22 **EFFECT prepared by J. Giambattista:**

- 23 • *This amendment clarifies the requirements for which deaths must be reported*
24 *on the county website. This amendment would specify that between 2004 and*
25 *2017 the specified information related to each inquest should be published. And*
26 *then beginning with 2018 fatalities, reporting to the website would be required*
27 *where an action, decision, or possible failure to offer the appropriate care by a*
28 *member of any law enforcement agency might have contributed to the death.*
- 29 • *The amendment adds inquest cause number and law enforcement case number*
30 *(if available) to the information that should be provided on the website. And*
31 *adds information to explain case type means in custody or out of custody.*
- 32 • *The amendment changes the requirement for the report to be developed by a*
33 *workgroup and instead states the report is to be developed in consultation with a*
34 *specified list of representatives.*
