of an employee for
22 noncompliance with Section 1 of this Article. When an employee fails to fulfill the union security
23 obligations set forth within this Article, the Union shall forward a "Request for Discharge Letter" to
24 the Health Department Director (with copies to the affected employee and the Human Resources
25 Division Director of the Department of Executive Services). Accompanying the discharge letter shall
26 be a copy of the letter to the employee from the Union explaining the employee's obligation under
27 Article 4, Section 1.

28 The contents of the "Request for Discharge Letter" shall specifically request the discharge of

1 the employee for failure to abide by Article 4, Section 1, but provide the employee and the County
2 with thirty (30) calendar days' written notification of the Union's intent to initiate discharge action,
3 during which time the employee may make restitution in the amount which is overdue. Upon receipt
4 of the Union's request, the Health Department Director shall give notice in writing to the employee,
5 with a copy to the Union and the County that the employee faces discharge upon the request of the
6 Union at the end of the thirty (30)-calendar day period noted in the Union's "Request for Discharge
7 Letter" and that the employee has an opportunity before the end of said thirty (30)-calendar day
8 period to present to the Health Department Director any information relevant to why the Health
9 Department should not act upon the Union's written request for the employee's discharge. In the
10 event the employee has not yet fulfilled the obligation set forth within Section 1 of this Article within
11 the thirty (30)-calendar day period noted in the "Request for Discharge Letter," the Union shall
12 thereafter reaffirm in writing to the Health Department Director with copies to the affected employee
13 and the County, its original written request for discharge of such employee. Unless sufficient legal
14 explanation or reason is presented by the employee why discharge is not appropriate or unless the
15 Union rescinds its request for the discharge the County shall, as soon as possible thereafter, effectuate
16 the discharge of such employee. If the employee has fulfilled the union security obligation within the
17 thirty (30)-calendar day period, the Union shall so notify the Health Department Director in writing,
18 with a copy to the County and the affected employee. If the Union has reaffirmed its request for
19 discharge, the Health Department Director shall notify the Union in writing, with a copy to the
20 County and the affected employee, that the Department effectuated, or that the Health Department has
21 not discharged the employee, setting forth the reasons why it has not done so.

22 **ARTICLE 5: GRIEVANCE PROCEDURE**

23 **Section 1.** The Department recognizes the importance and desirability of settling grievances
24 promptly and fairly in the interest of continued good employee relations and morale. To accomplish
25 this, every effort will be made to settle grievances at the lowest possible level of supervision with the
26 understanding that grievances will be filed at the step at which there is authority to adjudicate,
27 provided the immediate supervisor is notified.

28 **Section 2.** A contract grievance in the interest of a majority of the employees in the

1 bargaining unit shall be reduced to writing by the Union and may be introduced at Step 2 of the
2 grievance procedure and processed within the time limits set forth therein.

3 **Section 3.** Grievances processed through Step 3 of the grievance procedure are to be heard on
4 Department time and no employee shall receive compensation beyond normal working hours while
5 attending grievance meetings unless stipulated otherwise by the parties.

6 **Section 4.** Employees will be unimpeded and free from restraint, interference, coercion,
7 discrimination, or reprisal in seeking adjudication of their grievance.

8 Probationary employees shall not have the right to pursue grievances over dismissal but shall
9 be able to pursue grievances as otherwise provided. Regular employees reverted during probation
10 shall not have the right to pursue grievances over reversion but shall be able to pursue grievances as
11 otherwise provided.

12 **Section 5.** Definition. Any dispute arising during the term of this Agreement between the
13 County and the Union or between the County and any employee covered by this Agreement
14 concerning the interpretation, application, claim of breach or violation of the express terms of this
15 Agreement shall be deemed a grievance.

16 Working days referred to in the grievance procedure shall be defined as Monday through
17 Friday excluding observed holidays.

18 Any time limits agreed to in the grievance procedure may be extended for stated periods of
19 time by the appropriate parties by mutual agreement in writing. Failure by an employee or the Union
20 to comply with any time limitation of the procedure of this Article shall constitute withdrawal of the
21 grievance.

22 **Section 6.** Grievance procedure.

23 **Step 1:** A grievance shall be presented in writing by the aggrieved employee and/or
24 Union representative to the employee's immediate supervisor within ten (10) working days of the
25 alleged contract violation or knowledge of the violation. The grievance notice shall be dated and
26 shall include the date of the incident, the issue(s), and the due date (ten (10) working days) for the
27 immediate supervisor's response. After consulting with the District Administrator/Manager, the
28 immediate supervisor shall attempt to resolve the matter and notify the employee or Union

1 representative in writing within ten (10) working days of receipt of the grievance.

2 If the employee and/or Union representative do not receive a response at Step 1 within the
3 time frames listed above, the grievance may be elevated to Step 2. If the grievance is not pursued to
4 the next step within ten (10) working days following receipt of the written Step 1 response from the
5 immediate supervisor, it shall be presumed resolved.

6 **Step 2:** If the grievance is not resolved at Step 1 or is filed initially at Step 2, the
7 employee or Union representative shall present the grievance in writing, specifying the section(s) of
8 the contract allegedly violated and the remedy sought. The grievance shall then be presented to the
9 Division Manager for investigation, discussion and written reply. The Division Manager, after
10 consulting with the Department Director, shall meet with the Union and the grievant within ten
11 working days. The Division Manager then will make a written decision and present it to the
12 aggrieved employee and/or Union representative with a copy mailed to the Union within ten (10)
13 working days of the Step 2 grievance hearing. If the employee and/or Union representative do not
14 receive a response at Step 2 within the time frames listed above, the grievance may be elevated to
15 Step 3. If the grievance is not pursued to the next higher level within ten (10) working days from the
16 Union's receipt of the Division Manager's written response, it shall be presumed resolved.

17 **Step 3:** If the decision of the Division Manager has not resolved the grievance, the
18 grievance may be presented to the Director of the Office of Labor Relations and the Health
19 Department Personnel Office. The Director of the Office of Labor Relations or designee shall hear
20 the grievance and respond in writing to the employee and Union representative within ten (10)
21 working days following the presentation of the grievance. The meeting to hear the grievance will be
22 scheduled as soon as practical, but not less than thirty (30) days after receipt of the Step 3 grievance
23 by the Director of the Office of Labor Relations.

24 **Step 4:** If the Step 3 decision does not resolve the grievance to the satisfaction of the
25 Union or the County, either the Union or the County may request arbitration within thirty (30)
26 calendar days of the Union's receipt of the Step 3 decision. Grievances relating to written or oral
27 reprimands shall not be appealed to arbitration. The request for arbitration must specify:

28 a. Section(s) of the Agreement allegedly violated

1 b. Nature of the alleged violation

2 c. Remedy sought

3 The Union and the County shall then select a third disinterested party to serve as arbitrator. In
4 the event that the parties are unable to agree upon an arbitrator, then the arbitrator shall be selected
5 from a panel of seven arbitrators furnished by the Federal Mediation and Conciliation Service
6 (FMCS). The arbitrator will be selected from the list by the Department representative and the Union
7 alternately striking a name from the list until only one remains.

8 In connection with any arbitration proceeding held pursuant to the Agreement, it is understood
9 as follows:

10 1. The arbitrator shall have no power to render a decision that will add to, subtract
11 from, alter, change, or modify the terms of this Agreement, and all other matters shall be excluded
12 from arbitration.

13 2. The decision of the arbitrator shall be final, conclusive and binding upon the
14 County, the Department, the Union, and the employee involved.

15 3. The cost of the arbitrator shall be borne equally by the Department and the Union.
16 Each party shall bear the cost of presenting its own case including the cost of any witnesses appearing
17 on that party's behalf. Each party shall bear the cost of it's own attorney fees regardless of the
18 outcome of the hearing.

19 4. The arbitrator's decision shall be made in writing and shall be issued to the parties
20 within thirty (30) calendar days after the case is submitted to the arbitrator.

21 5. Any arbitrator selected under Step 4 of this Article shall function pursuant to the
22 voluntary labor arbitration regulations of the American Arbitration Association unless stipulated
23 otherwise in writing by the parties to this Agreement.

24 There shall be no strike, cessation of work or lockout during hearings or arbitrations.

25 Arbitration awards or grievance settlements shall not be made retroactive beyond the date of
26 the occurrence or nonoccurrence upon which the grievance is based, that date being fourteen (14)
27 calendar days or less prior to the initial filing of the grievance.

28 Mediation: Prior to submitting a dispute to arbitration, the parties may agree to select a

1 neutral third party to serve as mediator. If mediation is not successful, arbitration may be requested
2 as provided above, within thirty (30) days after the mediator or one of the parties declares impasse.

3 **Section 7.** An employee covered by this Agreement must, upon initiating objections relating
4 to disciplinary action, use either the contractual grievance procedure contained herein or disciplinary
5 appeals under the King County Personnel Guidelines.

6 Under no circumstance may an employee use both the contractual grievance procedure and a
7 personnel system appeal procedure relative to the same action. If there are dual filings with the
8 grievance procedure and a personnel system appeal procedure, the County will send notice of such
9 filings by certified mail to the employee(s) and the Union. The Union will notify the Director of the
10 Office of Labor Relations by certified mail within fifteen (15) calendar days from the date of receipt
11 of the notice if it will use the contractual grievance procedure. If no such notice is received by the
12 Director of the Office of Labor Relations, the contractual grievance action shall be deemed to be
13 withdrawn.

14 **ARTICLE 6: WORK STOPPAGES**

15 The County, Department, and Union agree that the public interest requires the efficient and
16 uninterrupted performance of all health services and, to this end, pledge their best efforts to avoid or
17 eliminate any conduct contrary to this objective. During the life of the Agreement, the Union shall
18 not cause any work stoppage, strike, slowdown, or other interference with County and/or Department
19 functions by employees under this Agreement. The Union agrees to take appropriate steps to end
20 such interference if it occurs. Employees shall not cause or engage in any work stoppage, strike,
21 slowdown, or other interference with County and/or Department functions for the term of this
22 Agreement. Employees covered by this Agreement who engage in any of the foregoing actions shall
23 be subject to such disciplinary actions as may be determined by the County and/or Department,
24 including but not limited to, the recovery of any financial losses suffered by the County and/or
25 Department.

26 **ARTICLE 7: CLASSIFICATIONS AND RATES OF PAY**

27 **Section 1.**

28 A. Effective January 1, 2015, the wage rates in effect the previous December 31st for

1 all employees shall remain as represented in Addendum A and consistent with the 2015 King County
2 Squared Table Salary Schedule.

3 2015 - Effective January 1, 2015, employees rates of pay shall be increased by 2.00%
4 for a Cost-of-Living Allowance (COLA) pursuant to the Total Compensation Agreement.

5 2016 - Effective January 1, 2016, employee rates of pay shall be increased by 2.25%
6 for a Cost-of-Living Allowance (COLA) pursuant to the Total Compensation Agreement.

7 **Total Compensation Agreement.** Upon full ratification of the Memorandum of
8 Agreement titled: Addressing "Total Compensation" Coalition Bargaining; 2015-2016 Budget; And
9 Cost-Of-Living Wage Adjustments For King County Coalition Of Labor Unions Bargaining Unit
10 Members 2015-2016 ("Agreement") by King County, the full terms and conditions of the Agreement
11 are agreed to and incorporated into this Collective Bargaining Agreement, attached hereto as
12 Addendum B.

13 **B. Economic and Fiscal Conditions Reopener.** The parties agree when significant
14 shifts in economic and fiscal conditions occur during the term of this agreement, the parties agree to
15 reopen negotiations for COLA when triggered by either an increase in the King County
16 unemployment rate of more than 2 percentage points compared with the previous year or a decline of
17 more than 7%, in County retail sales as determined by comparing current year to previous year. Data
18 will be derived from Washington State Department of Revenue. By no later than July 30th of each
19 year of this agreement, the county will assess whether the economic measurements listed above
20 trigger contract reopeners on COLA for the subsequent year.

21 **C. Bi-Weekly Payroll.** Management may take whatever action necessary to
22 implement bi-weekly pay.

23 **Section 2.** When a position is reclassified to a new or different class having a different salary
24 range, the employee occupying the position immediately prior to and at the time of reclassification
25 shall receive the salary rate which shall be determined in the same manner as for a promotion;
26 provided that, if the employee's salary prior to reclassification is higher than the maximum salary of
27 the range for such new or different class, he shall continue to receive such higher salary as an
28 "incumbent" for so long as he remains in such position or until the regular salary for the classification

1 exceeds the "incumbent" rate of pay.

2 **Section 3.**

3 A. Pay Ranges: Pay ranges and pay range assignments shall be as set forth in
4 Addendum A.

5 B. Step Increases:

9 increases must be supported by documented performance appraisal. Probationary-period pay
10 increases exceeding Step 5 must have prior written approvals by the Department Director.

11 2. Regular Step Increases. Step increases shall be granted on January 1st of
12 each year, and shall be based upon satisfactory performance.

22 Benefit eligible employees shall expend accrued hours of vacation on an hour-for-hour basis.
 23 That is, an employee working a 10-hour day shall use 10 hours for each day of vacation.

24 **Section 2.** Benefit eligible employees shall accrue vacation benefits on an hourly basis.

25 **Section 3.** Vacation benefits for benefit eligible part-time employees will be established
 26 based upon the number of regular compensated hours.

2 department director or his appointed designee.

3 **Section 6.** Benefit eligible employees who leave King County employment for any reason
4 will be paid for their unused vacation up to the maximum specified herein. Employees shall forfeit
5 the excess accrual prior to December 31st of each year.

6 **Section 7.** "Short term" Temporary employees will not be granted vacation benefits.

7 **Section 8.** In cases of separation by death, payment of unused vacation benefits shall be made
8 to the employee's estate, or in applicable cases, as provided by R.C.W., Title 11.

9 **Section 9.** Employees eligible for vacation leave may accrue up to sixty days vacation leave,
10 prorated to reflect their normally scheduled workweek. Such employees shall use vacation leave
11 beyond the maximum accrual amount on or before the last pay period that includes December 31 of
12 each year. Failure to use vacation leave beyond the maximum accrual amount will result in forfeiture
13 of the vacation leave beyond the maximum amount unless the appointing authority has approved a
14 carryover of such vacation leave because of cyclical workloads, work assignments or other reasons as
15 may be in the best interests of the County.

16 **Section 10.** Shared leave. Benefit eligible employees may share leave with other County
17 employees in accordance with King County Ordinance on this subject.

18 Donation of vacation leave hours and donation of sick leave hours:

19 A. Vacation leave hours.

20 1. Any benefit eligible employee who is employed at least half-time and
21 receives vacation and sick leave, may donate a portion of his or her accrued vacation leave to a full-
22 time employee or part-time employee who is employed at least half-time and receives vacation and
23 sick leave. Such donation will occur upon written request to and approval of the donating and
24 receiving employees' department director(s), except that requests for vacation donation made for the
25 purposes of supplementing the sick leave benefits of the receiving employee shall not be denied
26 unless approval would result in a departmental hardship for the receiving department.

27 2. The number of hours donated shall not exceed the donor's accrued vacation
28 credits as of the date of the request. No donation of vacation hours shall be permitted where it would

1 cause the employee receiving the transfer to exceed his or her maximum vacation accrual.

2 3. Donated vacation leave hours must be used within ninety (90) calendar days
3 following the date of donation. Donated hours not used within ninety (90) days, or due to the death of
4 the receiving employee, shall revert to the donor. Donated vacation leave hours shall be excluded
5 from vacation leave payoff provisions contained in this chapter. For purposes of this section, the first
6 hours used by an employee shall be accrued vacation leave hours.

7 **B. Sick leave hours.**

8 1. Any benefit eligible full-time employee, or benefit eligible part-time
9 employee who is employed at least half-time and receives vacation and sick leave, may donate a
10 portion of his or her accrued sick leave to a full-time employee or part-time employee who is
11 employed at least half-time and receives vacation and sick leave, upon written notice to the donating
12 and receiving employee's department director(s).

13 2. No donation shall be permitted unless the donating employee's sick leave
14 accrual balance immediately subsequent to the donation is one hundred (100) hours or more. No
15 employee may donate more than twenty-five (25) hours of his or her accrued sick leave in a calendar
16 year.

17 3. Donated sick leave hours must be used within ninety (90) calendar days.
18 Donated hours not used within ninety (90) days or due to the death of the receiving employee shall
19 revert to the donor. Donated sick leave hours shall be excluded from the sick leave payoff provisions
20 contained in this Agreement, and sick leave restoration provisions contained in this Agreement. For
21 purposes of this section, the first hours used by an employee shall be accrued sick leave hours.

22 **C.** All donations of vacation and sick leave made under this chapter are strictly
23 voluntary. Employees are prohibited from soliciting, offering or receiving monetary or any other
24 compensation or benefits in exchange for donating vacation or sick leave hours.

25 **D.** All vacation and sick leave hours donated shall be converted to a dollar value
26 based on the donor's straight time hourly rate at the time of donation. Such dollar value will then be
27 divided by the receiving employee's hourly rate to determine the actual number of hours received.
28 Unused donated vacation and sick leave shall be reconverted based on the donor's straight time

1 hourly rate at the time of reconversion.

2 **Section 11.** All other leaves shall be as provided by King County Ordinance.

26 rate in the same pay period or of scheduling an alternate paid day off within thirty (30) days of the
27 actual holiday.

14 employee was personally under a medical disability. The supervisor may require a doctor's certificate
15 showing the requirement that the employee be in attendance.

16 **Section 6.** In each case of absence due to illness or injury, it shall be the responsibility of the
17 employee to notify the employee's supervisor of the absence and the anticipated duration of the
18 absence. Except in emergency situations, failure to notify the supervisor of an absence prior to the
19 commencement of the employee's shift shall be grounds for disciplinary action.

5 service and retire as a result of length of service or who terminate by death, thirty-five percent (35%)
6 of their unused, accumulated sick leave. All payments shall be made in cash, based on the
7 employee's base rate, and there shall be no deferred sick leave reimbursement. .

8 **Section 13.** Employees injured on the job cannot simultaneously collect sick leave and

 22 provided that the employee shall:

23 1. Give the Department reasonable advance notice of the need to take time off from
 24 work for the donation of bone marrow, a kidney, or other organs or tissue, if there is a reasonable

 26 death of the identified recipient.

27 2. Provide written proof from an accredited medical institution, organization or
 28 individual as to the need for the employee to donate bone marrow, a kidney, or other organs or tissue

24 by paragraphs Section 2.A or B in this Article, temporary reassignment of the employee can be made
25 to another classification for which the employee is qualified but with lesser pay, to be assigned at the
26 pay step closest to that which the employee was receiving in her normal job classification.

 16 on the fifth day of work which is either 8 hours or a day off.)

17 In administering the alternative work schedule, the following working conditions shall prevail:

- 18 • Overtime shall be paid for any hours worked in excess of forty (40) hours per week;

11 and shall be paid at the overtime rate of one and one-half (1-1/2) times the hourly regular rate of pay.

12 "Hours worked" shall include the following:

- 14 • Mandatory training for employees who are ordered to attend training on a particular
15 date/time when such training cannot be rescheduled to a non-overtime period.

16 "Hours worked" does not include sick leave, holidays, and other paid leave.

21 apply toward the FLSA workweek.

22 **Section 7.** Emergency Call Back. An employee covered by this Agreement who is called
23 back to work after completion of his/her regular shift or work week shall be granted at least the
24 equivalent of two (2) hours' pay at the applicable overtime rates.

25 All PES and AS II employees who are called back to work after completion of their regularly

28 shall be paid for actual hours worked. Employees shall not be called out more than once in a twenty-

1 four (24)-hour period.

2 **Section 8.** When management deems it necessary, work schedules may be established other
3 than the normal Monday through Friday schedule.

4 **Section 9.** Two (2) days' advance notice shall be afforded employees covered by this
5 Agreement when shift changes are required by their supervisor.

7 A. When an employee is specifically directed by the Department to work two (2)
8 hours or longer prior to the beginning of or the end of his/her normal work shift of not less than eight
9 (8) hours and the employee actually purchases a reasonably priced meal away from the employee's
10 place of residence as a result of such additional hours of work, the employee shall be reimbursed for
11 the "reasonable cost" of the meal. In order to receive reimbursement, the employee must furnish the
12 Department with a receipt for the meal no later than the beginning of his/her next regular shift;
13 otherwise the employee shall be paid a maximum of ten dollars (\$10.00) in lieu of reimbursement for
14 the meal.

15 B. The Department shall not reimburse for the cost of alcoholic beverages.

16 C. In lieu of any meal compensation as set forth within this section, the Department
17 may, at its discretion, provide a meal.

18 When an employee (full-time regular or part-time regular) is called out in an emergency to
19 work two (2) hours or longer of unscheduled overtime immediately prior to his/her normal workshift,
20 said employee shall be eligible for meal reimbursement pursuant to this Section. Any time spent
21 consuming a meal during working hours shall be without compensation.

22 **Section 11.** Whenever an employee covered by this Agreement is placed on standby duty by
23 the Department, the employee shall be available at the predetermined location to respond to
24 emergency calls and, when necessary, return immediately to work. Employees who are placed on
25 standby duty by the Department shall be paid at the rate of ten (10) percent of the employees' straight
26 time hourly rate of pay for all hours assigned.

27 When an employee is required to return to work status while on standby duty, the standby pay
28 shall be discontinued for the actual hours on work duty and compensation shall be provided in

1 accordance with the provisions of this Article.

2 PES employees who are required to "stand by" for court appearances shall be compensated at
3 a rate of fifty (50) percent of their normal straight time hourly rate for all hours they are on standby
4 status on their regularly scheduled time off. Once notified that the employee must report to court, the
5 standby pay shall cease and the callback provision outlined above shall apply when the employee
6 reports to court if the report time meets the conditions described therein. If the employee is not
7 required to appear in court, a minimum of four (4) hours shall be paid at the standby rate.

8 **Section 12.** Psychiatric Evaluation Specialist (PES) Minimum Staffing Levels

9 As a guide to determining the granting of leave, the minimum PES staffing level at the Seattle
10 Facility will be two persons Monday through Friday roughly between the hours of 0800 and 1630. At

12 levels may go below minimum at the discretion of the supervising authority.

13 **Section 13.** Psychiatric Evaluation Specialist (PES) Master Schedule.

14 PES employees shall normally be scheduled pursuant to a master schedule. Prior to
15 implementing any large-scale changes to a PES master schedule, the employer agrees to meet and
16 discuss such with the Union. Any changes to a master schedule shall be posted for bid by the
17 employees for a period of time to be determined by the parties, but not to exceed fourteen (14)
18 calendar days. Upon completion of the bid process, employee assignments shall be posted, except in
19 emergency situations, at least fourteen (14) calendar days prior to implementation. If schedules have
20 not been changed for a period of three (3) consecutive years, then a schedule shall be opened for a
21 rebid.

22 **Section 14.** Bid Process.

23 When a Psychiatric Evaluation Specialist position becomes vacant or new positions are
24 created, PES employees shall have the opportunity to bid, based upon seniority, for the shift and days
25 off of the position. Seniority is defined as total unbroken service in the same job classification or
26 classification series as measured by date in present job classification. Prospective upon
27 implementation of this Agreement, time served as a Temporary Employee (as calculated by the
28 Union) shall count toward seniority if there is no break in service when hired into a career service

1 position in the same job classification. Notwithstanding future breaks in service or unpaid leaves of
2 absence, Psychiatric Evaluation Specialist shall retain their seniority status held on January 1, 2005
3 for purposes of bidding. A break in service is a voluntary quit, retirement or termination for just
4 cause. Authorized paid and unpaid leaves of absence are not breaks in service; however, seniority
5 will not continue to accrue after an unpaid leave exceeds thirty (30) consecutive days. Employees
6 who transfer or promote to a different bargaining unit job classification without a break shall retain
7 accrued seniority in the previous classification, and begin to accrue seniority in the new classification
8 from the date of the probationary appointment.

9 **ARTICLE 17: TRANSFER, VOLUNTARY REDUCTION, AND LAYOFF**

10 **Section 1. Definitions.** The following definitions shall apply for the purposes of
11 administering this Article.

12 **A. Seniority** is defined as total unbroken service in the same job classification or
13 classification series as measured by date in present job classification. Prospective upon
14 implementation of this Agreement, time served as a Temporary Employee (as calculated by the
15 Union) shall count toward seniority if there is no break in service when hired into a career service
16 position in the same job classification. Notwithstanding future breaks in service or unpaid leaves of
17 absence, Psychiatric Evaluation Specialist shall retain their seniority status held on January 1, 2005
18 for purposes of layoffs. A break in service is a voluntary quit, retirement or termination for just
19 cause. Authorized paid and unpaid leaves of absence are not breaks in service; however, seniority
20 will not continue to accrue after an unpaid leave exceeds thirty (30) consecutive days. Employees
21 who transfer or promote to a different bargaining unit job classification without a break shall retain
22 accrued seniority in the previous classification, and begin to accrue seniority in the new classification
23 from the date of the probationary appointment. Employees who leave Health Department
24 employment as a result of layoff may retain accrued seniority when they return to Health Department
25 employment within two years of layoff. Employees that incur a break in service as defined in this
26 section that return to a bargaining unit position begin anew their classification and classification
27 series seniority.

28 **B. Position Elimination/Change in FTE** is any County initiated elimination,

1 involuntary reduction or involuntary increase in the work hours (not to include overtime) for a
2 position that for seniority reasons does not constitute a layoff for the employee. Prior to the
3 Department implementing a change in FTE, the employee subject to change in FTE shall be provided
4 with the "Position Elimination/Change in FTE Notice" options set forth in Section 4 of this Article.
5 Employees occupying positions where "Temporary" increases or decreases in FTE last longer than six
6 months shall be provided with the "Change in FTE Notice" options set forth in Section 4 of this
7 Article.

8 **C. Layoff** is the involuntary elimination or reduction of work hours (FTE) for the
9 employee(s) with the least amount of classification series seniority. An involuntary increase in the
10 standard working hours of a position shall create the same vacancy and bumping rights for employees
11 whose hours are increased as are created by the terms of this Article for employees in a
12 layoff/reduction in force situation.

13 **D. Qualified** means the employee possesses the qualifications (as determined by the
14 job description) required to be considered eligible to be appointed to the classification as a new hire.

15 **Section 2. Transfer.**

16 **A.** The transfer of an employee shall not constitute a promotion except as provided in
17 Article 17, Section 2 (E) (3).

18 **B. Transfers within the Department of Public Health.** The Department of Public
19 Health Director or his or her designee may transfer a Public Health employee from one position to
20 another position in the same classification within the Department without the approval of the Human
21 Resources Division Director of DES, or designee, but such transfer shall be reported to Human
22 Resources Division Director of DES, or designee within five (5) days of its effective date. It is
23 understood by the parties that employees may be transferred at the discretion of the County in
24 consultation with the Union as part of the budget planning process. The budget planning process
25 concludes at the point the County Executive submits his or her budget to the King County Council.

26 **C. Transfers from County departments into Public Health.** Employees in County
27 departments may transfer, if qualified, to a position in the same classification, or to a position in a
28 similar classification with the same maximum rate of pay, within the Department of Public Health

1 upon the written request of the Public Health Director and approval by the DES, Human Resources
2 Division Director or designee.

3 **D. Transfers from Public Health to County departments.** Any transfer from a
4 position in Public Health to a position in the same or similar classification with the same maximum
5 rate of pay within a County department shall be subject to the applicable County rules, policies,
6 procedures (and any applicable County collective bargaining agreement), which sets forth the terms
7 and conditions for transfers within the County personnel system.

8 **E. Other transfers.** Within the Department of Public Health, other transfers may be
9 made upon the consent of the Public Health Director and with the approval of the DES, Human
10 Resources Division Director, or designee, as follows:

11 1. Transfer to another classification in the Department of Public Health in case
12 of injury in line of duty either with Public Health or with the armed forces in time of war, resulting in
13 permanent partial disability, where showing is made the transferee is capable of satisfactorily
14 performing the duties of the new position.

15 2. Transfer, in lieu of layoff, may be made to a single position in another
16 classification in the Department upon showing that the transferee is capable of satisfactorily
17 performing the duties of the position, and that a regular employee or probationer is not displaced.
18 The affected employee shall complete a probationary period in the new classification.

19 3. Transfer, in lieu of layoff, may be made to a single position in another
20 classification when such transfer would constitute a promotion or advancement in the service
21 provided a showing is made that the transferee is capable of satisfactorily performing the duties of the
22 position and that a regular employee or probationer is not displaced and when transfer in lieu of layoff
23 under Section 2(E)(2) of this Article is not practicable. Regular standing in the new classification
24 may be attained by the employee only through examination and permanent regular appointment.

25 4. Transfer may be made to another similar classification within Public Health
26 with the same maximum rate of pay in the Department. The affected employee's status shall be
27 determined in accordance with Article 17, Section 2.E.2 of this Agreement.

28 **Section 3. Voluntary Reduction.**

1 A. A regularly appointed employee may be reduced to a lower classification upon
2 his/her written request stating his/her reasons for such reduction, if the request is concurred with by
3 the Public Health Director and is approved by the DES, Division of Human Resources Director, or
4 designee. Such reduction shall not displace any regular employee or probationer.

5 B. The employee so reduced shall be entitled to credit for previous regular service in
6 the lower classification and to other service credit in accordance with this Article. Upon a showing,
7 concurred with by the Public Health Director that the reason for such voluntary reduction no longer
8 exists, the DES, Human Resources Division, or designee, may restore the employee to his/her former
9 status.

10 **Section 4. Notice of Anticipated Position Elimination/Change of FTE**

11 The following process shall govern for the purposes of administering this Section.

12 A. When the Department determines there is a need to eliminate, reduce, or increase
13 the working hours of existing filled positions (change in FTE), the Department shall identify by job
14 classification and work site which position(s) are to be eliminated, decreased or increased. The
15 Department agrees to notify the Union at least thirty (30) days in advance, in writing, of any
16 anticipated change in filled FTE. The Department will provide the following information to the
17 Union at least thirty (30) days in advance: the names, classification, and seniority information of
18 employees effected by a change in filled FTE; a seniority list for the classification impacted and a list
19 of all vacant positions within the classification; a list of all probationary, TLT, Temporary and any
20 other provisional positions within the classification. The Department will hold the relevant positions
21 frozen until the entire process has been completed.

22 B. An incumbent employee in a position impacted by a change in FTE shall be
23 notified by the department at least thirty (30) calendar days prior to the effective date of the change.
24 The notice will include information about the options provided in this Section. A copy of the notice
25 will be provided to the Union. The employee shall be allowed fourteen (14) calendar days to elect
26 one of the following options:

27 1. The employee may request placement in a vacant position within the
28 bargaining unit. In the case of an involuntary increase or decrease in hours, an affected employee

1 shall be given first right of refusal over the increased or decreased hours before such position is
2 posted. The Department must offer a vacant bargaining unit position of the same classification to an
3 employee subject to a change in FTE, if the Department intends to fill the position. The Department
4 will inform the employee and the union of all, available vacant bargaining unit positions that the
5 Department intends to fill.

6 2. The employee may request placement into a vacant bargaining unit position
7 in another job classification, provided the employee is qualified.

8 3. The employee may displace (bump) the least senior employee in the same
9 job classification and equally budgeted FTE that does not result in a layoff provided the employee has
10 more classification seniority than the incumbent employee. If an equally budgeted FTE position does
11 not exist, then the employee may displace (bump) the least senior employee in the job classification
12 with the most equivalent FTE or may bump the least senior employee in the classification.

13 4. The employee may on the basis of total bargaining unit seniority, bump the
14 least senior employee (regardless of FTE status), in any job classification previously worked in the
15 bargaining unit or classification series, provided that a successful probationary period has been
16 completed in that classification.

17 5. An employee may choose to be laid off rather than exercise the options
18 above.

19 C. When the Department determines to eliminate, reduce, or increase the hours of
20 multiple positions, the incumbents in the positions to be affected shall be notified at least thirty
21 calendar days prior to the effective date. The notice will include information about the options
22 provided in Article 17, Section 4(B). A copy of the notice will be provided to the Union. The
23 employees shall be allowed fourteen calendar days to select their options under Article 17, Section
24 4(B) using the following procedure:

25 1. The employees will designate a first, second and third choice among the
26 options 1 through 5 of Article 17, Section 4(B);

27 2. Option choices will be allocated in order of seniority, the most senior
28 employee having priority; provided, however, bumping choices will be allocated according to item 3

1 below, and vacant positions will be allocated according to item 4 below.

2 3. It is the intent for bumping to proceed in reverse seniority order; that is, the
3 least senior employee will be displaced first. No employee may be bumped ahead of the least senior
4 employee in the same job classification and same FTE. The Department will provide employees
5 subject to change in FTE with a list of positions held by the least senior employees within the
6 employees' job classification; the number of such positions will be equal to the number of positions
7 to be eliminated in that job classification. An employee may designate as an option a position from
8 this list which is not held by the least senior employee; however, the option will not be available
9 unless the lower-seniority employee(s) on the list is (are) displaced.

10 4. If two or more employees select the same vacant position, the position will
11 be offered to the most senior employee. An employee may choose to be laid off rather than
12 exercising the options above.

13 Section 5. Layoff.

14 A. Employees laid off as a result of a reduction of work and/or a shortage of funds
15 shall be laid off according to seniority within classification within the Department regardless of FTE
16 status.

17 Reduction of hours of any position covered under this agreement will be considered a layoff
18 and subject to the provisions of this section. Employees with the least amount of seniority shall be
19 the first laid off and receive a layoff notice; however, in the event of two (2) employees having the
20 same seniority, ability and skill shall be the determining factor on retention. An employee designated
21 for layoff within a specific classification may, on the basis of seniority, bump the least senior
22 employee (regardless of FTE status), in any job classification previously worked in the bargaining
23 unit or classification series, provided that a successful probationary period has been completed in that
24 classification or displace a Term Limited Temporary (TLT) employee or temporary employee
25 working in the current classification or any job classification previously worked in the bargaining unit
26 or classification series. Any employee bumping into a TLT or temporary position shall maintain their
27 layoff/recall rights pursuant to Section C and shall continue to accrue seniority and maintain step
28 placement. The transfer of a regular employee into a TLT or temporary position shall not convert

1 such position to a regular, career service position.

2 B. A previously laid off employee recalled to a previously held classification due to
3 layoff/bumping shall be credited with total cumulative service in that classification for the purpose of
4 determining classification seniority.

5 C. Employees laid off shall be recalled to an equivalent classification or lower
6 classification (if qualified) in the inverse order of layoff, prior to any new employees being appointed
7 to that classification i.e., those with the most seniority being recalled first. Recall rights to the
8 classification from which an employee has been laid off shall expire two (2) years from the date of
9 layoff.

10 **ARTICLE 18: SAFETY STANDARDS**

11 All work shall be done in a competent and safe manner and in accordance with the state of
12 Washington Safety Codes and the County's standards.

13 One employee representative may be designated to represent the Union on the Department's
14 Field Worker Safety Committee.

15 **ARTICLE 19: GENERAL CONDITIONS**

16 **Section 1.**

17 A. All employees who have been authorized to use their own transportation on
18 County business shall be reimbursed at the basic mileage reimbursement rate established by the King
19 County Council by Ordinance for the first two hundred (200) miles per month. Employees required
20 to travel in excess of two hundred miles per month shall be reimbursed for all miles above two
21 hundred at a rate which is two cents (2 cents) per mile greater than the basic mileage reimbursement
22 rate but shall not exceed the IRS allowable rate. Claims shall be made on a monthly basis on a form
23 prescribed by the Department.

24 B. Should the County Council increase the basic mileage reimbursement rate for other
25 County employees during the term of this Agreement, then the same rate will be extended to
26 employees covered by this Agreement.

27 **Section 2.** Whenever an employee covered by this Agreement is temporarily assigned by the
28 Department Director or designee to work, i.e., perform his/her regular duties, at a location other than

1 his/her normal place(s) of employment, any time, less meal time, consumed in traveling to and from
2 the new location, shall be considered part of the workday. Any time consumed in this travel, less
3 meal time, which is outside of the employee's regular working hours, shall be compensated at the
4 applicable overtime rate.

5 The above provision does not apply to travel time from one's usual place of residence to the
6 place of work, nor does it apply to travel time for seminars, conventions, etc., unless specifically
7 authorized in writing by proper authorities.

8 **Section 3.** Child Care Subsidy. Employees covered by this Agreement may receive benefits
9 from the County's child care program if they meet the eligibility requirements.

10 **Section 4.** Bulletin Boards. The County agrees to permit the Union to post on County
11 bulletin boards the announcement of meetings, election of officers, and any other material relating to
12 Union activities so long as that material does not support or oppose political candidates or political
13 issues.

14 **Section 5.** Bus Passes. Benefit-eligible employees covered by this agreement shall receive
15 metro bus passes.

16 **Section 6.** Psychiatric Evaluation Specialists who request shall have materials relating to
17 corrective counseling removed from the employee's file after a twenty-four (24) month period unless
18 another act of misconduct has been committed during the twenty-four (24) month period.

19 **Section 7.** License/Certification: Psychiatric Evaluation Specialists who are required to be
20 licensed or certified as a condition of employment will have their license renewal fees reimbursed by
21 the Department.

22 **Section 8.** The County shall not use "short term" temporary or term-limited temporary
23 employees to supplant regular career service positions in the bargaining unit.

24 **Section 9.** Where those duties covered by this Agreement are assigned to a different or new
25 classification in the Department, the Union will continue to be recognized as exclusive bargaining
26 representative for those duties. Any disagreement between the parties over the application of this
27 section shall be processed and settled pursuant to RCW 41.56, WAC 391-35.

28 **Section 10.** The Department may establish on-the-job training program(s) in a different

1 classification and/or within another bargaining unit for the purpose of providing individuals an
2 opportunity to compete and potentially move laterally and/or upward into new career fields. Prior to
3 implementation of such a program(s) relative to bargaining unit employees, the Department shall
4 discuss the program(s) with the appropriate Union or Unions and the issue of bargaining unit
5 jurisdiction and/or salary shall be a proper subject for negotiations at that time upon the request of
6 either party.

7 **Section 11.** Training. The County recognizes the importance and value of providing training
8 opportunities. To that end, the department will continue to make every effort to allow employees
9 reasonable release time to attend training sessions and seminars in their field. In addition, the
10 department will continue to explore methods of providing training sessions and presentations in-
11 house to bargaining unit employees. Employees shall be entitled to a minimum of 3 days of paid
12 leave time annually for the purpose of attending training that is job related.

13 **Section 12.** The Department shall have the right to implement new public employment
14 programs or expand its current programs beyond what exists as of the signature date of this
15 Agreement. Where such implementation or expansion involves bargaining unit work and results in a
16 significant departure from existing practice, the Department shall give thirty (30) days' advance
17 written notice to the Union of such. Upon receipt of a written request from the Union thereafter, the
18 Department shall engage in discussions with the Union on concerns raised by the Union.
19 Notwithstanding any provision to the contrary, the expanded use of individuals under such a public
20 employment program which involves the performance of bargaining unit work with the Department,
21 beyond what has traditionally existed, shall not be the cause of (1) a layoff of regular employees
22 covered by this Agreement, or (2) the abrogation of a regular budgeted full-time position covered by
23 this Agreement which recently had been occupied by a regular full-time employee that performed the
24 specific bargaining unit work now being or about to be performed by an individual under one of the
25 Department's public employment programs.

26 **ARTICLE 20: PROBATIONARY PERIOD**

27 **Section 1.** The following shall define terms used in this Article:

28 **Probationary employee** means an employee serving a probationary period in a regular

1 career service position. Probationary employees are temporary employees and excluded from career
2 service under Section 550 of the charter.

3 **Probationary period.** There shall be a probationary period during which time a
4 probationary employee shall be evaluated by the appointing authority to determine qualification for
5 entry into the career service. The probationary period shall be determined by the Human Resources
6 Director, but shall be 12 months of actual service, and shall be served by those employees who have
7 been newly-hired, demoted to a classification where a probationary period has not been served,
8 reinstated to a classification where a probationary period has not been served or transferred to a
9 classification where a probationary period has not been served, reemployed, or promoted (except as a
10 result of reclassification). An employee's probationary period may be extended up to six (6)
11 additional months by written mutual agreement between the Department, the employee, and the
12 Union, subject to approval by the Department of Executive Services Director or designee prior to the
13 expiration of the initial six (6)-month probationary period.

14 Full-time regular or part-time regular employee: An employee who has successfully
15 completed a six month probationary period and has had no subsequent break in service as occasioned
16 by quit, resignation, discharge for just cause, or retirement.

17 **Section 2.** Probationary Period/Status of Employee.

18 Employees who are appointed to regular career service positions shall serve a probationary
19 period of twelve months, at which time they shall become regular employees.

20 A. The probationary period shall provide the Department with the opportunity to
21 observe a new employee's work, to train and aid the new employee in adjustment to the position, and
22 to terminate any employee whose work performance fails to meet the required standards.

23 B. An employee shall become regular after having completed the probationary period
24 unless the individual is dismissed under provisions of Section 3 below.

25 C. If an employee hired into a higher classification performed the work as a special
26 duty assignment, the appointing authority may allow the time spent performing the work to satisfy the
27 probationary requirement.

28 D. A temporary career service exempt employee who accepts a career service position

1 may, at the discretion of the appointing authority, count all continuous employment in the same
2 position or performing the same work toward satisfying the probationary period requirement.

3 **Section 3.** Probationary Period/Dismissal.

4 An employee dismissed during the probationary period shall not have the right to appeal the
5 dismissal. When proper advance notice of the dismissal is not given, the employee may enter an
6 appeal (for payment of up to five days' salary) which the employee would have otherwise received
7 had proper notice been given. If such a claim is sustained, the employee shall be entitled to the
8 appropriate payment of salary but shall not be entitled to reinstatement.

9 **Section 4.** Transfers During Probationary Period.

10 If a probationary employee is transferred to a different classification in the Health Department,
11 the employee shall serve a complete probationary period in the new classification.

12 **Section 5.** The probationary period shall be equivalent to twelve months of service following
13 appointment to a budgeted, career service position. Occasional absences due to illness, vacations, and
14 military leaves shall not result in an extension of the probationary period, but upon approval of the
15 Human Resources Division Director of the Department of Executive Services, an employee's
16 probationary period may be extended so as to include the equivalent of a full twelve months of actual
17 service where there are numerous absences.

18 **Section 6.** If the Department determines that the employee will not complete the probation
19 period for a position to which the employee has promoted, demoted to a classification where a
20 probationary period has not been served, reinstated to a classification where a probationary period has
21 not been served or transferred to a classification where a probationary period has not been served, or
22 if the employee chooses not to complete this probation period, the employee is eligible to return
23 (revert) to the former position (or equivalent) if there is a vacancy. However, other employees will
24 not be removed to create a vacancy for the employee. If the employee's former position is not
25 available, the employee will be terminated from employment and his/her name will be placed on a
26 bargaining unit recall list for a period of two years from the date of termination. Employees refusing
27 placement to a position under this article in the same classification and FTE shall forfeit their recall
28 rights arising under this section.

1 **ARTICLE 21: LABOR-MANAGEMENT MEETINGS**

2 The County, Department and the Union agree to hold Labor/Management meetings as
 3 necessary. These meetings will be called upon request of either party to discuss any subject of a
 4 general nature affecting employees covered by this agreement, including but not limited to safety
 5 issues. The responsibility for notification will be with the party initiating this process.
 6 Representatives of the Health Department can attend such meetings and shall be able to
 7 independently set such meetings with the Union with the concurrence of the Human Resources
 8 Division Director of the Department of Executive Services or designee. The Union shall be permitted
 9 to designate members and/or stewards to assist its staff representatives in such meetings.

10 The purpose of Labor/Management meetings is to deal with matters of general concern to the
 11 Union and the Department. It is understood that such meetings are consultative in nature.

12 **ARTICLE 22: SUBORDINATION OF AGREEMENT**

13 **Section 1.** It is understood that the parties hereto and the employees of the Department are
 14 governed by the provisions of applicable federal law and state law. When any provisions thereof are
 15 in conflict with or are different than the provisions of this Agreement, the provisions of said federal
 16 law or state law are paramount and shall prevail.

17 **Section 2.** It is also understood that the parties hereto and the employees of the Department
 18 are governed by applicable County Ordinance and County Charter and said ordinances and charters
 19 are paramount except where they conflict with the expressed provisions of this Agreement.

20 **ARTICLE 23: SAVINGS CLAUSE**

21 **Section 1.** If any article of this Agreement or any addenda thereto is held invalid by operation
 22 of law or by any tribunal of competent jurisdiction, or if compliance with, or enforcement of, any
 23 article is restrained by such tribunal, the remainder of this Agreement and addenda shall not be
 24 affected thereby, and the parties shall enter into immediate collective bargaining negotiations for the
 25 purpose of arriving at a mutually satisfactory replacement for such article.

26 **ARTICLE 24: ENTIRE AGREEMENT**

27 **Section 1.** The Agreement expressed herein in writing constitutes the entire Agreement
 28 between the parties, and no oral statement shall add to or supersede any of its provisions.

1 **Section 2.** The parties acknowledge that each has had the unlimited right and opportunity to
2 make demands and proposals with respect to any matter deemed a proper subject for collective
3 bargaining. The results of the exercise of that right are set forth in this Agreement. Therefore, except
4 as otherwise provided in this Agreement, each voluntarily and unqualifiedly agrees to waive the right
5 to oblige the other party to bargain with respect to any subject or matter, whether or not specifically
6 referred to or covered in this Agreement.

7 **ARTICLE 25: DEFINITIONS**

8 **Section 1.** “Short term” Temporary employees shall be paid for all hours worked at the first
9 pay step of the hourly rate of pay set forth within Addendum A covering the classification of work in
10 which he/she is employed. Any exception must be approved in writing by the Director of Public
11 Health with notice to Local 21.

12 **Section 2.** A temporary employee shall pay to the Union, in lieu of the Union security
13 requirement under Article 4, a service fee in an amount equal to the Union’s regular dues uniformly
14 required of regular Department employees.

15 **Section 3.** A “short term” temporary employee, other than probationary or term-limited, who
16 exceeds the calendar year limit of 1040 work hours will be eligible for compensation in lieu of leave
17 benefits at the rate of fifteen percent (15%) of gross pay for all hours worked, retroactive to the first
18 hour of employment and for each hour worked thereafter, and compensation in lieu of insured
19 benefits as provided in the King County Code.

20 **Section 4.** “Short term” temporary employees and term-limited temporary employees who
21 have worked in excess of 520 straight time hours within the previous twelve-month period, and who
22 are appointed to a regular position without a break in service shall have his/her time worked within
23 the previous twelve-month period counted for purposes of salary step placement.

1 **ARTICLE 26: TERM OF AGREEMENT**

2 **Section 1.** This Agreement shall become effective upon the effective date of the ordinance
3 approving this Agreement and shall cover the period from January 1, 2015 through December 31,
4 2016. Written notice of intent to terminate or modify this Agreement must be served by the
5 requesting party at least ninety (90) days, but not more than one hundred and twenty (120) days, prior
6 to December 31, 2016.

7 **Section 2.** In the event that negotiations for a new Agreement extend beyond the anniversary
8 date of this Agreement, the terms of this Agreement shall remain in full force and effect until a new
9 Agreement is consummated or unless either party serves the other party with ten (10) days'
10 notification of intent to terminate the existing Agreement.

COALITION OF LABOR UNIONS BARGAINING UNIT MEMBERS 2015-2016**

Introduction:

King County and the Coalition of King County Labor Unions have a longstanding history of working collaboratively to address the many serious challenges faced by King County over the past two decades.

The partnership between King County and the Coalition of King County Labor Unions has resulted in several Agreements over the years intended to preserve the high quality and diversity of services offered to the public, to preserve positions held by the county's high quality employees, to standardize pay ranges and practices in King County and to reorganize county functions to bring greater efficiencies to King County government.

Agreements between King County and the Coalition of King County Labor Unions have included agreements allowing unpaid furloughs, agreements supporting a Lean process and implementation of Lean proposals, agreements standardizing certain classification and compensation processes, agreements that make efficient use of county resources by bargaining many labor issues in countywide coalitions, agreements establishing effective use of Labor Management Committees across King County to facilitate frequent and transparent information sharing and discussion and agreements such as the zero ("0") cost-of-living adjustment (COLA) Agreement intended to address the county's budget crisis at the height of the great recession.

The parties have also worked together in Olympia and elsewhere in attempting to secure additional funding options for King County services. The parties continue to engage in solution-based discussions aimed at addressing funding shortages for various public services.

The parties have an interest in continuing their longstanding history of working collaboratively to meet the serious challenges facing King County and its employees, and have bargained in good faith to address the interests of the parties as they relate to economic issues. The County continues to face serious fiscal challenges due to a longstanding structural imbalance between non-discretionary expenditure growth rates and revenue growth rates restricted by state law; and in 2015-2016 expects to eliminate hundreds of positions due to the loss of state and federal funds and to budget cuts to several departments. This Agreement meets the interests of the parties and advances the goals of the King County Strategic Plan by demonstrating "sound financial management" as well as by recognizing King County employees, the county's "most valued resource," in working with King County to meet the challenges that will be presented during the term of this Agreement.

ADDENDUM B**Agreement:**

NOW THEREFORE, the undersigned Union and King County agree as follows.

January 1, 2015 Cost-of-Living Adjustment contract rollovers and re-openers

1. Effective January 1, 2015, employees covered by this Agreement and employed in 2015 will receive a 2% Cost-of-Living Wage Adjustment;
2. All other compensation elements ("wages, premiums, incentives, and other monetary payments; and all forms of leave and benefits") of current collective bargaining agreements (CBAs) are "rolled over" and neither increased nor decreased through 2016; provided, however, that where the County and a union were already in the process of collective bargaining with respect to certain elements of "Total Compensation" prior to June 27, 2014, there may be increases or decreases in certain elements of "Total Compensation" in those collective bargaining agreements. Additionally, the Coalition "Administrative Support" Memorandum of Agreement (attached as Addendum A) is also effective 2015-2016 and expires January 31, 2016;
3. All compensation elements of CBAs shall be opened on January 1, 2015, or later, as requested by the County, for the purpose of bargaining in union coalition a "Total Compensation" agreement that will be effective January 1, 2017 or later, as agreed to by the parties. "Total Compensation" elements are wages, premiums, incentives, and other monetary payments; and all forms of leave and benefits. The parties agree to bargain, to the extent required by law, the effects of any newly created job classifications and other organizational changes. Discussion during re-opener will include these "Total Compensation" elements as well as county initiatives that include but are not limited to "Employer of the Future" and "Standards." It is noted that the Joint Labor Management Insurance Committee (JLMIC) Agreement covering benefits (part of "Total Compensation") is already opened in 2016 and nothing in this Agreement is intended to change the terms of that Agreement.

January 1, 2016 Cost-of-Living Adjustment contract rollovers and re-openers

1. Effective January 1, 2016, employees covered by this Agreement and employed in 2016 will receive a 2.25% Cost-of-Living Wage Adjustment;
2. Consistent with #2 for 2015 above, all compensation elements of CBA "rolled over" and neither increased nor decreased through 2016; provided, however, that where the County and a union were already in the process of collective bargaining with respect to certain elements of "Total Compensation" prior to June 27, 2014, there may be increases or decreases in certain elements of "Total Compensation" in those collective bargaining agreements. Additionally, the Coalition "Administrative Support" Memorandum of Agreement (attached as Addendum A) is also effective 2015-2016 and expires January 31, 2016;
3. Re-openers consistent with #3 for 2015 above.

Lump Sum Coalition Participation Premium Payment

On or before December 31, 2014, a flat lump sum Coalition Participation Premium payment of \$500.00 per employee will be paid to bargaining unit members who are employed by King County on June 27, 2014, and whose bargaining units ratify this agreement on or before

ADDENDUM B

August 15, 2014. This payment is in consideration of the agreement by participating unions to bargain economic issues with King County as a coalition rather than as individual bargaining units, resulting in process efficiencies and savings in administrative costs for King County. Additionally, this payment is in consideration for the agreement by participating unions to open all compensation elements of CBAs on January 1, 2015 or later, at the request of King County, for the purpose of bargaining a "Total Compensation" agreement in coalition. "Total Compensation" elements are defined earlier in this Memorandum of Agreement.

Changes to King County Family and Medical Leave

The parties agree to a change in practice that will run King County Family Medical Leave (KCFML) and Family Medical Leave Act (FMLA) *concurrently*, rather than consecutively. This change is contingent upon the necessary King County Code change/policy being adopted by the King County Council and then implemented for non-represented King County employees. This agreement does not prohibit the use of KCFML intermittent leave after 12 weeks. The agreed upon change will not be implemented for represented employees before July 1, 2015. The parties agree to work together to identify the King County Code language changes necessary to implement this change. As with all decision making in King County, the Equity and Social Justice Ordinance (#16948) will be applied.

It is further agreed that:

1. The COLA increases and lump sum payments outlined in this Agreement establish no precedent with respect to future payments to King County employees;
2. The parties acknowledge that all parties have fulfilled their obligations to engage in collective bargaining over the subjects contained in this Agreement;
3. The parties acknowledge that this Agreement is subject to approval by the King County Council and ratification by the membership of the aforementioned Unions;
4. Any dispute regarding the interpretation and/or application of this Agreement shall be handled pursuant to the terms of the applicable Union's grievance procedure, provided that if more than one bargaining unit has the same or similar dispute, the grievances shall be consolidated; and
5. The parties agree that this Memorandum of Agreement is contingent upon ratification by the King County Council, and shall be effective once fully ratified by King County (having already been ratified by the undersigned Unions) through December 31, 2016.

MEMORANDUM OF AGREEMENT

BY AND BETWEEN

KING COUNTY

AND

COALITION OF LABOR UNIONS

REPRESENTING

KING COUNTY ADMINISTRATIVE SUPPORT CLASSIFICATIONS

Subject: Coalition bargaining for employees in specified administrative support classifications

WHEREAS, King County and the undersigned labor unions representing certain administrative support classifications ("the Coalition") have agreed to bargain wages for those classifications in a coalition so that any agreements reached would be binding on all parties to the negotiations and would satisfy all bargaining obligations between the parties with respect to wages for the duration agreed to by the parties in such an agreement; and

WHEREAS, King County and the Coalition have reached an agreement on wages, pursuant to the terms set forth herein, and therefore have fully satisfied their bargaining obligations on the issue of wages for the duration of this Agreement;

Now THEREFORE, the parties have agreed as follows:

1. The terms set forth in this Agreement shall apply to all positions which are in the following classifications and which are currently represented by any of the undersigned bargaining units:

- Fiscal Specialist 1 – 4
- Administrative Specialist 1 – 4
- Customer Service Specialist 1 – 4
- Technical Information Processing Specialist 1 – 4
- Administrative Office Assistant
- Public Health Administrative Support Supervisor
- Administrative Staff Assistant

The positions referenced herein shall be referred to as "Coalition Administrative Support Positions" and shall not include positions covered by bargaining units eligible for interest arbitration.

**ADDENDUM B
ADDENDUM A**

2. Beginning on January 1, 2012, regular employees in Coalition Administrative Support Positions shall receive a wage increase of 1.5% above Step 10 upon completing 15 years service with King County, and a 3.0% increase (not cumulative with the 1.5% increase after 15 years) above Step 10 upon completing 20 years service with King County; provided, however, that the employee is eligible for the above Step 10 premium only if he/she receives at least a 3.25 rating on the prior year's performance evaluation. For purposes of this provision, years of service shall be based on the employee's Adjusted Service Date as that term is defined in the King County Personnel Guidelines. The requirement that the employee earn at least a 3.25 rating on the performance evaluation shall be waived for any year in which the employee did not receive a performance evaluation prior to the start of the calendar year. There shall be no limit or quota on the number of employees eligible to receive this wage premium above Step 10.

3. This Agreement fully satisfies the parties' bargaining obligations with respect to wages for any and all Coalition Administrative Support Positions through December 31, 2013. The parties have agreed to bargain a successor agreement on wages in coalition utilizing the same process as was agreed to in these negotiations (see September 30, 2008 "Ground Rules for King County Administrative Support Coalition Bargaining" (attached hereto as Exhibit A)) with the additional agreement that any market surveys conducted for those negotiations will be based on the following list of jurisdictions:

1. Snohomish County
2. Pierce County
3. City of Seattle
4. City of Bellevue
5. City of Tacoma
6. City of Everett
7. City of Redmond
8. City of Renton
9. City of Kent
10. Port of Seattle

4. It is the parties' intent to not simultaneously provide employees with both: a) the wage premiums referenced in Paragraph 2 of this Agreement, and b) an above-top-step merit premium program. Therefore, employees in bargaining units which have eligibility for above-top-step merit pay are not eligible for premium under Paragraph 2 of this Agreement; however, such bargaining units may elect to forgo above-top-step merit for their members who are part of this coalition in order for those members to be eligible for the premium under Paragraph 2 of this Agreement. This provision would give employees who are covered by these administrative support coalition negotiations the option of: a) continuing to receive above-top-step merit pay they have access to under their respective bargaining unit's existing collective bargaining agreement, or b) receiving the wage premium under Paragraph 2 of this Agreement. Such employees must elect their preferred option as a group as part of these negotiations, and must indicate their selection within 60 days of execution of this Agreement, and that selection will remain in effect for the duration of this Agreement.

ADDENDUM B ADDENDUM A

ADDENDUM A
EXHIBIT A**

**GROUND RULES FOR KING COUNTY
ADMINISTRATIVE SUPPORT COALITION BARGAINING**

1. **Authority of the Coalition.** The parties agree that the Union coalition is speaking with one voice, and that the parties are engaged in coalition bargaining rather than coordinated bargaining. To that end, each of the unions party to coalition bargaining agree that they will be bound by the results of the coalition bargaining, and that their authority will be limited by the Union coalition's lead negotiator. Each of the unions further agree that the County's participation in coalition bargaining fulfills the County's statutory obligation to bargain regarding the issues within the scope of this coalition bargaining while the parties are engage in this coalition bargaining and for the duration of any agreement reached. The coalition has agreed that for ratification purposes, the Unions will conduct a pooled vote with one employee, one vote, with all votes consolidated and the result determined by a simple majority.
2. **Authority of the County.** The parties agree that the County is speaking with one voice, and the parties are engaged in coalition bargaining rather than coordinated bargaining. The County's interest in coalition bargaining stems from its effort to maintain a consistent compensation structure for administrative staff across Departments. The County as a whole, and each of its departments, will be bound by any agreement reached in this process.
3. **Status of Contracts.** The status of contracts will not affect a union's participation in this process, nor will it affect the other provisions of this agreement. The parties are agreeing to reopen all contracts for the purpose of negotiating compensation relating to the specified administrative support classifications.
4. **Scope of Topic.** The scope of the discussions will be to negotiate wage rates for the classifications at issue. The parties may agree to address additional issues in the course of this bargaining.
5. **Scope of Classifications.** Administrative Support classifications, including the following:
 - Fiscal Specialist 1-4
 - Administrative Specialist 1-4
 - Customers Service Specialist 1-4
 - Technical Information Processing Specialist 1-4
 - Administrative Office Assistant
 - Medical Application Specialist (Health)
 - Administrative Specialist Supervisor (Health)
 - Administrative Staff Assistant
 - ~~(Application Worker, Social Services Specialist)~~
 and any other classification that the parties may agree to include during the course of negotiations.

**ADDENDUM B
ADDENDUM A**

6. **Scope of Bargaining Units Included.** The bargaining units as defined in Addendum A to this agreement are included in this coalition bargaining.

7. **Negotiation Process.**
 - A. **Lead Negotiators.** The lead negotiator for the County will be the Manager of Labor Relations or such other negotiator as may be appointed by the County. The lead negotiator for the Coalition will be the General Counsel for Teamsters Local 117 or such other negotiator as may be appointed by the Coalition. Only the lead negotiator will have the authority to bind the party that they represent.

 - B. **Table Composition.** Each party will name a fixed set of participants in the negotiation. Others may be permitted to participate as subject matter experts but not as members of each negotiating team. The unions agree to name no more than two (2) employee representatives per union; provided that Local 17 may appoint four (4) employee representatives. The County agrees to provide release time to participate in negotiation provided that such release time does not interfere with the operations of the County. In such event, the parties will discuss alternatives to address the issue.

 - C. **Dates.** The lead negotiator for each party shall set a complete set of negotiating dates beginning in January, 2009, and concluding by April 15, 2009.

 - D. **Location.** Bargaining sessions will be held at downtown County facilities.

8. **Communication.** The expectation is that the parties will bargain at the table rather than in the workplace. Prior to issuing written communications with County employees or Union members regarding the substance of these negotiations, a party intending to issue such a communication will provide the other party with prior notice of that communication and will attempt to resolve any issues regarding the content of the communication prior to publication. The parties retain the right to communicate with their constituencies in non-written form. However, consistent with the spirit of this commitment, the parties will respect the concept of prior notice outlined in this paragraph.

ADDENDUM B
ADDENDUM A

9. **Mediation and Fact Finding.** If the parties fail to reach agreement, the parties will simultaneously (1) request the assistance of an impartial third party selected by the parties; if the parties cannot reach agreement, then the mediator will be selected through the Public Employment Relations Commission to mediate the negotiations; and (2) appoint a neutral fact-finder pursuant to the selection process below. The mediation will be scheduled ahead of the fact finding hearing. The fact-finder shall be charged to make non-binding recommendations to the parties as to the terms of an agreement regarding wage rates for the classifications at issue. The fact-finder shall consider the market position of the classifications and the economic circumstances of the employer in making his or her recommendations. The fact-finding will be concluded no later than sixty (60) days after the conclusion of mediation with the recommendation to each party. The cost of the fact-finder shall be borne equally by the parties.
- a. **Selection.** The parties will attempt to mutually agree on a fact-finder. Absent such agreement, the parties will request a panel from the Public Employment Relations Commission and will select a fact finder through mutual striking.
 - b. **Hearing.** The hearing procedure shall be determined by the fact finder but shall be conducted fairly and expeditiously.
 - c. **Recommendation.** Prior to issuing a formal recommendation, the fact finder will meet informally with the parties to inform them of his or her findings. Thereafter, the parties will have one week to attempt to reach an agreement. If the parties are unable to reach agreement the fact finder shall issue his or her decision.

**ADDENDUM B
ADDENDUM A**

10. **Return to Individual Bargaining.** After the issuance of the recommendation, the parties may return to mediation or otherwise attempt to resolve the agreement. If the parties fail to agree after the fact finding process, the coalition process will be concluded and the parties will return to bargaining their individual contracts. The parties understand that such bargaining will begin fresh, and the positions taken in this coalition bargaining will not be applicable to that bargaining.
