METROPOLITAN KING COUNTY COUNCIL COMMITTEE OF THE WHOLE STAFF REPORT

AGENDA ITEM: 9

DATE: July 15, 2009

PROPOSED NO: 2009-0415

PREPARED BY: Chuck Williams

SUBJECT: Proposed Motion authorizing the chair of the council to amend King County's contract with Michael Temple, extending the term from August 30, 2009, to August 31, 2010. This contract extension includes both the base services provided by Michael Temple, but also extends for the same period the services previously performed by the King County Government Relations Consultant. These services were amended on to the previous contract with Michael Temple.

SUMMARY: Michael Temple has represented King County beginning November 16, 1998, in a professional and successful manner. The Council approved a contract extension (Motion 2008-0374) with Michael Temple on July 28, 2008, for the period August 28, 2008, through August 29, 2009. The proposed amendment will extend the contract from August 30, 2009, to August 31, 2010. The total compensation for this contract extension is \$131,200.

Michael Temple is a full partner in the advocacy and the positive outcomes of the King County Legislative Team. King County's Legislative Strategies are benefited greatly by his personal access to key political leaders and stakeholders.

Michael Temple will continue to perform the advocacy responsibilities of monitoring actions by the state legislature and the state executive branch on all issues of concern to King County, and to be an advocate on the county's behalf on all issues, including, but not limited to, growth management, water and sewer, and threatened and endangered species.

In addition, he will take the primary advocacy lead on the issue previously performed by the King County Government Relations Consultant to include the following issues: human services, housing, public health, criminal justice, and other duties as necessary to accomplish the King County Agenda. Michael Temple has added Carey Morris to his team, concentrating on these issues.

This option allows the Council to achieve significant savings by holding the Government Relations Consultant position unfilled.
