Dear Councilmember Upthegrove:

This letter transmits the feasibility report on Intelligent Speed Assistance (ISA), as called for by Ordinance 19546, Section 123, Proviso P1 and a proposed Motion that would, if enacted, acknowledge receipt of the report.

As required, the enclosed report covers the ISA analysis conducted, including the identification of vehicles suitable for ISA deployment. It includes associated costs for equipment, installation, and implementation. The potential advantages of ISA implementation are outlined, along with insights drawn from other jurisdictions and a literature review on best practices and emerging ISA technologies. Finally, policy considerations for King County's implementation of ISA are provided.

Thank you for your consideration of this report and proposed Motion.

If your staff have questions, please contact Chauntelle Hellner, Fleet Services Division Director, Department of Executive Services, 206-263-2253.

Sincerely,

 for
