1 **STRIKING AMENDMENT TO PROPOSED MOTION 2016-0386, VERSION 1**

2 On page 1, beginning on line 5, strike everything through page 6, line 97, and insert:

3 "STATEMENT OF FACTS:

- 4 1. The solid waste division of the department of natural resources and
5 parks provides essential public services that protect human health, the
6 environment, and the quality of life in our region.
- 7 2. The solid waste division operates the Cedar Hills regional landfill,
8 eight transfer stations, and two drop boxes. It also provides innovative
9 programs to help customers recycle and prevent waste.
- 10 3. The solid waste division is an enterprise fund, supporting almost all
11 (ninety-five percent) of its services with a basic fee charged for each ton
12 of municipal solid waste received at county facilities.
- 13 4. The solid waste basic fee for 2013-2014 took effect on January 1, 2013,
14 with a further increase scheduled for the 2015-2016 rate period.
- 15 5. By achieving efficiencies and refocusing priorities, the division
16 extended the 2013-2014 two-year rate for an additional two years, saving
17 customers twenty-two million dollars in 2015 and 2016.

18 6. A fee increase can no longer be deferred if the solid waste division is to
19 sustain current services, repay debt on previously approved transfer station
20 projects, plan and provide system handling and disposal capacity into the
21 future and expand recycling programs throughout the system.

22 7. The proposed new basic fee is less than the 2017 fee projected in the
23 last rate proposal and in line with rates charged by comparable solid waste
24 service providers in the region.

25 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:
