The Honorable Dave Upthegrove
Chair, King County Council
Room 1200
C O U R T H O U S E

Dear Councilmember Upthegrove:

This letter transmits a proposed Ordinance that, if enacted, will enable King County to renew its license agreement for the Department of Public Health, with Lifelong Health for All, for space located at 1161 11th Avenue, Seattle, Washington, in County Council District Eight.

This facility houses the Public Health Needle Exchange Program, whose primary mission is to provide HIV and overdose prevention services to residents of Seattle and King County. Renewal of this license agreement supports the provision of King County operations and services.

This transaction is recommended per the rationale and considerations provided in the attached property summary.

Thank you for your consideration of this proposed Ordinance. If your staff have questions, please contact Anthony Wright, Director, Facilities Management Division at 206-477-9352.

Sincerely,

 for

Dow Constantine
King County Executive
