

Warren Jimenez
Director, King County Parks and Recreation Division
201 South Jackson Street
Seattle, WA 98104

February 7, 2023

Dear Mr. Jimenez,

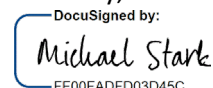

I am writing this letter to confirm that, pending King County Council approval, Seattle Foundation is prepared to make a distribution of \$500,000 from the King County Parks Foundation Fund. These funds were originally donated to King County Parks Foundation Fund by Group Health Cooperative (currently known as Kaiser Permanente of Washington). The purpose of this donation is to support construction of the Wilburton Trestle along the Eastrail.

Seattle Foundation understands that you are working with King County Council to authorize acceptance of this donation. Once King County Council has approved the legislation for the donation, we will transfer the funds to King County Parks.

As stated in the donation agreement please provide notification on when you would like us to disburse funds to King County Parks.

Thank you.

Sincerely,

DocuSigned by:
