9 **STATEMENT OF FACTS:**

10 1. A notice of intention proposing the transfer of a portion of Lakehaven
11 Utility District to Highline Water District for the purpose of providing
12 water service was filed with the county council on July 24, 2002.
13 Highline Water District found the petition for transfer to be sufficient and
14 concurred with the proposed transfer in Resolution No. 02-4-3B, passed
15 on April 3, 2002. Lakehaven Water District found the petition for transfer
16 to be sufficient and concurred with the proposed transfer in Resolution No.
17 2002-965 passed on January 24, 2002.

18 2. Highline Water District issued a determination of nonsignificance on
19 the proposed transfer dated July 10, 2002.

20 3. On January 10, 2000, King County granted the Lakehaven Utility
21 District a franchise to install, operate and maintain a water utility on King
22 County, road right of ways within the district's water service area under
23 Ordinance 13702. Under the terms of this franchise, the consent of the
24 Metropolitan King County Council is required for any assignment of the
25 franchise.

26 4. The county council held a public hearing on September 9, 2002 on the
27 proposed transfer of service area from Lakehaven Utility District to
28 Highline Water District.

29 5. On September 23, 2002, the council passed Ordinance 14479, which
30 conditionally approved the transfer of the Cashmere property, as reflected
31 in an attached legal description. The council conditioned the transfer on
32 completion and approval by the council, by ordinance, an assignment of
33 the Lakehaven Utility District franchise.

34 6. Subsequently, it was determined that that the transfer area does not
35 contain any county right-of-way that would require a franchise agreement.
36 This makes the assignment of the Lakehaven Utility District franchise
37 unnecessary.

38 **BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:**

39 **SECTION 1.** Ordinance 14479, Section 4, is hereby repealed.

40 **SECTION 2.** Ordinance 14479, Section 2, is hereby amended to read as follows:

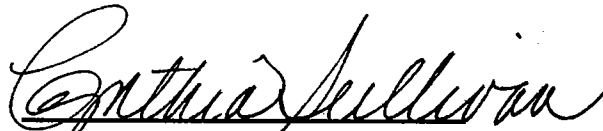

41 After consideration of the criteria listed in RCW 57.02.040(3), the transfer by
42 Lakehaven Utility District of the area described in Attachment A to ~~((this ~~e~~))~~ Ordinance
43 14479 is consistent with those criteria ~~((and is approved subject to the condition set forth~~
44 ~~in section 4 of this ordinance))~~.
