| 1. PROJECT Start Date: | August 1, 2006 |
| 2. Initiation of Operation Date: | March 31, 2008 |
| 3. PROJECT Completion Date: | December 31, 2008 |
| 4. Post PROJECT Assessment Date | December 31, 2011 |

Any changes to the PROJECT Schedule must be effected through a formal amendment to this AGREEMENT as provided in Section IX.

The useful life of the PROJECT is 50 years.

Water Quality Performance Measures to be evaluated at the Post PROJECT Assessment:

King County DNR&P - WTD
King County Wastewater Treatment Plant - Carnation Project
Loan No. [REDACTED]

Water Quality Goal(s): *(Water Quality Goals are tangible environmental changes for the better, to be achieved or directly addressed by the PROJECT proposed.)*

1. "Severe Public Health Hazard" or "Public Health Emergency" eliminated.

Water Quality PROJECT Outcomes: *(Water Quality PROJECT Outcomes are quantitative results realistically anticipated from the PROJECT that will directly lead to the Water Quality Goals.)*

1. Eliminate the severe public health hazard caused by failing on-site septic systems. The public health threat of surfacing sewage and untreated sewage entering the ground water aquifer from sites distributed city-wide will be eliminated when users of the existing on-site septic systems are required to hook-up to the new collection system being built by the city of Carnation and send their wastewater to be treated at the treatment plant being built by King County.
2. Eliminate a source of groundwater pollution in the critical aquifer recharge area and non-point pollution in the Snoqualmie River. Once the Carnation Wastewater Treatment Facility and the local connections are completed, all buildings in the City will be required to hook-up to the new system. A total of 625 septic systems, the majority of which drain directly into the water table, will be eliminated as a source of pollution to the groundwater in the critical aquifer recharge area and as a source of non-point pollution into the Snoqualmie River.
3. Implement TMDL action included in site-specific identification and meet specified discharge limits and monitoring requirements. A Wastewater Treatment Plant for the city of Carnation has been discussed for a number of years and was included in the 1994 TMDL study. King County will meet or exceed the discharge limits specified and meet all monitoring requirements under the NPDES permit.
4. Eliminate potential contamination to a City drinking water source. The threat of contamination of the auxiliary drinking water well located in the City limits will be eliminated.

V. THE LOAN

A. Source and Availability; LOAN Amounts; LOAN Terms

DEPARTMENT Funding Source: Washington State Water Pollution Control Revolving Fund (Revolving Fund)

Subject to all of the terms, provisions, and conditions of this AGREEMENT, and subject to the availability of state funds, the DEPARTMENT will loan to the RECIPIENT the sum of fourteen million eighty-five thousand two-hundred thirty eight dollars (\$14,085,238) (the "Estimated LOAN Amount").

When the PROJECT Completion Date or the Initiation of Operation Date has occurred, if appropriate, the DEPARTMENT and the RECIPIENT will execute an amendment to this AGREEMENT which

benefits of the RECIPIENT shall be allowed.

8. Certification. Each payment request will constitute a certification by the RECIPIENT to the effect that all representations and warranties made in this AGREEMENT remain true as of the date of the request and that no adverse developments, affecting the financial condition of the RECIPIENT or its ability to complete the PROJECT or to repay the principal of or interest on the LOAN, have occurred since the date of this AGREEMENT. Any changes in the RECIPIENT's financial condition will be disclosed in writing to the DEPARTMENT by the RECIPIENT in its request for payment.

C. Sources of LOAN Repayment

1. Nature of RECIPIENT's Obligation. The obligation of the RECIPIENT to repay the LOAN from the sources identified below and to perform and observe all of the other agreements and obligations on its part contained herein will be absolute and unconditional, and will not be subject to diminution by setoff, counterclaim, or abatement of any kind.
2. Revenue-Secured; Lien Position. This LOAN is a Revenue-Secured Debt of the RECIPIENT's Utility. This LOAN shall constitute a lien and charge upon the Net Revenue junior and subordinate to the lien and charge upon such Net Revenue of any Senior Lien Obligations. To secure the repayment of the LOAN from the DEPARTMENT, the RECIPIENT agrees to comply with all of the covenants and agreements herein including, but not limited to, those contained in Section VII of this AGREEMENT.
3. Other Sources of Repayment. The RECIPIENT may repay any portion of the LOAN from any funds legally available to it other than those pledged in Section V-C-2.
4. Defeasance of the LOAN; Refinancing or Additional Financing of the PROJECT. So long as the DEPARTMENT shall hold this LOAN, the RECIPIENT shall not be entitled to, and shall not effect, an economic Defeasance of the LOAN. The RECIPIENT also shall not refinance the PROJECT, including making an advance refunding of the LOAN, or obtain grants or loans additional to those listed in Section IV to finance the PROJECT, without the written consent of the DEPARTMENT.

If the RECIPIENT defeases or advance refunds the LOAN or obtains additional grants or loans for the PROJECT without DEPARTMENT consent, it shall be required to use the proceeds thereof immediately upon their receipt, together with other available RECIPIENT funds, to repay

- (i) the LOAN Amount with interest, and
- (ii) any other obligations of the RECIPIENT to the DEPARTMENT under this AGREEMENT,

unless in its sole discretion the DEPARTMENT finds that repayment from those additional sources

limitations, among others: those on Defeasance, refinancing and advance refunding, and additional financing contained in Section V-C-4; and on termination, default and recovery of payments contained in Section VIII.

4. Prepayment of LOAN. So long as the DEPARTMENT shall hold this LOAN, the RECIPIENT may prepay the entire unpaid principal balance of and accrued interest on the LOAN or any portion of the remaining unpaid principal balance of the LOAN Amount. Any prepayments on the LOAN will be applied first to any accrued interest due and then to the outstanding principal balance of the LOAN Amount. If the RECIPIENT elects to prepay the entire remaining unpaid balance and accrued interest, the RECIPIENT shall first contact the DEPARTMENT's Revenue/Receivable Manager of the Fiscal Office.

VI. REPRESENTATIONS AND WARRANTIES

The RECIPIENT represents and warrants to the DEPARTMENT as follows:

A. Existence; Authority.

It is a duly formed and legally existing municipal corporation or political subdivision of the state of Washington or a federally recognized Indian tribe. It has full corporate power and authority to execute, deliver, and perform all of its obligations under this AGREEMENT and to undertake the PROJECT identified herein.

B. Application; Material Information.

All information and materials submitted by the RECIPIENT to the DEPARTMENT in connection with its LOAN application were, when made, and are, as of the date the RECIPIENT executes this AGREEMENT, true and correct. There is no material adverse information relating to the RECIPIENT, the PROJECT, the LOAN, or this AGREEMENT known to the RECIPIENT which has not been disclosed in writing to the DEPARTMENT.

C. Litigation; Authority.

No litigation is now pending or, to the RECIPIENT'S knowledge, threatened, seeking to restrain or enjoin (i) the execution of this AGREEMENT or (ii) the fixing or collection of the revenues, rates, and charges pledged to pay the principal of and interest on the LOAN or (iii) in any manner questioning the proceedings and authority under which the AGREEMENT, the LOAN, or the PROJECT are authorized. Neither the corporate existence or boundaries of the RECIPIENT nor the title of its present officers to their respective offices is being contested. No authority or proceeding for the execution of this AGREEMENT has been repealed, revoked, or rescinded.

D. Not a General Obligation.

This AGREEMENT and the LOAN to be made do not constitute a general obligation debt of the

further payments under this AGREEMENT.

2. Repayment Demand. In response to a termination event, except in the circumstances described in Section VIII-A-1 above, or in response to a default event, the DEPARTMENT may in its sole discretion demand that the RECIPIENT repay the outstanding balance of the LOAN Amount and all accrued interest.
3. Interest after Repayment Demand. From the time that the DEPARTMENT demands repayment of funds under Section VIII-B or Section VIII-C-2, amounts owed by the RECIPIENT to the DEPARTMENT will accrue additional interest at the rate of one percent per month, or fraction thereof.
4. Accelerate Repayments. In the event of a default event, the DEPARTMENT may in its sole discretion declare the principal of and interest on the LOAN immediately due and payable, subject to the prior lien and charge of any outstanding Senior Lien Obligations upon the Net Revenue. Repayments not made immediately upon such acceleration will incur Late Charges, as provided in Sections V-D-2 and VIII-C-5.
5. Late Charges. All amounts due to the DEPARTMENT and not paid by the RECIPIENT by the Termination Payment Date or after acceleration following a default event, as applicable, will incur Late Charges, as provided in Section V-D-2.
6. Intercept State Funds. In the event of a default event and in accordance with RCW 90.50A.060, "Defaults," any state funds otherwise due to the RECIPIENT may, in the DEPARTMENT's sole discretion, be withheld and applied to the repayment of the LOAN.
7. Property to DEPARTMENT. In the event of a default event and at the option of the DEPARTMENT, any property (equipment and land) acquired under this AGREEMENT may, in the DEPARTMENT's sole discretion, become the DEPARTMENT's property. In that circumstance, the RECIPIENT's liability to repay money shall be reduced by an amount reflecting the fair value of such property.
8. Documents and Materials. If this AGREEMENT is terminated, all finished or unfinished documents, data studies, surveys, drawings, maps, models, photographs, and reports or other materials prepared by the RECIPIENT will, at the option of the DEPARTMENT, become DEPARTMENT property. The RECIPIENT shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials.
9. Collection and Enforcement Actions. In the event of a default event, the state of Washington reserves the right to take any actions it deems necessary to collect the amounts due, or to become due, or to enforce the performance and observance of any obligation by the RECIPIENT, under this AGREEMENT.

10. Fees and Expenses. In any action to enforce the provisions of this AGREEMENT, reasonable fees and expenses of attorneys and other reasonable expenses (including, without limitation, the reasonably allocated costs of legal staff) will be awarded to the prevailing party as that term is defined in RCW 4.84.330, "Actions on contract or lease . . .—Waiver prohibited."
11. Damages. Notwithstanding the DEPARTMENT's exercise of any or all of the termination or default remedies provided in Section VIII-C-1 through VIII-C-10 above, the RECIPIENT shall not be relieved of any liability to the DEPARTMENT for damages sustained by the DEPARTMENT and/or the state of Washington because of any breach of this AGREEMENT by the RECIPIENT. The DEPARTMENT may withhold payments for the purpose of setoff until such time as the exact amount of damages due the DEPARTMENT from the RECIPIENT is determined.

IX. MODIFICATIONS TO AGREEMENT

No subsequent amendments to this AGREEMENT shall be of any force or effect unless reduced to a writing and signed by authorized representatives of the RECIPIENT and the DEPARTMENT, and made part hereof, except:

1. Any change of the RECIPIENT's LOAN AGREEMENT Contact, or the Contact for billing/invoice questions, or of the DEPARTMENT'S Project Manager or Financial Manager as set forth respectively in Sections I-A, V-B-1, and I-B, may be made by either party, as provided in Section I-C; or
2. Insubstantial modifications, such as frequency and number of required submittals, budget allocations not affecting the total LOAN Amount and similar changes requested by the RECIPIENT in writing, may be approved in writing by the Project Manager of the DEPARTMENT.

No amendment to this AGREEMENT shall be effective until accepted or affirmed in writing by the DEPARTMENT.

In no event shall any oral agreement or oral commitment be effective to amend this AGREEMENT.

D. CONTRACTING FOR SERVICES (BIDDING)

Contracts for construction, purchase of equipment, and professional architectural and engineering services will be awarded through a competitive process, if required by State law. The RECIPIENT shall retain copies of all bids received and contracts awarded, for inspection and use by the DEPARTMENT.

No right or claim of the RECIPIENT arising under this AGREEMENT will be transferred or assigned by the RECIPIENT.

F. COMPLIANCE WITH ALL LAWS

1. The RECIPIENT shall comply fully with all applicable Federal, State, and local laws, orders, regulations, and permits.

Prior to commencement of any construction, the RECIPIENT shall secure the necessary approvals and permits required by authorities having jurisdiction over the Project, provide assurance to the DEPARTMENT that all approvals and permits have been secured, and make copies available to the DEPARTMENT upon request.

2. **Discrimination.** The DEPARTMENT and the RECIPIENT agree to be bound by all Federal and State laws, regulations, and policies against discrimination. The RECIPIENT further agrees to affirmatively support the program of the Office of Minority and Women's Business Enterprises to the maximum extent possible. The RECIPIENT shall report to the DEPARTMENT the percent of loan funds available to women or minority owned businesses.

H. AUDITS AND INSPECTIONS

1. The RECIPIENT shall maintain complete program and financial records relating to this AGREEMENT. Such records will clearly indicate total receipts and expenditures by fund source and task or object. All loan records will be kept in a manner which provides an audit trail for all expenditures. All records will be kept in a common file to facilitate audits and inspections.

Engineering documentation and field inspection reports of all construction work accomplished under this AGREEMENT will be maintained by the RECIPIENT.

2. All loan records will be open for audit or inspection by the DEPARTMENT or by any duly authorized audit representative of the State of Washington for a period of at least three years after the final loan repayment or any dispute resolution. If any such audits identify discrepancies in the financial records, the RECIPIENT shall provide clarification and make adjustments accordingly.
3. All work performed under this AGREEMENT and any equipment purchased will be made available to the DEPARTMENT and to any authorized state, federal, or local representative for inspection at any time during the course of this AGREEMENT and for at least three

years following loan termination or dispute resolution.

4. The RECIPIENT shall meet the provisions in OMB Circular A-133 (Audits of States, Local Governments & Non Profit Organizations) or OMB Circular A-110 (Uniform Administrative Requirements for Grants & Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations) if the RECIPIENT receives federal funds in excess of \$300,000. The RECIPIENT must forward a copy of the state auditor's audit along with the RECIPIENT response and the final corrective action plan, as approved by the SAO, to the DEPARTMENT within 90 days of the date of the audit report.

I. PERFORMANCE REPORTING

The RECIPIENT shall submit progress reports to the DEPARTMENT with each payment request or such other schedule as set forth in the Scope of Work. The RECIPIENT shall also report in writing to the DEPARTMENT any problems, delays or adverse conditions which will materially affect their ability to meet project objectives or time schedules. This disclosure shall be accompanied by a statement of the action taken or proposed and any assistance needed from the DEPARTMENT to resolve the situation. Payments will be withheld if required progress reports are not submitted.

J. COMPENSATION

1. Method of Compensation. Payment will normally be made on a reimbursable basis as specified in the loan AGREEMENT and no more often than once per month. Each request for payment will be submitted by the RECIPIENT on State voucher request forms provided by the DEPARTMENT, along with documentation of the expenses. Payments will be made for each task/phase of the project, or portion thereof, as set out in the Scope of Work when completed by the RECIPIENT and certified as satisfactory by the Financial Manager.

The payment request form and supportive documents must itemize all allowable costs by major elements, as described in the Scope of Work. Instructions for submitting the payment requests are found in "Administrative Requirements for Ecology Grants and Loans," part IV, published by the DEPARTMENT. A copy of this document will be furnished to the RECIPIENT. When payment requests are approved by the DEPARTMENT, payments will be made to the mutually agreed upon designee.

Payment requests will be submitted to the DEPARTMENT and directed to the Financial Manager assigned to administer this AGREEMENT .

2. Budget Deviation. Deviations in budget amounts are not allowed without written amendment(s) to this AGREEMENT. Payment requests will be disallowed when the RECIPIENT's request for reimbursement exceeds the State maximum share amount for that element, as described in the Scope of Work.

3. Period of Compensation. Payments will only be made for action of the RECIPIENT pursuant to the loan AGREEMENT and performed after the effective date and prior to the expiration date of this AGREEMENT, unless those dates are specifically modified in writing as provided herein.
4. Final Request(s) for Payment. The RECIPIENT must submit final requests for compensation within 45 days after the expiration date of this AGREEMENT and within 15 days after the end of a fiscal biennium. Failure to comply may result in delayed reimbursement.
5. Performance Guarantee. The DEPARTMENT may withhold an amount not to exceed ten percent of each reimbursement payment as security for the RECIPIENT's performance and a financial bond. Monies withheld by the DEPARTMENT may be paid to the RECIPIENT when the project(s) described herein, or a portion thereof, have been completed if, in the DEPARTMENT's sole discretion, such payment is reasonable and approved according to this AGREEMENT and, as appropriate, upon completion of an audit as specified under section J.6..
6. Unauthorized Expenditures. All payments to the RECIPIENT will be subject to final audit by the DEPARTMENT and any unauthorized expenditure(s) charged to this loan will be refunded to the DEPARTMENT by the RECIPIENT.
7. Mileage and Per Diem. If mileage and per diem are paid to the employees of the RECIPIENT or other public entities, it shall not exceed the amount allowed under Washington state law for state employees.

K. TERMINATION

1. For Cause. The obligation of the DEPARTMENT to the RECIPIENT is contingent upon satisfactory performance by the RECIPIENT of all of its obligations under this AGREEMENT. In the event the RECIPIENT unjustifiably fails, in the opinion of the DEPARTMENT, to perform any obligation required of it by this AGREEMENT, the DEPARTMENT may refuse to pay any further funds and terminate this AGREEMENT by giving written notice of termination.

A written notice of termination shall be given at least five working days prior to the effective date of termination. In that event, all finished or unfinished documents, data studies, surveys, drawings, maps, models, photographs, and reports or other materials prepared by the RECIPIENT under this AGREEMENT, at the option of the DEPARTMENT, will become Department property and the RECIPIENT shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials.

Despite the above, the RECIPIENT shall not be relieved of any liability to the DEPARTMENT for damages sustained by the DEPARTMENT and/or the State of Washington because of any breach of AGREEMENT by the RECIPIENT. The DEPARTMENT may withhold payments for the purpose of setoff until such time as the exact amount of damages due the DEPARTMENT from the RECIPIENT is determined.

2. Insufficient Funds. The obligation of the DEPARTMENT to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. When this AGREEMENT crosses over state fiscal years the obligation of the DEPARTMENT is contingent upon the appropriation of funds during the next fiscal year. The failure to appropriate or allot such funds will be good cause to terminate this AGREEMENT, as provided in paragraph K.1 above.

When this AGREEMENT crosses the RECIPIENT's fiscal year, the obligation of the RECIPIENT to continue or complete the project described herein will be contingent upon appropriation of funds by the RECIPIENT's governing body; provided, however, that nothing contained herein will preclude the DEPARTMENT from demanding repayment of all funds paid to the RECIPIENT in accordance with Section O.

3. Failure to Commence Work. In the event the RECIPIENT fails to commence work on the project funded herein within four months after the effective date of this AGREEMENT, or by any date mutually agreed upon in writing for commencement of work, the DEPARTMENT reserves the right to terminate this AGREEMENT.

L. WAIVER

Waiver of any RECIPIENT default is not a waiver of any subsequent default. Waiver of a breach of any provision of this AGREEMENT is not a waiver of any subsequent breach and will not be construed as a modification of the terms of this AGREEMENT, unless stated as such in writing by the authorized representative of the DEPARTMENT.

M. PROPERTY RIGHTS

1. Copyrights and Patents. When the RECIPIENT creates any copyrightable materials or invents any patentable property, the RECIPIENT may copyright or patent the same, but the DEPARTMENT retains a royalty-free, nonexclusive and irrevocable license to reproduce, publish, recover, or otherwise use the material(s) or property and to authorize others to use the same for federal, state, or local government purposes.

Where federal funding is involved, the federal government may have a proprietary interest in patent rights to any inventions that developed by the RECIPIENT as provided in 35 U.S.C. 200-212.

2. Publications. When the RECIPIENT or persons employed by the RECIPIENT use or publish information of the DEPARTMENT; present papers, lectures, or seminars involving information supplied by the DEPARTMENT; use logos, reports, maps or other data, in printed reports, signs, brochures, pamphlets, etc., appropriate credit will be given to the DEPARTMENT.
3. Tangible Property Rights. The DEPARTMENT's current edition of "Administrative Requirements for Ecology Grants and Loans," Part V, will control the use and disposition of all real and personal property purchased wholly or in part with funds furnished by the DEPARTMENT in the absence of state or federal statute(s), regulation(s), or policy(s) to the contrary or upon specific instructions with respect thereto in the Scope of Work.
4. Personal Property Furnished by the DEPARTMENT. When the DEPARTMENT provides personal property directly to the RECIPIENT for use in performance of the project, it will be returned to the DEPARTMENT prior to final payment by the DEPARTMENT. If said property is lost, stolen, or damaged while in the RECIPIENT's possession, the DEPARTMENT shall be reimbursed in cash or by setoff by the RECIPIENT for the fair market value of such property.
5. Acquisition Projects. The following provisions will apply if the project covered by this AGREEMENT includes funds for the acquisition of land or facilities:
 - a. Prior to disbursement of funds provided for in this AGREEMENT, the RECIPIENT shall establish that the cost of land and facilities is fair and reasonable.
 - b. The RECIPIENT shall provide satisfactory evidence of title or ability to acquire title for each parcel prior to disbursement of funds provided by this AGREEMENT. Such evidence may include title insurance policies, Torrens certificates, or abstracts, and attorney's opinions establishing that the land is free from any impediment, lien, or claim which would impair the uses contemplated by this AGREEMENT.
6. Conversions. Regardless of the contract termination date shown on the cover sheet, the RECIPIENT shall not at any time convert any equipment, property, or facility acquired or developed pursuant to this AGREEMENT to uses other than those for which assistance was originally approved without prior written approval of the DEPARTMENT. Such approval may be conditioned upon payment to the DEPARTMENT of that portion of the proceeds of the sale, lease or other conversion or encumbrance which monies granted pursuant to this AGREEMENT bear to the total acquisition, purchase, or construction costs of such property.

N. RECYCLED/RECYCLABLE PAPER

All documents and materials published under this AGREEMENT will be produced on recycled paper containing the highest level of post consumer and recycled content that is available. At a minimum, paper with ten percent post consumer content and 50 percent recycled content will be used. Whenever possible, all materials will be published on paper that is unbleached or has not been treated with chlorine gas or hypochlorite.

As appropriate, all materials will all be published on both sides of the paper and will minimize the use of glossy or colored paper and other items which reduce the recyclability of the document.

O. RECOVERY OF PAYMENTS TO RECIPIENT

The right of the RECIPIENT to retain reimbursement monies paid to it is contingent upon satisfactory performance of this AGREEMENT, including the satisfactory completion of the project described in the Scope of Work. In the event the RECIPIENT fails, for any reason, to perform obligations required of it by this AGREEMENT, the RECIPIENT may, at the DEPARTMENT's sole discretion, be required to repay to the DEPARTMENT all loan funds disbursed to the RECIPIENT for those parts of the project that are rendered worthless, in the opinion of the DEPARTMENT, by such failure to perform.

Interest will accrue at the rate of 12 percent per annum from the time the DEPARTMENT demands repayment of funds. If payments have been discontinued by the DEPARTMENT due to insufficient funds, as in Section K.2 above, the RECIPIENT shall not be obligated to repay monies which had been paid to the RECIPIENT prior to such termination. Any property acquired under this AGREEMENT, at the option of the DEPARTMENT, may become the DEPARTMENT's property and the RECIPIENT's liability to repay monies will be reduced by an amount reflecting the fair value of such property.

P. PROJECT APPROVAL

The extent and character of all work and services to be performed under this AGREEMENT by the RECIPIENT will be subject to the review and approval of the DEPARTMENT through the Project Manager or other designated official to whom the RECIPIENT shall report and be responsible. In the event there is a dispute with regard to the extent and character of the work to be done, the determination of the Project Manager or other designated official as to the extent and character of the work to be done will govern. The RECIPIENT shall have the right to appeal decisions as provided for below.

Q. DISPUTES

Except as otherwise provided in this AGREEMENT, any dispute concerning a question of fact arising under this AGREEMENT which is not disposed of in writing will be decided by the Project Manager or other designated official who shall provide a written statement of decision to the RECIPIENT. The decision of the Project Manager or other designated official will be final and conclusive unless, within 30
