Proposed Resolution FCD 2020-14: Authorizes and approves participation in the Washington Public Employees’ Retirement System (PERS).

The Board of Supervisors for the King County Flood Control Zone District previously authorized the Chair to take steps to effectuate the direct hiring of the District’s Executive Director and Deputy Executive Director by the District. In order to open an account with the Washington Public Employees’ Retirement System, the Board must specifically authorize – by Resolution – enrollment. By this Resolution the Board would authorize enrollment and authorize the Chair to execute the form required by the Department of Retirement Systems for enrollment (attached to the Resolution as Attachment A).
