SCOPE OF WORK AND BUDGET
Amendment for 2013 Services
November 26, 2012

Tasks	Scope and Fees
Meetings with Executive Director, Governing Board, Legal Counsel	Partner or Manager work with Executive Director throughout the year as necessary to ensure that accounting and compliance issues are properly considered in the ongoing operation of the District. These services could include attendance at meetings with the Executive Director, Board or Committee meetings, meetings with legal counsel and state auditor and others.
Conduct Accounting	<p>Work with Executive Director to track expenditures, verify expenditures, conduct periodic compliance monitoring, provide monthly financial statement, maintain accounting information within chart of accounts, maintain general ledger, reporting formats, state auditor coordination and interface, internal control policies and procedures, and fixed asset accounting.</p> <p>Conduct accounting necessary for compliance with grant conditions including the use of federal funds.</p> <p>Assist with other financial and banking items such as but not limited to employer ID number, banking, budgeting and payroll service accounts. All services leading to financial close, preparation and delivery of monthly reports from data supplied by District.</p>
Annual Compilation of financial statements with footnotes and reporting to the Board	Produce a full set of year-end financial statements (including management's discussion and analysis and footnotes) in accordance with generally accepted accounting principles for annual audit.
Audit preparation and support services	Accounting and consulting services to support annual audit of the District, including working with King County departments to gather documents for the financial statements. Oversee the audit process including financial and accountability audits. Provide support during the audit, as the primary financial consultant for the District.
Budget Analysis Support	Undertake special assignments to assess financial performance and trends. For 2013, in conformance with FCD2012-09, develop a report by March 31, 2013 to consolidate and reduce administrative costs to operate the District to allow a greater percentage of District funds to be used for capital flood protection projects. The report should outline WLRD division costs, the costs of administering the

	WRIA grant program, and other costs as appropriate, and propose strategies for reducing such costs and duplication. The report should detail the administrative services, costs, and percentages of total district costs. The report should also evaluate whether any potential changes to District operations are appropriate due to the addition of the WRIA grant funding process.
