Re: Budget Proviso – Reserve Account for DAJD

Dear Councilmember Sullivan:

A 2003 Budget Proviso requires the Criminal Justice Council to develop a report outlining its recommendations for the criteria and process by which the Executive may access the reserve account for the purpose of responding to unanticipated increases in DAJD population. The Criminal Justice Council, with input from all criminal justice agencies, the budget office and council staff, developed a set of indicators intended to assist in determining whether any access to the reserve account should be made available. The protocol also includes a proposed process to assist in the review of the indicator data. Our report is attached for your consideration.

Please contact me if I can be of any further assistance.

Very truly yours,

Judge Richard D. Eadie
Chair, Criminal Justice Council
